**I love conformations of what our LORD is saying  
to those who have an ear to hear.**

Last week in prayer Yeshua took our prayer team back in time to the Garden to the very spot where Adam and Eve sinned in what is called the greatest or first sin. Sharron and April have been very strong in teaching what I call the actual first sin, we all fall into if we do not pay attention to the HS. **That is sin of agreement. Once we agree with the enemy it is easy to stumble.**

**We knew that Yeshua was going to tell us to do something significant.**

For ages the church has been quick to judge Adam and Eve yet there is very little teaching on forgiveness, restitution, and restoration. We as a team were shown the exact spot of the fall.

Yeshua said, ***"Forgive them for I have done so and restore the land!"*** (**WOW what a concept that is sooooo overlooked**). Yahweh then said, ***"I have grieved over the land and that MY Sons and Daughters have had to live with the curse for all these years But, now is the time, this is the season of the great shaking. It is time to; "Take back with you the presence of MY GLORY that was in the Garden before the fall."***

Immediately Yeshua spoke and said, ***"You are entering a year and season of the RE. "Apply the Blood and Repent, Renew, Restore, Revive, Refill, Resurrect, Reconstruct, Redeveloped, Reconstitute, Renovate, Redeem, Reemerge, Rebuild, Return, Repair, Recall, Reformation, Reflect, Rejoice, Reward, Revalue, Receive, Release, Revelation, Relax, and most of all Remember what MY BLOOD has done for you and Remember the time we have been together."***

***"I have waited a long time for this day. It is the time for restoration of all things."***

***"Remember, I have put you here for such a time as this."***

Terry saw the release of Gold bars that have been hidden, the treasuries of the enemy have been released. April saw clear gold oil springing up from the restored land. The vision ended.

**It is amazing how much the Hebrew faith has influenced our world.** In every area we are influenced greatly. We may not always agree or appreciate the Hebrew people yet without the Hebrew people we would not have much of our scientific accomplishments, modern medicine, transportation, education, art, music, entertainment, government and even the latest signs of the times. Most importantly HIS WORD never changes. **Isaiah 61:4 (AMPC) <sup>4</sup> And they shall rebuild the ancient ruins; they shall raise up the former desolations and renew the ruined cities, the devastations of many generations.**

**This letter to those who are new at following the daily devotional and Calendar, I would like to share with you some of the reasoning of the publication and answer some questions that are posed to me each month. To begin with we follow the example of "One new man", Jew and Gentile following the Messiah. Because of that we relate the Hebrew calendar timelines because our father did not change the seasons, man did. We need to learn about our roots. So, join us.**

Many people receive this who are not members of the Republic. President Trump talked about, and most will probably never become part of the "Patriot Movement" for many reasons, yet they are lovers of truth and followers of the LORD. After seeing what corruption and sick works the "**demon**"-**cratic party** have committed even liberals are stepping away because of the evil.

This month as always is packed full of prophesy, sermons, art and background material that most people will never take the time to research on their own nor have the resources of input to obtain as much of the truth as can be found. Often it goes against the grain of conventional churches and denominations because we follow the Hebrew calendar and the prophetic. He never changed HIS timing, the church and kings did.

I would rather follow HIM and know what I was adopted into. Sometimes authors are used multiple times because they are in what we call the "zone" of the Holy Spirit. In other words, they are hearing from the LORD!

Each month is packed with Revelation of what GOD is saying so; buckle up, hold on and take a journey with us, a day at a time. This month is about discerning, decreeing,

declaring, and COMMANDING the WORD spoken!!!! Go boldly into the Gates with thanksgiving and into Courts with PRAISE! And above all hold on to His Promises!!

## **Nissan: The Month of Passover**

***This month shall mark for you the beginning of the months; it shall be the first of the months of the year for you. Exodus 12:2***

The upcoming New Year begins this Tuesday and is listed in the calendar as "The Year of Redemption, a year for Kings *Shekalim*, Festivals, and Vows." This title for the date is a reference to the description of the beginning of the month of *Nissan* in the *Mishnah* (oral law).

The King's Calendar tracks all the activities that took place in the First and Second Temples and which will be performed again when the Third Temple is built. This includes the Biblical feasts that are observed today, but the calendar also has many surprises, holidays and events that are only observed when a Temple stands in Jerusalem.

In 2018 the third temple calendar began representing the building of the Third Temple, not all of the holidays are biblical in origin. The holidays pertaining to the modern state of Israel such as Israel Independence Day and Memorial Day appear on the calendar, as does Jerusalem Day.

### **The month of Nissan**

As the first month of the year, *Nissan* is particularly packed. The Pascal offering is supposed to be performed on the 14th of the month, along with the Fast of the First Born, which is still observed today on the day before Passover. The calendar also notes that the barley for the Omer offering is reaped on the evening of the last night of Passover.

### **Passover**

It is in this month that we celebrate the eight-day holiday of Passover, from Nissan 14th through the 22<sup>th</sup>. It commemorates the Jewish people's miraculous redemption from slavery in Egypt, and the birth of the Jewish nation.

We observe the anniversary of the Exodus each year by removing all leaven from our possession for this week, eating matzah and telling the story of the redemption to our children. By following the rituals of Passover, we have the ability to relive and experience the true spiritual freedom that our ancestors achieved.

It is mentioned in the Talmud that according to one tradition, the three patriarchs of the Jewish people—Abraham (1948–2123 from creation, 1813–1638 BCE), Isaac (2048–2228 from creation, 1713–1533 BCE) and Jacob (2108–2255 from creation, 1653–1506 BCE)—all were born and passed away in the month of Nissan.

### **Awakening from Above: The Month of Nissan and Passover**

Nissan is called the Month of Miracles. On Pesach, Hashem displays transcendental miracles, and descends, so to speak, to take us out of our lowliness and slavery. This is called an 'awakening from above', for it is an unearned gift of kindness flowing down to us from Heaven. During the Seder, the joy of freedom that has been suppressed and hidden deep within us is released. As we sing Hallel, we reveal our joy and gratitude openly.

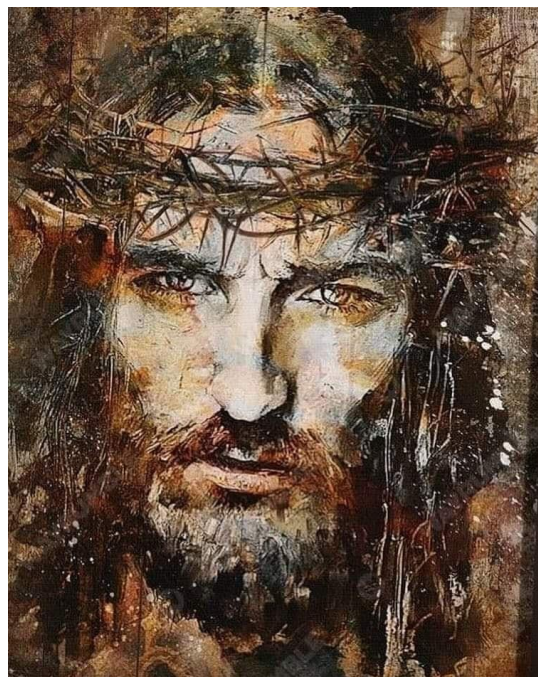

## The Holy Land - By Alex Levin (artlevin.com)

### Sense of the Month: Speech

The 'sense' or faculty corresponding to Nissan is speech. Just as Hashem created the world with speech, so do we create our world, or at least our experience of the world, with speech. A slave is someone who has no voice, nor the power to create his or her reality. We can only experience freedom when we can refer to ourselves as free. The word Haggadah means 'telling.' During the Seder we speak at length about our Redemption from collective and personal 'slavery'. Thus, each year we receive the ability to proclaim our freedom on higher and higher levels.

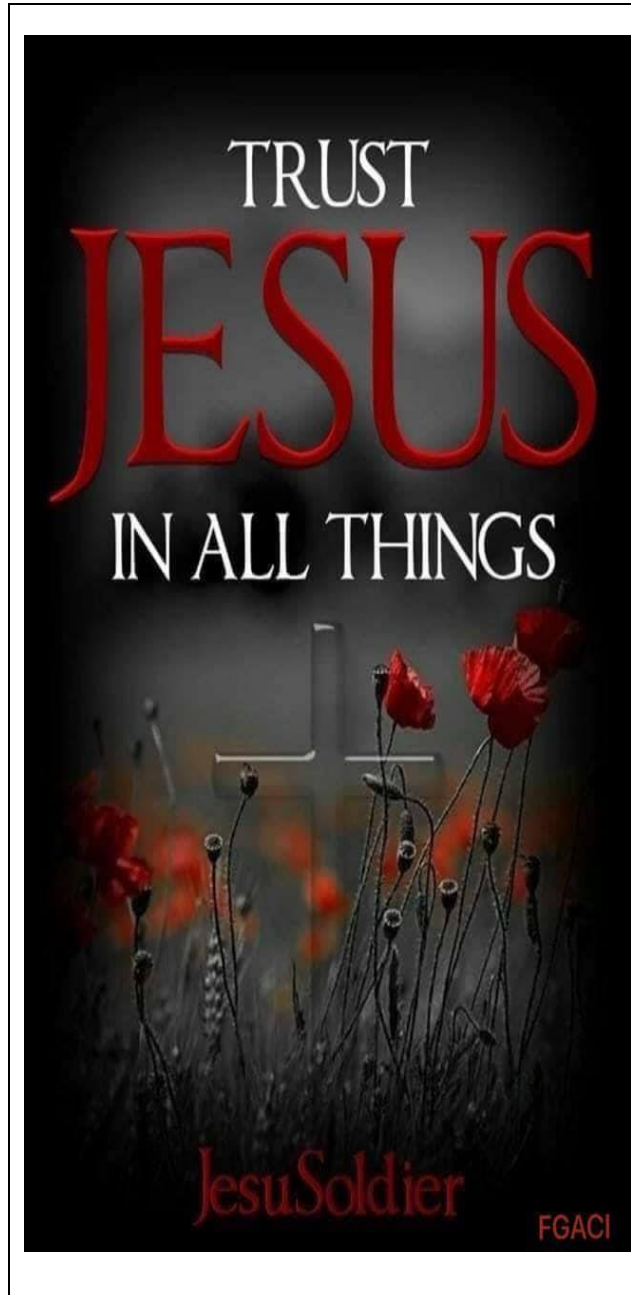

It is called the time of "***The New Year of Kings***". Recognize what our KING did in HIS sacrifice on the cross as the LAMB of GOD that takes away the sins of the world.

