

## The Biblical Month of Kislev 5783: Chaplain Wade K. Butler

Each new month is packed with Revelation, Wisdom, and our LORD showing us things we did not know. **Jeremiah 33:3 'Call to Me and I will answer you and tell you [and even show you] great and mighty things, [things which have been confined and hidden], which you do not know *and* understand *and* cannot distinguish.'**

### Wade Butler: A word from the LORD!

**This month you will read a lot again about Keys, Frequencies, Angels and Heavenly manifestations. Our LORD is here, NOW with us to encourage us to fight the good fight. Are you ready? Several weeks ago, while in prayer Yeshua spoke to me. He said, "*The prophets, Dutch Sheets, Tim Sheets, Chuck Pierce and others have seen the Seraphim over the nations. I did not send them.*" I was set back by HIS statement and my mind immediately raced to the thought of, have the men I follow missed the LORD completely. What is going on? Yeshua the said, "*I did not send them, I brought them.*" *Heaven and Earth have collided, the realm of Heaven is here, now, I AM here Now! You are current in your teaching, The Kingdom of Heaven is at hand, a frequency away.*" *The Seraphim are here to assist in the battle for Earth, the Kingdom age is upon you.*"**

Immediately HE took my hand and pulled me into Him to allow me to see through HIS eyes. It was overwhelming. Out of my right eye I saw the Kingdom of Heaven and out of my left eye I saw the earth. It shook me to the core of everything I know and believed. Wickedness was everywhere on earth while Heaven was beautiful beyond compare. Angel Armies were ready to advance as if waiting for the command. They are waiting for the sons and daughters to rise up!

He next said, ***"Tell MY sons and daughters that I AM giving gifts for the season ahead for signs, wonders, and miracles that will soon take place. It is the time and season, get ready, get ready, get ready. The hidden ones are coming out. Children will lay hands on the wounded ones and healing miracles will take place. Be obedient, cast off your sin, shout back at the enemy who is yelling at you, and they will flee because they know I AM with you. Put them to flight and hear what I am saying through the Word and MY Prophets."***

**\*\*2 Chronicles 20:20B Amplified Bible, Classic Edition**

**Believe in the Lord your God and you shall be established; believe *and* remain steadfast to His prophets and you shall prosper. (To truly prosper is to be in HIS presence, HIS Glory).**

I asked the LORD, Who can receive this? HE said, ***"I have prepared the hearts of those who will know the truth. The battle is great, but I AM with you. Do not fear, the battle is yours if you listen to MY voice. " The enemy is terrified, do not back down. Call upon MY blood, Pray to the FATHER, I AM is here for you."***

**Be Blessed, Wade K. Butler, Chaplain**

Every month I research the scriptures, new authors, text, and art for the month. Every time I am amazed. This month the celebration is "Chanukah" or Hanukkah as we would say it is beginning. I don't generally push new resources separately, but I feel compelled to mention several of those who are featured. Menachem Posner is one of the Hebrew authors this month. His writing on Kislev and the twelve key points is excellent. As always Chuck Pierce, Dutch Sheets, Lana Vawser, the Johnston's, Veronica West and many more are included.

**John Rockwell: beginning 4-1-2022 evening (Nisan 1)  
To be released NOW because the LORD said, *"This is the Time!"***

**A Dream and Vision fulfilled!**

I was lying in bed before going to sleep and I heard the Lord say ***"it is time to release the frequencies (444Hz The King David frequency & 528Hz first nation healing frequency)"*** then I was asleep in a crowd of people, and everyone was wondering what I was talking about. The discussion was releasing above frequencies.

I was only to receive help from a few people mainly, Janet, Wade, Francis, & April (first nations) and one more a local seer Sam, six people. Many were trying to get in on the discussion but were turned away by the Lord. I woke up and the time was 1:33am.  $1+3+3=7$ . I will start focusing more on frequency on Monday.

Over the past several months this is what has transpired. First during several prayer ascensions, I got 2 tuning forks and speaking with Sharon I got the 3rd. I already knew what the first frequency was it was 444Hz. The second came from April a First Nation healing frequency of 528Hz. Months later I got the revelation of 396Hz told April and she was in agreement.

This past Tuesday 11-15-2022 this was brought to pass, and the frequencies were released. I will back up a bit and explain that April called me the week before to say that she got a word that it was time to release these frequencies, so we did it on the 15<sup>th</sup> before Trump's speech. Here's how it went: I was instructed by the Holy Spirit to go the river close to our home. The direction was to release the frequencies unto the LORD and begin the process of reclaiming all of earth. I started off releasing frequencies striking each fork 7 times #1 396Hz into the land, #2 444Hz into the air, #3 528Hz into the water, **our petition was to cleanse each area; Land, Water and Sky.**

At that point we took communion, and April read Ps 24,

**<sup>16</sup> Let our lord now command your servants here before you to find a man who plays skillfully on the lyre; and when the evil spirit from God is upon you, he will play it, and you will be well.**

**17 Saul told his servants; Find me a man who plays well and bring him to me.**

**18 One of the young men said, I have seen a son of Jesse the Bethlehemite who plays skillfully, a valiant man, a man of war, prudent in speech *and* eloquent, an attractive person; and the Lord is with him.**

**19 So Saul sent messengers to Jesse and said, Send me David your son, who is with the sheep.**

**20 And Jesse took a donkey loaded with bread, a skin of wine, and a kid and sent them by David his son to Saul.**

**21 And David came to Saul and served him. Saul became very fond of him, and he became his armor-bearer.**

**22 Saul sent to Jesse, saying, Let David remain in my service, for he pleases me.**

**23 And when the evil spirit from God was upon Saul, David took a lyre and played it; so, Saul was refreshed and became well, and the evil spirit left him.**

King Saul's relief from the evil spirit when King David would play his harp. Sam saw a golden crack in the sky raining down God's glory & sky cracking. Wade said It's Time and prayed a prayer of release and warfare over the earth.

April said, in the courts of Heaven the gavel has been brought down and your petition has been granted. April heard loud sonic booms from the past, present, & future. Wade felt the frequencies of each tuning fork even though he could not hear over the phone. April suggested we sing Doxology, and we prayed to close.

## **Prayer guide for Kislev 5783**

**The Third Month of the Spiritual New Year and the ninth of the twelve months of the Hebrew physical calendar.**

**Biblical Months fall under the Law Form of YHWH (Yahweh), Father-Son-Holy Spirit, through the revelation of His Word.**

**In developing this calendar prophets are used to bring current words from the LORD. Additionally, publications such as the Elijah List, Judaism 101, teachings from Chuck Pierce, Robert Hiedler and many other contributing authors are included. 1 Thessalonians 5:20 Do not spurn the gifts *and* utterances of the prophets (do not depreciate prophetic revelations) nor despise inspired instruction or exhortation or warning.**

### **The Hebrew Month of Kislev**

**Kislev is best known for the holiday of Chanukah and the New Year of Chassidism.**

**Last Night of Chanukah - By David Asher Brook**

Kislev (or Chislev) is the ninth month on the Jewish calendar, counting from Nisan. It is best known for the holiday of Chanukah, which begins on 25 Kislev. The message of Chanukah is the eternal power of light over darkness—good over evil. Aside from commemorating the miraculous victory of the small Jewish army over the mighty Syrian-Greek empire, Chanukah celebrates the miracle of the oil. When the Jews sought to light the Temple menorah after the war, they found only one small jug of pure oil. Miraculously, the one-day supply burned for eight days, and the sages instituted the eight-day festival of Chanukah during which we kindle the menorah nightly.

**Kislev is the month of Hanukah, called the festival of lights.**

### **Divine Light**

The light that comes from fire is dependent on the burning and destroying of something else. Divine light, however, is self-derived. At the Burning Bush, Moses encounters Divine light. It shines like a fire, and yet the bush is not consumed. This light doesn't necessarily take away the darkness—it somehow shines within the darkness. This is the "*Ohr HaGanuz*", the 'Hidden Light', the Divine light that burns within the darkness of Creation, yet doesn't consume Creation. It is the light of Hanukkah revealed in the darkest nights of the year and the darkest times of exile. Thus, the small jug of oil lit by the kohanim didn't consume any oil.

When people are inspired, they can rise to meet great challenges. These are times when the pure "oil" of a person's soul shines brightly. Sadly, however, such peak experiences of inspiration wane, and most people return to the comfort of darkness.

The "miracle" of Hanukkah was that the Jews were able to shine brightly for eight nights, extending beyond the natural cycle of a week. If Hanukkah began on a Sunday, the last night was also Sunday again, and yet they were illumined as if it were the first night. The brilliance actually filled them throughout the whole year, and therefore they established that the inspiration and illumination of Hanukkah would continue to manifest every year, for all generations.

**The name Kislev derives from the Hebrew word for "security" and "trust."**

Both are found in the month of Kislev. Hanukah reflects the active, in the war of liberation led by the Hashmonaim (Maccabees). This small group of guerilla warriors stood up to the mightiest nation of the time, Greece. They did not fight for independence; they did not fight to avoid the tribute demanded by the Greeks. They fought for religious freedom. Unlike the terrorists who struck in Mumbai, who fight to inflict their perverted views on others, the Hashmonaim fought only for the right to worship in our own way. See more below!

**Kislev is also a month of rest.**

It is the month in which the days are shortest, and the nights are longest and there is a sense of sleep. In much of the USA the earth rests under a blanket of snow. Good rest reflects an intrinsic trust, trust in Hashem. Our morning blessings begin with the words

"Thanks (G) for returning my soul!" We wake with a gentle acknowledgement of the trust that allows us to drift into soulful rest.

In this month of tranquility and peace, even in the midst of warfare, you will have peace. Many people do not understand this aspect of warfare. This simply means that in the midst of the warfare, you are on the offensive so that you have peace in the midst of conflict. When we get tangled up and get out of our abiding place, we get into trouble.

**This is the month of dreams and night visions. Through the year the Lord has been pouring things into you, then all of the sudden He draws them out through dreams. Sometimes that is the only way He can communicate with you. You have pressed through and then you fall asleep. This is when He can begin to stir up revelation. This is also a month to review your sleeping patterns so that you will be healthier in the year ahead.**

This month is a time to let the river of God flow from your innermost being. There is a great relationship between tranquility and fullness. If we don't relate to our inner being correctly, we cannot enter into fullness. When your river starts flowing, you can enter into your next measure.

**The sense attributed to Kislev is sleep.** Kislev is the month in which the shortest days and longest nights occur. It is not unreasonable therefore that the sense attributed would be sleep. The sense of sleep is the tranquility and restfulness that comes with the security that comes from faith. It is written in the blessings at the end of Leviticus (26:5-6): ***"And you shall dwell securely in your land. And I shall give peace in the land, and you shall lie down without fear...."*** This is the dream and hope that we carry even in the darkest of months, the darkest of times.

When one releases the tensions of the material world in trust, good dreams follow. Good dreams at night reflect good thoughts throughout the day, especially the optimistic attitude and consciousness, reflected in the maxim found in Hassidut and in so many like-minded, hope filled, faith paths: "Think good, it will be good."

**Mental and Physical Health are a part of rest and security and so are attached to the month of Kislev.** Turn the Hebrew root *halem* and it becomes *hahlama*, or general "health" (meaning both mental and physical) as well as "recovery". In thanking God after being sick and recovering, **King Hizkiyahu prays (Isaiah 38:16), "restore me** (from the root *halem*) **and make me live."** Some compare the

dream to sweat. In each case there is a process of recovery. The dream brings from the unconscious to the conscious. Sweat brings from inside the body to the outside. Each can be viewed as a part of the process of recovery. The physical sweat signals the beginning of recovery from an illness. The spiritual dream signals something deep inside that needs to be recovered, revealed and, perhaps healed.

## **12 Facts About the Month of Kislev You Should Know** By Menachem Posner

### **1. It's the Month #9 and #3**

The Jewish year has (at least<sup>1</sup>) two "heads," Nissan in the spring and Tishrei in the fall. Counting from Nissan, this is the ninth month, and counting from Tishrei—when we observe the High Holidays and the joyous festival of Sukkot—it is the third.

### **2. Kislev Can Have 29 or 30 Days**

The Hebrew months generally alternate in length. One has 29 days, the next has 30, etc. The exceptions are Kislev and the preceding month of Cheshvan, which can (a) both have 29; (b) both have 30; or (c) have 29 and 30 respectively, allowing for the Jewish months to be calibrated just so.

### **3. It Never Starts on Shabbat**

Most dates in the Jewish calendar can occur on four out of seven days of the week. Since Cheshvan can have either 29 or 30 days, there are two more possible days for every date in Kislev. Thus, this month can begin on every day of the week aside from Shabbat.

### **4. The Great Deluge Ended on 27 Kislev**

The rains of the Great Flood in the time of Noah began on 17 Cheshvan and continued for 40 days. Thus, the lion's share of the rain took place in Kislev, ending on the 27<sup>th</sup> of the month.

### **5. The Month Ends in the Middle of Chanukah**

Chanukah, the Festival of Lights, begins on the evening preceding 25 Kislev and ends 8 days later, which means Kislev departs as the Chanukah lights spread their ever-increasing brightness in the winter dusk.

### **6. It's Associated with the Supportive Letter Samach**

The ancient mystical work of Sefer Yetzirah tells us regarding this month that G-d "produced the letter *samech*, predominant in sleep, crowned, combined, and formed the bow in the world and Kislev in the year..." The previous month, Cheshvan, has been

associated with the biting scorpion and the letter *nun*, which stands for *nofel*, fall. This month, we are thus uplifted with the letter *samech*, which means “support.”

## **7. Its Astrological Sign is the Bow (Sagittarius)**

As noted in the Sefer Yetzirah, this month’s Hebrew sign (*mazal*) is the bow (*keshet*). According to the rabbis of the Midrash, this tells us that even if a person’s sins are like the poisonous bite of the scorpion, through prayer they can be catapulted to a better place.

Some associate this bow with the rainbow shown to Noah after the flood.

## **8. Kislev Has Many Meanings**

Some associate the word *Kislev* with the word *kesel*, which means “flank,” implying the innate and intuitive desire in G-d. Others connect it with the word *ksil*, “fool,” showing how G-d even cares for those who have acted foolishly.

## **9. Ezra Presided Over a Mass Gathering in this Month**

In the early years of the Second Temple era, Ezra called the Jewish people to a special meeting in the courtyard of the Temple. As they shivered under the harsh rain, the people agreed to divorce the idolatrous spouses they had married.

## **10. It’s overflowing with Important Days in Chabad History**

Kislev 19, the day the first Chabad rebbe was released from Tsarist prison in 1798, is celebrated as the Rosh Hashanah of Chassidism. But there are many other significant days for Chabad in this month. Here are some:

## **11. The Mishkan Was Completed in This Month**

The sages tell us that the construction of the Mishkan (Tabernacle) was completed during this month. Moses delayed the inauguration, however, until the springtime month of Nissan, the month in which Isaac was born. Kislev was recompensed when, nearly a thousand years later, the Temple was rededicated on Kislev 25 during the Chanukah events.

## **12. The Second Temple Was Founded in this Month**

We read in the prophecy of Haggai (Haggai 2:18): "Pay attention now, from this day and before—from the twenty-fourth [day] of the ninth [month]—from the day that the Temple of the L-rd was founded, pay attention." According to Rashi, this means that "they began to add to the first foundation that they had built in the days of Cyrus."

Before the destruction of the First Temple, Jeremiah had famously prophesized (Jeremiah 29:10), "For so said G-d: For at the completion of seventy years of Babylon I will remember you, and I will fulfill My good word toward you, to restore you to this place."

And indeed, that is what happened. A little more than fifty years after the destruction of the First Temple, the Babylonians, who had destroyed the First Temple, were vanquished by the rising Persian Empire. The Persian king, Cyrus the Great, soon authorized the Jews to rebuild the Temple, but construction ground to a halt due to interference by the Samaritans. In 353 BCE, exactly seventy years after the destruction of the First Temple, the Jews began building again—at first independently, but King Darius soon ratified their effort. The Second Temple was completed in 349 BCE. Under the leadership of Ezra and Nehemiah, the community in Judea became vibrant and secure.

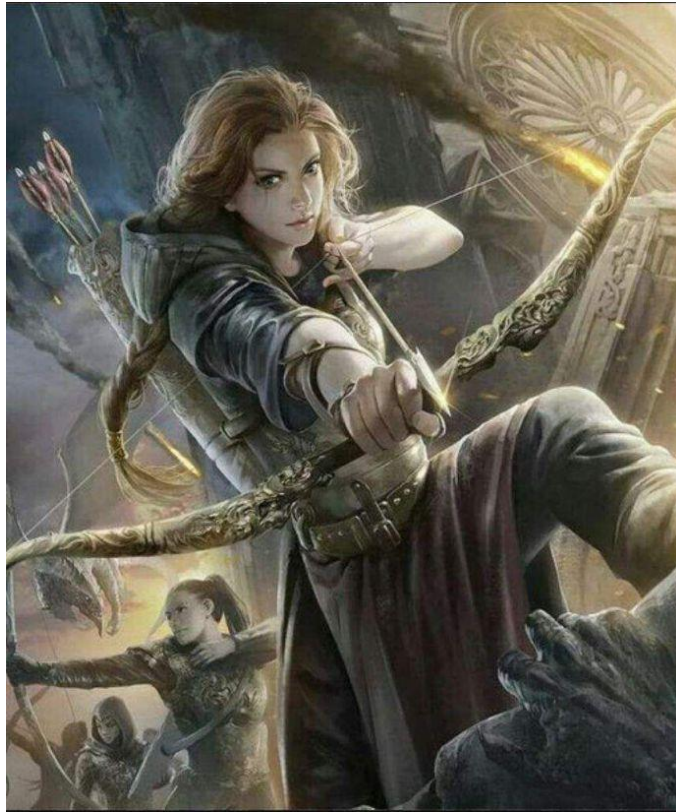

The Second Temple era spanned 420 years, ending with the Romans' destruction of the Holy Temple in 70 CE. For much of this period, Judea was under foreign domination. First the Jews were ruled by the Persians, and then, after the conquests of Alexander the Great, they were ruled by the Greeks. The Hasmonean revolt in 140 BCE brought about a period of Jewish monarchy. But the Hasmoneans did not rule for long.

**The astrological sign or Mazal is the "keshet" (Sagittarius—bow).** The bow has its double meaning, its own Yin and Yang, Netzah and Hod. On the one hand it is the bow of war, the bow of the fight for freedom characterized by the Maccabees. On the other hand the word Keshet (bow) refers to the rainbow, the first and most visible sign of peace and promise.

**The tribe ascribed to Kislev is Benjamin. It is a Month to Uncover Your True Identity!**

We can make a further connection with the Bow. Kislev is associated with the constellation Sagittarius (the archer). This month is a time to fight against empires and cultures. This is a month to shoot straight and move quickly. Think of the archer. Cut your losses and move on. The 'art of the bow' is ascribed to the tribe of Benjamin which

is attached to the month of Kislev. The Hashmonaem were of the tribe of Levi, the tribe without land holdings. They were the keepers of the Temple; they were the keepers of ritual. Rituals from their time resonate through our modern services. The Temple in which they served was located in Jerusalem which is located within the borders of the tribe of Benjamin, the bowman.

As mentioned above, **Benjamin is the tribe most gifted with the "art" of the bow.** In the land given to Benjamin is the Temple in Jerusalem. The blessing of Moses to Benjamin in the end of Torah: **"To Benjamin he said: the beloved of G-d, He shall dwell in trust over him, He hovers over him all the day, and between his shoulders He rests"**

## Kislev & Hanukkah

### The connections between the month and the holiday by Rabbi DovBer Pinson

Hanukkah is one of the most widely known and celebrated holidays of the year. It is festive, joyous, and family-oriented. It begins on the 24th of the Hebrew month of

: a significant time of year—at least in the Northern Hemisphere—when the days are the shortest, and the climate the coldest.

In the summer months, people are generally more outgoing and in brighter moods. As the sunlight begins to decrease, people tend to become more introspective. The autumnal Hebrew month of Tishrei (occurring around September and October) is saturated with holy days such as Rosh Hashanah, Yom Kippur, and the festival of Sukkot. The next month, Cheshvan, has no holidays at all, and it is typically rainy and cold.

This is when people are drawn further inward, and many desire to spend time alone. Kislev continues becoming darker and colder. People tend to retreat into their warm homes, and due to a subtle hibernation instinct in humans, we may actually sleep more than usual. Kislev culminates with the Winter Solstice, the longest night of the year. The following night is therefore minutely shorter—the first glimmer of light begins to re-awaken. At this season there's a natural desire to join with family and friends and celebrate.

Every *yom tov* (Jewish holy day) has a natural, seasonal explanation, as well as a historical and spiritual story that gives rise to the celebration. When the Torah speaks of Pesah (Passover), for example, it defines the celebration as a commemoration of the story of the Exodus from Egypt. However, the Torah also says Pesah is to be celebrated in "the month of Aviv" (the first month of Spring), when harvesting begins. Thus, the content of the day—the narrative—is understood within a particular context, a specific season, with all its physical and psychological qualities. Before exploring the depths of the content of , let's first delve more into the context, and the intricate interconnection between Hanukkah and its month and season.

## Re-awakening Light

When in Tractate Shabbat, begins to discuss Hanukkah, it first mentions the story: one small jug of oil, intended to burn for one night, lasted eight nights. Then it says, "On the following year they—our sages—established these days as holy days for singing praise and offering thanks." In other words, the sages didn't celebrate the miracles of Hanukkah right away. Only when the season came around again, did they perceive the nature of the previous year's events. They sensed that the energies of these miracles were 'established'—the miracles re-manifested, in a spiritual way, on the same dates of a following year.

By confirming the fact of this reappearance, our sages empowered us also to tap into the miraculous energy of Hanukkah that appears each year.

Why do we celebrate the miracles of Hanukkah and not other miracles? Why is there no holiday commemorating the manna or the miraculous well of Miriam? The answer is, we only celebrate past events when they can be re-experienced in the present.

It would seem that the annual re-appearance of the miraculous energy of Hanukkah is due simply to the cyclical patterns of time—there are certain patterns that rotate and return each year at the same time. However, in Jewish spirituality, we sense a linear movement of time as well.

Time is always progressing forward towards a spiritual culmination. Therefore, unlike the natural patterns of the year, the energies of Hanukkah progress toward a culmination, revealing something completely new each year. This linear movement joins the cyclical movement of nature to form an upward-spiraling, reawakening, ever-new light of Hanukkah.

## The Name of the Month—Trust and Hope

Kislev is the ninth month of the year, counting from Nisan. In the Torah we find that the root of the word Kislev means 'trust' and 'hope': "Did I place my *kili* (my hope) in gold...?" (Job, 31:24) "...And they placed in Hashem their *kislam* (their trust)." (Psalms, 78:7)

Kislev therefore illustrates the issue of trust. When you make an appointment to meet someone, and they haven't yet arrived, you can't see them or know for certain that they'll arrive on time. You can only see or envision their arrival by means of trust. When our days are dark and cold, we may not see the light and warmth of life clearly. Many

people struggle with “seasonal affective disorder”, a form of depression attributed to the diminished sunlight of winter. After the Winter Solstice, the glimmer of light that arrives really does spark in us a trust in a brighter future.

In terms of the historical narrative of Hanukkah, the Hasmoneans had tremendous *bitahon* to stand up to their Roman oppressors. Despite the darkness of their time, they trusted in the miraculous. This inspired them to look at a defiled Temple and envision its re-purification. Because of this trust, their eyes were open enough to find a small measure of oil with which to kindle the lights of the lamps.

