*“...cunning, ambitious, and unprincipled men will be able to subvert the Power of the People and to usurp for themselves the reins of Government; destroying afterwards the very engines which have lifted them to unjust dominion...The spirit of encroachment tends to consolidate the powers of all departments in one, and thus to create, whatever the form of government, a real despotism...”*

George Washington, Farewell Address, 1796

**America, we will be transitioning** to constitutional oversight of the U.S. Corporation in the near future. I urge all patriotic Americans to look forward to being set free from excessive taxation, a runaway judicial system, and government intrusion at federal, state and local levels.

**Our Constitution guarantees a republican form of governance** at all levels. My job, as President for the Republic, is to work for and with the American People to ensure a peaceful transition from government tyranny to a government that once again serves, protects and represents the American People. As it stands – the Corporate U.S. does not represent you – it has been put in place to manage you and your assets.

Working together, it is a small thing for the American People to effect this transition. **I am issuing a WARNING to all agents serving the U.S. Corporation.** The *Republic for the United States of America* is a “constitutional presence” in the land. Therefore, you are now obligated to the Constitution and to the American People. Soon, *de jure* grand juries will be looking into your conduct. I cannot, nor will I, protect you from these juries. **Therefore, if you are issued unlawful orders** from anyone above you DO NOT carry out such orders. Remember what happened at Nuremberg? I do not want that happening in our country. **The rule of law** will be applied equally to all, rendering justice for the innocent as well as for those proven guilty of atrocities that have been committed in the name of the American People. Just because someone above you told you to carry out an unlawful act does not make you innocent of a crime.

**I urge Americans** from all walks of life to continue supporting President Trump. He promised us in his inaugural address that he would transfer power back to the American People: *Today’s ceremony, however, has very special meaning. Because today we are not merely transferring power from one Administration to another, or from one party to another – but we are transferring power from Washington, D.C. and giving it back to you, the American People.*

**The American People will be set at Liberty once again.** Freedom will mean increased responsibility upon each of us to ensure we do no harm to each other. Together, and with God’s help and guidance, we can do all things; only believe.

The People of the free States in Union do not now, nor have we ever supported any intent of overthrowing the UNITED STATES municipal corporation acting as a government. We are not “Sovereign Citizens” as defined by Homeland Security. We are peaceful, non-violent and advocate peaceful, non-violent methods to restore and maintain a lawful, constitutional republican form of governance. We would never advocate or take part in the kidnapping of, or violence against any public official; nor do we affiliate with any hate groups; nor would we participate in any terrorist attack against the U.S. corporate government or any public or private official. We love our fellow man, America, its People and the Republic for which our flag stands. We observe the greatest commandment, namely, that we love God and Love our fellow man. We believe that the rule of law should be applied justly and equally to all, both small and great without regard to race, gender, color, financial status, handicap, or religious affiliation. In short, we believe in treating our fellow man as we would like to be treated. We show tolerance and respect toward corporate law enforcement officers even when those officers, through lack of knowledge, may violate or infringe upon our un-a-lien-able guaranteed liberties. We are not tax protesters or the like. We believe in conducting our commerce and the business of Republic governance in the open, not in secret meetings. We hold that the People intend to research actual Law as well as applicable case Law. We intend on attending as many seminars, meetings and lectures as possible given by law professors, lawyers and the like in order to learn the proper interpretation of law. We are willing to assist any local, state or national leaders, such as presidents, governors, congressmen, senators or representatives in coming to a clearer understanding of their constitutional duties and obligations to the American People.

This being said it is **important for President Trump** and myself to continue down the road of restoration of the Republic. We will finish the task that Presidents Abraham Lincoln and John F. Kennedy attempted; that of restoring the Republic. Both of these Presidents were assassinated before they could finish the transition. Please keep President Trump, his family and administration in your prayers as he works on the transition back to our beloved Republic.

**The Republic for the United States of America is the only lawful interim government** able to finish this transition on behalf of the American People. I believe President Trump is the Spearhead of the Republic and has already started movement towards restoring the Republic. But I do not perceive that he will be able to complete the task alone due to the interference of the deep state that is bent on the destruction of America as we have known it. Don't believe me? Then read this recent Tweet from President Trump on 6:41 PM · Oct 1, 2019: *As I learn more and more each day, I am coming to the conclusion that what is taking place is not an impeachment, it is a COUP, intended to take away the Power of the People, their VOTE, their Freedoms, their Second Amendment, Religion, Military, Border all, and their God-given rights as a Citizen of The United States of America!*

**The only solution** is the return to our republican form of governance as guaranteed by *Article IV, Section 4* of the Constitution by restoring power back to the American People as President Trump promised in his inaugural address.

**The unprecedented attacks on President Trump should be a sign** to us all that the end of the deep state is near. They are becoming more and more desperate as we approach the **Rule of Law** once more in our Nation. Please bear in mind that he is dealing with dishonorable, immoral and desperate people. They will accuse him of anything in order to try and remove him. With the help of God Almighty we will prevail.

The **Founding Fathers** expressed through the *Declaration of Independence* and in their personal correspondence their firm reliance upon "Divine Providence," so it is with us! Looking back, we can see that the Republic instituted by our Fore Fathers was in fact the handwork of our Divine Creator. May He once more intervene as the American People cry out to him for favor.

God Bless America,

*James Buchanan Geiger*

President

Republic for the United States of America

*Done outside the City of Washington, this fourth day of October, in the year of our Lord two thousand nineteen, and of the Independence of the United States of America the two hundred forty fourth.*