### Yeshua, "The KING OF KINGS".

The archetype of kingship, King David, is a descendant of Yehudah. Kingship also alludes to speech, for a king rules over his people through his words, which are received as commands: "for the word of the king is his rule." The Talmud says that Nissan initiated the "New Year of Kings". It is thus a new beginning for the power of leadership, for speech, and for expressing thanks. Because of the Redemption in this

month, "it is our duty to thank, laud praise, glorify, exalt, adore, bless, elevate, and honor the One who did all these miracles for our ancestors and for us."

**This is the month of Passover.**

It is in this month that we celebrate the eight-day holiday of Passover, from the April 22th through the April 30th. It commemorates the Jewish people's miraculous redemption from slavery in Egypt, and the birth of the Jewish nation.

"It is the month of redemption. In which we were redeemed from Egypt, Jacob received the blessings, Isaac was born and was tied up on the altar, it is the month we will be redeemed in, and it is the beginning of salvation."

It is the time that the Lamb of GOD was offered as a onetime sacrifice for the sin of all man.

**"For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life." John 3:16.**

## **Time of the Year: Spring**

Nissan is the first month of spring. When it arrives, something about the increasing light, the warmer air, and the sprouting vegetation, may enhance our feeling that life is a gift and a blessing. Deeper within this instinctual feeling is the recognition that life is given to us whether we 'deserve' it or not. This is a deep level of humility, and it brings forth a tremendous sense of gratitude. During the eight days of Pesach, as we eat matzah, the bread of humility, we should strive to internalize this idea. Life is a miraculous gift descending from above. It cannot be earned, only humbly received. According to one opinion, Nissan is when human life was created.

## **Tribe of the Month: Yehudah or Judah**

Nissan is associated with the tribe of Judah, or Yehudah which means "praise" or 'to give thanks'. Judah would always be the first in battle or Judah goes first, therefore Nissan is Judah's month, the month of praise for what the LORD has done and is doing. It is the month of "Redemption and Miracles". As children of GOD, we need to give thanks for the *Redemptive work of Calvary* and our FATHER'S great love for you.

**This Pesach season, may we experience the newness and freshness of life? May this year be a year of creativity and generosity and new beginnings! May we become leaders, humble and kind leaders, who 'skip over' the apparent ego in others. May the LORD bless us to witness the beginning of the miracle of all miracles, the Redemption of all humanity from all levels of slavery.**

## **UNDERSTANDING THE SIGNIFICANCE OF THE HEBREW MONTH OF NISSAN**

**Nissan is a month of redemption. As we gain an understanding of God's timing, we learn to "redeem" time.**

Say this: **"My blessings are not going to pass me by because I do not know the timing of them."**

We know what time it is! It is time for our faith to go to work and see redemption manifest. That unredeemed stuff is about to shift. Nissan is a month of deliverance, restoration, revolution. It is all appropriated into our lives BY FAITH. This is a month where we connect our faith to our speech.

BOOK OF JOHN

**There's the "catch." But it can be as simple as speaking our thankfulness to God for our deliverance before we see it. Saying then seeing.**

- When I speak, my faith is heard.
- My words have the power to impact reality.
- The first words I speak in the morning set my day.
- My words have the capacity to bring change.

A man of God wrote a book I am reading about "Redeeming your Timeline." It falls into the category of redemptive when it has to do with our past, our destiny, our purpose or the purpose of a territory, business, ministry, etc. So, when we talk about redemptive prophesy in the month of redemption, we release faith in a cycle of redemption as in no other timeframe. Wow.

That's a realm of covenant blessing that we must become aware of and walk in. Knowing about this incredible timing issue with God puts us in position for His blessings to overtake us.

Yeshua did not die for us to live sick and tired, almost free, just getting by and unhappy. We can break out of that with knowing and applying faith to the principles found each month in God's calendar.

Passover goes from the 22<sup>th</sup> to the 30<sup>th</sup> of the Hebrew month Nissan, and this year, that translates to sunset on April 22<sup>th</sup> at sunset until sunset on April 30<sup>th</sup>, 2024. It is a celebration designed by God. It's given to increase our faith and prepare us to enter into the fullness of His blessing. When we remember God's work of redemption and declare the power of redemption in lives, something always happens. Put your faith on that something always happens.

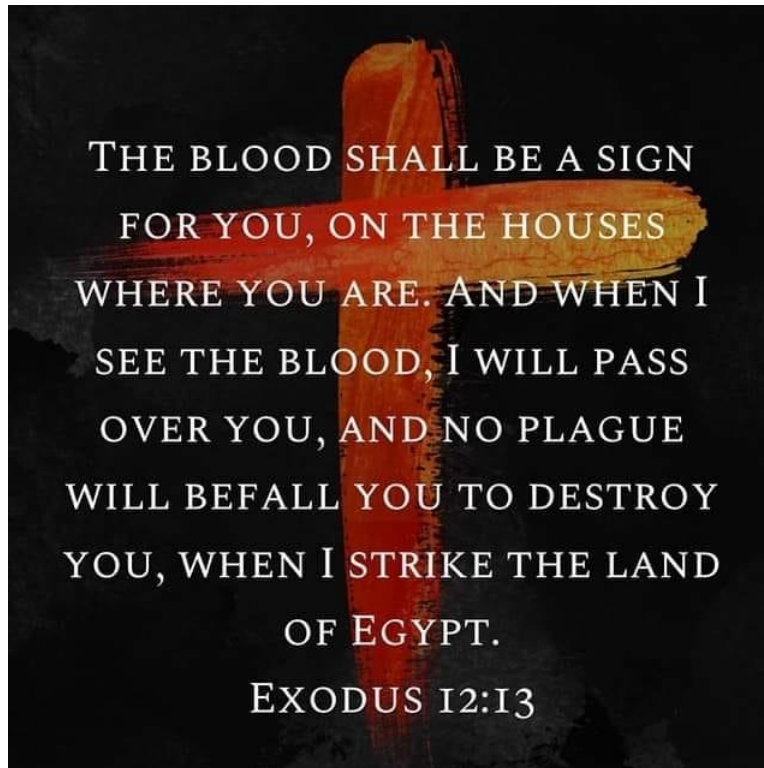

Passover or Pesach commences on the evening of the 14<sup>th</sup> of the Hebrew month of Nissan. Note that in the Jewish calendar, a holiday begins on the sunset of the previous day, so observing Hebrews will celebrate Passover on the sunset Monday the 22<sup>nd</sup> of April.

For those unfamiliar with the meaning behind the sacred holiday, Passover is a time to celebrate and honor the liberation of the Israelites from over 400 years of slavery in ancient Egypt. The Hebrew word Pasach means to jump or pass over, and the holiday's name originated from the Jewish miracle in which God passed over the house of the Israelites during the tenth plague, sparing their first born sons, according to My Jewish Learning. For the first two nights of Passover, families and friends gather to eat a special meal called a *seder*. As Rabbi Norman R. Patz explained to *Reader's Digest*, "The word 'seder' means order. The Passover meal is an ordered meal, which includes reading the *Haggadah*, the text that tells the story of the Israelites exodus from Egypt."

In the narrative of the Exodus, the Bible tells that God helped the Children of Israel escape from their slavery in Egypt by inflicting ten plagues upon the ancient Egyptians before the Pharaoh would release his Israelite slaves; the tenth and worst of the plagues was the death of the Egyptian first-born.

The Israelites were instructed to mark the doorposts of their homes with the blood of a slaughtered spring lamb and, upon seeing this, the spirit of the Lord knew to *pass over* the first-born in these homes, hence the English name of the holiday.

When the Pharaoh freed the Israelites, it is said that they left in such a hurry that they could not wait for bread dough to rise (leaven). In commemoration, for the duration of Passover no leavened bread is eaten, for which reason Passover is called the **feast of unleavened bread** in the Torah. Thus matzo (flat unleavened bread) is eaten during Passover and it is a tradition of the holiday.