Writing some two hundred years after the re-dedication of the Temple, Josephus calls Hanukkah “the Festival of Lights”. Although his historical accuracy is debatable, and he doesn’t even mention the miraculous oil, we can learn about Hanukkah’s theme of trust and hope from his account: “Perhaps the reason (for the name “Festival of Lights”) is that a freedom beyond our hopes appeared to us, and so this was the name given to the festival.” (Antiquities VII:7)

### **The Letter of the Month**

Every point in the calendar has a unique energy, symbology, and opportunity for growth. The ancient text, *Sefer Yetzirah*, teaches that the month of Kislev corresponds to the letter *Sameh*, the astrological sign of *Keshet* or Sagittarius, and the rectification of “sleep”. What can we learn from these correspondences?

The letter Sameh literally means ‘to support or uphold’. When people have a deep trust that they are supported, even if they fall into darkness, they are able to bounce back.

### **The Sign of the Month**

Sagittarius is a centaur with a drawn bow. A drawn bow is similar to the above image of ‘bouncing back’. The arrow is drawn backwards, and great tension is created. The bowsman trusts, however, that the deeper the arrow regresses, the further it will fly when released.

### **The Sense of the Month**

Sleep, also, involves ‘descending’ into unconsciousness and vulnerability. An environment that is not trustworthy may keep a person from falling asleep. We tend to sleep only when we can trust that we will awaken.

When Sefer Yetzira mentions “sleep”, it categorizes it as one of several *hushim*, ‘senses’—as in the senses of smell and sight. What does this mean? Some people have a *chush*—a refined ‘sense’ or taste for the art of sleeping. In contrast, others have a utilitarian relationship with sleep; they sleep because they’re tired or they seek an escape from the waking state. A ‘gourmet’ sleeper has deeper trust in Divine support, as the Book of Mishlei says, “If you rest, you will not worry; you will lie down and your sleep will be pleasant..., for you will trust Hashem.” (Mishlei 2)

When we lack trust, our minds are filled with self-centered worries, doubts, and the unfinished business of the day. This prevents deep, pleasant rest, and we may not ‘bounce back’ or awaken with energy for the next day. Therefore, to rectify the ‘sense’ of sleep, to make our sleep more God-centered and “pleasant”, we must refine our faculty of trust.

### **Prophetic Visions of Hanukkah**

A few hundred years before the Hanukkah story, the First Temple fell and Jewish sovereignty was stripped from the Land of Israel. One 24th of Kislev during this dark time, the prophet Chagai spoke to his broken People. His words inspired them to expect and envision the magnificent rebuilding of the Temple.

Chagai spoke to the priests of the laws of purity—a prophetic hint, perhaps, to the pure jug of oil that would be found in the future, on the same date. Despite the bleakness of Winter, and the trauma and opposition they had survived, the People were filled with so much Divine trust, that they immediately began to rebuild the Temple.

Another prophet of those difficult times, Zechariah, transmitted to the People an image of purity and grandeur: he prophesied about a menorah of pure gold, flowing continuously with holy oil. Thus, long before the Hanukkah story, the menorah became a symbol of hope and light. Many centuries later too, the menorah became the symbol of the Jewish People, and a major theme in synagogue art and architecture.

### **A Primordial Hanukkah**

The Talmud (Avodah Zarah) tells of a celebration of light during the time of year that would later become Hanukkah.

“When Adam—who was created in the beginning of the year, on the first day of Tishrei—noticed that during the first three months of his life, the days were getting gradually shorter, he said, ‘Woe is to me! Because I’ve sinned, the world around me is being

darkened and is returning to its state of chaos and confusion; this must be the kind of death which has been sentenced to me from Heaven!’ He took upon himself to pray, fast, and look within. After eight days, he noticed the Winter Equinox (the *Tekufat Tevet*, the season of the month of Tevet), and saw that indeed the days were beginning to lengthen again. “So this is the way of the world!” he exclaimed, and he celebrated for eight days.”

### **The Darkest Night**

The Winter Solstice generally occurs during the last week of Kislev. Therefore, not only does the week of Hanukkah contain the longest night of the year, but at the end of a lunar month the nights have virtually no moonlight.

A student of the Baal Shem Tov named Rabbi Yakov Yosef determined, through complex calculations, that the night of the Hanukkah victory and the re-lighting of the Menorah was precisely the longest night of the year. This deepest darkness sets the stage for the greatest possible revelation of light.

### **Divine Light**

Every Hanukkah is a special time for revealing the Hidden Light. Unlike all the Torah-based holidays, however, at the end of the Rabbinic holiday of Hanukkah there is no havdalah, or ritual of separation. May we never separate from the timeless light of Hanukkah. May it permeate every moment of our lives.

Deuteronomy 33:12). Here we see that Benjamin symbolizes both trust and rest, the sense of the month of Kislev.

Last month was the month of the flood, so this is the month of the rainbow. The BOW back-to-back... Examine what you have warred through in the past year to come into a place of peace this year, the two BOWS... God makes a covenant with us so that we will not have to war with those things again, which was the symbolism of the rainbow. There are certain things every year that you want to make a spiritual locator and say, **“I am not going through that again.”**

2 Chronicles 14:8 Now Asa had an army of 300,000 men from Judah, who carried large shields **and** spears, **and** 280,000 from **Benjamin**, who carried shields **and** drew **bows**, all courageous men. As you develop your warfare strategies this month, you can tap in prophetically to gain revelation concerning the war season ahead. This connects with Head of the Year so that you can start the year right.

**In the land given to Benjamin is the Temple in Jerusalem.** The blessing of Moses to Benjamin in the end of Torah: *"To Benjamin he said: the beloved of G-d, He shall dwell in trust over him, He hovers over him all the day, and between his shoulders He rests" (Deuteronomy 33:12).* Here we see that Benjamin symbolizes both trust and rest, the sense of the month of Kislev.

**Benjamin was also the only child born in the land of promise, so this is a month to watch Israel. Things happen during this month, which change the course of Israel.**

**The holiday found in Kislev is Hanukah, the festival of lights.** May this Hanukah bring healing to our spirit, good dreams of hope to our souls and deeds that will bring rest and security to a troubled world.

### **Kislev: United Colors of the Rainbow**

by Rebbetzin Tziporah Heller

Each of us has to fight off darkness in his or her own way.

The long, silent white nights of winter have an almost mystic quality. They make us occasionally consider ending the day early and opening a book or writing a journal or maybe just listening. The silence lets us hear our hearts speak loud enough for us to hear without the static of day-to-day living.

We tend to deaden the impact of living with seasons by killing their message with the intrusion (and blessing) of electricity. We turn summer into spring with air conditioning. We heat our homes and experience winter by looking out the window and feeling the frost if we actually touch the panes. We lengthen the day by keeping the lights on. All of this, of course, is a great piece of good fortune. After all, no one really misses the sort of summer that left us exhausted, tense and drenched in sweat, or the kind of winter that imprisoned us in our badly heated homes yearning for the sun. Nonetheless, it's good to once in a while take the time to let the world speak to us.

Each month has its own message. The Arizal, a great mystic, tells us that the spiritual force of each of the 12 months parallels one of the 12 tribes (for the month of Kislev, it is the tribe Benjamin, who was known for his unwavering faith in God and his ferocious ability to battle evil) and the astral sign of the month (for this month, it is the bow). All of this lets us map out something of the nature of the month, and perhaps how to find a part of ourselves (since each Jew is a composite of all 12 tribes).

As the days get longer and blacker, we can intuitively sense that place within us that is dark, hopeless and vulnerable is closer to the surface than it is during the summer. In fact, there is scientific evidence that there is a biological basis for this feeling. What escapes us is the precious nature of coming in contact with this part of ourselves.

There are two events that took place in this month that give us insight to the turf we enter. The first is God presenting the rainbow as a covenantal sign after the destruction of the Flood. We hardly associate rainbows with the shortest days of the year, but the rainbow is indeed very much part of the picture. Noah left the safety of the ark and re-entered the world on the 28th of Cheshvan (the previous month on the Jewish calendar). He saw vast, unspeakable, total desolation. We can't begin to envision the barren, silent world that he faced. He recognized that it was up to him to chart a course that will lead him and his descendants to redefining the world. He offered sacrifices to symbolize his commitment to uplift the world and everything in it to its Divine source.

The spark of eternity within us can never totally disappear, no matter how well we disguise it by adapting animalistic behaviors.

On the first day of Kislev, God responded to this act by blessing Noah and his family. He set down new rules for them. From now on man will be permitted to eat meat. He will be accountable for shedding human blood. The world is meant to be a place where the fact that we were made in God's image is relevant. We are not just a more developed sort of animal, but an entirely unique species. The spark of eternity within us can never totally disappear, no matter how well we disguise it by adapting animalistic behaviors. We cannot "convert" to becoming an animal any more than a doorknob can become a canary. Animals may be killed and eaten; no human being is an animal. God promised never to bring a flood again, sealing his covenant to continue existence with a sign – the rainbow.

There were always rainbows, even before the flood. What changed is its message. What does the multicolored luminescent rainbow tell us about the territory we walk? It maps our future. After the flood, humankind will now develop differently. Until that point, there was no concept of nationhood or of divergent cultures. From now on, different peoples will become progressively more variegated. The rainbow is a living statement (a map) of what that really means (the territory). A rainbow is formed when pure white light refracts into seven shades. Red is nearest the original beam, and violet is the furthest away from the pure white light.

### **Why a rainbow?**

This has a human parallel. Some people are close to God, and live lives that reveal their intimacy with the Creator. Other people are much further away from their Source, and nothing about their lives gives any external evidence of having any sort of relationship with Him. The fact is that both people come from one source, in the same way that red and violet are both caused by the same pure light.

All the hues of our existence stem from one single source of Light, even if we are not always wise enough to see it.

In our individual lives, we also experience the entire spectrum of light, going from bright to dark. Three in the afternoon may be an ideal time – work is great, the sky is blue, and everything seems perfect. Three in the morning is an entirely different story. You lie in bed and can't sleep. Nothing you do seems significant; nothing seems likely to change either. Sometimes black moments are spurred by external factors – rejection, failure or perceived rejection or failure – but there are also black moments that are just part life's ebb and flow. At both times, we can recognize that God made us with an inner rhythm that moves the light within us from "red" luminosity to "violet" despair, and that our souls are still eternal and life still has meaning. Each human soul is and always will be attached to life, which is God Himself. All the hues of our existence stem from one single source of Light, even if we are not always wise enough to see it.

### **THE LIGHT OF CHANUKAH**

**The second event that hallmarks Kislev is Chanukah. It was one of the darkest times in our history. We had somehow lost track of everything real**

**and enduring. A significant percentage of our people defined themselves as Hellenists, lovers of everything Greek. The Greeks knew the map better than any nation that preceded them. They saw the hills and valleys; the mind and the body. They were gifted with uncanny accuracy and portrayed what they saw with unparalleled beauty and power.**

But they didn't know the territory. Morality, Godliness, spirituality were beyond their grasp. What's worse, they found the very concept of spirituality to be threatening and dangerous to their human-centered world. They outlawed Torah because it took the mind to places unknown. They outlawed Shabbos because it invited anyone who kept it to see themselves as part of a created world with accountability to its Creator, rather a member of a human-centered world in which morality is irrelevant. They outlawed circumcision because it implied that the human body was not perfect as is, but rather an imperfect instrument left for humans to perfect.

In the midst of all of this, we experienced national rebirth and self-discovery. Then the miracle happened. The Greeks had defiled the Menorah, which is a symbol of the spirit just as they defiled everything else in the Temple. When the Temple was recaptured one of the first things that the Hasmonean (meaning coming from a family of Kohanim whose name was Hashmonai) fighters did was to try to rekindle the Menorah. Why was that so important to them? The reason is that they were not fighting for political independence. They were fighting for spiritual renewal. Lighting the Menorah was their response to darkness.

**One day's worth of oil lasted eight days.**

Each of us has to fight off darkness in our own way. None of us are alike; each one of us is an entire world. Let us use this time to see the rainbows that are the natural result of rain and sun meeting. Let us use this time to light the Menorah that is always there within our hearts.

**Hanukkah in front of the Old City walls in Jerusalem.**

The first rainbow, observed after the Flood, was seen in Kislev. **“And G-d said: ‘This is the sign of the covenant which I set between Me, and yourselves, and between every living being that is with you, unto eternal generations. I have placed my bow in the cloud, and it shall be a sign of a covenant between Me and the Earth.’”** **“This is the sign of the covenant” – G-d showed Noah the bow and said to Him: “This is the sign of which I spoke”.**

Rosh Chodesh Kislev, which refers to the transition day or days between months, consists at times of one day, and at times of two. The preceding month of Cheshvan sometimes consists of twenty-nine days, and sometimes of thirty days. In the former instance Rosh Chodesh Kislev consists of one day, which is the first of Kislev; in the latter, of two, with the first day of Rosh Chodesh counting also as the 30th day of Cheshvan, and the second day of Rosh Chodesh counting as the first day of Kislev.

From the days of the Hasmoneans, as long as the Beit Din, also known as the Sanhedrin, or Jewish Supreme Court, sanctified the month through the testimony of witnesses, who testified as to when they had seen the New Moon, where in the sky they had seen the New Moon, and exactly what it looked like, messengers of the Beit Din went out to places distant from Jerusalem, to make known when the new month had been sanctified.

The Beit Din needed to do this only during months in which festivals occurred, so that people knew on which day to observe the festival. Therefore, when the month of Kislev

was sanctified, messengers were sent out, so that people living far from Jerusalem would know when Chanukah was to begin. Chanukah has the status of a festival, although it is Rabbinic in origin, and not directly mentioned in the Torah.

**The Law of Agency**  
**Reuven ben Yosef (Bob Koch)**  
**Kislev 5783 Newsletter**

The "Law of Agency" in Hebrew thought is a common principle that was well established in the entire Ancient Near East (ANE) world. The agency principle is evidenced throughout both the Tanakh (TNK) and the NT; it is the foundation for understanding Yeshua's role as "the sent one" from God.

Following is the definition from *The Encyclopedia of the Jewish Religion*:

"Agent (Heb. Shli'akh): The main point of the Jewish law of agency is expressed in the dictum, '*a man's agent is regarded as the person himself*' (Talmud: *Ned. 72b; Kidd. 41b*). Therefore any act committed by a duly appointed agent is regarded as having been committed by the principal, who therefore bears full responsibility for it with consequent complete absence of liability on the part of the agent."<sup>1</sup>

The law of agency applies in several biblical areas. Agents of יהוה (the LORD; YHWH) include the Patriarchs, Moses and the prophets, the judges, magistrates, the high priest and Levitical priesthood, the anointed kings of Israel, angels in general and the "angel of יהוה." The substitutionary sacrificial system was based on the agency principle. For example, on Yom Kippur, the High Priest was the "agent" who mediated and interceded with God to make atonement for the sins of the people by lifting up the blood of the "goat to the LORD," sprinkling it on the Ark, the alters, etc. to cleanse them. It was the same for the sacrificial "goat for Azazel." The sins of the people were transferred to this goat by the mediating High Priest. As the vicarious sacrifice, the goat then became the "agent" who carried the sin outside the camp and received the punishment rightfully due the people from יהוה... death (Lev 16:1-22). But, as will be demonstrated, once the High Priest made the atonement (the required "covering" for sin), it was יהוה Himself who then provided the cleansing and the forgiveness for sin.

<sup>1</sup> The Encyclopedia of the Jewish Religion, R. J. Z. Werblowsky & Geoffrey Wigoder. (New York, Adama Books, 1986), p. 15.

"Shli'akh," the Hebrew word for "agent," is the same Hebrew word used for Yeshua's commissioned emissaries (apostles) who were his agents and through whom God performed miracles in the name of Yeshua.

 <p>Praise the Lord, you angels, you mighty ones who carry out his plans, listening for each of his commands. Yes, praise the Lord, you armies of angels who serve him and do his will! Psalm 103:20-21</p>	<p>In the Bible, the line between the agent and the principal sometimes becomes blurred when dealing with angels or other agents that appear in visions, dreams or even the third dimension. The Bible records a number of instances where an <i>agent</i> of God is referred to as "elohim / God" or "יהוה" Himself. Often this is the angel of the LORD (יהוה) that speaks and acts "as God" but is not יהוה Himself.</p>
--	---

One of the best examples of agency is God's commission to Moses and Aaron when He makes Moses "God" to Pharaoh:

**Then the LORD said to Moses, "See, I have made you [as] God to Pharaoh, and your brother Aaron shall be your prophet. You shall speak all that I command you, and your brother Aaron shall speak to Pharaoh that he let the sons of Israel go out of his land." Ex 7:1-2**

The LORD (יהוה) gave Moses the role of being "God" (elohim) to Pharaoh and transferred Moses's role as God's shli'akh – agent-prophet – to his brother Aaron. The passage literally says in Hebrew, "*See, I have made you God (elohim) to Pharaoh.*" It could also be translated, "*... a god to Pharaoh.*" But nobody would assert that Moses was literally "God" Himself or even "a lesser god." He was called "God," but he was unmistakably "the agent" of the LORD who did only what God commanded him to do. As the appointed proxy, he was the channel through which יהוה expressed His power.

Rabbi Shlomo Yitzchaki, known as "Rashi," the renown 11<sup>th</sup> century CE Jewish commentator, explained:

"Even a mortal man of flesh and blood can merit this divine title (elohim) if he sincerely seeks to administer God's justice on earth. We read concerning Moses,

'Behold, I (HaShem) have made you (Moses) elohim over Pharaoh.'" (Rashi on Ex. 7.1; see also Ex. 21.6; 22.7).<sup>2</sup>

As Moses became "elohim" to Pharaoh, Aaron became the "prophet-agent" shli'akh to Moses. In Exodus 7:17-21 God said to Moses:

***"By this you will know that I am the LORD: With the staff that is in my hand I will strike the water of the Nile, and it will be changed into blood..."***

**God then instructed Moses:**

***"Tell Aaron, Take your staff and stretch out your hand over the waters of Egypt... and they will turn to blood."***

God used Aaron as the prophet-agent to accomplish His work in the third dimension. Aaron raised his staff, which was really God's staff, and stretched it out the water of the Nile *"and all the water was changed into blood."*

The LORD had said that *He would strike the waters* with the staff that *He was holding in His own hand*. But in the third dimensional reality, *it was Aaron's hand* that was used to hold the staff and *it was Aaron* who struck the water. This is a classic example of God's use of biblical "agency." Of course, Aaron was not literally the principal, יהוה. Aaron, as was Moses before him, was acting as God's agent – he stood and acted in the place of the LORD in the third dimension. In ancient Hebrew thought and idiom, one could actually say that, *"he was God."* But he was still just a man. He was "the hand of the King" so to speak just as Joseph was the "hand" of Pharaoh in Egypt as his authorized emissary-agent.

The יהוה – Moses – Aaron example shows that the law of agency could even flow through two levels of people. It is similar to the יהוה – Yeshua – emissaries relationship where Yeshua was appointed as the shli'akh of יהוה and the emissaries were commissioned as Yeshua's shli'khim (pl. agents).

The law of agency is also the basis for understanding Yeshua's *mission parameters*.

***"I can do nothing by myself; I judge only as I hear. And my judgment is just, because I do not seek my own will, but the will of the One who sent me." John 5:30***

"Yeshua is thus a faithful shaliach, or agent. Jewish law taught that the man's agent was the man himself (backed by his full authority), to the extent that the agent

---

<sup>2</sup> Rashi on Exodus, The Sefaria Library, [www.sefaria.org/texts](http://www.sefaria.org/texts)

faithfully represented him. Moses and the Old Testament prophets were sometimes viewed as God's agents."<sup>3</sup>

Yeshua is the primary prophet about whom יהוה told Moses:

**"I will raise up for them a prophet like you from among their brothers. And I will put My words in his mouth, and he shall speak to them all that I command him. And whoever will not listen to my words that he shall speak in My name, I Myself will require it of him" (Deut 18:18-19, Acts 7:37).**

Of course, Yeshua is greater than all the other prophets, including Moses. He is the perfect "image" or "representation" of God (Heb 1:3; Col 1:15). He is God's ultimate agent, the Messiah (Anointed one), who acts on behalf of יהוה in the same way an obedient son would behave toward a loving father who was acting as his agent for a business or political undertaking. Yeshua spoke only the words and performed only the works that יהוה commanded him:

**"...I always do what pleases Him" (John 8:29); He said he was "...a man who told you the truth that I heard from God" (John 8:40); "I do exactly what my Father has commanded me" (John 14:31); "...all that I have heard from my Father I have made known to you" (John 15:15).**

When one comprehends the biblical law of agency, then one understands that virtually ALL miracles and healings in the Bible are performed by God through His appointed agents. After the Creation and His vocalizing of the "Ten Sayings" to Israel very few, if any, miracles are by God's direct intervention. This is evidence that יהוה is able to utilize both human and supernatural agency such as natural phenomena like hail or locusts or mal'akhim (angels / messengers), as well as direct intervention, to interact with His creation.

When יהוה recounted the history of Israel, Joshua wrote down what God said *He had done* for His people (Josh 24:1-13). God Himself said ALL the miracles of the Torah and throughout the book of Joshua were performed *by Him*, regardless of whether the agent through whom He performed them was human or angelic. Following is what God said *He did*, not Abraham, Isaac, Jacob, Moses, Aaron, Joshua, an angel or other of His proxies. These people and supernatural beings were simply the "agents" God used to execute His plan.

**"Then I took your father Abraham... and multiplied his descendants... To Isaac I gave Jacob... Then I sent Moses and Aaron and I plagued Egypt by**

<sup>3</sup> The IVP Bible Background Commentary New Testament, Craig S. Keener, PhD, professor of New Testament at Asbury Theological Seminary.

**what I did in its midst and I brought you out... Your own eyes saw what I did in Egypt... Then I brought you to the land of the Amorites... and I gave them into your hands and you took possession of their land when I drove them out before you... Then I sent the hornet before you and it drove out the two kings of the Amorites from before you, but not by your sword or your bow... I gave you a land on which you had not labored, and cities which you had not built... and you are eating of vineyards and olive groves which you did not plant.” Josh 24:1-13**

All the prophets concur that *it was not* a human-agent or a divine-agent whose personal powers performed miracles and healings, delivered Israel from Egyptian bondage or defeated their enemies in the land God gave them. *It was the power of God Himself working through them.* Therefore, regardless of whether the miracles were executed directly by God or through an appointed agent, it was known by Israel that יהוה performed them.

**“...for the LORD our God is He who brought us and our fathers up out of the land of Egypt, from the house of bondage, and who did these great signs in our sight ...the LORD drove out from before us all the peoples, even the Amorites who live in the land.” Josh 24:17-18**

**“Blessed be the LORD, the God of Israel, who alone does wondrous things.” Ps 72:18**

**“For you are great and do wondrous things; you alone are God.” Ps 86:10**

**“It has seemed good to me to show the signs and wonders that the Most High God has done for me (Nebuchadnezzar).” Dan 4:2**

*People who lived in the ANE, including Gentile kings, understood the well-established principle of agency. Please keep the Hebrew dictum in mind whenever you read the Scriptures: “A man’s agent is regarded as the person himself.”* Yeshua, as well as many of the Jews and a few Gentiles who witnessed his works understood he was acting as the Anointed (Messianic) agent of יהוה. *He made it clear to both the religious authorities and the people that the words he spoke, the healings and the miracles he performed were all the direct commands and works of יהוה.*

Yeshua healed the blind, lame, cripple, and mute in front of thousands at Lake Kinneret (Sea of Galilee): And they glorified the God of Israel. Matt 15:31

When the crowds saw it, they were afraid, and they glorified God, who had given such authority to men. Matt 9:8 (After Yeshua had healed the paralytic)

**“I know that His commandment means everlasting life. Therefore, I say the things the Father tells me to say”. John 12:50**

So Yeshua said to them, **“Truly, truly, I say to you, the Son can do nothing of his own accord, but only what he sees the Father doing. For whatever the Father does, that the Son does likewise.”** John 5:19

The Jewish emissaries echoed Yeshua’s understanding of who was responsible for the “works and wonders and signs” that he performed.

