

# **A Declaration from We the People to The Great Elohim who Sits Upon the Throne of Heaven**

You, the Great Elohim, who sits upon the Throne of Heaven, who possesses all power and all authority, in whom all peoples live under His power, and some chose to live under His jurisdiction. We give you all praise and admiration, and we bow before you because you are the only one worthy of our bowing, and we choose to not bow before any one else.

Oh, great Elohim, you have given us your Word, which tells us how to do all things, about faith, about salvation, healing, prosperity, and teaching others about you, bringing lost souls to you. You brought us Yahshua Messiah, the one who gave us his Blood for our salvation, and His stripes for our healing, who is the Word, and the Law which you brought us.

Your Word tells us that we are to declare your Word, that we are to declare our salvation, our healing, and our prosperity, and we are to declare your Word for set the future for our behalf. In Your Word, Psalms 103:20 declares that the angels gain strength when we speak Your Word, so they go and do Your Word. I cannot command angels, but Your Word does, and when we declare your Word as truth, as power, as final, then your created angels do what Your Word declares.

Your Word tells us that as Your people, you will protect us as long as we walk in your presence, Obey your laws, speak Your Word, and bring the lost to Your Son, Yahshua for their Salvation. Your Word tells us that as long as we preserve your Word in our hearts, You will protect us with Your Spirit, Your Cherubs led by Michael, and your Word that we speak.

Therefore, by the Promise You have given us in Your Word, in 218 places, from Genesis through Revelation, and in Enoch and Jasher, we now Declare the following to You, as Creator and King of the Universe, to the People who belong to you, who are covered by Yahshua's blood, and who are to our enemies, who are great and many. We sound the alarms, we blow the shofars, and we declare your Word to and against our enemies.

We declare that all of our people, from San Diego to Seattle, to Banger and Miami, and every place in between, that we who are Your Children who listen to Your

Word, and speak Your Word, are and will be safe, and secure, through all that will come upon our enemies.

We declare that all off our children and grandchildren shall be safe, and that Satan, and his forces shall not and cannot interfere and complicate their lives, ruin their lives, and destroy their lives.

We declare that Your Word is true and is our way of life, that Your laws are our laws, and Your Statutes are our Statutes. We declare that our law form is not based upon yours, but is the same as yours because we follow Your Word.

We declare that Your Word became a living flesh and blood person, called the Messiah, named Yahshua, and lived and fulfilled the Law, died, was buried, and rose after three days and three nights as even He mentioned in Matthew 12:40.

We declare that we, Your people have been brought into a place of safety called the Republic for the united States, and we as your people are covered by Yahshua's blood, that we are safe and secure from any and all of the enemies attacks by the Blood of Yahshua.

We declare that Your people have been born into slavery and we are the 4<sup>th</sup> generation of that slavery, and that it is time for us to declare our freedom. We declare that our freedom comes only from you which was written in our Declaration of Independence and our Constitution and Bill of Rights. We also declare our freedom as of the 3<sup>rd</sup> Day of Sh'vat, 5783, or January 25, 2023. We declare that that 4<sup>th</sup> Generation has completed it run, and is now over.

We declare that according to Psalms 103:20, your war forces known as Michael's Cherubs, are stationed to protect each and every person in this Republic, throughout our Nation, and around the World as we Your people speak aloud Your Word.

We declare that the US Corporation is a viol and Satanic organization, brought forth by Satan to destroy Your people and their way of life, that took away virtue and freedom, and our churches and made them a 501c3 demonic organization, following false doctrines and false leaders. We declare that their leadership has one last chance to turn from their wicked ways, or You, Oh Great Elohim will destroy their wickedness and put an end to their wicked ways.

We declare that You Oh Great Elohim, shall bring down the US Corporation and put an end to their evil reign. In that evil reign, they purposely and knowingly imprisoned many people for their personal gain, and to shut the mouths of the

righteous ones, and that the one that You Oh Great Elohim who has anointed for a time as this, James Timothy Turner, must be released from any imprisonment, and those who placed him in their prisons, must make restitution for their evil plans.

We declare that Your ways become this nation's ways, and Your Word becomes the word of the people in mass, for there is no escape from damnation if one chooses to reject you. For those who have imposed their Satanic will against your people we speak to them to let our people go, from James Timothy Turner to the last person to be unlawfully restrained by false laws and lies. We declare that justice be done on behalf of Your Word and Your people.

We declare the end of the US Corporation, we declare the end to the 501c3 church organization, we declare an end to the Federal Reserve System, and the IRS, IMF, and the CIA. We declare the end to all three letter cabinet position to the false President.

We declare the end of the Biden and Harris White House, the 118<sup>th</sup> Congress, and the entire US Corporations activities, and all those who lead in the purposed demise of You and the upbringing of Satan in the various forms and names on US soil.

We declare that all peoples that live on US soil, remove themselves from the Biblical Babylonian system, and come out of her, that 501c3 system of lies and false doctrine. This system backs abortion, gay rights, gay marriage, and the trans lifestyle, which brings forth child pornography, child molestations, child and human trafficking, and murder, for the purpose of Satan Worship. We declare Oh Great Elohim that you destroy these systems of lies and false doctrines and let it be a wakeup for all peoples to see Your hand at work for Your People.

We declare that You Oh Great Elohim are the one true YHVH, Yahshua, and Spirit, and that you are Creator of all seen, felt, smelled, tasted, and heard, and all things unseen with the naked eyes. This world belongs to You, and only You. It is You that we declare these things to, and it is You that we want and wait to see your hand move. We declare all these things on Your Word, and we declare our love to you, and thankfulness for your Grace and Mercy that you showed to us, that you show that same for all others until they come to your knowledge and understanding.

We declare Father that you are the Great Elohim, and that Your Son Yahshua has a name above all others, and that through His blood we have found Your love and forgiveness.

We declare Your Word to be true and righteous, and that it brings Righteousness and virtue to all those who chose to receive it. We declare this is done in the Name of Yahshua, who is the Word, and our Savior, Leader, and Friend.

We declare that Your Republic for the united States of America was brought forth from You, and even though it was attempted to be done away with, it still remained because of your doing and preservation, and that we, Your people today in this Republic have been chosen and hand picked by you from before we were even born, and that after you chose us, we in our lives have been taught and trained for this moment in all earths time, and we now have the task of resurrecting this Republic, because this is the government that will usher in your Son, Yahshua's 1000 year reign from David's Throne in Israel, followed by a transference of all wealth, land, rule, and eternal life back to You, in New Jerusalem.

We declare this to be done because You are Truth, Justice, and Righteousness, and You alone give us Virtue.