Called the "festival [of] the matzot" (Hebrew: חג המצות *hag hamatzot*) in the Hebrew Bible, the commandment to keep Passover is recorded in the Book of Leviticus:

**In the first month, on the fourteenth day of the month (April 22, 2024 this year) at dusk is the LORD's Passover. And on the fifteenth day of the same month is the feast of unleavened bread unto the LORD; seven days ye shall eat unleavened bread. In the first day ye shall have a holy convocation; ye shall do no manner of servile work. And ye shall bring an offering made by fire unto the LORD seven days; in the seventh day is a holy convocation; ye shall do no manner of servile work. (Leviticus 23:5–8)**

The biblical regulations for the observance of the festival require that all leavening be disposed of before the beginning of the 15th of Nissan an unblemished lamb, known as the Korban Pesach or "Paschal Lamb", is to be set apart on Nissan 10 and slaughtered at dusk as Nissan 14 ends in preparation for the 15th of Nissan when it will be eaten after being roasted. The literal meaning of the Hebrew is "between the two evenings". It is then to be eaten "that night", Nissan 15, roasted, without the removal of its internal organs with unleavened bread, known as matzo, and bitter herbs known as maror. Nothing of the sacrifice on which the sun rises by the morning of the 15th of Nissan may be eaten but must be burned. The sacrifices may be performed only in a

specific place prescribed by God (for Judaism, Jerusalem, and for Samaritans, Mount Gerizim).

The biblical regulations pertaining to the original Passover, at the time of the Exodus only, also include how the meal was to be eaten: **"with your loins girded, your shoes on your feet, and your staff in your hand; and ye shall eat it in haste: it is the LORD's Passover" Exodus 12:11.**

The biblical requirements of slaying the Paschal lamb in the individual homes of the Hebrews and smearing the blood of the lamb on their doorways were celebrated in Egypt. However, once Israel was in the wilderness and the tabernacle was in operation, a change was made in those two original requirements (Deuteronomy 16:2–6). Passover lambs were to be sacrificed at the door of the tabernacle and no longer in the homes of the Hebrews. No longer, therefore, could blood be smeared on doorways.

The biblical commandments concerning the Passover (and the Feast of Unleavened Bread) stress the importance of remembering:

- **And thou shalt remember that thou wast a bondman in Egypt; and thou shalt observe and do these statutes" (Deuteronomy 16:12).**
- Exodus 12:14 commands, in reference to God's sparing of the firstborn from the Tenth Plague: **And this day shall be unto you for a memorial, and ye shall keep it a feast to the LORD; throughout your generations ye shall keep it a feast by an ordinance forever.**
- Exodus 13:3 repeats the command to remember: **Remember this day, in which you came out of Egypt, out of the house of bondage, for by strength the hand of the LORD brought you out from this place.**

### **A Hebrew Perspective**

**by Rachel ben Joseph (Remy Koch)**

**edited by Reuven ben Joseph (Bob Koch)**

**1 Aviv (Babylonian Nissan) 5784, April 9, 2024**

**This is a mystery of discovery, intrigue and disappearance that remains unsolved.**

It was the year 1865. Several Bedouin tribesman were seeking shelter in a cave high above the Wadi Mujib (biblical Arnon) just east of the river near the Dead Sea in modern Jordan. Inside they discovered sixteen leather manuscript strips which were wrapped in linen, covered in a sticky black substance and written in an ancient language they couldn't understand. Not finding any treasure, they tossed them aside. However, one of the men decided to take the scrolls to his home where an antiquities broker named Shapira recovered them. These scrolls, written in paleo Hebrew, looked like a Book of Deuteronomy but with considerable variations from the Biblical canon. The Jerusalem dealer bought the scrolls and, in 1880, presented them to English and German biblical scholars. Was this parchment an ancient copy of or even the original Book of the Covenant that was found in the time of King Josiah?

### **The Biblical Account: Finding the Lost Scroll of Moses in the Temple**

On the surface, the biblical account of Hilkiah the High Priest finding the Scroll of Moses in 622 B.C.E. looks to be ordinary history. However, it turns out that it's an intriguing clue that could connect that narrative to the Shapira Scroll fragments found in Jordan c.1865 CE. The Tanakh narrative is found at 2Kings 22-23 and 2Chronicles 34-35.

***2Kings 22:8-13 And Hilkiah the high priest said unto Shaphan the scribe: 'I have found the book of the Law [sefer] in the house of YHWH.' And Hilkiah delivered the book to Shaphan, and he read it ... 10Moreover, Shaphan the scribe informed the king, saying, "Hilkiah the priest has given me a book." And Shaphan read it in the presence of the king. 11When the king heard the words of the Book of the Torah; he tore his clothes. 12Then the king commanded Hilkiah the priest, Ahikam the son of Shaphan, Achbor the son of Micaiah, Shaphan the scribe, and Asaiah the king's servant, saying, 13"Go, inquire of the LORD for me and for the people and all Judah concerning the words of this book that has been found, for the wrath of the LORD that burns against us is great, because our fathers did not listen to the words of this book, to act in accordance with everything that is written regarding us."***

"The contents of this scroll and Josiah's and the people's reaction to it suggests that it was some form of the book of Deuteronomy." Jewish Study Bible (2Kings 22:8)

Some relevant notes: the Book of the Law of YHWH was "found", indicating that it had been "lost" in the Temple that had been deteriorating without repair for over two centuries. Were no copies of the Book of the Law (Torah) made during this time? That seems likely because the king was very distressed at the content of the scroll, indicating he had never heard it before let alone made his own copy as all kings were commanded to do. The entire Hilkiah scroll was read to the King in one sitting. This argues for a different and shorter "Torah" than what religious authorities refer to as "the Torah" today; i.e. the entire five books of the Pentateuch. This is potentially quite disruptive.

"We know that Moses did write a scroll from several third person accounts within the Moses material, of Moses writing a little scroll whether rolled or folded. ... in Deuteronomy 31 where in the third person it says Moses finished writing the scroll to the very end and he handed it to the Levites who carry the ark. Scripture says he wrote it until it was completed...

... as to this shorter work ...: The Torah was to be written on plastered stones and Genesis 1:1 through Deuteronomy 34:12 would have been too much. In the books of Ezra and Nehemiah, Ezra stands on a wooden platform and the children of Israel are assembled, and the scroll of Moses is read in the hearing of the people – which we get a clear indication took from morning to mid-day. Today, we know it takes about 25 hours to read the five books."<sup>1</sup>

Josiah believed that the wrath of YHWH was directed against the kingdom because they had not kept the precepts of the Covenant with YHWH. The king then sent men to inquire of a prophet what the situation was.

***(2Kings 22:16) "This is what the LORD says: 'Behold, I am going to bring disaster on this place and on its inhabitants, all the words of the book which the king of Judah has read. 17Since they have abandoned Me and have burned incense to other gods so that they may provoke Me to anger with all the work of their hands, My wrath burns against this place, and it shall not be quenched.'"***

King Josiah heard the curses for disobedience enumerated in the Torah scroll; he then realized the root cause of the misfortunes befalling Judah at the time. He acted immediately to cleanse the land. The entire narrative is found in 2 Kings 23:1 through

28 as well as 2 Chronicles 34. He tore down all the shrines dedicated to pagan gods, most especially the numerous Asherah totems or trees erected on the hillside. These were dedicated to the worship of the Canaanite/ Ugarite Mother Goddess Astarte/Asherah, consort of El (aka Cybele, Isis, Ishtar, etc.). King Josiah and his entourage went throughout the land of Israel, from Dan to Beersheba, smashing all the idols and killing all the perfidious priests who had led the people in paganism.

***(2Kings 23:1) Then the king sent messengers, and they gathered to him all the elders of Judah and Jerusalem. 2And the king went up to the house of the LORD and every man of Judah and all the inhabitants of Jerusalem with him, and the priests, the prophets, and all the people, from the small to the great; and he read in their presence all the words of the Book of the Covenant which was found in the house of the LORD. 3Then the king stood by a pillar and made a covenant before the LORD, to follow the LORD and to keep His commandments and His testimonies and His statutes, with all his heart and all his soul, to perform the words of this covenant that were written in this book. And all the people took a stand for the covenant.***

Interestingly enough, it describes Josiah's turning to God with all his heart, with all his soul, with all his everything. That's a Deuteronomic phrase and comes from language that's only found in Deuteronomy ... Here we have Josiah, a scroll is discovered, and he seems to match in his behavior to ...Deuteronomy.<sup>2</sup>

"Josiah's reforms are connected to instructions that are found in D; the narrative of Josiah's making those reforms is told in terms and phrases that are typically found in D; and Josiah's reforms are traced to the promulgation of a particular scroll, which is identified by the same words as the scroll that Moses writes in D. This interlocking chain of connections let to the extremely widely held view in scholarship that the scroll that was read in Josiah's day was D."<sup>3</sup>

Was the Hilkiah scroll written in the hand of Moses? We have established that the scroll was a form of the book of Deuteronomy only. But was it the original? The parallel verse to 2Kings 22:8 is 2Chronicles 34:14. In literal Hebrew from the Bible (Strong's):

*matza - chil'qi - Yahu ha Kohen - et - sefer - Torat - y'hwah - B'yad - Mosheh:*  
found - Cilkiyya the officiating priest – self same - writing - [of] precepts (or  
statutes specifically Decalogue) - YHWH - in (by) hand - Moses.<sup>4</sup>

The interesting thing about the phrase here is that this indicates that this is not just any scroll. He's not talking about a copy, he's saying, literally in the Hebrew, I found the scroll that Moses wrote. Not a copy, but the very scroll, the original, written by the hand of Moses.<sup>5</sup>

Verse 14. ... The italic-type word "given," [ed. note: most modern translations have "*given* by Moses"] in this verse, it is better to discard, and to restore the omitted words, "by the hand of;" i.e. the book was either Moses' original handwriting and solemn deposit (Deut 31:26) - in that case nearly eight centuries and a half old – or, at any rate, the standard copy and authorized successor of it, though we nowhere read of such a copy having been made, nor is it necessary to doubt the durability of the original. A book should be rendered "the book".<sup>6</sup>

It is possible this was the scroll that Moses had written and placed by the side of the Ark, or at least a faithful copy. The dry Jerusalem climate and the thick Temple walls would have protected it. The Dead Sea Isaiah Scroll survived over 2000 years intact compared to over 800 years for the Moses scroll if it was indeed the original.