**“Men of Israel, hear these words: Yeshua of Nazareth, a man attested to you by God, with mighty works and wonders and signs that God did through him in your midst as you yourselves know.”** Acts 2:22

And all the assembly fell silent, and they listened to Barnabas and Paul as they related what signs and wonders God had done through them among the Gentiles. Acts 15:12

Prophets, human agents and supernatural mal’akhim (messengers), kings of Israel (who are called “messiah” or “anointed”), the angel (messenger) of the LORD and of course, the Messiah Yeshua can all be His authorized agents. They act in His place, can have His “name” in them (connoting His authority) and can even be called, “יהוה” (the LORD) or “God” (elohim) as His proxies. But it is always יהוה Elohim (the LORD God) doing His work through them. This is corroborated many times in the TNK and is also attested in the NT. *This is the ancient biblical “Law of Agency.”*

**His Plan is Called REVIVAL!**

***“IN HIM” We Will Know How to Maneuver at THE GATE!***

*Dear Advancing Ones:*

***God always preserves a remnant, and no matter how bad things appear, He has a plan. His plan is called REVIVAL!*** As ***Robert Heidler*** taught from the reigns of Hezekiah to Josiah, God can take a land under judgment, turn it around, and use it to fulfill His purposes. This is not a time to be discouraged or lose heart, but a time to seek God for revival in your life, city and nation. If you could not worship with us yesterday, I encourage you to watch the replay, claim God's promises and declare revival is at hand!

**Key Prophecies! "IN HIM" We Will Know How to Maneuver at THE GATE!**

When I first entered the Tabernacle yesterday, I could sense the Spirit of God stirring and had an even greater expectancy for all He would reveal. The liberty we experienced in worship and prophetic release was just incredible and prepared us to move in a new way. Here is a portion of what was released through this prophetic portal during our Celebration Service. Display His name, receive fresh vision, and get low to maneuver at the gate!

***"I will be doing a refurbishing of My name in you. I will be sandblasting; I will be polishing, and I will be preparing and adding lights to My name in you. Get ready; you WILL display My name and many will run to it. I'm expanding the words on this gate that you are becoming. My people know Me as one thing and I want them to know Me as multi-faceted. I want them to know many ways I can manifest in their lives. I want them to know how creative I AM, to expand and be what they need Me to be. Get ready. Not only am I polishing, and sandblasting, but I AM expanding your gate!"***

***"You will be able to stand and stand securely in days ahead. I will enlighten you on who you are and who you are not. Who you are in Me is engraved on the palm of My hand. Now watch Me engrave and implant you in the rock of My name."***

***"I'm taking the cloud off your vision. I'm enhancing your vision for you to see beyond and bring it here, into this earth-realm. Do not be dismayed by what you see right now for I AM the God of the future. You are to go in, extract, and pull out that holy vision of what I have already prepared and bring it here into this earth-realm. Watch the vision of this earth begin to change. Don't be deceived. Enhanced vision and a new assignment don't***

***mean you have to necessarily labor or work for that. Labor from a position of rest; see from a position of rest.***

***"Watch how creative I AM, to cause you to see. I am causing you to see and shine in a new way! Even in the darkness that begins to surround, you'll be able to see, for I have laser-eyes that I am putting in My people. You'll be able to see in a way you've not seen before. You'll see past that which has tried to cause you to be depressed. Know this, that depression will be 'seen past'."***

***"Get ready! You're not going over the fence -- you're going under the fence! You're going to have to ready yourself to go, but when I say 'GO', you must get low. Once you get low, you'll go under and into your new place. Don't let the blockade in front of you bother you at all. Stand still, look at it, and know that at the right moment I already have your way under that blockade, so you'll end up on the other side."*** (Chuck Pierce, Keith Pierce, Susan Shaulis, Darren Petersen)

**"IN HIM" We Will Know How to Maneuver at THE GATE!** There was a video I saw regarding going under the fence gate. A massive Mule deer buck walked up to a fence gate and wanted to get to the other side. He was wise and lowered his head one antler at a time until his head was clear then got low to the ground and slid his body under the gate. Ready yourself to go you must get low!

***"Here a little, there a little, you have believed in Me... but now I say to you that My 'Power Prodigals' are catching the fire of My presence. These men and women of God have a story to tell of the fire in their bones quaking them awake at this hour. The shaking of their past has prepared them for the shaking of this era to run with the vision of their prophetic revelation. These visions are the revisions My Church is in need of at this hour.***

***"With the blueprint of the new and the blowing in of the fresh, I AM sending My 'revisers' into the fold of My sheep with an urgent, advisory message. This message will shake the pews of the Church with divine interventions for the hungry of heart. Where the doors of My Church have closed prematurely, watch for high-profile leaders to make room for My prodigals.***

***"Prodigals to the nations through the 5-fold offices are rising in the midst of uncertainty. Hollywood will see them. The school system will release them. In the boardroom and across the market square, the elite will perk up and pay attention. It's a matter of the heart," says the Spirit of God. "Those hearts who are sold out for Me are receiving a double portion of My power."***

***"His faith did not leave him, and he did not doubt God's promise; his faith filled him with power, and he gave praise to God. He was absolutely sure that God would be able to do what He had promised." (Romans 4:20-21)***

**"The Year of the Holy Spirit, Breakthrough & Expansion"  
Danielle Dixon, Queensland, Australia**

## A Year of Breakthrough

There is breakthrough available to you in the Hebrew year 5783, but it is important to stay in the upper room – to be clothed with power from on high. Breakthrough is available for those who have persisted. Breakthrough is available for those who haven't given up on their assignments or left what the Lord has asked them to do. Always remember this: Breakthrough means you *broke through* something, so it is for people who have been persistently working at breaking through things.

I love 2 Samuel 5:20, which speaks of God as being the Lord of the breakthrough. All of us are breaking through something, but **this is a year where there will be a reward for those who have persisted in breaking through, even under the pressure that they have had to resist. The pressure that came against them is the same pressure and the same force that will cause the breakthrough.**

**"So, David went to Baal Perazim, and David defeated them there; and he said, 'The Lord has broken through my enemies before me, like a breakthrough of water.' Therefore, he called the name of that place Baal Perazim." (2 Samuel 5:20)**

## A Change of Power

There will be a further shift in ownership of buildings, lands and properties – a change of ownership, symbolizing a change of power. I believe debt cancellation is included in this. I believe this will launch into 2023 and beyond, and that the wealth of the wicked has been stored up for the just (Proverbs 13:22). **We are going to see a season of reaping where we haven't sown (John 4:38).**

I am reminded of the Scripture that speaks about the plowman overtaking the reaper in Amos 9:13:

**"Behold, the days are coming," says the Lord, "when the plowman shall overtake the reaper, and the treader of grapes him who sows seed; the mountains shall drip with sweet wine, and all the hills shall flow with it."**

Another thing the Lord said to me about this prophetic insight for 5783 was to watch our mouths (we are in the decade of Pey, which symbolizes the mouth). He said that our mouths, in the area of finances, must line up with what we are believing. So we can't speak things like debt cancellation, cancellation of the

mortgage over our houses, or cancellation of our car loans, and the next minute speak something that's the complete opposite. So we should be careful of what we speak in the area of finances. Believe God for abundance and the overflow in that area.

I really sensed that this is an important key to receiving that ownership – making *declarations as the sons and daughters of God*. We have a kingly anointing to decree something and receive it, just because He loves us.

### **Expansion and Advancement Upon the Enemy**

I believe there will be unexpected expansion and growth starting in 2023 and beyond. I believe this will also stem from faithfulness. We know the last two years have been a preparation for us to rule in the midst of our enemies. I believe that people who have been standing for people groups, for nations, and for movements are going to see this promise of unexpected growth and expansion. I believe it is something that the Lord is going to do through 2023 and beyond, and it will keep going.

In Genesis 28:13-15, God told Jacob in a dream that He would give him and his numerous descendants the land. They would spread to the north, south, east and west, and the earth would be blessed through them. God would protect Jacob and never leave him or forsake him until the promise was complete.

I release that same blessing to those who have been believing for people groups – especially where there has been no reward, no gain of notoriety, no gain financially; they just did it because the Lord said it. Amen!

I believe 1 Chronicles 4:10, where Jabez calls upon the God of Israel, also applies to our spiritual expansion: "Oh, that You would bless me indeed, and enlarge my territory, that Your hand would be with me, and that You would keep from evil..."

Also, connected with this expansion is our advancement into the enemy's lands. We are taking the enemy captive! It's like a role reversal. **I saw that all of the pressure which has come against you is now being used against the enemy, and the assignments of the enemy.**

## **An Increase of Apostolic Anointing and Grace**

There will be an increase of the apostolic anointing and grace for those who have been standing in the gap for people groups, for nations, and for regions. I believe that you can claim this for your family too. I believe that there is going to be a supernatural grace to complete apostolic assignments that God has appointed all over this earth.

For those who have been standing – those who have been persisting – remember what it says in **Matthew 24:13: "...he who endures to the end shall be saved."** We don't always like the word "endurance," but God loves this word, because it carries such a blessing.

## **The Year of the Holy Spirit and of God's Blessings**

I heard the Lord say that the three in 2023 symbolizes the Holy Spirit, as He is the third member of the Godhead. He said that this will be a year of the Holy Spirit.

After He gave me this insight, I went to study the symbolism behind the number three in 5783. I found that the Hebrew letter Gimel carries the value of three and means *reward*. The pictograph for this letter is a camel, which biblically represents provision, abundance and blessing.

I was so excited about how this connected to the Hebrew year 5783. I believe this is how the Church is supposed to walk forward – in the blessing of God, in reward, in provision, in abundance and in expansion. I believe God is doing something supernatural for us in 5783.

## **Exposure of the Enemy and His Operations**

I really believe that in 5783, the Lord is drawing our attention and revealing to us where the enemy is operating. It may be in geographical areas, or in hidden places that we may not realize are in our own lives – or in something we are trying to establish, and it is not being established in the way we thought it would. God is revealing to us where the enemy has been looting the threshing floor of His saints – the prayers and the promises of the saints of God.

The Scripture passage the Lord gave me for this year is from 1 Samuel 23:1-6:

"When David was told, 'Look, the Philistines are fighting against Keilah and are looting the threshing floors,' he inquired of the LORD, saying, **'Shall I go and attack the Philistines?' The LORD answered him, 'Go, attack the Philistines and save Keilah.'**

**"But David's men said to him, 'Here in Judah we are afraid. How much more, then, if we go to Keilah against the Philistine forces!'**

**"Once again David inquired of the LORD, and the LORD answered him, 'Go down to Keilah, for I am going to give the Philistines into your hand.' So David and his men went to Keilah, fought the Philistines and carried off their livestock. He inflicted heavy losses on the Philistines and saved the people of Keilah..."**

I believe that the Philistines in this passage represent anything that is coming against Kingdom building – against establishing the Kingdom. This Kingdom is an everlasting Kingdom, and as Kingdom builders (Daniel 2:44), we need to know that every other kingdom will fall, but the Kingdom of God will stand forever and ever.

**If the Lord asks you to go to battle, you are going to win!**

Also, through this Scripture, **I felt the Lord was saying that in this year, we should seek and listen to the Him about whether or not we are to go to battle. He only instructs us to fight when we have been prepared and He knows we are going to win.** Just as with this Scripture, there will be times when the Lord says, "Go down to battle against these Philistines. I will give them into your hands."

### **Kingdom Problem Solvers and the Builders**

I believe God will give some people an increase of insight for difficult situations – why alignments aren't working out; why there's trouble between different movements or people groups. They will be real problem solvers, carrying apostolic discernment at the highest level, where they can go into a city and solve what's been causing disunity there, or what's been causing division and splits within nations and within political parties. **I also believe that there will be greater discernment for ministries and for our own individual lives.**

As we obey the Lord's command in this season, a lot of the hedges that have been broken down in the last few years are going to be rebuilt. There is a

rebuilding that's going to happen. I feel this also connects with Nehemiah and the rebuilding of the walls. There's something so prophetic about Nehemiah rebuilding in fifty-two days what people could not do in many years. This was because of the apostolic grace that was upon Him. He was called as a builder, and now there are other builders who have risen up and are already in leadership roles within the nations. They have a great kingly anointing to be able to discern in difficult situations and seasons.

**This is the year of the Holy Spirit (5783 and 2023), and there will be breakthrough, expansion and blessing!**

**Being a Warrior for God**

**By Michael Shuttlesworth**

God calls us to battle, to be Warriors for his kingdom, but do you really know what that means?

Our lives are full of battles. There are threats to our faith, our families, our physical beings, morals, values, etc., but how are we to combat this daily attack? We have to understand that our fight is not against flesh and blood in this physical world that we live in, but it is against the powers of darkness in the spiritual realm. When someone attacks you, it is because you are a child of God and the powers of darkness fear you.

Those that do not know God and walk with him daily, do not pose a threat to the enemy. But, the children of God are a threat to the very existence of Satan and his demons. They attack us, using any weakness they can find to draw us away from our creator which weakens us, divides us and causes us to struggle.

The good news is that we have every weapon at our disposal. When we put on the Full Armor of God and remember that Yahweh goes with us, we can face down our enemies assured that we will be victorious!

**Psalms 18:39 For you have girded me with strength for battle; you have subdued under me those who rose up against me.**

We face many adversaries in this world, many come from family, friends and anyone that is possessed by demons and do not have God in their heart. When we are overwhelmed by the fight, we can take heart that God is with us. Our heavenly father will never leave his children to fight alone, and he is stronger than any Army on earth or in the spirit realm.

**Deuteronomy 20:1 "When you go out to battle against your enemies and see horses and chariots and people more numerous than you, do not be afraid of them; for the Lord your God, who brought you up from the land of Egypt, is with you."**

A reminder that we cannot win by doing things the world's way. Wars are won by those who throw up their shields and slowly, but surely, push back against the enemy wall until it is too weak to stand any longer. This comes through trusting God in every step, and standing strong even when we seem to be losing ground.

**Psalm 44:5 Through you we will push back our adversaries; through your name we will trample down those who rise up against us.**

**Inspiration Ministries: The Kingdom of Heaven**

**"In those days John the Baptist came, preaching in the wilderness of Judea and saying, 'Repent, for the kingdom of heaven has come near.'" – Matthew 3:1-2 NIV**

The ministry of John began with a call to “repent, for the kingdom of heaven has come near.” Then, at the beginning of His earthly ministry, Yeshua declared the same message (Matthew 4:17). Thus, this message was so important that both John and Yeshua began their ministries with the same words.

It was an announcement that something amazing was happening. But to experience this Kingdom, people needed to repent. They needed to change and get ready.

This meant they needed to examine their lives. They had to search their hearts and minds and empty themselves of pride. They were required to confess their sins, humble themselves before God, and remove anything that separated them from Him, thereby making their lives pleasing to Him.

God was offering them the possibility of entering a new dimension. He wasn’t giving them a religion of rules and customs but a whole new Kingdom.

It was a life-changing message for everyone to repent so that they might experience this Kingdom. It was a Kingdom alive with the power of the Spirit and offering a new way to look at the world. Their eyes would be opened to a new dimension and their lives truly transformed.

The Kingdom of Heaven is near you. Repent of anything that prevents you from experiencing this Kingdom. Ask God to open your eyes, fill your heart and mind with His Word, and help you live in this new dimension.

**Reflection Question:** Compose a prayer of repentance to prepare your heart for God’s Kingdom.

### **Prayer**

Father, open my life to the reality of the Kingdom of Heaven. Help me experience the amazing things You have prepared for me. In Yeshua’ name, amen.

Matthew 3

**Kislev 6, 5783: Wednesday November 30, 2022**

**"SHOUT FOR JOY! I AM COMING TO DWELL AMONG YOU"**

**DAWN BAKER**

Recently, I heard the Holy Spirit say, ***"I AM COMING! Tell them; they must know. I always herald My coming through a voice."***

Remaining quiet, I paused, reflecting. Then He asked, ***"What have you always said about Me?"***

That was easy, I thought. "You are good! If everyone just met You, they would want You," I answered.

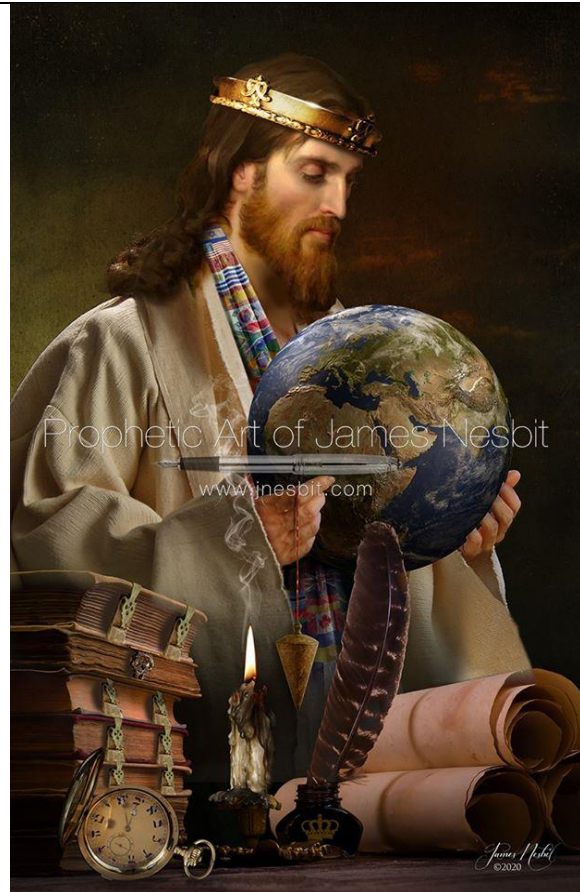

***"Exactly! Is it fair to judge anyone based on misinformation or disinformation?"*** He asked.

I smiled as I sensed His cheeky, playful demeanor. He continued, ***"I know I've told you repeatedly, 'I am coming.' I also know you, and many others, are feeling very tired, but do not lose hope. I never renege on My Word, and I am coming! I make Believers! Now what did I specifically promise you?"***

***"You said, two and a half years ago, 'I am coming; don't get in My way.' Then a year and a half ago You said, 'I am coming, and My reward is with Me.' And just a few weeks ago, You woke me saying, 'I am coming...TO DWELL.' And You boomed 'TO DWELL,' startling me awake!"*** I answered.

***"'Shout for joy and be glad, O Daughter of Zion, for I am coming to dwell among you,' declares the LORD." (Zechariah 2:10)***

***"Yes!" He shouted. "I am! The world is going to know Me for Who I am! It's My goodness that draws man back to Me. I am a good Father, not an abusive one. I NEVER sit in the heavens watching you to condemn you! I am NOT desiring to harm My mankind. All I've done is to restore man back to Me. I made a way. Relationship is restored, but trust is developed through process worked overtime. I've proven you by fire to be entrusted with souls. It's My harvest! I've had you decree, 'The earth is the LORD'S and all who dwell in it!' Now, you are going to see exactly what you've longed for all of your life. The world will see and know ME for Who I am! I AM coming!"***

**Nate Johnston: THE DEMONIC ASSIGNMENT TRYING TO ROB  
YOUR DELIVERY SEASON**

A few nights ago, I was in worship when the Lord said to me, "***The enemy is trying to rob the delivery season!***"

This spoke volumes to me because I have seen so many wrestling the dogs of doom right now just as they are beginning to embark in new directions. This warfare has come at a time when many are about to receive new blueprints and birth the things that they've waited years to be able to birth. The enemy has been raging against so many who are about to enter into a delivery season—which has come as a culmination

of a season of pioneering, process, refining, and fresh vision that has led so many to a place where they're finally ready to birth the new things that God has given to them.

### **AN UNKNOWN FOE**

But as I sat there in worship I felt like God didn't want to reveal the obvious because we know that any great birthing season will draw in the enemy to the arena. We aren't naive about his tactics but this has felt different and God wanted to show me why.

So I said, "Lord, what is this assignment?" And He led me to 2 Chronicles chapter 23 which speaks about the daughter of Jezebel, Athaliah.

Athaliah was the daughter of Ahab and Jezebel and the wife of Jehoram, king of Judah. After the death of Ahaziah, her son, Athaliah usurped the throne and reigned for seven years. She massacred all the members of the royal house, murdering Ahaziah's sons—her own grandsons. Athaliah is not the Jezebel spirit but is far nastier because she has been around Jezebel and is hired to do her bidding. She acts on the behalf of Jezebel but has her own specific targets in mind when she afflicts.

#### **Lana Vawser: HIS ROAR OF RECOMPENSE IS THUNDERING LOUDLY!**

I hear the ROAR of the Lion of Judah SO loudly and as He is roaring, I could hear the sound of the Lord's RECOMPENSE.

His roar was decreeing that the BATTLE HAS BROKEN, and the fierce RECOMPENSE of God is now being released.

It was a ROAR of the vengeance of God. It was a ROAR of the increase and justice of God. It was a ROAR that was thundering loudly, heralding a MAJOR SHIFT for many that have been in intense warfare and struggle. Shift and breakthrough is now accelerating.

As I stood and this roar thundered all around, I heard Jeremiah 1:12 been decreed loudly in the Spirit: **Then the Lord said to me, "You have seen well, for I am [actively] watching over My word to fulfill it."** (Amplified Version)

The sense surrounded me SO strongly that the Lord wanted to encourage those who have been in intense warfare and struggle that what the Lord has been speaking, what He has been showing you in the midst of the battle, He is going to continue to confirm. Also that these words, the things HE has decreed, He is watching actively over His Word and it WILL be fulfilled, and fulfilled in many SUDDENLY moments.

I heard the Lord say:

***"My recompense that I am now releasing is FAR OUTWEIGHING the battle and warfare you have endured. I am adding MORE to you. I am adding INCREASE to you, for what the enemy meant for your harm, NOW I am turning for your good."***

### **THE ENEMY HAS TRIED TO KILL YOU BUT NOW I AM POSITIONING YOU**

I heard the Lord speak again:

*"The enemy has tried to kill you but now I am positioning you."* There was such a strong sense of the enemy coming against many to attempt to kill dreams, destiny, hope, faith, strength but the Lord showed me that the enemy has been on a "LEASH" - he has been barking, he has been attacking and bringing significant intimidation. But the Lord has decreed the BATTLE is over, the BATTLE is shifting right now, and the Lord is about to POSITION you in ways you've never imagined or seen. The POSITIONING of God that is going to SUDDENLY take place is going to be beyond your comprehension. The enemy has been trying SO hard to intimidate you and try to kill you by causing you to withdraw, but you have overcome and NOW comes a divine shift of accelerated POSITIONING for His Kingdom and His Glory.

### **THE TIME IS NOW TO SEE THE GIANTS BOW**

I heard the Lord say:

***"The time is NOW to see the GIANT BOW" I watched in the spirit as these huge giants that have been standing at the threshold of increased positioning and promotion for many are now SUDDENLY BOWING to the name of Yeshua. There is a SUDDEN breakthrough, overcoming and victory manifesting in the ROAR of His RECOMPENSE.***

***As these GIANTS BOWED, I saw them trembling - shaking! These giants have stood tall to intimidate and bring fear on many of God's people to prevent them from stepping into this new level of positioning, but I heard the Lord decree "NOW in the ROAR of My RECOMPENSE and the SUDDEN positioning of My people, the enemy will TREMBLE in fear at how I will move FOR My people and THROUGH My people."***

The Lord is ROARING. The Lord is THUNDERING.

You have fought hard, you have battled through, now watch the swift recompense of God released and accelerated divine positioning.

### **Dutch Sheets: The Master Keys**

I always enjoy my brother Tim's insights and revelation. He is a great teacher, warrior and patriot. His prophetic words and dreams are always such an encouragement. And by the way, today is his birthday. The following word and dream is regarding Isaiah 22:22, one of my favorite verses. Tim begins:

"I recently had a dream about the Seraphim order of angels. They are the highest-ranking angels we know of and are being referenced by Holy Spirit in this current season. These are incredibly powerful beings and carry the delegated authority of the Godhead. Holy Spirit has given me further insight concerning the Seraphim and how they are assisting Christ's Ekklesia.