The prophet Jeremiah was a priest himself, the son of a High Priest named Hilkiyah. Jeremiah 1:9 speaks of his calling to be a prophet of the LORD which occurred five years before the discovery of the Moses scroll. Although not specifically stated, his preaching and activities indicate that his father was probably the very same Kohen Hilkiyah who found the scroll of Moses. Jewish commentators agree.

***Jer 15: 6 Your words were found, and I ate them, and your words became to me a joy and the delight of my heart, for I am called by your name, O LORD, God of hosts.***

We, as well as many biblical scholars, believe Jeremiah's statement "your words were found" was referencing the very same scroll 2Chronicles described as "the writing of the precepts of YHWH by [the] hand of Moses".

One thing Jeremiah said is that the priests who were supposed to safeguard the Torah didn't know YHWH. Even when presented with the word of Moses himself, the priests

did not turn away from their pagan worship. The imposter “prophets” continued to prognosticate falsely by the pagan Baals assuring the people everything was good.

***Jer 2:8 The priests did not say, 'Where is the LORD?' Those who handle the law did not know me; the shepherds transgressed against me; the prophets prophesied by Baal and went after things that do not profit.***

***Jer 6:19 Hear, O earth; behold, I am bringing disaster upon this people, the fruit of their devices, because they have not paid attention to my words; and as for my law, they have rejected it.***

***Jer 8:8 "How can you say, 'We are wise, and the law of the LORD is with us'? But behold, the lying pen of the scribes has made it into a lie.***

The “lying pen of the scribes” refers to those men whose primary function was to faithfully copy Torah among other official court documents and proclamations by the king. Apparently, they had perverted the actual Torah of Moses by inserting or omitting texts, thereby changing the authentic instructions and going against the admonition not to add or take away from any of the Instructions of YHWH (Dt 4:2). Other prophets referred to the distortions of the Torah as well: we will cover that in Part 2 when we compare the texts of the Deuteronomy canon with the Moses scroll.

### [The Shapira Scroll: The Presentation to the World](#)

There is an entire complex history of Shapira’s presentation of the Deuteronomy scroll to the academic world in 1883. The initial scoffing by many renowned “scholars” at the time without even a thorough examination of the leather strips revealed both their arrogance and anxiety. It was more important to protect their own highly paid positions and carefully guarded reputations than to discover the truth. This fear of ridicule by their peers made them reluctant to properly examine them. This is similar to what happened within the religious academic circles after the discovery of the Dead Sea Scrolls (DSS). Although he was a respected antiquities dealer, Shapira was not a member of the high-class academic circles, and therefore could be dismissed as a non-credentialed source. Therefore, on the word of several unchallenged “experts”, the scrolls were denounced as “forgeries!” However, in private, many stated they thought the scrolls were authentic or at least worthy of much greater investigation.

Besides those personal issues, validating the authenticity of the scroll would likely turn the religious world upside down. Why? Because the book “Valediction of Moses” or “V”, as the modern expert Idan Dershowitz, PhD, calls it, was dated to an astonishing c. 900

BCE based on palaeography (analysis of historical writing) and philology (study of words) when first examined in 1883. This is earlier than any biblical scroll ever discovered, therefore it was much closer to the original source material. More pointedly, significant sections of the canonical Hebrew Masoretic (and Christian) Deuteronomy were not there, sections not in the modern canons were included seamlessly in "V", and other passages were different. This scroll would challenge some long-established religious doctrines and traditions of both Rabbinic Judaism and Graeco-Roman Christianity as the discovery of the DSS did.

In Part 2, we will discuss the case for authenticity as detailed by contemporary, unbiased scholars utilizing the most modern investigative techniques. We will compare "V" with the canonical Deuteronomy, point out the significance for both Christians and Hebrews, and include controversial portions of the Shapira scroll possibly written *"by [in] the hand of Moshe"*.

***Dan 12:4 But you, Daniel, shut up the words and seal the book, until the time of the end. Many shall run to and fro, and knowledge shall increase."***

Blessings to all and Chag Sameach Pesakh (Happy Feast of Passover) to those who observe it.

**Nissan 1, 5784: Tuesday - April 9, 2024**

**Yvon Attia: "April: Signs in the Sky, Deliverance, Redemption, & New Birth"**

Wow! This year is off to a flying start! We have already entered the fourth month, the second quarter of 2024. It's a pivotal time on the earth's calendar, and certainly on God's heavenly calendar. The month of April gets its name from the Latin word *aperio*, meaning "to open (bud)," because plants really begin to grow during this time. This is important, because as I was in prayer for what was on the Lord's agenda for this month, I clearly heard Him say, **"What is happening in the natural is only a reflection of what has taken place in the heavenlies."**

### **A Time of Waging War, Deliverance, and Resurrection**

Traditionally, the first month of the year on the biblical calendar starts around April.

**"While the Israelites were still in the land of Egypt, the LORD gave the following instructions to Moses and Aaron: 'From now on, this month will be the first month of the year for you.'" (Exodus 12:1–2 NLT)**

This is the month that hosts Nissan, which marks the time for kings to go out for war (2 Samuel 11:1)! It is a time for the "kings and priests" of God to wage war on the enemy and fight the Lord's battles. This April will mark some major events on both earthly and heavenly calendars.

April marks the observance of the Feast of Unleavened Bread and Passover. In the Old Testament, it was during this month that the Israelites would mark their doorposts with the blood of the Passover lamb, signifying their redemption from slavery in Egypt. Likewise, there will be major earthly events that will need us to (spiritually) mark our doors with the Blood. The angel of darkness (or death) is coming, but those who have the Blood smeared over their door posts will be saved.

Are you ready for deliverance and freedom? You see, almost everyone was delivered from Egypt and Pharaoh, but many were still not free in their hearts. They still wanted Egypt! Many Believers in the month of April need to appropriate what has been done, and even more so, as they celebrate the feasts of the Lord.

This year, April came right after we celebrated the crucifixion and the resurrection of Christ, making it the time of light triumphing over darkness, the resurrection from death to life, and the promise of eternal salvation through Jesus Christ. **There will be many dead things – more so in our souls (wills, minds, and emotions) – that will resurrect this April. I saw many overcoming past traumas, hurts, neglect, and abandonment.** This will be a supernatural act of grace by Holy Spirit, who will hover around His beloveds, and they will receive resurrection in their souls.

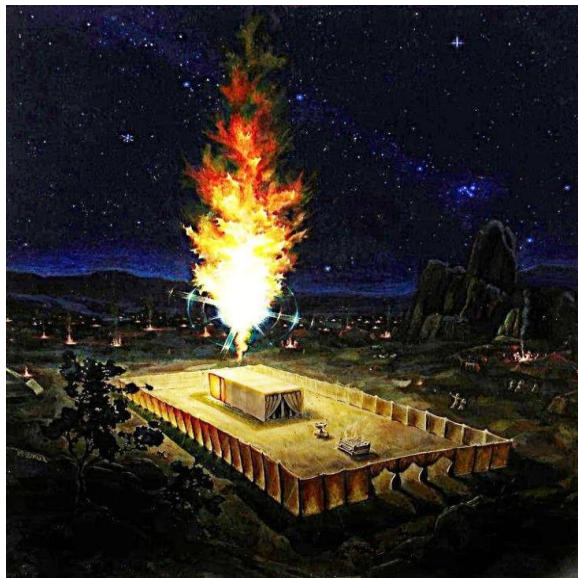

### **Marker Events**

But what events are happening, specifically, this April?

April 2024 is a pivotal month that is so important for Hebrews, Christians, and Muslims. April 8th (at sundown) – April 9th (at nightfall) of this year will mark the start of the month of Nissan, the *eve* of the end of Ramadan (April 9th), and the total solar eclipse (April 8th), according to the Gregorian calendar! Three different events for the three major religions around the world, ALL falling between the 8th and 9th of April 2024!

### **The Significance for Hebrews**

As far as the Israelites are concerned, the first of Nissan signifies so much, but most importantly, this is what it marks biblically:

**1. The day the tabernacle was set up (Exodus 40:17).** The first day of Nissan marked the completion and setting up of the tabernacle, a portable (or

"portal" – I will come back to this) sanctuary for the Israelites. This was a momentous occasion, as it symbolized the presence of God among His people and provided a central place of worship.