"In Luke 19:13, Yeshua says, 'Occupy until I come.' Occupy is the Greek word *'pragmateuomai'* and it means to take care of business. (1) The Ekklesia is to take care

of Kingdom business by extending Christ's Kingdom government into the earth. Holy Spirit is equipping us to accomplish this and activating angel armies to assist us.

"In the dream concerning Seraphim, I was handed a large key ring with many keys of assorted colors and sizes. A Seraph said to me, '*These keys do not work by hand, they are activated by voice decrees.*' While praying about this, I remembered Christ's own words concerning His Ekklesia. Matthew 16:18-19 states that Hell will not be able to hold out against the church. The King's Ekklesia is being built and prepared to be a church that will not be overpowered by the strategies of hell.

"In these verses Yeshua also said He would give us Kingdom keys to open or close doors. Seraphim help us use those keys to gain access to new times, seasons and eras. Additionally, these powerful beings assist us by empowering our decrees to govern spiritually on earth, enforcing the victory of Calvary.

"The keys Yeshua was referring to symbolize the governmental authority of His Kingdom. The Ekklesia is part of a spiritual Kingdom government that is to influence the natural realm, including governments.

"Kingdom keys are first mentioned in Isaiah 22:22, which references the responsibility and authority of chamberlains; I'll explain them in a moment. The verse says: *I will set the key of the house of David on His shoulder, when He opens no one will shut, when He shuts, no one will open.* In Matthew 16, Yeshua connects His Ekklesia to this passage and there is great significance in that. In Isaiah 22, two chamberlains are mentioned. One of them, Shebna, pictures satan and Eliakim represents Christ. It is important to understand why Yeshua tied a statement concerning His Ekklesia to a 700-year-old prophecy.

"The chamberlain was the chief operating officer for a king and his kingdom, the highest-ranking executive, other than the king himself. He managed everything for the king and carried the keys to the kingdom. A hook or ring was sewn into the shoulder of his robe of authority. The ring of keys could be up to a foot long and would hang from the chamberlain's shoulder.

"These keys obviously picture authority; it was said of chamberlains that the government was upon their shoulder. This is what was meant when Holy Spirit prophesied in Isaiah 9:6 that our Kingdom government would be upon the shoulder of Yeshua.

"Among the keys the chamberlain carried were keys to the king's house, his bedroom, the royal court, the judge's chambers and the kingdom treasury. He was the doorkeeper and held the power to lock and unlock the doors.

"The prophetic account of Isaiah 22, pictures satan, Christ and His Kingdom, Shebna was a kingdom chamberlain that was rebellious and abused his authority. The prophecy said his authority would be stripped from him and given to Eliakim. Eliakim would receive the keys and governing authority would then be carried on *his* shoulder.

"Since Yeshua is in the royal lineage of David this prophetic picture is fulfilled perfectly. While He didn't sit on David's throne in the natural realm, He sat down on a throne at the right hand of Heaven as King of Kings and Lord of Lords. But not before He stripped Lucifer of his authority and took back all the keys, even the keys of death, hell and the grave. The government is upon our King's shoulders and all authority has been given to Him in heaven and on earth.

"King Yeshua has given us access to the keys of governing authority. We, as His Ekklesia can bind or loose, open or close, lock or unlock.

"Regarding this, I heard Holy Spirit say, *'Now begins a merger of Christ's spiritual Kingdom in the earth realm with the Kingdom of heaven in the spirit realm, in ways and*

*levels never before seen. The merger will accelerate a new era Pentecost. Spiritual power and Kingdom authority will be seen on the earth as never before. Glory will fill prepared territories, regions, and nations with surge after surge of the King's manifest presence. The enemies of Christ's Kingdom will become disoriented and fight each*

*other, resulting in freedoms decreed by the King's Ekklesia and assisted by My angels. For I will release My mighty ones to labor with you.*

*"A new level of merging will now begin of the King's spiritual Kingdom on the earth realm and the Kingdom of Heaven and its mighty ones. My Ekklesia will run with angels. Glory surges will now begin to roll though the nation and through My Ekklesia hubs all across the earth. You will see the increased strikes of Holy Spirit and His angels. Suddenlies are striking the enemies of My Kingdom. You will now see a roll out of a series of suddenlies which have been planned to overpower demonic thrones. Suddenlies, suddenlies, suddenlies and sudden suddenlies!*

*"Align yourself with the mighty authorities from the heavenly realms. My principalities, My powers, My dominions, My princes, activated in merger with you. For My princes have arrayed for battle says the Lord. My mighty ones have arrayed for battle. They have received their positional assignments in the earth realm, and it is time for the strike of My Kingdom armies.*

*"I will set My messengers on fire with My message. I will cleanse the lips of My prophets and cause the fire on My Ekklesia altars to blaze. My Seraphim will minister with My heirs from those altars. Blazing, purging fires of holy cleansing will rise and My strong ones will co-labor with My remnant warriors. The Lord of hosts decrees 'Let the breakthrough events begin. Let the plans of awakening unlock.' Ekklesias, receive new keys for new times. Decree the voice-activated keys with commanding voices, causing gateways of promise to open to you.*

*"Let a confident heart rise in you, for a merger has begun. A new-era Pentecost will accelerate. Power and Kingdom authority will be seen on the earth as never before. My mighty angels are now moving into the earth realm at My command. For the intersecting of times and seasons has occurred and My purposes will spawn miracles, sudden breakthroughs, and great victories.'*

"We are moving into supernatural times! The revelation that we carry the Master's keys is increasing, and that is a game changer."

**Pray with me:**

Lord, we exercise the authority handed to us, and thank You for giving us keys to unlock breakthrough events upon the earth. Unlock Your plans of awakening in all **regions and in our lives. Let strategies of awakening unlock in Ekklesia throughout this nation. Unlock harvest plans! We activate the release of mighty angels to open gateways in our regions, gateways of promise. Unlock this nation! Unlock pathways for the Kingdom of God to enter into our government and change it. Help us dethrone the powers of darkness that have been entrenched there. We bind every attempt to steal and influence our elections.**

**Let the suddenlies begin! Cause our enemies to begin fighting one another. Let doors of breakthrough and victory open before us at levels never before seen. We thank You that You have given us Your keys and we declare, in Your name, we will not be overpowered or held back. The glorious Ekklesia will rise and reign with You. In Yeshua' name. Amen!**

**Our decree:**

**We agree with Heaven and decree, "Let the breakthrough events begin and let the plans of awakening unlock!"**

### **The Breach Has Just Begun to Turn**

And the Spirit of the Lord says this day, ***"The BREACH in your nation has just begun to turn... THE BREACH HAS BLOCKED THE NATION FROM A COMPLETE TURN AND BIRTHING WHAT I, THE LORD, HAVE SPOKEN FORTH. HOWEVER," says the Lord, "the breach has begun to turn! Going into this turn, there will be pressure, there will be resistance; HOWEVER," says the Lord, "put your mind to diligently work and to diligently seek ME, the Lord your God, for I am a rewarder of those who diligently seek Me!"***

The Spirit of the Lord says this day, ***"You are seeing the rumblings, My children, just the rumblings – the tremors – before the shaking, before the turn. For you have just entered a BIG TURN, for I the Lord your God have begun to raise a standard in your nation. When the enemy comes in like a flood, the Spirit of the Lord will raise a standard against him. That standard has indeed begun! And those I have anointed in leadership will have to come up to this standard if they intend for Me, the Lord your God, to bless their leadership. For they will not lead if they do not come in alignment with this standard,"*** says the Lord.

### **To the Wicked Leaders**

The Spirit of the Lord says this day, ***"As you have rejected Me, O you wicked leaders, you wicked governors – those in the House...as you have rejected ME and USED My name for YOUR FURTHERANCE, so I the Lord have now REJECTED YOU! You shall see this in the Northeast,"*** says the Lord. ***"You shall see this on the West Coast,"*** says the Lord. ***"You shall***

***"They can warm that seat all they want, for that seat will throw them down," says the Lord. "It is coming. It is not over," says the Lord. "For they have taken what is not theirs. They have attempted to usurp. They have utilized devious methods to cause a mirage and illusion that they are the rightful owners of those seats."***

### **The Sound of the Abundance of Rain**

The Spirit of the Lord says this day, ***"I hear the sound of the abundance of rain. It has merely begun to form a little, and then it shall grow; it shall expand. And at MY word, you shall see the drought end and the rain come, and that will be the indication of another changing of the guard,"*** says the Lord.

### **Watch the Mounties in Canada**

The Spirit of the Lord says this day, ***"The Mounties in Canada...just watch, for the seats of those leaders have begun to shake. O Canada, cry out to Me, the Lord of hosts, King of kings, for the winds of change have begun to blow into your nation, and leaders will be unseated in unusual ways. You shall hear them say, 'This is so unusual! How could this be?' For MY WAYS are higher than your ways, and MY thoughts higher than your thoughts."***

### **The Lord Is Appointing the Zerubbabels in This Hour**

The Spirit of the Lord says this day, ***"There shall be paths carved to leadership. Unexpected..."*** says the Lord. ***"You shall see the unexpected. You shall see sudden shifts – 'uncovering' that will carve paths to leadership that were not seen before. For I THE Lord your God am appointing the Zerubbabels in this hour – governors who will raise up a standard and hold that standard that I the Lord have begun to raise. A cry shall come out of the House. A cry shall come out of the House,"*** says the Lord. ***"For that has just begun to turn,"*** says the Lord.

## **A Snatching of the Most Coveted Seats - Thieves Shall Be Robbed!**

***"A process indeed, " says the Lord. "A process indeed has gone forth, and I the Lord shall snatch the most coveted seats away from the ones who THINK they are secure.***

***"Oh, you think in your flesh you are secure," says the Lord, "that you have manipulated events and circumstances to secure such a seat. However," says the Lord, "your seats are far from secure, and they shall be snatched from you! For what has been hidden away will be brought out into the open. What has been stolen shall be stolen from them. The thieves shall be robbed themselves," says the Lord. "All for 30 pieces of silver you have brought condemnation on your soul, heaping coals upon your lives."***

## **Turning Back the Clock**

The Lord of hosts says, **"I am going back and beginning a rectification and a realignment of what came out of joint as the millennium turned and the '2000' on your clock began.** I am going back," says the Lord. "I am rectifying and re-ordering what has caused a chain reaction through the years to what you see before you.

## **Look Beyond the Rubble**

"Serve Me in the land of captivity, for I am your Deliverer, your Strong Tower; I am an ever-present Help in times of trouble. ***The elections are not your salvation," says the Lord. "I the Lord am your Deliverer in this! I raise leaders up and I bring them down," says the Lord. "My plan is unfolding, and it will take great faith from the people to look beyond what they see; to speak in faith what they see, beyond the circumstances; to declare it boldly as this breach has begun to turn, and the repairs shall begin,"*** says the Lord.

***"Nehemiah was sent of ME to repair the wall, the breach and the gate. He was appointed by ME, the Lord his God, to rebuild what was rubble – what others saw as not worth the effort. He saw beyond the rubble and the brokenness and had a mind to work and rebuild; and no matter the threats and the plots against him, he diligently continued. And as that happened, I the Lord brought the plans of the wicked to nothing and frustrated them so that they could not execute their plots!"***

***"I the Lord am calling forth the Nehemiahs, the Zerubbabels and the Ezras to encourage the people; to rally them; to teach them how to diligently work; to run the race; to press toward the mark of the high calling! Come up higher with Me, My children, and you shall see how I see your nation. For I go beyond what man would deem 'intelligence'; I go beyond intellect; I go beyond what you see before your face, for I AM GOD AND THERE IS NO OTHER!"***

### **To the Leaders Who Have Been Stolen From, Ostracized and Smeared**

The Spirit of the Lord says this day, "***O you leaders who have been stolen from, who have been ostracized, who have been smeared: STOP TRYING TO DO THIS IN YOUR OWN STRENGTH. STOP TRYING TO VINDICATE YOURSELVES IN YOUR OWN STRENGTH! CLOSE YOUR MOUTHS AND LET ME, THE LORD, SPEAK FOR YOU. HUMBLE YOURSELVES BEFORE ME AND SUBMIT! DO NOT FIGHT THE YOKE, FOR SOME THINGS HAVE BEEN UNNECESSARILY PROLONGED,***" says the Lord!

### **Cleaning House and Reigniting the Church**

***"I AM," says the Lord. "I AM, and I WILL have My way," says the Lord. "However, this is a process. The people must learn – the Church MUST LEARN – to not just sit there and turn a blind eye to wickedness, to what is unholy. They slink back as if they have no authority. They teach the people to ignore and it snuffs out their light. I the Lord am going to reignite the fire in the Church. I am going to give them a desire to operate in that authority. However, there must be a changing of the guard first, for there are too many leaders doing deeds in the darkness and then speaking about the light as if they KNOW ME. Depart from Me, you workers of iniquity, for I NEVER KNEW YOU. [There has been] too much intermixing of what IS NOT OF ME with what is of the filth of this world, and it has created a gross concoction that is causing brambles in the souls of the people.***

***"Get the speck of dust out of your own eye before you can remove the log from your neighbor's eye," says the Lord. "However, many of you have logs in both eyes, and have filled yourselves with intoxications of the enemy that are not of ME. ### **A Collapse in Europe and a Light Out of Europe**

The Spirit of the Lord says this day, ***"A collapse in Europe across multiple countries... For there is a 'bearing down' on Europe, and the leaders are desperate. And fools will rush in and make deals with devils that will oppress the people. However, there shall be a light out of Europe. A nation shall raise up a leader that fears the Lord, and that leader will be a beacon of light, a light on a hill that other countries shall take notice of, and some will follow suit; for Europe is in danger of a deep freeze on many fronts," says the Lord.***

***"Do not allow the enemy to become your salvation, for there is a way," says the Lord, "to circumvent the clamps that have been put upon you. The leaders who look to ME WILL SEE IT. ### **Take Courage! The Great Push Has Begun**

The Spirit of the Lord says this day, ***"Take courage. Do not allow hopelessness to set in now, for the great turn and the great push has begun... A blow to the head for one in high office...just watch, for it shall rattle the hub."***

### **A Change in Direction**

The Lord of hosts says, ***"I am turning you, My children, as well – a change in direction. While some are heading right for Sodom, as Lot so headed to the way of sin, those I have truly anointed – I am changing their direction. You shall go the way of the Lord. You shall see gates open," says the Lord. "You shall see the strongholds come down. You shall see promotion in this hour, and favor. For the favor was upon Abraham," says the Lord, "not Lot. **Discern Your New Opportunities!"**

**Andrew Towe, Chattanooga, TN**

### **Economic Expansion and Favor for the People of God**

I heard the Lord say, "In the midst of chaos, global downturn and even famine, My people will have economic expansion. **I am giving heavenly downloads and strategic ideas to prosper My people. They must discern the opportunities that I am presenting to them. Don't miss this moment. Innovation and creativity will be stirred and flow through them for this hour. There will be favor upon My Church, and the world will take notice.**

## Seize Your God-Given Opportunity!

"It is necessary for your ear to be tuned to the frequency of the Holy Spirit, for He will lead and guide you into the right moment to seize your God-given opportunity. Do not be afraid to step into it! Reject and bind the spirit of fear. Its grip will keep you locked out, but faith in My Word is the key that opens the doors I have prepared for you."

I sought the Lord to further reveal what He meant about the OPPORTUNITIES He would be giving to His people. I searched the definition of the word "opportunity" and found that it means:

1. "an appropriate or favorable time or occasion"
2. "a situation or condition favorable for attainment of a goal"
3. "a good position, chance, or prospect, as for advancement or success"

## Be an Agent of Change

I heard the Lord tell me to turn to Genesis 26, where I read about a famine in Canaan during the time of Isaac. Because of the famine, Isaac was tempted to go to Egypt, but God stopped him and gave him specific instructions not to go to Egypt but to stay in Gerar. God had a plan to confirm His covenant and prosper him there.

**"Sojourn in this land, and I will be with thee, and will bless thee; for unto thee, and unto thy seed, I will give all these countries, and I will perform the oath which I swear unto Abraham thy father; and I will make thy seed to multiply as the stars of Heaven, and will give unto thy seed all these countries; and in thy seed shall all the nations of the earth be blessed." (Gen. 26:3-4)**

God is giving you an opportunity to be an agent of change. While some current circumstances look dire, and it seems as if famine has taken hold in many areas of this land, our provision does not come through man's economy. We live according to God's Kingdom economy. He will cause your seed to multiply just as He did for Isaac, and you will prosper in the time of famine.

## **Creative Concepts and Witty Inventions**

**"Then Isaac sowed in that land, and received in the same year a hundredfold: and the LORD blessed him." (Gen. 26:12)**

Notice that Isaac sowed in the land of famine. His obedience caused a supernatural acceleration to hit his seed, and he received a hundredfold return in the same year.

Many believe that God gave Isaac an idea for an irrigation system that would bring water from wells to water his crops and cause them to grow and multiply.

**I heard the Spirit of the Lord say, "I will give creative concepts and witty inventions that will cause My people to prosper."**

"I wisdom dwell with prudence, and find out knowledge of witty inventions." (Pro. 8:12)

## **Obedience Will Claim the Opportunity**

It wasn't Isaac's skill, but his obedience that caused the blessing of the Lord. He acted on God's word and seized the moment! He laid claim to his OPPORTUNITY! And the world took notice of God's blessing upon him, "...and the Philistines envied him" (Gen. 26:14).

Just as God did for Isaac, He is preparing to do the same for you.

## **God Is Turning It Back on the Enemy**

Current events have caused many to fall into the trap of worry and fear. There are real concerns regarding the stock market, inflation and food shortages; but you **watch and see how God will turn the economic crisis on the enemy.**

## **Discerning Between What Is Good and What Is God**

God's people will be presented with new opportunities that will release increase in their lives. These opportunities, though, are going to require discernment. You must discern between what is just good and what is God. Isaac could have gone to Egypt where there was provision, but God told him no.

I heard the Lord say, **"Be careful of what voice and reports you listen to in this hour. Spend time seeking after Me and listening for My voice. This will tune your ears to hear, and you will find Me."**

**God's promise to you is this: "You will seek Me and find Me when you seek Me with all your heart" (Jer. 29:13).**

### **His Voice Will Lead You to Victory!**

**After David became king over Israel, the Philistines gathered against David (2 Sam. 5:17). King David did not rush to war against them by his own wisdom, for David had the secret weapon of prayer and inquiring of the Lord for His direction.**

**"And David enquired of the LORD, saying, Shall I go up to the Philistines? wilt Thou deliver them into mine hand? And the LORD said unto David, Go up: for I will doubtless deliver the Philistines into thine hand." (2 Sam. 5:19)**

David defeated the Philistines that day and said, "...The LORD hath broken forth upon mine enemies before me, as the breach of waters. Therefore, he called the name of that place Baalperazim" (2 Sam. 5:20). **I declare to you that you are coming into your place of breakthrough! Be ready to get new strategies. What worked before will not work now.**

Remarkably, the Philistines regrouped and came up AGAIN, and once again David inquired of the Lord. This time, God instructed him not to go up but to go behind them and wait for the sound.

**"And let it be, when thou hearest the sound of a going in the tops of the mulberry trees, that then thou shalt bestir thyself: for then shall the LORD go out before thee, to smite the host of the Philistines." (2 Sam. 5:24)**

What worked before with the Philistines was not God's plan for this battle.

**You must keep seeking the Lord, and you can expect His voice to lead you into victory. In this season of opportunity, refuse to stare at the uncertainty; instead, allow the Lord to show you your vast opportunity!**

### **Contending with the Dinosaurs Among Us**

A recent article on MSN.com News related, "Following severe drought conditions in Texas, USA, in August 2022, huge dinosaur tracks were discovered in a dried-up muddy riverbed at Dinosaur Valley State Park. Said to belong to an *Acrocanthosaurus*, a 15-foot tall, seven-ton early cousin of the T-rex, the tracks are around 113 million years old. Another species, the *Sauroposeidon*, measuring 60 feet tall and weighing a whopping 44 tons, is also likely to be responsible for some of the footprints, according to experts."

Our family has visited Dinosaur Valley State Park and the nearby Creation Evidence Museum in Glen Rose, Tx. While there, we were amazed to view actual undisturbed dinosaur tracks in the limestone ledge along the Paluxy River. Even more interesting, however, was the fact that some of the tracks reveal human footprints right inside the dinosaur tracks! It would appear that a human had followed along shortly after the dinosaurs passed through and had carefully stepped in their recently laid-down footprints in the mud before these now 113-million-year-old tracks were covered over by sediment and ultimately preserved. Similar finds have been documented in New Mexico, Utah, and Turkmenistan; rock petroglyphs of dinosaurs have been found in Arizona and Utah; ancient artifacts made in the form of dinosaurs have been unearthed in Mexico. Paleontologists would have us believe that dinosaurs died out some 65 million years ago as a result of a massive asteroid impact upon the earth, and that mankind appeared on the scene only some 3.5 million years ago. The actual evidence would void that argument.

Perhaps the largest living relative of the dinosaurs is the Komodo Dragon, a native of Komodo Island in the Philippines. These lizards can live for 30 years, grow up to 10 feet in length, weigh in at 150 pounds and can run as fast as 12 miles per hour. In their quest for food, they often hunt in packs and kill and eat large and small livestock and even humans! "Just another lizard," one might say, but as a matter of scientific fact, reptiles continue to increase in size throughout their lifespan. Should they and others of their relatives live for 969 years, as did Methuselah, imagine their size! For good reason they were given the scientific name "dinosauria" or "terrible lizards."

My first encounter with a "living" dinosaur occurred years ago during a night terror. I had been leading a very large dinosaur along by a long rope when I slipped or tripped and fell to the ground on my back. The dinosaur continued to trudge on for several more paces until he towered over me. He then sat down. I was squashed like an

insect on the pavement! That was a most devastating encounter, and it shook me to the core. Upon diligently inquiring of the Lord into the meaning of this dream, He gave me just one thing, the name of the dinosaur – Rejection!

As I searched back in life seeking God about how and when Rejection had come in, He showed me several traumatic incidents early on that had given it place in my life. Others, upon hearing of them, would likely consider them to be trivial, but to my mind at that time they were traumatic, and unchecked, rejection would be able to open the door to additional spirits such as cancer or suicide, which would desire to take my life.

What I have termed a “dinosaur,” others might refer to as a wicked spirit, a demonic entity, a fallen angel, or even a repressed emotion, as they come in a variety of species. Whichever type one might be dealing with, such are serious contenders against our peace, fullness of life, and the highest potential for which God has created us. He has given us the tools to defeat them, but we must first recognize the dinosaurs such that they might be dealt with and eliminated as were others of their “kind.” Unchecked, such forces can lead to many forms of oppression, bodily illness and even death.

Each of us carries “baggage” from our past – impediments that weight us down and hinder forward progress in life, be that progress physical or spiritual. Not one person is exempt. This baggage might be in the form of fear, anger, resentment, bitterness, abandonment, unforgiveness, unworthiness, insecurity, or any of hundreds of other entanglements. They may originate from our own life experiences or even from those of our parents or grandparents which are then passed down to us in our DNA. (see Exodus 20:5) This is a universal problem, and it exists as well within the Body of Christ.

I have since found other dinosaurs lurking in the backwaters of my life, including one named “Perfection,” and I know exactly the day and incident when it entered in. As these entities are identified, we, as the Body of Christ, possess the authority and ability to dispatch them where Yeshua would have them to go, and I continue to do so. Vigilance and continual “house cleaning” must be a priority for us in this life.

So, how are we to successfully dispossess the dinosaurs from our lives? I would suggest several actions, each of which individually is important and effective, but when applied together have set multitudes free from the attacks of the evil one.

- ***Acknowledge the beast*** – Receive as fact that anyone/everyone (even yourself) may at some point be personally trapped or influenced by the presence of a negative entity. If the behavior pattern or emotional issue is beyond your ability to control, this is proof of its existence. Acknowledge its existence and presence in your life.