**2. The anointing of the tabernacle and its elements (Exodus 40:1–2, 9, 17).** The first day of Nissan was significant for the anointing and consecration of the tabernacle and its various elements, such as the altar, utensils, and the laver. This anointing represented the sanctification and separation of these items for sacred use.

This is a divine time assigned by God for a "portal" (as mentioned in my first point) of praise and worship. It is a time of birthing and resurrection. It also marks Yahweh being present with His people (His temple).

### **The Significance for Muslims**

As for Muslims (on the first of Nissan), they will be celebrating what they call "Eid el-Fitr." It is the feast marking the end of Ramadan (thirty days of fasting and prayer). Over 1.9 billion people will be celebrating the "new moon" and their god "Allah," the moon god.

### **The Total Solar Eclipse: A Portal of Light vs. a Portal of Darkness**

I hope you can see how intense this is getting! You have Hebrews celebrating a new significant month, Muslims celebrating one of the most important Islamic feasts, and then you have a major sign in the heavens coming over America – a total solar eclipse...

Why is this significant, you might ask? Well, we know this:

**"Then God said, 'Let lights appear in the sky to separate the day from the night. Let them be signs to mark the seasons, days, and years'" (Genesis 1:14 NLT). God didn't do this because there wasn't any light. As you might recall, there was *already* light, because God had spoken and said, "Let there be light" (Genesis 1:3).**

**This is what Psalm 19:1–3 (NLT) says: "The heavens proclaim the glory of God. The skies display His craftsmanship. Day after day they continue to speak; night after night they make Him known. They speak without a sound or word; their voice is never heard."**

We also know, from the book of Exodus, that one of the plagues was a complete darkness which fell over the slave masters and over the land of Egypt: **"Then the LORD said to Moses, 'Lift your hand toward Heaven, and the land of Egypt will be covered with a darkness so thick you can feel it.' So, Moses lifted his hand to the sky, and a deep darkness covered the entire land of Egypt for three days. During all that time the people could not see each other, and no one moved. But there was light as usual where the people of Israel lived" (Exodus 10:21–23 NLT).**

This distinction happens in the month of April, because the Lord is speaking through His creation. The sun and the moon, the signs in the heavens, and what will translate from that will be pivotal for God's covenant-keeping children. **As it was in the days of Moses, so it will be this month. The enemy has marked the calendar with darkness and fear, but the Lord is saying that this is the month of resurrection, light, and breakthrough.**

It is very interesting that the 2024 eclipse, like the 2017 eclipse, will cross over a town called "Little Egypt" in Carbondale, Illinois. It is a known fact that in the 1800s, when there was a famine and lack of grain in northern and central Illinois, Carbondale (which was a town abundant with grain to the point of overflow) fed the rest of the state.

This marks an important time on the calendars! **For God's covenant-keeping children, it is a time of rejoicing and celebration, because what the enemy intended to be a time of evil, darkness, and fear will be a time of light, provision, and resurrection.** It will be either a portal of death and judgment or a portal of birthing and provision; the distinction is very clear.

**"...even the darkness will not be dark to You; the night will shine like the day, for darkness is as light to You." (Psalm 139:12 NIV)**

### **Vigorous Birthing**

This is God's promise to us. Yes, people might fast for thirty days and celebrate the moon, but God has a different surprise in the month of April. **The Lord clearly told me that it will be a month of VIGOROUS birthing.**

**Exodus 1:19 says, "The midwives answered Pharaoh, 'Hebrew women are not like Egyptian women; they are vigorous and give birth before the midwives arrive.'"**

No matter what the enemy will try to do, know that he has already failed. He will not be able to kill your fruit, no matter how hard he tries. Birthing is guaranteed and certain, because your God says so!

**"As Isaiah said, 'Rejoice, O childless woman, you who have never given birth! Break into a joyful shout, you who have never been in labor! For the desolate woman now has more children than the woman who lives with her husband!'" (Galatians 4:27 NLT)**

#### **Word of the Lord for April**

God says, "***April will be marked by signs in the heavens birthing a NEW season of deliverance and redemption. It is a very special appointed month, and carries a special appointed message. It will be a month of notable signs not only on Earth but get ready to hear the bells of Heaven ringing, announcing a time of great deliverance.***

***"Although darkness will cover many places, and many will be shaken, you will see light; you will feel My light. This is your time to cross over and inherit your promise, for the Lord of hosts Himself is going before you.***

***"I indeed have seen your oppression and distress; I have heard your cry, and I am aware of your suffering. Therefore, get ready, for your time of deliverance has arrived. While many will see darkness, you will see light and hear My voice saying, 'Let there be light over My people!'***

***"While many fear being in turmoil, you will understand that no plague will touch you. Because you have engaged in a covenant of peace and***

***protection, you will see a different display of My glory, a different canvas of light, resurrection, and revival.***

***"April will be a month of vigorous birthing, and a clear distinction will be made between My covenant people and My enemies. It will not only be a month of birthing, it will be a month of strength – not only to give birth, but to protect what you are birthing. And the enemy will not be able to kill, steal, or destroy what you have birthed. For what you are birthing is not the result of human effects; rather, [it is] the fulfillment of My promises. For the work of the flesh will perish, but what is birthed by My Spirit will flourish.***

***"I am resurrecting a powerful, vigorous generation who will birth a vigorous revival – a revival that will shake the planet. For I will not only shake the earth but the heavens also, for only the unshakable will remain.***

***"Get ready to see many self-made stars fall to the ground, while [I] confirm and uphold the stars I have made. Be humble and keep a leveled head... your time of elevation is breaking forth! Get ready, for this is the beginning of what you have been waiting for, the time of your deliverance. And the Egyptians you see now, you will never see again. It's a cross-over month, where you will strip the enemy and take your possessions!"***

***Hallelujah!***

**James Nesbit with Wade Butler**

**It has been seven years since the last Eclipse. Eight years ago Pastor Jim Gregory heard a word from the LORD when driving through Little Egypt Missouri, "Let MY People Go!" Is it time?**

To many in the church it has felt like the Tribulation. After all NASA stated that in August-September of 2017 Revelation 12 was fulfilled.

According to NASA, mathematically it has never happened up until then nor would it ever happen again. The question is, Did Lucifer and all of his demonic hoards get thrown down to earth? Did Tribulation actually begin? The answer I believe is yes and no. He did get thrown out of his house and woe to the inhabitants of the earth, yet it is only the birth pangs.

Seven years ago, as the eclipse passed over, Father began to cause Ed Watts and I to worship in Little Egypt Southern Illinois, we knew were in a seven-year window!

And now we find ourselves with just twenty-four days until April 8- Nissan 1 as the second eclipse forming the 22nd Hebrew letter "TAV" the sign of the Cross, over the heart of America, we believe marking a New Age or End times for the New World Order!

And Hamas, powered by that ancient spirit of Haman it the End Times for you as well!

Father, You are perfect in ALL that You do! We say, Holy Spirit have You way! You said, "Woe to all those who call evil good and good evil and put forth bitter for sweet!"

Lord, our airways are filled with scripted mind-bending propaganda from those who put forth bitter for sweet! Little do they know that all of us, these past seven years, have been on the Threshing Floor, and Father has been separating the wheat from the chaff within us all! Separating the stiff necked from the humble, the lawless from the obedient, and the Holy from the profane!

There is a reason the eclipse is marking "Little Egypt" X marks the Spot! Yes, Father You Yourself are dealing with the gods of Egypt, and You are roaring, "Let My People Go!" It crosses Jonah Texas then Nineveh Texas, Nineveh Indiana, Nineveh Ohio, Nineveh Pennsylvania, Nineveh New York and Nineveh Nova Scotia. Do you get the picture. Repent for the Kingdom of GOD is at hand!

You are roaring over Your people, saying, "Come out of her my people, and let me get this Babylonian system out of your hearts! I AM separates the vile from the Holy! Yes, a

storm is coming, as I AM pours out the double-edged sword of Holy Spirit upon all flesh!

Yes, I AM, is shaking everything! It is a Psalm 91 time!" We will be in Carbondale April 5-9 Worshipping, I asked Father, Lord, what do You want us to do as we stand in this time gate?

He said, ***"Simply do what I created You to do, worship Me, exalt My Name, so I can inhabit Your praises and have My way in this Gate!"***

**Nissan 2, 5784: Wednesday - April 10, 2024**

**Helen Calder: "At the Shoreline of Abundance: It's Time to Step Out of the Boat!"**

A few days ago, a fragment of a Scripture verse came to my mind, and I felt the Holy Spirit's presence on it: **"... let your soul delight itself in abundance" (Isaiah 55:2, NKJV).**

Abundance means *plenty*, it speaks of overflow and is a recurring theme in the Bible. No matter what's happening, you can access God's vast abundance through Christ. He is your Sustainer.

### **Eight Biblical Insights About God's Abundance**

This verse inspired me to do a study, and I pray these eight biblical insights (and my account of a prophetic vision) minister to you:

**1. The call of the Lord is always toward Him, and toward abundance.**

**"... Listen carefully to Me, and eat what is good, and let your soul delight itself in abundance." (Isaiah 55:2, NKJV)**

**Yeshua said, "... I have come that they may have life, and that they may have it more abundantly." (John 10:10, NKJV)**

**2. We have access to God's abundance through Christ.**

**"Blessed be the God and Father of our Lord Yeshua Christ, who has blessed us with every spiritual blessing in the heavenly places in Christ."  
(Ephesians 1:3, NKJV)**

**"From His abundance, we have all received one gracious blessing after another." (John 1:16, NLT)**

**3. Salvation is a spiritual blessing that overflows into every aspect of our lives. This includes finances and other provisions.**

**"And my God shall supply all your need according to His riches in glory by Christ Yeshua." (Philippians 4:19, NKJV)**

**"And God is able to make all grace abound toward you, that you, always having all sufficiency in all things, may have an abundance for every good work." ( 2 Corinthians 9:8, NKJV)**

**4. Abundance flows with the movement of the Holy Spirit.**

**"From His abundance we have all received one gracious blessing after another." (John 1:16, NLT)**

This is evident in the ministry of Yeshua. We also see it clearly in the imagery of the river of life (Ezekiel 47 and Revelation 22).

**Wherever the river goes, life flows!**

**Alongside the river grow abundant trees, with fruit for food and leaves for healing (see Ezekiel 47:12). A "very great multitude" of fish, "exceedingly many," are available for food, providing a generous living for those who fish there (see Ezekiel 47:9–10, NKJV).**

**5. We learn that God's presence satisfies us like nothing else.**

**"They are abundantly satisfied with the fullness of Your house, and You give them drink from the river of Your pleasures."  
(Psalms 36:8, NKJV)**

Once tasted, nothing can satisfy like the abundance found in God.

## **6. God's grace and kindness are abundant.**

**"So we praise God for the glorious grace He has poured out on us who belong to His dear Son... He has showered His kindness on us, along with all wisdom and understanding." (Ephesians 1:6, 8, NLT)**

## **7. Yeshua said we can expect abundant fruit as we abide in Him and His words.**

**"But if you remain in Me and My words remain in you, you may ask for anything you want, and it will be granted! When you produce much fruit, you are My true disciples. This brings great glory to My Father." (John 15:7–8, NLT)**

## **8. God turns our trials into fruitfulness.**

**"I will return her vineyards to her and transform the Valley of Trouble into a gateway of hope..." (Hosea 2:15, NLT)**

God is a Redeemer whose heart is always to restore abundance whenever we go through trials. And when we have sinned, our repentance becomes the doorway to restoration.

## **A Mindset of Abundance**

A mindset of abundance is a discipline many aspire to but struggle to achieve in today's world. But it's actually very simple. **A mindset of abundance is a heart set on God. One that perceives His infinite love, wisdom, power, and supply.**

**"Now to Him who is able to do exceedingly abundantly above all that we ask or think, according to the power that works in us." (Ephesians 3:20, NKJV)**

He continually invites us to enjoy the abundant life He has for us. So, why is it sometimes so difficult to give Him an unqualified "yes"?

## **At the Shoreline of Abundance**

This reminds me of something that happened in our worship service recently.

I saw myself in a vision, standing on a small boat. Below me, I saw a wooden deck; a pointed bow was in front of my feet. The boat was at a shoreline, where water met sand.

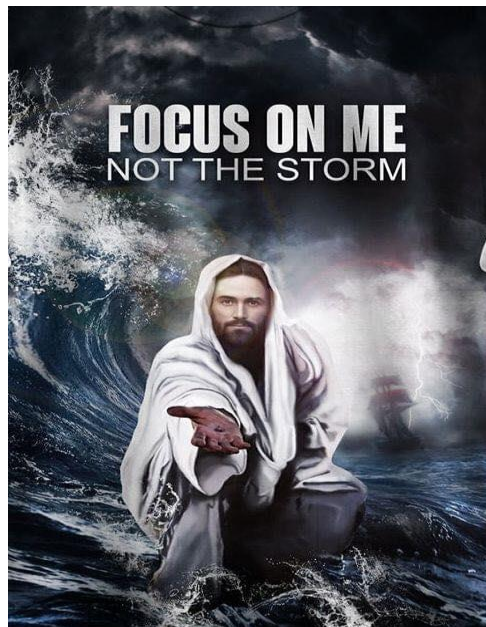

Yeshua stood before me on the shore, His hand expectantly stretched out. He was waiting for me to take His hand and step out of the boat.

This is symbolic for many of us who have reached the threshold of a new season. It has cost us to arrive at this place, and we have endured many trials. Now the Lord says, "Come, walk with Me. Let's journey together. It's time to advance. I am the source of everything you need."

Still, sometimes we hesitate.

### **Don't Shrink Back!**

**This Pesach season, may we experience the newness and freshness of life? May this year be a year of creativity and generosity and new beginnings! May we become leaders, humble and kind leaders, who 'skip over' the apparent ego in others. May the LORD bless us to witness the beginning of the miracle of all miracles, the Redemption of all humanity from all levels of slavery.**

On one hand, I wanted to explore this new place with Yeshua, but on the other, I felt inclined to stay in the boat. It was confined, yet that boat represented safety and the familiar life I knew. Trees along the waterfront blocked my view of what lay behind them, so I couldn't see the nature of this new land.

Later in that meeting, our pastor preached a sermon titled "Don't Shrink Back!" He said, "God sees what we do not see, and we need to step into what He has for us. Don't doubt your God."

The message, with the vision, made a deep impression on us.

### **God's Abundance Provided**

**Today, know that the One who watches over and loves you is abundant in nature. Even though you have not been this way before, be reassured that all you need is sourced in the Lord (Psalms 23:1).**

It's a biblical principle that God sets up our supply beforehand! We see it in Genesis, in the river that flowed from Eden, which split into four headwaters. God provided for the nations in advance.

**These were the four rivers:**

- 1. Pishon, meaning "increase" (H6376)**
- 2. Gihon, meaning "a bursting forth" (H1521)**
- 3. Hiddekel, which means, "rapid" (H2313)**
- 4. Euphrates, meaning "fruitfulness" (from a root meaning "to break forth"—H6578)**

**Hear Him say, "I have already watered the land ahead of you!"**

### **Your "Yes" Enables the Flow**

How can we access this great abundance?

In Revelation chapter 22, the river of God flows from His throne. **It reminds us that God's power flows from His rulership—His throne—in our lives. And our continual "yes" to Him enables this flow.**

Perhaps this resonates with you today: It's time to step out of the boat!

**Hank Kunneman: "A Time of Great Resets, Reversals, and Divine Surprises!"**

**Let Righteousness and Justice Be Established!**

**Intro:** Check out this extremely powerful prophecy by Pastor Hank Kunneman, given on February 2, 2024, where the Spirit of the Lord declared that He is shaking and sifting what has been established by men in the earth to take away the old and establish a new thing by way of His glory!

The glory of God is touching the earth, and there will be unusual manifestations and notable miracles as a result. Watch as the hand of God moves in an extraordinary way to bring about justice, establish righteousness, and deliver a supernatural victory for His people! We must be vigilant in the spirit and pray against these attempts from the enemy:

- Cyber-attacks and attacks against communication systems
- Attempts to bring about civil unrest
- Attempts to freeze the election process
- Attempts to contaminate the waterways and food

Continue to increase your level of prayer and intercession, coming into agreement with God's promise of rest and preservation, and breaking the satanic assignments! The Spirit of the Lord has declared that we will see victory after victory as the Lord of Angel Armies brings His vengeance against the wicked in this hour!

**Prophetic word given by Pastor Hank Kunneman on February 2, 2024 (7:00 PM ET) at the Prophetic Summit hosted by Tim Sheets at The Oasis Church in Middletown, Ohio:**

**The Time of a Great Reset**

***"Listen to Me," says the Spirit of God. "Why do you fear at this time, when the heavens have gathered and the hosts thereof at the sound of My command? And because the elders have held within their hands in Heaven the very prayers of you, the remnant people, and because you have prayed, the elders have gathered. And your eternal advocate,***

***Yeshua, stands before Me – the Judge of all – in My court, that My foundation is righteousness and justice. Therefore, My verdict, which has been your decree, which has been your intercession, has now come to My throne. But I have sent My verdict into the earth.***

***"Therefore, listen closely. Listen closely," says the Lord. "This is the time of a great reset, this is the time of great reversals, and this is a time that I the Lord God, who sets up kings and takes them down – and I shall take them down," says the living God, "that the earth shall stand and know that Yahweh is among them!"***

***"I will bring divine surprises. I will cause there to be a satisfaction not only in My courtroom, but I will cause there to be a satisfaction that shall fill the earth at this time. And for some they will be disappointed. But," God says, "I am not listening to those who have mocked you, United States. I am not listening to those who seek the demise of Israel. I am listening to those at this time who have lifted up their voice to Me and have cried out.***

#### **There Is One Who Has Cried Out... I Speak of Donald Trump**

***"And there is one – there is one among you that has prayed, that has cried out to Me in simplicity, in the innocence of their heart. And I have listened to this one that I speak of, and I have heard their prayer in the earth, and they have prayed, and they have even knelt before Me, and they have draped themselves in the flag of you, the United States. This I speak, for this one has said, 'God, how can I bring the United States closer to You again?' And I speak of Donald Trump," says the living God. "He has prayed, he has spoken to Me, yet men have despised him, and they have looked to indict him, and some who bear My name say, 'We cannot choose him.'" The Spirit of God says, "Because you have not been walking with him, you have not heard his prayers, and you have not known his heart. But I the Lord God know his heart, and I have anointed him at this time.***