- **Repent** – Repent for providing any open doors or having given place to the spirit in any way. Then close all open doors as the Lord would direct you.
- **Forgive & Release** – Forgive yourself and/or others who may have opened the door to the spirit; release yourself or them from guilt worthiness, condemnation, or bitterness. “And when ye stand praying, forgive ...” (Mark 11:25)
- **Recognize your position in Yeshua** – We are in Him; He is in us. We have been washed by the blood of the lamb, and He has conquered death, hell, and the grave. He has given us authority in His name to destroy every ability of the enemy, and nothing shall by any means harm us. (see Luke 10:19) Yeshua has broken every chain that binds us, and he whom the Son sets free is free indeed!
- **Confront the dinosaurs** – We are admonished in scripture to give no place to the devil, to resist him, and he will flee. It is **our** responsibility, not God’s, to deal with the dinosaurs in our life. We must renew our minds to the weapons of our warfare, take them up, then pursue, overtake, and recover all from these enemies by using every available weapon to maximum benefit:

1. **We have the name of Yeshua**, the name above all names. At that name every knee must bow in Heaven, on earth, and things under the earth. Speak that name over every work of darkness in your life, and command them to bow their knee to the name of Yeshua.
2. **We have blood of Yeshua**, and we can plead His powerful cleansing blood over every issue we face in this life.
3. **We have the Word of God**, which is living and powerful. We must speak it, decree it, and declare it over every power that the enemy would desire to exert against our lives.
4. **We have the whole armor of God** in which to do battle. We must put it on daily and fight the good fight, expecting victory.
5. **We have the keys of the Kingdom**, the power to bind and loose, with which we can bind the strong man, break every demonic stronghold he may be using against us, and loose the fullness of God into our lives.
6. **We must break every generational curse**. The sins of the fathers are visited down to the third and fourth generation, and every failing of our ancestors, known or unknown, that might be affecting our lives must be broken and put under the blood of Yeshua.
7. **We must continue to humble ourselves under the mighty hand of God**. Be sensitive to His direction and keep your guard up against every future attack of the enemy.

As we submit ourselves to the Lord, it is important as well that we be willing to receive from others of His Body that which He has ministered to them, as every joint is designed to provide to the effectual functioning of the whole. In that regard, as we have ministered in these areas over the years, we have found multiple books to be of great value. Among these are ***A More Excellent Way***, by Henry W. Wright, and ***Feelings Buried Alive Never Die***, by Karol K. Truman. Each deals with the spiritual roots of disease, though they come at the subject from two distinct directions.

Wright, a former medical student turned minister, reads the Bible from a medical standpoint and sees, for example, the scripture, **"A sound heart is the life of the flesh: but envy the rottenness of the bones."** (Proverbs 14:30) From this he deduces that envy is the cause (or at least a major contributing factor) of osteoporosis, which is rottenness of the bones. Buried emotions may produce devastating consequences!

Another example he cites is a link between Hodgkin's Disease and Leukemia. Both are similar because in each case the root cause is the same. He has found that both many times are caused by deep-rooted bitterness coming from unresolved rejection by a father. He has always found a breach between the person who has that disease and their father. I wondered at this statement because I had Hodgkin's Disease at age 16. My father died of non-Hodgkin's lymphoma, and my brother has struggled for years with leukemia. Yet I had no bitterness or rejection towards or from my father. It was only after my father's death that we learned the connection from his older brother. He shared the story of how their family, during the boys' upbringing, was very active in church and in the things of God. One Sunday, however, when my father was about 11 years old (a very impressionable age), the family attended church, and my grandfather took issue with the social message that was being passed off as the "gospel". He vocally confronted the pastor during the church service, then stood his family up and marched them out the door! Years later, while I was growing up, the name of Yeshua was never mentioned in our home, and I never understood why, considering my brother and I were taken to Sunday school weekly. Emotional trauma has frequency, and it becomes imprinted in the DNA, which is subsequently passed from one generation to the next. This one incident has had serious consequences in our family. I have since broken the blood line of any wicked spirits that have tried to steal, kill and destroy through this connection.

Karol Truman offers a suggested "script" for dealing with feelings buried alive. I share a modified version here as an example of how to pray against the spirit of rejection. This prayer can be adapted for any emotional dinosaur one is dealing with, and when

accompanied by a yielded heart, it is powerful to the pulling down of spiritual strongholds.

*"Holy Spirit, please locate the origin of my feeling(s), thought(s) of rejection.*

*"Take every level, layer, area, and aspect of my being to this origin. Analyze and resolve it perfectly with God's truth. Come through all generations of time and eternity, healing every incident and its appendages based on the origin. Do it according to God's will until I am at the present – filled with light and truth, God's peace and love, forgiveness of myself for my incorrect perceptions, forgiveness of every person, place, circumstance and event which contributed to this feeling of rejection.*

*"With total forgiveness and unconditional love, I allow every physical, mental, emotional, and spiritual problem and inappropriate behavior based on the negative origin recorded in my DNA to transform.*

*"I choose being: accepted, loved, cherished and favored.*

*"I Feel: accepted, loved, cherished, and favored.*

*"I am: accepted, loved, cherished and favored.*

*"It is done. It is healed. It is accomplished now!*

*"Thank you, Holy Spirit, for coming to my aid and helping me attain the full measure of my creation. I give you glory and praise for the victory in Yeshua's mighty name."*

My fervent prayer is that, through understanding the reality of the dinosaurs among us and how to contend with them, each of us would come to the place of total freedom from which we would be able to radiate the fullness of God's glory; that all demonic bondages, blockages and impediments be put under the feet of Yeshua, and that we might bring healing and deliverance to multitudes of hurting individuals in the world. Amen.

**So Holy Spirit took me back to this Word today while sitting on a flight back home, the following word was shared in picture form because Facebook was**

**heavily monitoring my page, but please keep praying concerning what I have submitted.**

I found it interesting that the Holy Spirit prophesied ahead of time about the Midterm Elections and how there would be a strategic agenda by the enemy to thwart the results.

**KEEP PRAYING FRIENDS... URGENT PRAYER NEEDED...**

For the last three weeks, I keep hearing the sound of WAR DRUMS in the realm of the Spirit, we must be fervent and vigilant in prayer, I believe something is about to take place that will bring NATO Nations to a crossroads that will be critical in whether to enter into a time of War, and the Nations of Europe will come into an unprecedented time of greater shaking, there is a very heavy and dark momentum I feel in the Spirit realm, Satan is desperate and so are those that have chosen to fight for his cause in the earth,...I keep hearing "***Watch! For Goshens will begin to Rise in the midst of the darkness***".

I can't go into detail here as I am being heavily monitored but I was shown in a powerful vision two things, there are two Altars rising (I've shared this already), but the Altar of Baal is rising in greater power like never before, And the Satanic Powers that sit upon these Satanic Altars need sacrifices in order to carry out their destruction, (Recently through Visions I was shown certain people in the earth that have been strategically positioned politically, "marked ones" that will be instrumental in achieving the requirements for these "Satanic sacrifices" (this is partly why War is being orchestrated for this need to be met)...hope this makes sense again I can't share more on that now the other reason is to prevent a Midterm Red Wave in USA and to stop DJ from ever returning to Office.

God revealed to me in June 22 that there is an International coordination that's taking place RIGHT NOW to orchestrate WW111 through Nuclear tactics, Zelen-Sky is at the heart of this, God showed me and told me in a dream that just before the Ukraine situation unfolded with Russia he was promoted to a position of greater power within the WEF and that his main objective is to goad Russia to enter into a Nuclear War (can't share more now).

Secondly, I was shown a Pale Horse and a Red horse I will find link and repost.

**WE HAVE TRULY ENTERED INTO A TIME OF WAR AND YET WE HAVE  
ENTERED INTO A KIAROS TIME OF DIVINE RECOVERY**

**"I Am Breaking Family Yokes!"**

**Nate Johnston, Dallas, TX**

Recently in a dream, the Lord took me into a hoarder's home filled with rubbish, old belongings and piles and piles of stacked boxes, filling it to the point that I could barely walk through it. Then I heard the Lord say, ***"Prophesy to the home. Prophesy to the four corners of the home exactly like it says in Ezekiel 37:4-5."***

***"Then He said to me, 'Prophesy to these bones and say to them, 'Dry bones, hear the word of the LORD! This is what the Sovereign LORD says to these bones: I will make breath enter you, and you will come to life.'"*** (Ezekiel 37:4-5)

**Sweeping the Home Clean**

So I began to prophesy and speak to the home. I began to speak God's heart and intentions over every room of the house until suddenly a torrential wind entered and started helping. It came through lifting up every box, piece of trash and piece of clutter and blew it out of the house.

Then the Lord said, ***"I'm sweeping out the home, I'm cleaning it out, and I'm going to shut the doors on the enemy where he has ruled and reigned; because doors have been opened, and families have been left vulnerable and wide open to the attack of the enemy."***

***"This is an hour that I'm coming to heal and repair generations upon generations of damage. And I'm restoring families back to their original design that I intended for them,"*** says the Lord.

***"For many years, addiction and dysfunction have been the legacy of families, but this will be a season that I turn the enemy's agenda on its head and begin to shift families into powerful Kingdom legacy instead of the addiction and dysfunction and endless cycles. These families will suddenly step into blessing, into favor and into health."***

***"In a moment, I'm coming to sweep out the issues and the constant sicknesses that have been pervading marriages and families for generations.***

***"I'm coming to establish My Kingdom in homes where there's been open reign for the enemy to come and plant cancerous weeds.***

***"Yes, I am pulling out the weeds that have been planted and have been growing in the dark, where the light has not been allowed to shine – the unspoken conversations where sickness has been allowed to fester and grow for years – and I am shining My light upon them so that the weeds can be pulled out once and for all!"***

### **The Box of "Lost and Found"**

I saw the doors of this house flinging wide open as the wind of Heaven blew through it. Then I looked over at a corner of this home and saw a small box. As I came over to it, I noticed it said, "Lost and Found." In this box, I found scrolls and deeds sealed with family crests and family names. Inside of them were homes, promises of prodigals returning home, finances restored and a full bill of health. *I knew that this box was the redemption of the war on families.* It was the place of restoration for things had been lost and stolen.

**This box represented the Lord's plan to turn every assignment of the enemy on its head and flip the script for families who have faced endless warfare and robbery for generations. In its place, God is giving the deeds to clean bills of health in every way.** So many families have had endless sicknesses coming against them, with illnesses running in their family lines for generations. I saw that there had been addictions and perversions and many sins that had been handed down from father to son and from mother to daughter for many generations; yet, in a moment, they were completely severed, and God was restoring health and wholeness.

I saw there had been a poverty spirit over families for many generations, and God was healing them. I saw prodigals coming home. I saw husbands who were returning back to the Lord. I saw that this box represented the season we're entering into – the season of restoration for the family of God.

### **Restorers of the Breach**

You see, the enemy has targeted the family. More than ever before, He's brought his battle to the family "living room." He placed this war in the living room for a purpose, because he wants to destroy and crumble families from the inside out. But the Lord says, ***"In this hour, I am putting a mantle upon My Church to be restorers of the breach, and they will expel the enemy. They will throw him out; they will cast him out into the darkness, and they will build up the foundations that, for many generations, have been torn down!"*** says the Lord. And that is what He's doing.

**"And it shall come to pass in that day, declares the LORD of hosts, that I will break his yoke from off your neck, and I will burst your bonds, and foreigners shall no more make a servant of him." (Jeremiah 30:8)**

As I write this, I'm hearing the Lord say that there is deliverance coming upon you. There is freedom coming upon you where your family has been in torment for many generations. The Lord says, ***"In this hour, I'm taking off the reproach of many generations from your shoulders. You're going to feel a yolk break off of you that has been on your shoulders for many, many generations," says the Lord. "I am breaking the heavy yokes that have been around your neck and you will no longer identify with them!"***

***"They will rebuild the ancient ruins and restore the places long devastated; they will renew the ruined cities that have been devastated for generations." (Isaiah 61:4)***

### **Breaking Off Jezebel's Slavery**

I even see many different spirits that have followed families for generations, going from father to son, and they are being broken. In this hour, I see where the Jezebel spirit has been jumping down the generational line from family member to family member. This has been taking place for many generations, and narcissism has been following.

I hear the Lord say, ***"I am breaking the yoke that has been enslaving My people. In this hour, I declare: 'Let My people go!' They are being set free in Yeshua' name. They will no longer tolerate her or appease her. They will no longer let her into their marriages and relationships!"***

***"And in this hour, I am breaking off all access to Jezebel's minions that have plagued your home with UNREST and CHAOS! Familiar spirits are being shut off from their access. Surveilling and monitoring spirits are***

***having their access removed, so they can no longer see into your homes and marriages. Witchcraft and control are being severed, and the roots and all connection points are being disconnected so that My FREEDOM is able to break out in homes. For it's time to fortify the homes and turn dens of brokenness into places of My glory!"***

### **Raising Up a Standard Over Families**

I feel the Spirit of the Lord saying, "***I am raising up a standard right now over families.***"

***"...When the enemy shall come in like a flood, the Spirit of the Lord shall lift up a standard against him." (Isaiah 59:19)***

I see the walls of the Red Sea receding. I see families crossing through onto dry ground. I see the places where it feels like there have been obstacles on every side, where many have even asked, "How can this marriage pass through this obstacle?" or "How can my children find Yeshua in the midst of the cultural wars?" or "How can my child find their God-given identity again in such a time of gender confusion?"

The Lord says, "***I have promised you that your children and your families will cross through onto the dry ground. This is a time and an hour that I'm leading the family of God out of Egypt. I'm leading those who've been through dysfunction and through many, many, many generations of warfare and demonic attack – I'm leading them out,***" says the Lord. ***"This is the hour that I'm raising up the former devastations of the family."***

*Right now, I prophesy over you. I take authority over every single assignment and principality that's been sent to disassemble and dismantle your family for many generations; every single one of them shall be broken. Every vow and every agreement that was made by your forefathers – by your family from many generations ago – we immerse under the Blood of Yeshua, and we make a better covenant right now. Lord, we just ask for a new bloodline to be set over those who are reading this right now, that You would set a new bloodline, in Yeshua' mighty name.*

*Yes, the Lord says that He is setting a new bloodline from this day forward, and you will no longer identify with the place you have come from. The Lord says, "You will honor and respect your family line but will step into MY bloodline from*

*this day forward! It is a new day, and everything that is behind you is immersed under the Blood of Yeshua!"*

***"But you are a chosen people, a royal priesthood, a holy nation, God's special possession, that you may declare the praises of Him who called you out of darkness into His wonderful light." (1 Peter 2:9)***

Maybe you have been wrestling with addiction. Maybe you are wrestling with infidelity. Maybe you're wrestling with a broken marriage. Maybe you're wrestling with the grief of a prodigal son or daughter. Maybe you're wrestling with being isolated and alienated. Maybe you're wrestling with not being able to find who God's called you to run with – your partner, your soulmate. Whatever it is, and in whatever way the enemy has warred against you, today, the Lord wants to set you free.

I believe today there is an anointing on this to break bondages, especially for those of you who've grown up in narcissistic households and who, for many generations, have experienced narcissism – even seeing the patterns and fruit of it in their own life. The Lord is breaking the Jezebel spirit that's been trying to put itself on you, wanting you to identify with it. *Today it breaks!*

**The Lord says to you today that you are pure. The Lord says to you today that you are holy. The Lord says to you today that you no longer have to identify with the sins of your forefathers, in Yeshua' mighty name!**

**Roger Waters: (Cheshvan 3, 5756, October 27, 1995) My life Transformation!**

I woke up that morning with huge expectations, I looked out the window at the bright October sunlit sky of Salem Virginia. I was at the Rehab unit at the Veterans hospital. I was released from UVA just two weeks before, and I was looking at getting out of my wheelchair into a walker. But first, I had to go down the parallel bars and back one time on my own.

At first look, that was scary. On June 11, 1995, I fell 128 feet, and wound up at UVA awake, but with 36 broken bones, and an 11 ½ hour surgery that night. Needless to say, walking on legs that have not been used for 3 -1/2 months would be tuff, but then I served a god that invented tuff.

My purpose here was simple, according to my rehab nurse Brenda, I was to walk down the bars and back, no matter how fast or slow it was on my own, then they would order me a walker. Now to you, if you are walking with no aids on your own legs, you might not think about it much, but to a guy that was told if he lived, he would never walk, but then I lived.

Then they told me that I would never walk, yet my God told me way back on June 13<sup>th</sup>, 1995, that he had a ministry for me that did not require a wheelchair. Now we go back to Isaiah and that little thing of who's report will you believe, may I remind you, there are only two reports, YHVH's and the rest.

Cheshvan is a month that is with no biblical holidays, no feast days, nothing, you know why? Because it is all about Yeshua. It is the month that he will raise the Kingdom over to the Father, and it is the month that the circular boundaries will be laid out in a straight line so when Yeshua does return, he will break through it to descend below the line into the world where His illuminating light will blind all that are not covered with His blood and they shall die as they stand on the feet.

So, my task was now upon me, I had one week to accomplish what every doctor said I couldn't do. So, I got up, got into my wheelchair, and raced my roomie down to where we ate chow. Then I went on to Rehab by 9 am. When I wheeled myself into the room, there was Brenda waiting on me. She had this picture, and she placed it right into my face, and she said, "See, here it is, you know what to do right?"

I said, "I can't use that?" She said, "Why?" I smiled and said, "It's on paper, I want the real thing". Brenda was a funny lady, but in a serious way. Her job was not to be my friend, but to make me strong again, and to make me walk again. I knew that, and I also knew everything I was about to do today was going to happen in pure faith. My right leg hadn't worked right for 111 days.

This is when all those stupid things go flying in and out between your ears, you know, what if I can't, what happens if I fall, no, no, you don't want to fall do you? And I knew that if all I did was center on the negative, negative is what I will get, and fast, while the whole time Satan is laughing his butt off. Well, I told myself, here is the deal. I know that Gary is right in front of me, and he has these friends, thousands of them, all standing there around me, and there is no way even one small miniature demon can break through. I will not allow it, I will not think it, or speak it.

They had me stand up at the end of the bars. They placed this strap around my waist, and there was a nurse in front of me, and behind me. I turned my head to Brenda and said, "Ok, get a cup of coffee and sit down, I will be right back." For a flash in my memory, I remembered what Gary told me, he said, "That if I only could see the other

end, I would never worry, because with the Creator, I will always have the victory, I will always be on the winning side”.

I looked down at my right foot, I thought, “Ok right foot, today, your job is simple, one or two inches in front of the left foot, then we can sit and re-evaluate tomorrows job description.” I began to strain, I wanted to lift my foot up just enough to move my foot forward just a few inches. I had all week to go down and back in the bars but step one was getting my right leg working.

I gripped the bars with both hands so tight, my arms were shaking. I was scared, I didn’t want to not make it happen. Then I heard this little soft voice in my spirit say, “Who said anything about you doing it.” Then he said, “Relax, be calm, and let me show you the power inside you that you have because of me.”

I exhaled, and a tear dropped from my left eye, and I heard all these people clapping. I thought someone else had made strides or something. I looked down, and my right foot was on the floor just four inches ahead of my left foot. I had moved.

A smile came across my face, I now was tearing up like crazy. I just saw something happen that every doctor said would never happen. They were ready to cut my right leg off, and look now, it’s working.

There was nothing I did there, I couldn’t. There was nothing any nurse did, there was only the Presence of the Holy Spirit, so thick, so powerful, so dominating, that even the nurses said they smelled sweet perfume in the room. Now I knew what just happened.

Sometimes we all need a kick-start, a re-do, and sometimes we need to change out the old and replace it with new. Sometimes the Creator will do for us what we can’t do, just to show us that he is still there. Sometimes he does something that to us is so huge, so mighty, we can’t shut up about it for months. Now, for me, it’s been 27 years.

On Friday of that week, I got to the end of the bars and back, and out wheeled this brand-new walker, complete with a seat attached to it. I had accomplished my goal, but not me only, no I had my newest best friend with me, he had been around for a while, he had seen a lot of things, and he was beginning to teach me a lot of those things.

His name is Holy, Holy Spirit, and he knows the Creator personally. He even told me that if I had any questions, just ask, that he would show me either the answer or where to find it. After 27 years, that relationship has not ended, faltered, or skipped a beat. He is always there for me, and I am there because of Him. I now understand why King David said that his cup runs over, because it was constantly getting re-filled every day.

Remember when you read this, this month isn't about you or me, it's not about any great thing here on Earth, this month is all about Him, Yahweh, and Yeshua, for this is the month of the final miracle, when the entire Kingdom of God on this earth becomes the Kingdom of Heaven for eternity inside New Jerusalem. Shalom.

### **WHAT IS A RESURRECTED BODY?**

What kind of body is a resurrected body?

A resurrected body is a body that God has sown that springs up when a person living in the physical realm dies completely to their flesh, which the Bible describes as "the resurrection of the dead." It is a beautiful and glorious heavenly body. The body of the resurrection is imperishable but is sown perishable. It is sown in dishonor but raised in honor and glory. It is sown in infirmity and weakness while it is resurrected in strength and endued with power. It is sown a physical and natural body, raised a spiritual body. The resurrection body is immortal – free from death. The seed of the resurrection body is the seed of the woman – Messiah Yeshua – the incorruptible seed – the seed of eternity.

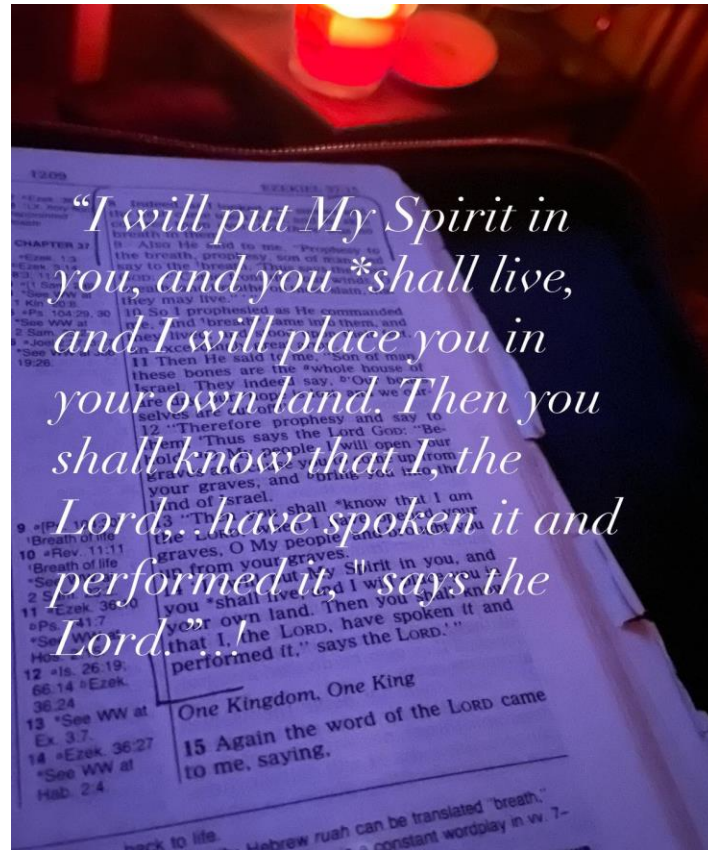

**"But someone will say, 'How are the dead raised? With what [kind of] body will they come?' 36 You foolish man! Every time you plant seed you sow something that does not come to life [germinating, springing up and growing] unless it dies first. 37 Nor is the seed you sow then the body which it is going to have [later], but it is a naked kernel, perhaps of wheat or some of the rest of the grains. 38 But God gives to it the body that He plans and sees fit, and to each kind of seed a body of its own. 39 For all flesh is not the same, there is one kind for humans, another for beasts, another for birds, and another for fish. 40 There are heavenly bodies (sun, moon, and stars) and there are earthly bodies (men, animals, and plants), but the beauty and glory of the heavenly bodies is of one kind, while the beauty and glory of earthly bodies is a different kind. 41 The sun is glorious in one way, the moon is glorious in another, and the stars are glorious in their own [distinctive] way; for one star differs from and surpasses another in its beauty and brilliance. 42 So it is with the resurrection of the dead. [The body] that is sown is perishable and decays, but [the body] that is resurrected is imperishable (immune from decay, immortal). 43 It is sown in dishonor and humiliation, it is raised in honor and glory; it is sown in infirmity and weakness, it is resurrected in strength and endued with power. 44 it is sown a natural (physical) body, it is raised a supernatural (a spiritual) body. [As surely as] there is a physical body, there is also a spiritual body" (1 Corinthians 15:35-44 AMP 1987).**

**I've been speaking to the Holy Spirit lately; I think we all have and all likely wondering why the bigger answers to our prayers are taking long or not manifesting as they have been prophesied. When is the Glory of God going to arrive? I have certainly been asking also what is impeding those answers coming to us even though we have Seraphim and all the Host on our side. How long, LORD, has been our spirit's cry, how long?**

That week I was on two days for the 2022 National Prayer Assembly for a Great Awakening of the First Nations and America; this was prayer prior to the US Elections on Tuesday November 8th.