#### **A Lighthouse Will Shine throughout the United States**

***"So," God says, "you watch what I do to shake the earth. You watch what I do to scatter the enemy. And I will cause there to be something new that shall arise at this time, for I take away the old that I may***

***establish the new. Therefore, I will cause your house called 'White' to be known as a lighthouse, and it shall shine throughout the United States; it'll shine out throughout the earth! And you will see that I have put My hand upon this country, and I am honoring the covenants of ancient times and of the fathers who knelt before Me and covenanted themselves to their God.***

***"Therefore, they shall gather not only to the very place of the lighthouse, the White House – this 'new' that I speak – but they shall pray in Congress, and they shall pray in the Senate. And then," God says, "I will bring you Justices as the first, for this is My promise. For I will sift, and I will shift your court that you call 'Supreme,' and there shall come a great shaking and an exposure to your court. Yes, I speak of the highest court of your land, for they must be brought into My justice," says the Lord.***

***"For some think that they can rule according to wickedness. Some think they can rule by the way of their own hearts, and some think that they can rule by secret handshakes behind closed doors. But this is not the time of closed doors and handshakes of evil and corruption. This is the time that all things must be exposed, for I have opened a door now in the earth, and this that I've opened shall expose and in no way clear the guilty," says the living God.***

### ***There Shall Come a Loud Noise***

***"Therefore, pay attention. There shall come a loud noise, and it will fill this earth, and it shall be as in the times when there came a sound from Heaven as a rushing, mighty wind, and it will hit the earth. I speak of My glory. I speak of the power that many have prayed, have fasted, have wept, repented, and now My hand moves to open it in a way that you have only hoped for. But it shall fill the earth with unusual manifestations, notable miracles.***

***"And there will be a sweeping by My Spirit that shall come, and they shall surely say when this sound comes in the earth, 'Is this an explosion? Is this the sound of a missile? Is this but a sound of war beats, or is it the sound of thunder?' It is the sound of My hand that is open now in an unusual way to bring justice, to establish righteousness. But because you have prayed, My right hand shall get you the victory. You will see it, and you'll see that mercy shall triumph over judgment in this time.***

### **Angels Standing Over the United States**

***"Now, pay attention! For there are angels now that have been sent because of the decrees of those who have spoken into the earth. And they are standing in the earth, but they are standing over you, United States, and they are standing upon the very globe, the very soil of this land, United States. And they have placed their feet upon the water and the water systems; they have placed their hands high into the atmosphere against the prince of the power of the air. Therefore, you must pray now that they will be activated to release a restraint, a divine preservation, that shall affect the airwaves. For they seek to use communications – cyber – to attack you. But," God says, "the power of My Spirit and of My hosts shall restrain that through the airwaves, that they will have to even speak truth. They'll have to report truth; they'll have to show that there were lies that they perpetrated, narratives that they were a part of. For this shall break apart upon the very news screen," says the Lord.***

***"Pray, pray! For they desire to bring civil unrest, even desiring to bring you into war. But I speak to you, and I say to you that this is not the time of wars to end all things, but this is a time to end a war that the spirits of darkness have fought, that they should rule and reign at this time. Nay," says the living God. "I have an army of My hosts and an army of My Ecclesia, and therefore I will show the earth, for you have seen and you have tasted of what evil looks like, but now you will taste, and you will see victory after victory after victory after victory. You will taste and you'll see that I the Lord am good.***

***"Therefore, pay attention! Pay attention! Pray! Pray not just for the peace of Jerusalem, but pray, pray, pray for a restraint of that which***

***they desire to bring distractions to say, 'Now we must halt and put a freeze to your election process.' Ha! Do not make Me laugh!"***

***The Spirit of God says, "The hosts have placed their hands upon the waters. For they seek to contaminate your waters, to touch your very bread and your water. But," God says, "the hosts have come to bring about preservation, that My Word will be fulfilled at this time that is declared. I have come to bless your bread, and I have come to bless your waters." God says, "Let this stand as My decree in the earth.***

***"Pray, for there are those who have surely said, and they have mocked you, and they have said, 'God, where are You?' They have mocked Israel, and they have mocked those who have stood at this time. But listen to Me very carefully as they look for your demise, as they look to destroy you, Israel and United States. What shall I do? I shall arise again and again and again and again and again and again until the earth knows that Yahweh is among you," says the Lord, "that Yahweh has come to bring about His power at this time."***

### **Give Me My Justice!**

Oh, God, we stand in awe of You. We stand in awe of You. We stand in awe of You. Come on... Just lift up your hands to Him. We stand in awe of You. God, let righteousness and justice be established. Shatter the teeth of the wicked, close the mouth of the liars, shatter the attempts of the enemy that has come to try to steal, kill, and destroy!

Break the satanic movements and agendas that would seek to arise in this time. And by the power of the Holy Spirit and the hosts of Heaven, God, go now, now, now! Be released over our waterways, be released over our airwaves, be released to bring a restraint against the forces of darkness who are saying, "Give us blood, give us blood, give us blood!"

But the Spirit of God says, ***"Give Me My justice! Vengeance is Mine!" sayeth the Lord.***

### **The Hand of the Lord Is Unsealing Things That Have Been Hidden in the Earth**

Read this strong prophetic word by Pastor Hank Kunneman, given on February 9, 2024, where the Spirit of God made it known that now is His time to move, and that He is unsealing the things which have been hidden in the earth!

Watch as the Spirit of Truth prevails over the land, revealing handshakes, money laundering, and evil, secret deals that have been made behind closed doors. Be on guard, as the enemy will attempt to spring an unexpected change, but God will cause a disruption that will bring a strange silence as a sign that the mouths of the wicked are being shut.

Even in the state of Colorado, the Spirit of the Lord has declared that a great reform is coming by way of His hand to raise up the state to prominence once again!

**Father, Father, Father, O how we love You and need You more than we can comprehend!**

**We are thanking You for Your "New Mercies" awakening the dawn today, and Your fresh mercies at noon, all through the evening hours and on into the night.**

We need Your healing mercies minute by minute as we navigate through the war around us and the wickedness in this world!

Blessed be Your Holy Name O Lord God our strength, who teaches our hands to war and our fingers to fight!

Thank You for teaching each of us, as each day begins, to command the morning, And to cause the darkness to know its place. So that Your light may take hold of the corners of the earth And shake the wickedness out of it! You said to me be the light as you are the light.

The America that we once knew no longer exists, as leaders who have sworn an oath to protect us from enemies within and without, have become the very enemies they swore to protect us from, they have betrayed us to enrich themselves! They have sinned against YOU and your creation.

We cry from them to be swiftly removed just like Shebna! And for righteous. Leaders filled with Your fear O Lord to take their place!

We declare this day through the living blood of the Victorious Son, That the occult curtains which these venomous snakes have been hiding behind are fully identified, exposed, And the justice of You eternal truth is piercing this darkness!

Lord, these traitors who have deliberately allowed terrorists across our borders and refused to enforce the law, in Your mercy for us, remove them and deliver us from their wicked rule, and cause their master plan behind this orchestrated invasion to utterly fail at every level!

We release the eternal light of the King of Kings into the atmosphere, Cause darkness to fall before Your face in abject terror O Lord!

Everyone in our land that has come with evil intent to cause harm, injury, or death in our land, arrest them in the spirit realm, and incapacitate them so that they cannot loose evil, death, and destruction in any way shape or form!

With thank You also for surrounding President Trump with a wall of fire, so that every evil scheme they have hatched against him crumbles before their eyes!

We declare that every scheme they have to steal another election is fully exposed as well!

In Yeshua Name we pray!

***No Wokeness Here***

**Matthew 24:25-42 Amplified Bible, Classic Edition**

**25 See, I have warned you beforehand.**

**26 So if they say to you, Behold, He is in the wilderness (desert)—do not go out there; if they tell you, Behold, He is in the secret places *or* inner rooms—do not believe it.**

**27 For just as the lightning flashes from the east and shines *and* is seen as far as the west, so will the coming of the Son of Man be.**

**28 Wherever there is a fallen body (a corpse), there the vultures (or eagles) will flock together.**

**29 Immediately after the tribulation of those days the sun will be darkened, and the moon will not shed its light, and the stars will fall from the sky, and the powers of the heavens will be shaken.**

**30 Then the sign of the Son of Man will appear in the sky, and then all the tribes of the earth will mourn *and* beat their breasts *and* lament in anguish, and they will see the Son of Man coming on the clouds of heaven with power and great glory [in brilliancy and splendor].**

**31 And He will send out His angels with a loud trumpet call, and they will gather His elect (His chosen ones) from the four winds, [even] from one end of the universe to the other.**

**32 From the fig tree learn this lesson: as soon as its young shoots become soft and tender and it puts out its leaves, you know of a surety that summer is near.**

**33 So also when you see these signs, all taken together, coming to pass, you may know of a surety that He is near, at the very doors.**

**34 Truly I tell you, this generation (the whole multitude of people living at the same time, in a definite, given period) will not pass away till all these things taken together take place.**

**35 Sky and earth will pass away, but My words will not pass away.**

**36 But of that [exact] day and hour no one knows, not even the angels of heaven, nor the Son, but only the Father.**

**37 As were the days of Noah, so will be the coming of the Son of Man.**

**38 For just as in those days before the flood they were eating and drinking, [men] marrying and [women] being given in marriage, until the [very] day when Noah went into the ark,**

**39 And they did not know *or* understand until the flood came and swept them all away—so will be the coming of the Son of Man.**

**40 At that time two men will be in the field; one will be taken, and one will be left.**

**41 Two women will be grinding at the hand mill; one will be taken, and one will be left.**

**42 Watch therefore [give strict attention, be cautious and active], for you do not know in what kind of a day [whether a near or remote one] your Lord is coming.**

I sat on the rock next to Yahshua when he said these things to his followers. I watched the look on their faces when they then understood of the how and what that Yahshua spoke of. I saw them as they went away with shock and wondering if they would see it, but as one asked another, what was it like in the days of Noah? Well, what was going on?