During the course of the corporate prayer across the nation. We were asked to spend some time and allow the Lord to speak to us regarding Hebrews chapter 12, where God says He disciplines his children. **In verse 14, it says to pursue peace with everyone, as well as holiness, without which no one will see the Lord. 15 See to it that no one falls short of the grace of God, and that no root of bitterness springs up to cause trouble and defile many and see to it that you do not have the root of bitterness in your heart.** We were asked to pray specifically about the peace that needs to be in our hearts because the enemy has caused us to pray out of bitterness. Prayers for ourselves, for our families, for our nations will not be effective if there is bitterness in us. Repentance was made for the root of bitterness in our lives, in our generations and in our nations. We want our prayers to be effective and heard. Deuteronomy 29:18 tells us to make sure there is no man or woman, clan or tribe among you today whose heart turns away from the LORD our God to go and worship the gods of those nations. Make sure there is no root among you that bears such poisonous and bitter fruit, Proverbs 15:9 The LORD detests the way of the wicked, but He loves those who pursue righteousness. 10 There is severe discipline for him who turns from the way [of righteousness]; And he who hates correction will die. There have been many church splits, division in the body of Christ, the enemy is coming hard

against our marriage covenants and our families. We want renewed hunger and thirst for righteousness. We get on our knees and surrender ourselves to you LORD and to YOUR purposes. We get rid of our selfishness and our ego that says we want to be part of this world. Father, forgive us.

I was watching a video on those who have dictated and maneuvered their agendas over the nations of the world for centuries and asked the Holy Spirit, 'how are we ever going to be above that, how are we going to ever win that battle?' I turned off the video and began conversing with the Holy Spirit about it. I made note of the time and it showed 21:21hr (9:21pm) The LORD speaks to me through 'times' in the hours and so I looked up bible chapters 21:21. As I was looking this up, the Holy Spirit gave me a vision of the 7 mountains, in this vision I saw 8 mountains and the 8th mountain was not pretty. It stood amongst the 7 mountains and was as tall and big as them but it was like a huge zit, full of puss, ugliness, poison, all manners of ill was in it, world corruption. Oh man LORD, how do we get rid of this? It was then I saw the sword of the LORD, and then the scripture Matthew 21:21 Yeshua answered and said to them, Truly I say to you, If you have faith, and doubt not, you shall not only do this which is done to the fig tree, but also if you shall say to this mountain, Be you removed, and be you cast into the sea; it shall be done.

One of the evenings there was a situation with a fellow intercessor's son who had walked away from home and the Holy Spirit advised me that this was a serious situation. This was a life-or-death situation and the longer it was the heavier the burden on me to pray for this young man's safety. Thankfully the Holy Spirit and the Host answered but it had taken time. The warfare was so intense over this that I actually burst into tears when the young man was found.

The Holy Spirit in the midst of intercession for his life was 'Do not take **NO** for an answer." After this situation was over and all was settling, a friend sent me a video God told me, **"Don't Get On That Plane"** with **Dr Frances Miles**.

This man of God had a supernatural story to tell wherein the God instructed Dr Miles through a process of supernatural healing. Because of an unusual and deep demonic attack, the Lord told him to take a handful of dirt from the county he was in (Zimbabwe) and prophecy to the dirt, to speak to the land to let him go. He asked the Lord why and was told the witches of the land use 'their dominion' over the dirt to try and kill him. God told him he had higher dominion over the land, the soil than they did because he was the redeemed of the Lord.

Dr Miles was told to prophesy to the dirt, and he would be free. Dr Miles obeyed by taking the dirt and he prophesied and spoke to the soil **"Hear the word of the LORD, I am a man of God, I am birthed in North America, God has a plan for my life, it's not my time to die."** He further said, **"I command you to loose me and I break the witchcraft that was released against me using the soil."** He goes on to say that in that instant the power of God went through his entire body and energy he'd never felt before occurred in his body and was instantly delivered. The Lord told him that in his freedom, he had rediscovered the dominion God had given to Adam over the land, which most people do not use and have allowed the demonic to speak to the land. The LORD showed Dr Miles how to speak to the earth to bring prosperity and cause the earth breakthrough and break curses on the land because dominion was given to him. Psalm 116:5 says The highest heavens belong to the LORD, but the earth He has given to the children of men. Recommended reading by Dr Francis Miles is his book **'I Speak to The Earth and Release Prosperity'**

This video was literally the answer I had been seeking the Holy Spirit for and I asked him if this was something which needed to be done. The Holy Spirit began to download verse after verse

**Genesis 3:17-19** Then to Adam He said, "Because you have listened to the voice of your wife, and have eaten from the tree about which I commanded you, saying, 'You shall not eat from it'; ***Cursed is the ground because of you***; In toil you will eat of it all the days of your life. "Both thorns and thistles it shall grow for you; and you will eat the plants of the field; By the sweat of your face, You will eat bread, Till you return to the ground, Because from it you were taken; For you are dust, and to dust you shall return."

**My question:** You cursed the land because of our sin, can this be undone? Is there something that we are able to do? Is it something you want us to do? Are we permitted to break this curse now?

**The answer given to me was: Romans 8:19-20**

For the anxious longing of the **creation waits eagerly for the revealing of the sons of God**. For the creation *was subjected to futility, not willingly*, but *because of Him who subjected it, in hope*

**My question:** How do we do this? How do you want us to break the curse or witchcraft off the land? What are we breaking off for breakthrough?

**The answer given was: Romans 8:21**

...that the **creation itself** also **will be set free from** its **slavery to corruption** *into the freedom of the glory of the children of God.*

**My question:** How do you want this done? Where do you want this done, When do you want this done? What do you want done?

**How:** We have been blessed with a God connection with a Holy Spirit filled First Nation Intercessor from Ucluelet itself so we can go through proper First Nation protocols for coming into their territory. Her name is **Leah**. We will ask the Holy Spirit where this needs to be done. There is a possibility of a sheltered place as per Leah.

**Where:** Ucluelet (First Nations territory) is on the west side of Vancouver Island and close to the border of Canada and the United States on Vancouver Island where the HOST are waiting and as Terry said are staged.

**Visions and Words regarding Ucluelet:**

**1) God wants to shine a light on Ucluelet**

**2) Dreams where God came and fell and people were crying and repenting.**

**3) Holy Spirit raising the dead.**

**4) There was a whole battalion of Celtic angels on the beach waiting to be sent and there was an angel there called 'Beachhead'. There was a vision of Yeshua on a white horse, he was released to run across Canada. Western Gate was opened. Repentance done because of violence been done to First Nations people and as well as innocent blood shed. Went to the front of the Community church (?) and opened the doors, so Holy Spirit flow entered.**

**5) In Ucluelet, many people would come from many places to be healed and they would be healed and they would go to many places around the world to heal.**

**When:** Saturday, Nov 5, due to **US Elections on Tuesday Nov 8th**

**What: Holy Spirits instructions:**

- Repentance for abdicating our authority and God given dominion and allowing the demonic voices to speak into the land instead
- Repenting to and bowing down to 'Mother Earth' / Isis.
- Taking God's Dominion back over the land in our authority as 'sons /daughters of God'.

- Breaking Witchcraft and Curses over the land
- Command the loosing of ourselves from the witchcraft released in the soil over us and the Body of Christ
- **Speaking to the earth to release** breakthroughs, prosperity (physically, spiritually, mentally, emotionally and financially / healing / miracles / signs / wonders
- Calling 1 billion souls each out of the Freemasons / Catholics / Mormons / Cabal / Luciferian Brotherhood / including the billion souls already called out.
- The Lord is also stripping 'talent's' and titles from those 'in control and reassigning' as per **Matthew 25:14–30**

(*Now Obadiah feared the Lord greatly, and when Jezebel cut off the prophets of the Lord, Obadiah took a hundred prophets and hid them by fifties in a cave and fed them with bread and water.*) And Ahab said to Obadiah, "Go through the land to all the springs of water and to all the valleys. **Myles Francis has created one of the most powerful prayers concerning the land I have ever read. I must caution you to pray this over yourself and land you have authority over or have been given permission to pray over. When you pray have someone in agreement and if you are praying over land not yours (State, Nations) have an intercessory prayer team and always call upon the Host to assist you. We battle against principalities over the land. You have authority yet at the same time know who you battle against. Wade Butler**

**Dr. Myles Francis: Speaking to the Earth Prayer**

**What does it profit, my brethren, if someone says he has faith but does not have works? Can faith save him? If a brother or sister is naked and destitute of daily food, and one of you says to them, "Depart in peace, be warmed and filled," but you do not give them the things which are needed for the body, what does it profit? Thus also faith by itself, if it does not have works, is dead. (James 2:14-17)**

THE ABOVE PASSAGE of Scripture is one of my favorite passages in the Bible. The reason? It makes faith become a practical matter. James, the apostle, poses a very powerful question, "What does it profit, my brethren if someone says he has faith but does not have works?" It is quite clear from the question he posed that James, the apostle, expects people of faith to profit spiritually from the usage of their faith. He also goes on to make it clear that faith without works is dead. This is why I believe that this chapter on the prayer of activation is probably one of the most important chapters in this entire book.

In this particular chapter, I will teach you how to activate in "real-time" this ancient spiritual technology of "Speaking to the Earth" in order to cause it to bring forth! This spiritual technology is powerful enough to shift entire regions because it is rooted in the

supernatural power of God. However, we must not forget that the Word of God will profit us nothing if it is not mixed with faith (For indeed the gospel was preached to us as well as to them; but the word which they heard did not profit them, not being mixed with faith in those who heard it. Hebrews 4:1). This was the problem of the children of Israel who came out of Egypt. Even though God had gloriously delivered and given them a sure word of promise, they nevertheless failed to enter the Promise Land. Thousands of years later, the writer of the book of Hebrews lets us know the reason they could not enter into the Promise Land: they did not mix the Word that God gave them with faith. It is my prayer that as you get ready to activate this powerful, ancient spiritual technology for manifesting kingdom dominion on planet Earth that you do so by faith. It is impossible to please God without faith!

**Before You Pray, I want to give you some practical tips before you use this prayer of activation. Before you start praying, I want you to make sure that you do the following:**

- 1. WARNING: 2 Corinthians 10:4-6 tells us that even though the weapons of our warfare are not carnal, they nevertheless can only be used "when our own obedience to God is fulfilled." Please DO NOT attempt to command the Earth to become yielded to your spiritual authority when you are personally misaligned with God and have no desire to do His will.**

**To do so is to operate in the same spirit of rebellion and pride that the sons of Sceva (Acts 19) operated in when they tried to cast out demons without having a relationship with the LORD. Instead of demons leaving the possessed soul, the demoniac overpowered and beat them naked. Speaking to the Earth to shift in our favor without first aligning our heart towards the Lord can have the opposite effect. However, if our heart is to please the LORD, we have nothing to worry about.**

- 2. If you were ever a member of the New Age who worship Mother Earth or had ancestors who did this; you must first repent of the sin of worshipping the Earth instead of worshipping the LORD.**
- 3. Find a quiet room in which to pray or preferably, you can pray outside your home, business or church.**
- 4. Get a bucket and fill it with dirt. If you don't have a bucket, you can simply dip your hand into the soil and pick up some dirt.**
- 5. Get rid of all distractions, such as cell phones before you begin to pray.**

**6. Speak out loud the prophetic activation prayer from this book and do so by faith.**

**7. Remember that without faith it is impossible to please God (Hebrews 11:6)**

### **Prayer for Speaking to the Earth:**

"Heavenly Father, I ask that the Courts of Heaven be seated according to Daniel 7:10. Heavenly Father I stand in Your royal and heavenly courtroom through the precious blood of Yeshua.

Heavenly Father, I summon the devil into your Courtroom so he can answer and pay for everything he has stolen from me here on Earth. I decree and declare that every legal right the devil has had against me here on Earth will be broken permanently in Yeshua name.

Heavenly Father I have come to receive Your righteous judgment over my spiritual inheritance and destiny here on Earth. Heavenly Father, according to Psalm 103:20, I call upon Your holy angels to be supernatural enforcers of my righteous plea and also

I summon the 24 elders (Revelation 5:14) to be witnesses to this legal and righteous transaction. I also decree and declare that all the demonic powers, whether they be principalities, powers or rulers of darkness that are subverting my prophetic destiny here on Earth will respect and honor Your righteous judgment over my spiritual inheritance here on Earth.

Heavenly Father, Your Word says, **"If we confess our sins, you are faithful and just to forgive our sin and cleanse us from all unrighteousness (1 John 1:9)."**

Heavenly Father, forgive me for any ancestry or personal sin that has caused the Earth beneath my feet not to give me of its fullness.

Heavenly Father, I choose to forgive every person who has ever hurt me even as You forgave me in Christ Yeshua. Before I speak and command the Earth to shift in my favor, I let go of every root of bitterness in Yeshua's name, I pray.

Heavenly Father, as I prepare to speak to the Earth, I denounce all illegal spiritual trades that I and my forefathers have ever made on Satan's trading floors in the second heaven that have given Satan the legal grounds to subvert my financial prosperity and the establishment of my destiny here on Earth. I repent for all violations of God's law and holiness that my ancestors and I created on Satan's

trading floors.

Heavenly Father, I petition Your royal and supreme Court to issue a decree releasing me from the spiritual consequences of every illegal spiritual transaction. I appeal to the precious blood of Yeshua to wipe out everything Satan has on me in his prosecutorial records.

Heavenly Father, in the name of the Lord Yeshua Christ, I repent on behalf of this Nation (name the name of the city or country you are in) for all the shedding of innocent blood, especially that of aborted babies. I decree and declare that I will not be a vagabond or a fugitive on Earth, like Cain who was cursed from the ground beneath. I decree and declare that the blood of Yeshua Christ now sets me FREE to prosper in every area of my life here on Earth.

**NOW I SAY..... (At this stage point one of your fingers towards the dirt in one of your hands)**

Earth, Earth ... hear the Word of the Lord! I stand before EI Elyon (The Most High God), the possessor of heaven and Earth and Father of our Lord Yeshua Christ. I call His holy angels to be witnesses and enforcers of this legal and righteousness transaction.

It is written in **Psalms 24:1 that the earth is the Lord's and the fullness thereof, the world and they that dwell therein. It is also written in Psalms 115:16 that the heavens belong to the Lord but the earth, He has given to the children of men.**

Heavenly Father, according to Your Word, You created the Earth and filled it with Your fullness so that everything that I would ever need to fulfill Your will for my life would be provided for me from the womb of the Earth.

Heavenly Father, it is also written in Your Word that You have given dominion over the Earth to the children of men (Genesis 1:26). So, in front of EI Elyon (The Most High God) and the Lord Yeshua Christ, I prophesy and take authority over the Earth that this country stands on.

I say ... "Earth, Earth: I command and charge you to open your mouth and vomit all the blessings that the Lord ordained for me to possess and enjoy from before the foundation of the world. I ask this in the mighty name of Yeshua of Nazareth.

Hear these words of mine, Earth, Earth, I release you this very moment from any demonic ploys, covenants, curses, hexes or witchcraft spells that you have been

brought into by the children of wickedness.

As a highly exalted Ambassador of Christ and joint heir with Yeshua, I release you Earth, Earth from the burden of having to obey the words of the children of wickedness. Earth, Earth, I decree and declare that you will no longer be subdued by the evil words of those who despise the name of the Lord and His glorious Kingdom. You are now legally and righteously relieved of your duty to the children of wickedness. I now employ you in the service of Christ and His Kingdom.

Earth, Earth, hear the Word of the Lord. I now command you to open your mouth and swallow every demonic altar, witchcraft spell, subversive activity, ploy, plot and plan of the enemy to destroy my life and destiny in Yeshua' name I pray.

Heavenly Father, I appeal to the judicial testimony of the blood of Yeshua to wipe out every legal right and standing that the adversary had in the Courts of Heaven against my piece of real estate or that of my city or country, in Yeshua' name.

Heavenly Father, I give back everything of benefit that would cause the enemy to say, I have made you rich. I only want whatever comes from the presence of the Lord.

Heavenly Father you said, "If my people who are called by name shall humble themselves, seek my face and forsake their wicked ways then I hear from heaven and heal their land."

Heavenly Father, I ask for your forgiveness for the actions of our forefathers that defiled this land.

Heavenly Father I ask that you grant me a righteous verdict concerning the land that the soil in my hand represents.

Earth, Earth ... hear the words of my mouth and release the good of the land, favor, divine relationships, businesses, investments, employments, physical health and material prosperity into my life in accordance with the predetermined counsel of God for my life in Christ Yeshua.

Earth, Earth ... hear the Word of the Lord. I decree and declare that my physical body will never return to the dust until my spirit has finished its divine assignment here on Earth, in Yeshua' name I pray. I cancel and nullify the spirit of premature physical death in my life. I will live a long and healthy life, in Yeshua' name.

Heavenly Father, I now speak to the Earth that makes up my physical or humus body and I say, "Earth, Earth, I command you to open your mouth and vomit every desire

for unhealthy and toxic foods. I charge you in the mighty name of Yeshua of Nazareth to embrace a new appetite for life-giving foods that glorify God and extend my physical life here on Earth. I decree and declare that as of this moment, my humus body will be overwhelmed by divine health, in Yeshua' name I pray. I decree and declare that I receive God's supernatural healing of all the members and systems of my physical body of dirt.

Heavenly Father, I now make a motion and ask you to seal this proclamation and make it part of the official documents of the Courtroom of Heaven that Satan's kingdom cannot subvert, in the name of Yeshua of Nazareth.

Heavenly Father, I also request your royal and supreme court to issue a divine restraining order against any territorial spirits that would like to visit upon me, what your Supreme Court has just delivered me from. May you assign high-ranking angelic officers of the Courts of Heaven to enforce this divine restraining order. In Yeshua name.

Amen! FINAL NOTE: After praying the above prayer, put the dirt (Earth) in your hand back into the soil as a prophetic statement that the Earth will now swallow all the diabolical plans of the devil against you. Start praising God in anticipation of the miracles He has just released in your life.

Dec 4, 2021**

**Right now, God is handing out governmental authority.**

I saw God handing out postings and establishing offices of authority in the earth. I saw Him release blueprints in the heavens that would overlay blueprints He was releasing on the earth. I saw some new rooms be hewn out of solid granite where it was previously a solid piece of rock. These new offices opened to a courtyard where they intersected with the world. I directed the Host to remove any and all entities that were contrary to the Lordship of Yeshua Christ and to fill the space with His Lordship.

I saw a large marble room that looked like a presidential type of room – very peaceful, grand open spaces. I believe the Lord will expand our influence as we are able to occupy the new territory, it will be like the children of Israel in the promised land. I don't know what this will look like yet. I was given a wafer in the spirit which I ate. It seemed to give me the ability to look into details at a very deep level beyond what has happened previously. It was like I could see the joints and sinew of a situation that would normally be hidden by externals.

The encounter was non-emotional, rather matter of fact.

In the last couple days, I have had to give up all and any desires/goals/plans/ambitions to create a clean slate for God to speak into.

**It was in this posture that I received the revelations of Dec 8, 2021.**

Today I believe the Lord is further affirming, He is taking us back to the garden in Christ to reverse the curse in our lives. Christ has effectively reversed the curse for all of mankind, but it needs to be made affectual in our lives. This breakthrough needs to be applied to break us through in a greater way.

Positionally this is already done. Effectually, the Father is looking to create space in us whereby our mind, will, and emotions are sitting at His feet in complete peace and restraint. Since Adam and Eve partook of the tree of the knowledge of good and evil, resident within every man and woman is an unction to judge matters, to draw conclusions, to declare something is either good or evil. We do this so often we don't even think of it in this way. We don't know what life would have been like without this bent because since Adam and Eve it has been mankind's reality.

The Father wants to create space in us that is void of this judgement, this need to know, this need to conclude a thing. We can be at His feet with these faculties suspended. A place where our mind, will, and emotions are duly submitted to the Lordship of Christ exercising His will through our spirit man. Effectively these soulish faculties are at rest. Rather than leading, they are submitted and waiting for the voice of the Lord, the nudge of the Spirit, the slightest evidence that the Father is on the move. Even when the voice of the Lord speaks, these faculties do not immediately draw conclusions. They wait for the Spirit of God to breathe wisdom into what was just spoken/revealed. In some cases, I can see this spoken word, suspended in midair, undefiled by human intellect or supposition, but just suspended in all its glory. We are fully involved but we become spectators as we watch the will of the Father be revealed.

It is like the account of Ezekiel's vision in chapter 1. We see the glory of God revealed in a vision and Ezekiel is but a spectator. In like manner we see the glory of God revealed but instead of it happening by the Chebar river, it is happening inside of us, in our inner man, and our faculties are suspended as we are in awe of what we see. We don't judge it, we don't draw conclusion, we are just in awe as we look on in amazement.

We find this hard because it is happening in us. Our natural man wants to aggressively jump in and draw conclusions. To make mental notes of what we are seeing, to search scripture references that connect, to start forming words, the words we'll use to re-tell of this account to our friends. Instead of our soul jumping on this treadmill trying to bring context to what we are seeing, we simply see. Or better yet, we behold the glory of God being revealed in us.

We've either participated or heard of accounts where the glory of God shows up in a meeting or in our prayer times. It surrounds us and our minds are suspended because God's glory is so filling the room we are in shock. We've heard accounts of those who fall out under the power of God when the glory shows up and no one says a word, no one moves, everyone instinctively enters into a different rhythm because the glory of God in the room trumps every other power and our souls come into submission to this overarching, great reality.

Instead of the Glory of God entering the room and everyone responding, now the Glory of God is being revealed inside of you, in your spirit man, and your soul looks on with amazement and is so overcome it doesn't say a word, it doesn't draw a conclusion. This propensity to judge and draw conclusion has been suspended and rather than the soul directing the activity that takes place, it is in perfect submission to the Spirit of God and His glory that is being revealed. It's the will of the Father that is coming forth through the glory.

The glory of God starts by occupying the space that has been created and prepared, then it expands until it fills the room of our inner man. Our faculties naturally, finally, bow the knee fully and come into alignment with its creator. In the way we have always desired. Our faculties are in full submission because any other response would be misplaced. As the Father's glory starts to move within us, our souls start to move in response.

**The reality of this new creation, Christ in me the hope of glory  
is made manifest.**

This reality, that we are seated with Christ in heavenly places has been made manifest in the here and now. This reality of Heaven has now come to the earth in you, in me. Christ's prayer that the "Father's will be done on earth as it is in Heaven" has manifested itself inside of you. Your heavenly throne in Christ has come to the earth so that you can extend your dominion from the heavenlies to the earthly realm.

You realize that rather than going to the 3<sup>rd</sup> Heaven to experience the throne room of God, you are seated on the throne with Christ here and now. The power that previously resided in the 3<sup>rd</sup> Heaven, now resides here, in you. As you move, you move in this 3<sup>rd</sup> Heaven reality. You are no longer going to the 3<sup>rd</sup> Heaven, but this 3<sup>rd</sup> Heaven has come to you and is being revealed in and around you because the Father's Glory from His throne is now revealed in you.

The government of God has come and exercised itself through you. This glory of God through the Lordship of Christ in you now fully occupies the space in and around you. As the glory of God in your life increases it affects those around you, your family, your workplace, the unseen structures that define what happens in the realm of the spirit. You are the extension of God's government. You rule and reign with Him, here and now.

This is the invitation that our Lord extends to us in this hour. Will we say yes.

**Lana Vawser: THE LORD IS NOW SECURING THE NEW LAND  
HE PROMISED YOU!! Psalm 60:6-7:**

***"Then I heard the Lord speak in His holy splendor. From His sanctuary I heard the Lord promise: 'In my triumph I will be the one to measure out the portion of my inheritance to my people, and I will secure the land as I promised you.'" The Passion Translation***

The Lord is now SECURING the new land He has promised you. Do not fear for the Lord is going to show you just how faithful He is to His promises. He is rooting your promise

down deep. He is marking out the new land for you to enter and the new land is lined with **Psalms 16:6**

**"Your pleasant paths lead me to pleasant places. I am overwhelmed by the privileges that come with following you for YOU have given me THE BEST."**  
(The Passion Translation)

## **THE NEW LAND**

The new land the Lord is leading you into, the new land the Lord is securing for you is not going to look anything like the land you have been in before, but don't fight the changes. Don't fear in the new land, for the securing of the new land is such a **BEAUTIFUL PLEASANT PLACE**. It is a place where you will know **JOY** unlike you have known. You will know **PEACE** unlike you have known. You will know **VISION** and **CLARITY** of hearing the Lord speak unlike you have known, but in the moving into the new land, there is a temptation to run back to the land you were in before. The way things were done before, but the new land He is securing for you will see your hearts desires **BLOSSOM**. For many of you entering this new land have **POURED OUT** and **POURED OUT** and **POURED OUT** for the Lord, and the Lord is now leading you into this new land to bring **REFRESHMENT TO YOU**.

There is great **RECOMPENSE** coming to you in this new land. What the Lord will give you in encountering His heart, increase and blessing will make up for **SO MANY** pathways of wounding many of you have walked.

## **YOUR SEASON OF REST AND RELIEF IS HERE!!!**

Your season of **REST and RELIEF** is here. In this season of rest and relief you are going to **COME ALIVE**. You are going to **DREAM** again; you are going to dream **BIGGER** than you have ever dreamt. Once and for all the sting of disappointment will be healed. Your **UPGRADE** in this new land looks totally different to your previous land but the **FRUITFULNESS** in the new land will be **BOUNTIFUL**. That is **WHY** the spirit of fear has been screaming at so many that they will lose their land, or they won't enter into their land, because the enemy wants to prevent God's people from moving into the **BOUNTIFUL FRUITFULNESS** that awaits them in the new land, You are **RECEIVING** your harvest! Your harvest will not be stolen, but your harvest will be **MULTIPLIED**. You will go from triumph to triumph!

## **A NEW LEVEL OF PIONEERING**

This new land is so different, so new, but don't be afraid because the Lord is taking care of you. It is a new level of pioneering, a new level of navigating, but He is going to teach you His ways in greater ways. He is going to give you divine insight and strategy to navigate this new land. You will pioneer the new and it will be **BOUNTIFUL**.

Do not look to others around you and compare their lands to yours. Do not look around and allow comparison to hinder what the Lord is giving you in this new land. You are not missing anything. You won't miss out. What the Lord has for you is TAILOR-MADE and you will be **FULL OF JOY!**

I have such a strong sense of JOY that the Lord is releasing in these new lands, so much JOY, flowing deeper in the flow of His Spirit, deeper in the revelation of His heart, you are about to enter into a whole new dimension and revelation of **Matthew 7:11** **"If you, imperfect as you are, know how to lovingly take care of your children and give them what is best, how much more ready is your heavenly Father to give wonderful gifts to those who ask Him?"** The Passion Translation

## **THE ROOM OF "WHAT IS AVAILABLE TO YOU"**

The Lord showed me in these **NEW LANDS**, the Lord showed me many being taken by Him into a room labelled **"WHAT IS AVAILABLE TO YOU"**. This room was homely, so warm, so intimate, and the Father was inviting many into this room and in deep conversation, the Lord was beginning to explain to His children what is ACTUALLY AVAILABLE to them in Christ Yeshua. He was bringing His people to a whole new level of faith, a new level of expectation, and a new level of dreaming. The people of God were moving higher, out of the chains of disappointment, weariness and heartsickness, into a place of ACCESSING in greater ways the inheritance that is theirs in Christ. The blessings that are theirs in Christ. The Father began to give them gift after gift, after gift. I watched as God's people looked like excited children on Christmas morning and the Lord spoke to me:

***"In this new land, there will be SO MANY new gifts that I will lavish upon My people. Where the enemy and fear has lied, and attempted to steal and use smoke and mirrors to keep them from seeing clearly, in this place of encounter, My people will awake to what is theirs in greater ways and the season will be marked with deeper encounters with Me as FATHER. What a***

***GOOD FATHER I am is going to be burned into their hearts with greater conviction."***

***"The land may look completely different, but it is going to be amazing, joyfilled and blessings all around."***

### **THE BEST SEASON YET**

The vision shifted and I saw God's people in so many different places, writing in their journals and on every page they would write the same line **"THIS IS THE BEST SEASON YET! I CAN'T BELIEVE THIS! THIS IS AMAZING!"**

Don't look to the left or to the right at other people's lands. Know the Lord has tailor-made this new land FOR YOU and you are going to LOVE IT!

***The Father whispered to me...***

***"This new land I am securing now, many are about to see in many ways it is different, the beauty and perfection of My wisdom and timing will be seen and many will see that this is the very land they have been waiting for!!!! It is all they asked for AND MORE!!!"***

**From Fiery Tests to Radical Exploits"**

**Jenn Nestler, Lancaster, PA**

We are entering the days of great Kingdom exploits. God is commissioning many to take dominion! Justice is about to be released in the earth, but God will only release great Kingdom exploits through those He can trust.

To be trusted with God's heart—to carry and birth the things He deeply values—will first require tests of preparation. God will not pour out His glory upon the works of the flesh or even upon the good ideas of man. In order to carry and birth the things of God, they must be born of the Spirit. They must be carried by purified vessels who have been prepared through the testing of great fires.

Just as with certain physical seeds, where they can only germinate when exposed to the heat of a great fire, so it is with some of the spiritual seeds inside of us; they can only germinate when exposed to great fire. Make no mistake, salvation is

free, but the anointing will cost you. When we ask for the fire of God to come upon our lives, we don't get to choose what burns. Jesus is worthy of it all!

### **The Fiery Tests of Preparation**

We can learn a great deal from viewing the life of Mary, the mother of Jesus, through a prophetic lens. Her life was marked by the great privilege, honor and blessing to birth the Redemption of the entire world. Yet she was not exempt from the great testing that this required of her.

Though the fiery tests listed below are not all-encompassing, I pray that they bring clarity and encouragement, helping to equip you as you embrace the purifying fires of preparation in order to be a vessel fit to serve the King.

#### **1. The Fiery Test of a Radical Call**

Anyone can live a life of simple devotion but embracing a radical call from the Lord will require embracing a radical surrender and radical faith that sees from the lens of Heaven, persevering against every hindrance.

God is looking for radical lovers who will relinquish their plans, dreams and even their reputations to embrace the way of the Cross that leads to a wild, holy and supernatural life, releasing the glory of God into the earth. The passionate devotion of these radical lovers is not based in fruitless, religious striving but in the vibrant and passionate devotion of a lovesick Bride who is just as jealous for her Bridegroom as He is for her.

Receiving a radical call from the Lord will require:

- radical consecration
- radical devotion
- radical obedience
- radical surrender
- radical faith
- radical testing

God is looking for those who are willing to embrace the fires of testing, fully yielding their hearts like Mary, who cried out, "Be it unto me, Lord!" (See Luke 1:38.)

God is looking for those who are willing to:

- embrace His baptism of love and holy fire

- fully devote their lives to His purposes
- go wherever He leads, no matter what it looks like

**Kingdom key:** Don't be surprised by the fires of great testing that come in order to be trusted to carry the heart of God! The cost of a radical call is high, but the privilege of being trusted with radical encounters, resulting in the conception of radical seeds and bringing forth radical Kingdom exploits, is priceless beyond measure.

## 2. The Fiery Test of War

When the Kingdom of God advances, the kingdom of darkness will try to advance as well. Just as Jesus was to be born (the ultimate form of the Kingdom birthed on Earth), Herod, the ruler of Israel, sent orders to kill every male child two years of age and under. The kingdom of darkness wasn't threatened by a frail, helpless Seed of a baby. No, all of Hell was threatened by what the Seed would become—the salvation of the entire world and the government of God established in the earth.

Just as the devil warred to kill Jesus, the promise of God, while still in seed form, he wars against Believers in the same way today. He wars to kill the seed of the Kingdom within the saints before the Kingdom purposes they carry can grow to maturity, being fully manifest in the earth. Make no mistake, there is a war in the heavenlies, and the battle is still raging, but King Jesus has already won.

God is looking for those are who willing to:

- master the art of war
- radically war to protect the seed of promise

- enforce the victory of the Cross in the earth

**"Blessed be the LORD, my rock, who trains my hands for war, and my fingers for battle." (Psalm 144:1 ESV)** *(Photo via Pxfuel)*

**Kingdom key:** When God plants the seed of great vision within you, don't be surprised if all Hell comes to destroy you and the seed you are carrying. **Don't despise the war, as**

**the fires of war and adversity are maturing you.**

### **3. The Fiery Test of Isolation**

A stigma is often attached to carrying the things of God. Who would have believed that Mary—a young virgin girl in her teenage years—could be overshadowed by the Holy Spirit, conceiving the Son of God? Can you imagine trying to explain that to others, especially in light of the cultural norms of the day?

Just as with Mary, the seed of the Lord within you can be controversial. It can elicit an isolating stigma of unbelief from others. Some may doubt the seed in you is from God, especially if it was conceived in unconventional ways. You may lose friends and family. You may even lose your reputation or have your character questioned in the process.

It can be very lonely when others don't understand what God has planted within you. You may feel frustrated trying to explain what you can't fully even see or understand yourself. But this fiery test of isolation is necessary to burn away every trace of pride, the fear of man or need for validation from anyone other than God.

God is looking for those who are willing to:

- walk alone in order to carry the purposes of God
- be misunderstood
- believe His promises even when others doubt
- steward His promises even in times of hiddenness
- trust God even when they don't understand
- not be offended when others don't understand
- not give in to the fear of man or seek outside validation

A radical call often requires a radical path and radical faith, but angelic assistance and God's provision will also be released to you. Just as God sent an angel to Joseph, the realm of Heaven will be opened over you to provide assistance to you.

**Kingdom key:** Don't be surprised if you have to walk alone to protect the seed inside you. This protects the baby hidden in the womb until it is fully formed and strong enough to survive outside the womb. You may even lose your reputation, but there is no greater reward than to lose your reputation in order to receive the Lord's.

#### 4. The Fiery Test of Waiting

The time of waiting is the time of preparation. The one who enters the fiery wilderness of waiting is not the same as the one who comes out. The waiting is necessary! To give birth prematurely would result in the death of the baby and could even jeopardize the life of the mother.

It's important to guard your vision and allow patience to perfect its work in you during the wilderness of waiting. Just as the time of waiting is necessary for a mother's body to stretch and accommodate the growing baby, so too must our hearts, minds and spirits stretch to accommodate a healthy and growing baby.

The waiting, the stretching and the time of preparation can seem to drag on as the baby within us grows. Patience with the timing of the Lord and waiting can feel hard as things become more cumbersome and uncomfortable. **The greater the discomfort, the closer you are to birthing your promises. God is not keeping things *from* you—He is keeping things *for* you.**

**"But let patience have its perfect work, that you may be perfect and complete, lacking nothing." (James 1:4 NKJV)**

God is looking for those who are willing to:

- wait upon Him
- allow patience to perfect its work
- allow themselves to be stretched in the waiting
- lean into the uncomfortable stretching
- hold fast and not give up or abort their promise in the wilderness

**Kingdom key:** Don't be surprised if you are tempted to lose your vision or become apathetic, bored or even fearful of the expanding cost to bring forth the purposes of God. The greater the discomfort, the closer you are to birthing the manifestation of God's promises. Trust God—it's worth the wait.

#### 5. The Fiery Test of Rejection

After a time of what may have felt like endless waiting, the first contractions of labor can initially be exciting. Something is finally happening! Finally, there is a shift. The initial excitement, however, can soon give way to great fatigue and sometimes even fear of the unknown as labor progresses. The grace for carrying the promise can often lift as the pain of labor sets in. The more intense the pain is, the closer you are to your promise!

**"She gave birth to her firstborn Son. She wrapped Him snugly in strips of cloth and laid Him in a manger, because there was no lodging available for them." (Luke 2:7 NLT)**

It can be disheartening to finally arrive at the point of delivery only to not have a safe place to give birth. Not everyone is going to welcome you or make room for you. Not everyone will recognize what you are carrying and birthing. Sometimes, your rejection is your greatest protection. God will prepare and lead you to the right place to give birth, but it can often look nothing like you imagined. While we need to count the cost of our yes, and may even want to question the place God brings us to birth, is there really any other option than to trust Him?

The promise in the midst of contradiction creates spiritual discomfort! Don't abort the discomfort. Don't abort the process of birthing because it's not what you expected. Lean into the discomfort. Trust the place that God leads you.

God is looking for those who are willing to:

- lay down their pride
- lay down their own understanding
- persevere even when they are rejected
- trust the place where God leads them to birth
- trust His direction and path

**Kingdom key:** Don't be surprised if there is no room at the inn, or if you experience rejection and can't birth the seed of God in you within your own home town. What seems like rejection can be your greatest protection. Trust God to lead you to the place of birth.

## **6. The Fiery Test of Fortitude**

When your baby is finally birthed, it is so joyous, but that's when the real work sets into nurture, care for and raise your baby. In addition to times of great joy, you will also experience times of great exhaustion when stewarding your promise.

This is a lifelong journey. Will you remain faithful when the initial excitement wears off? Will you remain faithful when challenges come? Will you steward the promises of God well? Kingdom family and friends can be so invaluable to help hold you up when you feel as if you can't stand on your own anymore. A radical promise will often require a radical tenacity. *Do not give up.*

God is looking for those who are willing to:

- remain faithful after the excitement wears off
- remain faithful when life gets hard
- steward their promise well
- embrace a radical tenacity and fortitude

**Kingdom key:** Don't be surprised if your promise is more work than you bargained for. **Being faithful for the long haul qualifies you to reap the blessings and rewards of stewarding your promise well.**

## 7. The Fiery Test of Offense

When Mary was pregnant with Jesus, she probably imagined the promise God gave her would look much different than how it seemed to turn out. She probably believed Jesus would conquer Rome and maybe even vindicate her in the eyes of others who may have scorned her for claiming to carry and birth the Son of God.

After spending years of her life tending and caring for the Promise God gave her, she had to watch her Promise die a horrible and humiliating death. As Mary watched Jesus die on the Cross, surely her heart must have broken and felt as if it had died too. All her hopes and dreams, how she thought life would be, were all dying right before her eyes, and she was powerless to stop it. I imagine that Mary may have had to wrestle over deep anger with God. She must have cried, "But, God, it shouldn't be this way!"

God is looking for those who are willing to:

- relinquish their own plans
- give up the right to tell God how it should be
- remain unoffended by the path He allows their lives to take
- embrace suffering, humiliation and shame for the sake of the Cross

**Kingdom key:** Don't be surprised if God's plans look nothing like what you thought they would. They could come in a package that we could choose to despise. God will offend our minds to reveal our hearts. Will we live a radically surrendered life to the Lord and give up the right to be offended by God's ways?

## 8. The Fiery Test of Death

Fire-activated seeds are seeds that can only germinate when exposed to great fire! These seeds can lie dormant for years, and only when set ablaze by intense fire does the hard coating on these seeds crack open, allowing them to bloom. Just as these seeds must be exposed to fire in order to bloom, so too must our

lives be submitted to the fire of God as He burns away the hard seed coating of identity that our promise could be wrapped in.

Mary had to fully surrender her plan for Jesus' life in exchange for trusting God and His plans and purposes; she had to surrender Him even to death. Our identity that was wrapped up in our promise will die. This death has to happen in order to empty ourselves of

any worldly identity or status our promise may bring and, instead, exchange those things at the fiery altar of death in order for resurrection power to fill us with our true identity, which is found only in the Lord.

Are you willing to let your promise die? Are you willing to give up everything in order to receive a divine exchange? Resurrection life can only spring forth when we first experience death. Death always precedes resurrection power. Will we allow the fire of testing to burn away every last shred of flesh? There is a cost to the anointing.

God is looking for those who are willing to:

- stand in radical faith
- believe His promises even when the fires of life seem to have killed their promise
- fully relinquish their identity in what they produce, and, instead, choose to find their identity in who God says they are
- allow the fire of God to burn away every last shred of flesh
- let their promise die in order for resurrection life to come forth

**Kingdom key:** Don't be surprised if great fire consumes you and your promise doesn't look like what you thought it would. It's only by living a life of radical obedience, even unto the fires of death, that great resurrection life and power can come forth.

### **The Purpose of Testing**

When you possess something of great value, you don't entrust that to just anyone. You make sure the person is trustworthy, has character and will care for it properly. If that is the case for us as humans, how much more is that the case for a holy God?

God doesn't test us in order to punish us. God doesn't delight in our suffering. God tests us to make sure that we are worthy of stewarding His promises well (which are His heart).

We cannot bring forth the purposes of God until we have submitted to the fiery tests of preparation that result in our brokenness, dependency and radical obedience to God. We must submit to the fiery tests of purification so that we become purified and emptied vessels fit to be filled by the King.

God is looking for those who are willing to:

- give their hearts completely to Him
- surrender their own will and desires for His
- steward His purposes well
- trust God and not lean on their own understanding
- faithfully carry and steward His purposes in the earth

**Kingdom key:** Make no mistake, being trusted to carry out great Kingdom exploits will cost you, but the promises are so much bigger than we can imagine. **A radical call will require a radical path and radical faith, but it will result in radical vision, radical blessings and radical fruit. This call will produce radical Kingdom exploits that release God's plans and purposes on Earth.**

### **It's Time to Birth Radical Kingdom Exploits**

God is looking for a passionately devoted, lovesick Bride who is just as jealous for her Bridegroom as He is for her. He is asking, "Who will birth My purposes in the earth? Will you allow Me to overshadow you? Will you open the womb of your spirit to receive the seed that I want to birth through you? Will you submit to the fiery tests of preparation in order to carry out My purposes?"

It's time to for the Bride to arise in God's glory and power. It's time to partner with Heaven, commission angels and be God's solutions in the earth.

Will you:

- cultivate the atmosphere of Heaven in your heart and home
- allow God to radically encounter you
- open your womb to the Lord and allow Him to overshadow you
- embrace the fiery tests of purifying preparation in order to be found trustworthy to carry the heart of God and birth His purposes—no matter the cost?

**Even now, the atmosphere of Heaven is opening over many of you reading. Holy Spirit is hovering over you. God is stirring your passion for Him. Angels are ready and waiting on your yes. Answer the call today. While the cost is great, the reward is so much greater.**

**"To the Misunderstood Ones"  
Mandy Woodhouse, Brisbane, Australia  
Power in the Valley**

I heard the Lord say: ***"To My darling misunderstood ones, you have not been left alone. You are emerging out of the wilderness, leaning on the arm of your Beloved. You've been in the valley, but you are now passing through. And you are full of fire, and the Word of the Lord is on your tongue."***

I then saw a valley of dirt covered in power lines and gas pipes. I heard the Lord say, **"Tell My people that there is POWER in the valley! Tell them that they will be 'super charged' in the valley! Tell them that they will emerge from the valley, empowered and ready to gather at the sound of My victory."**

I heard the sound of victory – a shofar – being blown over you.

**To the Misunderstood Ones**

The Lord continued, **"To those who have been misunderstood: Because you have cared more for My presence than platforms, reputation, political correctness, your own rights or being 'seen,' I, EL ROI, am the One who sees you; and I AM that I AM will pour out such a heavy amount of My glory upon you that all will look and know that I am God through your life!"**

Yeshua will be exalted as Lord over many prodigals through your abiding. You will be vindicated, for you have walked in integrity. You will not slip, for you have trusted in the Lord.

The Lord said, ***"I see you, unadulterated ones. I see you. I see you gathering at the sound of victory. I see you raising a NEW STANDARD for My people. I see you mobilizing many into HOLINESS. I see signs and wonders pouring***

***forth from your life. I see you, unadulterated ones, like a compass showing the Bride where to gather and where to STAND. I see you equipping them to stand, just as I have equipped you in the desert.***

### **You Will Raise Up the Foundations of Many Generations**

***"I see you restoring the things that the little foxes have stolen from the Bride. I see you with your mouths commanding mountains to move, and your hammers breaking up the rocks which have caused many to stumble. You shall also rebuild walls around the ancient boundaries that you have been careful to not move.***

***"The purity you carry, My misunderstood ones, will be like a fresh baptism of righteousness in My nations. Your purity will confound the wise and restore faith in many people who have felt it slip away. Your love for the Church will grow deeper and wider and more contagious than you can imagine. You will take people with you where you are going; no longer will you be alone. And your ancient ruins shall be rebuilt. You shall raise up the foundations of many generations; you shall be called the repairers of the breach, the restorers of streets to dwell in. You will build without distraction, not phased by intimidation or dread.***

***"You will speak the very words of God. You will speak without a filter placed on you by the enemy. You will call dead men to breathe again. You will revive dreams long lost, and you will not give in to the fear of man. You will restore to the Church her voice. Yeshua will be the MAIN THING, and the true substance of His sacrifice and resurrection will not be diluted or polluted by mixture.***

***"Your face will shine like Stephen.***

***"I see you, I know you intimately, and I am FOR YOU. This is your hour. Now is the time to blow the shofar and gather at the place of victory."***

**"120 DAYS AND I WILL HEAL!"  
CHUCK D. PIERCE AND TEAM**

On Sunday morning, I had a word of knowledge and saw "120 DAYS" flash in my spirit man. I began to prophesy, "The Lord is saying, 120 days and I will heal...120 days and I will heal!"

Keevy Phillips then prophesied, "In these 120 days, I will do unique healings, and they'll not just be in the church. They'll be in bars, at concerts, at casinos, at cigar-lounges...they will be at places you would not expect the healing power of God to be in operation."

The musicians continued to allow their instruments to prophesy. I could hear the Lord saying, "I will begin to heal. There will be mass healings all across this land. Be prayerful as you move forward and be an agent of change wherever I send you in this hour."

Chad Foxworth began to prophesy, "In these 120 days, I say, SOUND MIND will come forth. See how I am using sound with you this morning to create a sound mind. When I tell you to lay on hands and release healing, then 'HEAL SOMEBODY!'"

I also heard the Spirit of God saying, "I am raising up an army. Remember Gad! A troop tried to troop over him; but at the end you will put your feet on that troop that tried to overtake you!"

**"Now Is the Time of Your Healing!"  
Kathi Pelton, Portland, Oregon**

I was remembering a time when my husband and I were praying over friends who had been in a situation for many years that had caused deep trauma to their souls. As we

were praying for them, I became aware of an angel standing over them holding a large water pitcher. This angel then began to pour a heavenly liquid over their heads.

I was taken by surprise because I had encountered this very angel some years earlier. It had appeared while I was with a dear friend who had experienced a traumatic loss in her life. It appeared with the same pitcher and was pouring a liquid substance over her as well.

### **Angels of Healing**

There are angels of healing and restoration. The liquid that they pour out is a mixture of healing water along with the oil of joy. The healing water is drawn from heavenly healing pools, and it is mixed with the oil of joy. It not only heals but it restores joy.

These angels come to wash away trauma as well as restore (heal) the areas where trauma has wounded souls. **Angels of healing are even now being sent in response to the cries of the children of God.**

**"I will exalt You, LORD, for You rescued me. You refused to let my enemies triumph over me. O LORD my God, I cried to You for help, and You restored my health. You brought me up from the grave, O LORD. You kept me from falling into the pit of death."  
(Psalm 30:1-3)**

### **Cycles of Trauma**

When this angel was in our midst, I saw writing appear before my eyes that said, "Trauma produces fear, fear produces triggers, triggers produce reactions and reactions produce more trauma."

It becomes a vicious cycle that wounds and re-wounds the soul, causing people to live in a continual state of trauma and fear, full of triggers and reactions.

God is with you to break cycles of trauma. He will send angels of healing and restoration that will pour this heavenly liquid over your wounded soul.

These angels are dipping jars in the healing pools of Heaven and pouring in the oil that brings joy. You can finish 2022 with old doors shut and new doors open. Doors of trauma will receive closure and doors of restoration will be opened. **November and December will be months of healing and restoration for many of God's children.**

### **Invite the Angels to Come**

I believe that **the Father is asking you to invite these angels of healing to come to you and pour out this healing substance over your body and soul. You do not have to see the angels; your faith is all that is needed.** You will begin to experience healing from past traumas and all the fear and reactions that have been attached to them.

This is a divine reset from your loving Father who does not want you to suffer any longer. He will set you free from living with trauma and cycles that occur when those traumas mark the soul. Let His healing waters saturate your soul and the oil of joy awaken your spirit.

**"He heals the brokenhearted and bandages their wounds." (Psalm 147:3)**

### **Joy Comes After Mourning**

You will begin to experience joy once again. There are seasons of mourning but God wants you to know that as the darkness of trauma is washed away, light will come like a new day to renew you with joy.

**"You have turned my mourning into joyful dancing. You have taken away my clothes of mourning and clothed me with joy, that I might sing praises to You and not be silent. O Lord my God, I will give You thanks forever!" (Psalm 30:11-12)**

Joy will come as the wounds are healed. It will surely come...as surely as the morning.

**"...Weeping may last through the night, but joy comes with the morning."  
(Psalm 30:5)**

**Healing angels are awaiting your invitation to come and pour healing over your body and soul. Their jars are filled. God will restore your soul and bring the light of morning after a long night season of pain. The oil of joy will be poured over you and you will see the light of day. "and provide for those who grieve in Zion—to bestow on them a crown of beauty instead of ashes, the oil of joy instead of mourning, and a garment of praise instead of a spirit of despair. They will be called oaks of righteousness, a planting of the LORD for the display of His splendor." (Isaiah 61:3) Now is the time for your healing!**

**THE GREAT PHYSICIAN  
ELAINE TAVOLACCI, STATEN ISLAND, NY**

We all go through seasons of spiritual warfare. The Holy Spirit gave me this awesome word today after a battle this week. On Thursday night, I had physical condition that required immediate medical attention. I was seen by a doctor in the ER who examined me and ran a series of tests. Although it was an unpleasant ordeal, I find that these grueling trials make us stronger. I jokingly say that the enemy already used up just about all of his ammunition on me, so he would eventually run out.

I was seen by a Jewish physician who introduced himself to me by his last name only (which I won't mention). I sensed his gentle demeanor as soon as I met him. He was kind and compassionate and proficient in his field. This was the first time I'd met him, so I had no idea what his first name was. It wasn't until last night that I read the release papers and test results and saw his full name. His first name was Yehoshua. I thought to myself, Isn't that the name Yeshua, which also means Yeshua in English? I began to do some research and I found that Yehoshua means "GOD IS DELIVERANCE." It translates to "Joshua" in English, which means "God is salvation"; and Yeshua' name translates to "Yeshua" in Hebrew, which then translates to English as Joshua. Joshua was the Israelite leader who succeeded Moses and led the Israelites into the Promised Land.

I was so blessed when I read this. The Lord will give us signs to assure us that He is with us in dark times. He will also give us amazing encounters if we simply stay in

fellowship with Him. One day several years ago, when I was learning to hear God's voice, I found \$126.00 in cash folded up in the street. There were high winds that day, and I couldn't understand how this money hadn't blown away. I knew that there was a deeper meaning behind it and that God was speaking through this.

When I went home that day, I looked up Psalm 126. Verses 1-2 say: **"When the LORD turned again the captivity of Zion, we were like them that dream. Then was our mouth filled with laughter, and our tongue with singing..."** It goes on to say in verse 5, **"They that sow in tears shall reap in joy."** This Scripture has prophetic significance, so it also applies to us today. Those of you who have been sowing in tears for such a long time are about to reap in joy.

The Lord says, ***"For those of you who have been through fiery trials are about to receive a breakthrough. Your time of weeping is coming to an end, and your time of rejoicing will begin. Your deliverance is imminent, and your mouths will surely be filled with laughter and your tongues with songs of joy. I am about to release you from the burdens that have been weighing you down and free you from the hardships and afflictions that you have endured for so long. I am Yeshua, your great Physician."***

***"You will find that the adversity that you've encountered has only driven you deeper into your purpose and destiny. Don't allow discouraging thoughts to imprison you any longer but allow Me to turn everything around in your favor. You have not been created to carry burdens, but I have created you to be a carrier of My glory. As you spend time in My presence and allow it to overtake you, then My joy will be your strength."***

***"As you continue to press in and take Me for My word, even through difficult times, you will soon encounter a time of rejoicing. I will release you from the hurtful memories... from the past that brought pain and sorrow. I will set you free from the things that war against your soul, that brought fear and confusion. This is a time of refreshing for those of you who have been weary. Don't allow anything to deter you of this joy set before you."***

***"I will bring comfort and restoration to your soul. I will give you beauty for ashes and the oil of joy for mourning. I will give you a garment of praise for a spirit of heaviness. You will live out your days in victory because your time of deliverance is here. And just as I told Joshua, I say to you: 'Have I not commanded you? Be strong and courageous. Do not be afraid; do not be***

*discouraged, for the LORD your God will be with you wherever you go (Joshua 1:9),'" says the Lord.*

**Psalm 16:11: "You will show me the path of life; in Your presence is fullness of joy; at Your right hand are pleasures forevermore."**

**Psalm 30:11-12: "You have turned for me my mourning into dancing; You have put off my sackcloth and clothed me with gladness, to the end that my glory may sing praise to You and not be silent. O LORD my God, I will give thanks to You forever."**

**Psalm 126:1-6: "When the LORD restored the fortunes of Zion, we were like those who dreamed. Our mouths were filled with laughter, our tongues with songs of joy. Then it was said among the nations, 'The LORD has done great things for them.' The LORD has done great things for us, and we are filled with joy. Restore our fortunes, LORD, like streams in the Negev. Those who sow with tears will reap with songs of joy. Those who go out weeping, carrying seed to sow, will return with songs of joy, carrying sheaves with them."**

**RESTORING AND RENEWING YOUR HOPE!  
DANIEL PONTIOUS, SONORA, CA**

***I heard the Lord say the other morning that HE IS COMPLETELY REMOVING HOPE DEFERRED FROM MANY OF YOU IN THIS SEASON!***

While many of us have listened to prophetic words and promises from the Lord over the years, for some of us, many of those words have never manifested, for one reason or another, and the end result has caused the hope that many of us have had in those words to wain and defer.

Then I heard the following promise from the Holy Spirit whispered in my ear: **"For the vision is yet for an appointed time, but AT THE END IT SHALL SPEAK, AND NOT LIE: THOUGH IT TARRY, WAIT FOR IT; BECAUSE IT WILL SURELY COME, it will not tarry (Habakkuk 2:3)."**

Some of those lingering promises are still going to manifest, even though they are "tarrying," while others seem to have been waylaid by bad choices or decisions that we (or others) have made. But God is not only going to restore your hope in this season, He's going to cause you to DREAM ONCE MORE!

**"Hope deferred maketh the heart sick: but when the desire cometh, it is a tree of life." (Proverbs 13:12)**

The fulfillment of the promises is coming, one way or another, and when it manifests it will become like a tree of life to your life, as all of God's promises are "Yes" and "Amen" unto the glory of God. God is also not a man that He should deceive us or lie to us; so if God said it, I believe it and that settles it!

**"Return to the stronghold [of security and prosperity], you prisoners of hope; even today do I declare that I will restore double your former prosperity to you..." (Zechariah 9:12)**

You're no longer going to feel like you're a prisoner of hope, or like one who is floundering about in a place of captivity; but God is going to release the fulfillment of the words that He has declared over you as you turn to Him with all of your heart in this season and return to the stronghold that He is in your life!

No more hopelessness and hope deferred for you, but instead you'll receive a powerful fulfillment of God's promises for your life in its place!

*Seek Him. Meet Him.*  
— Psalm 27:4

A WEEKLY DEVOTIONAL FROM SYLVIA GUNTER

**Receive God's Word in John 17:23 NLT. "I in them and you in me... Then the world will know...and will understand that you love them as much**

**as you love me.”**

At His baptism and transfiguration, God affirmed His love and pleasure in His Son. He said to Jesus, **“You are the Son I love. I am well pleased with You” (Mat. 3:17; 17:5). Because you are in Him, the Father loves you with the same love (John 17:23,26).** You are God’s beloved; that is the most intimate truth about you. It has to be true, because Jesus said it. Be blessed to live from the blessing of belovedness, not trying to attain it.

You are precious to your Father. He celebrates your existence. You were infinitely loved before you were wounded. That’s the truth of your life. There is no burden on you to prove you are worthy of being loved, of being heard, of being respected, honored, and given dignity. Your life is an unceasing “yes” to the truth that you are beloved because of God’s great love. In Him you are accepted and valued.

It is your spirit connection with your Father that matters. People do not give you legitimacy. True legitimacy comes from the One who chose you with everlasting love. Your Father says, “I called you by name from the very beginning. You belong to me. I know you as my own, and you know Me as your own true Father. I carved you in the palms of My Son. I hide you in My embrace. You have My infinite tenderness.”

Say “Yes” to your belovedness, your significance, your worth, and your belonging. His “Yes” is engraved on your heart. Rise up to discover how to fulfill your deepest essence of who you are, beloved in God your Father and kept in His Son.

**Be blessed in the name of the Beloved Son. Matthew 3:17 NKJV**

**THE MIRACLE OF MULTIPLICATION**

**DARREN CANNING, ONTARIO, CANADA**

Through the years I have prayed for people according to Scripture and have seen amazing miracles. There is one kind of miracle I have seen about three times (that I know of) and that is a multiplication miracle. **Deuteronomy 28:6 says, “Your basket and your kneading trough will be blessed.”** In a way, this is saying that you will have plenty of food in your cupboards. Your kitchen will be blessed, and you will have enough food to eat. Just be faithful to God and watch His provision come.

I love Deuteronomy 28. It really is the signpost of what God wants to do in your life. If you continue on the path of life, which is Yeshua Christ, many such blessings will come upon you. I also love the story of how Elijah sat by the brook Cherith, where he was sustained miraculously by meat brought to him by ravens. When the water ran dry, God suddenly moved him. He then went to Zarephath where God used a widowed woman to feed him (see 1 Kings 17).

The miracle that took place in that strange land sustained not only the prophet but also the widow and her family. Miracles, to me, are always a signpost of the great power of the God we serve. **Acts 2:22 says, "...Yeshua of Nazareth was a man accredited by God to you by miracles, wonders and signs, which God did among you through Him..."** Yeshua said in John 14:12, **"Very truly I tell you, whoever believes in Me will do the works I have been doing, and they will do even greater things than these..."** We must expect signs, wonders and miracles to follow the Gospel. If you do not, you can repent and ask God to convince you of His great power.

Many years ago, I was ministering in the northern towns of England when a man came to me and I began to prophesy over him. The night I prophesied, we were in the middle of a major storm that had flooded many towns. I was praying for this man in Carlisle. I declared that God was about to move in his life in a powerful way so that his cupboards would be very blessed. I declared that he would have so much food, he would have enough to give away.

The next day the floods were so bad in that town that he became a volunteer who helped people in their devastation. He worked all day and very hard. Some of the leaders took notice of his work and wanted to bless him. They went to his house with food. There was so much food that all of his cupboards were filled, and he had enough to give to many of his friends. This man knew that God had spoken to him.

My ministry has expanded to many areas of the earth, including Africa. I have seen many miracles on that continent. I love the miracle-working power of our God. My expectation is that when I go in the name of the Lord, miracles will happen. I don't try to figure out what those miracles will be before I go. I just ask the Lord to allow me to be a witness of His power. My intercessors are always praying this as I go.

In Africa in 2020, just before COVID came, I was traveling with my friend, John Oscar, across Tanzania. We had rented an SUV and were driving from Mbeya to Kilimanjaro.

We ministered in many of the towns in between. This was a long drive – about sixteen hours. There was a lady that John knew living somewhere in the middle of that drive who prepared a meal for us. She was radical in her generosity. She gave us the best that she had and even gave us gifts of blankets and clothes. Tanzanians like to give each other fabric which can be used to make clothing. I have many shirts that were made from the cloth that was given to me on these trips.

The woman had needs and I prayed for her, but I prophesied that God was going to move in a powerful way in her life, and that God would give her many things. Almost immediately God began to move, and she was given land that she then planned on using for a church. My understanding is that much favor came upon her, and she is a rich woman now. She helps build churches in that nation. Multiplication of resources began to take place in her life. She gave out of her need and God did the miraculous.

Just two weeks ago, I was traveling across Pennsylvania. I was with my friend, Bob Pyle, who set up an evangelistic tour across Pennsylvania and New York State. We had to drive close to 2,000 kms on that trip. The first day we stopped at a widow's house who had seen many miracles in her life and in her ministry. Her husband, who passed away last year, was a faithful minister and had seen revival take place in Jamaica over a three- or four-year period.

We stopped at her house around 11:30 AM and she fed us. As I sat there, I was reminded of the miracle that took place in Africa with the woman who had been generous, and how after she experienced miraculous provision. I took this as a prophetic sign that God wanted to do the same with this widow. I began to pray and declare that she would be blessed and that her cupboards would be blessed. We had a sweet time of fellowship. I also prayed and saw deliverance in that house with one of her friends.

The very next day, a miracle took place in that woman's house. She lived in a small village in the middle of the mountains of Pennsylvania. A person from her town went to Walmart and bought her hundreds of dollars' worth of stores for her cupboards. The widow was confounded because she told no one about what had been prayed. Her cupboards were filled with blessing. She told us that she had used her last resources to pay for our meal. We had no idea she had done that. As a result, God was faithful, and an overflow came into her life. She has a testimony of supernatural provision and multiplication.

I pray for you today that you will see your own miracles. I declare over you today that you will have faith for your own miracles, and this will be replicated in the lives of many

of the people that you meet. Yeshua is the same today, yesterday and forever. He is faithful and you will experience the faithfulness of God.

**THE REAL KING IS ON THE THRONE - LAUGHING!  
JO ELLEN STEVENS, CONNERSVILLE, IN**

I asked the Lord the question that was asked in the Psalm below:

"Why do the heathen rage, and the people imagine a vain thing? The kings of the earth set themselves, and the rulers take counsel together, against the LORD, and against His anointed, saying, Let us break their bands asunder, and cast away their cords from us.

**He that sitteth in the heavens shall laugh: the Lord shall have them in derision." (Psalm 2:1-4)**

As I read this, something stood out to me: In the midst of the turmoil all around him, as David asked why the kings of the earth set themselves against the Lord and His people, God just simply LAUGHS!

Then in verse 6, God said to David, **"YET HAVE I SET MY KING UPON MY HOLY HILL OF ZION."** This was God's way of telling David, "I've got this and I am laughing at these people who think they are in charge! **AND, THE KING - YES, MY KING - IS STILL ON THE THRONE!"**

Gotta love what God is saying here... It is time to rest in the victory!

**"HAPPY ENDINGS" DAWN BAKER**

**"For thus says the LORD of hosts: 'Once more (it is a little while) I will shake Heaven and Earth, the sea and dry land; and I will shake all nations, and they shall come to the Desire of All Nations, and I will fill this temple with glory,' says the LORD of hosts. 'The silver is Mine, and the gold is Mine,' says the LORD of hosts. 'The glory of this latter temple shall be greater than the former,' says the LORD of hosts. 'And in this place I will give peace,' says the LORD of hosts." (Haggai 2:6-9)**

I like happy endings, I thought to myself. Then, suddenly, I heard Holy Spirit say so enthusiastically, **"ME TOO!"**

He continued, ***"I know your life hasn't been easy. What you sow you reap; it's My principle, and I allow it because it's growing you up that I'm committed to. The earth is waiting for 'My mature sons.' I created man in My image. Unlike any other creation of Mine, you are after My likeness. Then I chose you to carry My heart..."***

***"It's important that you remember you are a spirit created in My image. Lucifer hated that! Pride was his demise. You have free will and can choose to operate in pride, as Lucifer did, or you can choose humility as My first Son did."***

***"All I ever wanted was a family. I robed Myself in flesh, coming as a man...both fully God and fully man...an example for 'man' - a template - knowing both joy and pain, crying hot tears. Tears are a language I understand. I am moved by compassion, remember? Not anger."***

***"I long to be known for who I AM. I detest pride but I embrace the broken, the hurting, the lowly, the humble; they recognize their need. Often, they cry silent tears - tears from their heart. I catch those tears. They are like seed for Me to work with. Dreams and desires unfulfilled bring tears. But I am the Creator; those dreams and desires were wrapped tightly in you when I formed you. I tucked them in you to bring them from you, like birthing that happens in maturity...at the right time. Now I am birthing dreams and desires fully matured. Your tears, your pain, your aching heart are not for naught. I waste nothing."***

***"While many speak of Me, many misrepresent Me. But you have given Me your heart - your whole heart; your unconditional 'yes,' saying, 'yes,' over and over through tears, trusting Me in your pain. My ways are perfect. You'll see; I never leave My Word unfulfilled. I am committed to making Myself known, and I always do that with and through a 'body.'"***

***"It's time for us to be one - for the earth to see the manifestation of My desires fulfilled... at one with My Family. Your heart is being trusted to carry Me in ALL My glory. This is MY story, and I am He who writes, 'Amen!'"***

**Lana Vawser: THE LORD IS NOW SECURING THE NEW LAND HE PROMISED  
YOU!! Psalm 60:6-7:**

***"Then I heard the Lord speak in His holy splendor. From His sanctuary I heard the Lord promise: 'In my triumph I will be the one to measure out the portion of my inheritance to my people, and I will secure the land as I promised you.'"***The Passion Translation

The Lord is now SECURING the new land He has promised you. Do not fear for the Lord is going to show you just how faithful He is to His promises. He is rooting your promise down deep. He is marking out the new land for you to enter and the new land is lined with Psalm 16:6:

**"Your pleasant paths lead me to pleasant places. I am overwhelmed by the privileges that come with following you for YOU have given me THE BEST."**  
(The Passion Translation)

### **THE NEW LAND**

The new land the Lord is leading you into, the new land the Lord is securing for you is not going to look anything like the land you have been in before, but don't fight the changes. Don't fear in the new land, for the securing of the new land is such a **BEAUTIFUL PLEASANT PLACE**. It is a place where you will know **JOY** unlike you have known. You will know **PEACE** unlike you have known. You will know **VISION** and **CLARITY** of hearing the Lord speak unlike you have known, but in the moving into the new land, there is a temptation to run back to the land you were in before. The way things were done before, but the new land He is securing for you will see your hearts desires **BLOSSOM**. For many of you entering this new land have **POURED OUT** and **POURED OUT** and **POURED OUT** for the Lord, and the Lord is now leading you into this new land to bring **REFRESHMENT TO YOU**.

There is great **RECOMPENSE** coming to you in this new land. What the Lord will give you in encountering His heart, increase and blessing will make up for **SO MANY** pathways of wounding many of you have walked.

## **YOUR SEASON OF REST AND RELIEF IS HERE!!!**

Your season of **REST and RELIEF** is here. In this season of rest and relief you are going to **COME ALIVE**. You are going to DREAM again; you are going to dream BIGGER than you have ever dreamt. Once and for all the sting of disappointment will be healed. Your **UPGRADE** in this new land looks totally different to your previous land but the **FRUITFULNESS** in the new land will be **BOUNTIFUL**. That is WHY the spirit of fear has been screaming at so many that they will lose their land, or they won't enter into their land, because the enemy wants to prevent God's people from moving into the **BOUNTIFUL FRUITFULNESS** that awaits them in the new land, **You are RECEIVING your harvest! Your harvest will not be stolen, but your harvest will be MULTIPLIED. You will go from triumph to triumph!**

## **A NEW LEVEL OF PIONEERING**

This new land is so different, so new, but don't be afraid because the Lord is taking care of you. It is a new level of pioneering, a new level of navigating, but He is going to teach you His ways in greater ways. He is going to give you divine insight and strategy to navigate this new land. You will pioneer the new and it will be BOUNTIFUL. Do not look to others around you and compare their lands to yours. Do not look around and allow comparison to hinder what the Lord is giving you in this new land. You are not missing anything. You won't miss out. What the Lord has for you is TAILOR-MADE and you will be FULL OF JOY!

I have such a strong sense of JOY that the Lord is releasing in these new lands, so much JOY, flowing deeper in the flow of His Spirit, deeper in the revelation of His heart, you are about to enter into a whole new dimension and revelation of **Matthew 7:11: "If you, imperfect as you are, know how to lovingly take care of your children and give them what is best, how much more ready is your heavenly Father to give wonderful gifts to those who ask Him?" The Passion Translation**

## **THE ROOM OF "WHAT IS AVAILABLE TO YOU"**

The Lord showed me in these **NEW LANDS**, the Lord showed me many being taken by Him into a room labelled **"WHAT IS AVAILABLE TO YOU"**. This room was homely, so warm, so intimate, and the Father was inviting many into this room and in deep conversation, the Lord was beginning to explain to His children what is ACTUALLY AVAILABLE to them in Christ Yeshua. He was bringing His people to a whole new level

of faith, a new level of expectation, and a new level of dreaming. The people of God were moving higher, out of the chains of disappointment, weariness and heartsickness, into a place of ACCESSING in greater ways the inheritance that is theirs in Christ. The blessings that are theirs in Christ. The Father began to give them gift after gift, after gift. I watched as God's people looked like excited children on Christmas morning and the Lord spoke to me:

***"In this new land, there will be SO MANY new gifts that I will lavish upon My people. Where the enemy and fear has lied, and attempted to steal and use smoke and mirrors to keep them from seeing clearly, in this place of encounter, My people will awake to what is theirs in greater ways and the season will be marked with deeper encounters with Me as FATHER. What a GOOD FATHER I am is going to be burned into their hearts with greater conviction." "The land may look completely different, but it is going to be amazing, joy filled and blessings all around."***

### **THE BEST SEASON YET**

The vision shifted and I saw God's people in so many different places, writing in their journals and on every page, they would write the same line **"THIS IS THE BEST SEASON YET! I CAN'T BELIEVE THIS! THIS IS AMAZING!"**

Don't look to the left or to the right at other people's lands. Know the Lord has tailor-made this new land FOR YOU and you are going to LOVE IT!

***The Father whispered to me...***

***"This new land I am securing now, many are about to see in many ways it is different, the beauty and perfection of My wisdom and timing will be seen and many will see that this is the very land they have been waiting for!!!! It is all they asked for AND MORE!!!"***