See, when Noah was in his 600<sup>th</sup> year, he already had three sons, Shem, Ham, and Japheth. They as a family were perfect before YHVH, because they had not been corrupted by the 200 Watchers. So, when the order came down from Heaven to build the ark, the essence of the human race had already been corrupted by these 200 Watchers. Their curse was they were to be chained in the lowest part of hell, Tartarus, where the river Styx runs. They are to be there until the day of the Great Judgment, and only they are there.

When the Giants died in those days, their spirits left their bodies, and they roamed the earth until they found a place to live inside a host once more. From the body they came, to a body they will seek to once again live. There is no escaping this, they are here among the humans on the earth, and they will remain until the last day.

But what happened next was at least for the Humans, who are to be ruling over the earth, but Gadrael was given that from Adam, and now runs the earth completely. This is his domain, his authority, and his jurisdiction. What happened was great destruction over all the earth. Why all the earth you ask? Because there were giants all over the earth. What was about to happen was a major change on the earth.

Before this time, marriage was a simple thing. There were no human laws concerning marriage. A man would make an agreement with the woman's father, and it was done. Remember, there was no laws yet. Marriage itself wasn't the problem, it was all about the giants marrying the daughters of the human race, and producing giants, some taller than trees.

Destruction was coming, and it all goes, all the way back to creation. On the 4<sup>th</sup> day, the Creator created the great light, the sun, and the lesser light, the stars. During this time, there were planets being formed, stars being born, and stars dying. There was a period of time before day 4 that there were to sun and stars, thus no time or time restraints. There were no sunrises and no sunsets as the humans see them now. One day, those two will all go away, and the light from the Creator will be their light.

There was this huge object that orbited the sun, that showed up in Noah's 600<sup>th</sup> year, and during that year, many things began to change. There was no rain falling from the sky, but they all knew of the canopy of water high in the sky that circled the planet. Dew formed every morning from the ground and watered everything for the day, and the fruits and grains were nourished by the dew.

But this object came closer and closer to the planet, and the earth tilted some, which through off the water in the seas, as they began to shush back and forth, the Animals were just placed into the ark, and the Creator closed the door from the outside, locking all the animals and Noah, his wife, their three sons and their wives inside. That is when it happened.

There was great earthquakes, some shook the entire planet, as the ground broke apart, and split apart, in seven places. Water came up from the ground from underground rivers and lakes, and then this object came so close, there were lightning strikes, back and forth, as wide as some valleys, and the rain began to fall, as everyone close to the ark stared pounding on the doors to let them in, but the doors never opened.

Then there was the water rising on the earth, and the water falling upon the earth, and that canopy above came crashing down. The entire land mass broke apart, the water fell from the sky for 40 days and 40 nights, and it rose over anything and everything on the earth. It took 150 days to have everything come back to normal once again.

This object came towards the sun, went around the sun, and then went away from the sun, thus 150 days. It started on the 2<sup>nd</sup> month, the 17<sup>th</sup> day, or Iyar 17, (May 25), and finished on 7<sup>th</sup> month 17<sup>th</sup> day, (October 19), 150 days. (Genesis 7:11, and Genesis 8:13) 320 total days in the ark.

The Giants that were on the earth, tens of thousands of them all died, and all the large land creatures died as well. The large birds and sea creatures remained, however and began to die off over the next few centuries. The Whales, and sharks, some squid and octopuses remained but hid in the deep until the time of Job.

This is what happened in the Days of Noah, and this is what the Messiah was referring to. Not so much as there being giants, but as the days of Noah was, the changing of the essence of mankind, you call it the very life substance, DNA, (DeoxyriboNucleic Acid). The Creator destroyed his creation because of all the corruptness, and he started all over again with Noah's family.

It took man 4800 years to begin to do it all over again, this time through what is known as synthetic drugs, shots, and vaccines, and now in the last days that the Messiah was referring to, here we are, doing it all over again, and forcing it upon people. As Alexandra the Great kept repeating a lie, then his people believed that lie, along with others, like Hitler, Stalin, Xi, and others today, their followers will always follow the lie.

What was it the Messiah said, "If you hear them say, he is over here or over there, do not go, for they are liars. Ezekiel 46:1 says, **Thus saith the Elohim YHVH, the gate to the inner court that looks toward the east shall be shut the six working days, but on the Sabbath it shall be opened, and in the day of the New Moon it shall be opened.**

In that day, there will meet many that hear a teaching that sounds so good, even spiritual. But do you not know that all humans are created with a spirit inside of them, it is the breath of the Creator, and thus, everything we say is spiritual.

But beware, there is still a bloodline out there from Nimrod's blood, that is not quite the same as yours. There are the ones that sit next to you in your churches, in school, at work, they are of the ones Enoch warned you about, these are the ones that have that evil spirit inside of them, they are of the evil one, they have looked and found a house clean and swept, and made their inhabitation in, and will not leave, because from a human body they came from, and a human body they look for, for these are the spirits of the Giants in Noah's day, making a return to the planet through genetics.

As Yahshua sat upon the Mount of Olives, look down upon Jerusalem that day, he thought to himself, one day I will return here, with many enemies to me, against me. They will prepare for my return and be ready to wage war.

**Revelation 19:17-21**  
**Amplified Bible, Classic Edition**

**17 Then I saw a single angel stationed in the sun's light, and with a mighty voice he shouted to all the birds that fly across the sky, Come, gather yourselves together for the great supper of God,**

**18 That you may feast on the flesh of rulers, the flesh of generals *and* captains, the flesh of powerful *and* mighty men, the flesh of horses and their riders, and the flesh of all humanity, both free and slave, both small and great!**

**19 Then I saw the beast and the rulers *and* leaders of the earth with their troops mustered to go into battle *and* make war against Him Who is mounted on the horse and against His troops.**

**20 And the beast was seized *and* overpowered, and with him the false prophet who in his presence had worked wonders *and* performed miracles by which he led astray those who had accepted *or* permitted to be placed upon them the stamp (mark) of the beast and those who paid homage *and* gave divine honors to his statue. Both of them were hurled alive into the fiery lake that burns *and* blazes with brimstone.**

**21 And the rest were killed with the sword that issues from the mouth of Him Who is mounted on the horse, and all the birds fed ravenously *and* glutted themselves with their flesh.**

So, a warning to all that read this, take note to what your Messiah has said, and if you hear someone, anyone who speaks of a different doctrine than what Messiah spoke about, then he is a liar and there is no good thing in him. Take note that all liars will have their place in the Lake of Fire.

**Jeremiah 14:13-16**  
**Amplified Bible, Classic Edition**

**13 Then said I, Alas, Lord God! Behold, the [false] prophets say to them, You will not see the sword, nor will you have famine; but I [the Lord] will give you assured peace (peace that lasts, the peace of truth) in this place.**

**14 Then the Lord said to me, The [false] prophets prophesy lies in My name. I sent them not, neither have I commanded them, nor have I spoken to them. They prophesy to you a false *or* pretended vision, a worthless divination [conjuring or practicing magic, trying to call forth the responses supposed to be given by idols], and the deceit of their own minds.**

**15 Therefore thus says the Lord concerning the [false] prophets who prophesy in My name—although I did not send them—and who say, Sword and famine shall not be in this land: By sword and famine shall those prophets be consumed.**

**16 And the people to whom they prophesy shall be cast out in the streets of Jerusalem, victims of famine and sword; and they shall have none to bury them—they, their wives, their sons, and their daughters. For I will pour out their wickedness upon them [and not on their false teachers only, for the people could not have been deceived except by their own consent].**

I, Gabriel, a high servant of YHVH, as the lead angel known as one of the seven archangels that rule in the universe, deliver a message to you, that you may be

informed, and ready. Just as I gave the message to Mary, a 16-year-old virgin in her day of the coming of the Messiah, now I give you a message that this Messiah is coming once again, not as a baby, but as a warrior, a King with none above him, as a Prince of peace, who will take away all that is evil in his kingdom.

He is a deliverer, to those who are imprisoned, and he is a healer, to those who are sick and broken hearted. He is returning very soon, for the 7<sup>th</sup> day is upon you, and He is the same as he was in Noah's Day, with right justice, and right judgment. Be ready, He cometh, to judge, and to deny entry into his Kingdom to all that oppress, kill, steal and lie, but allow access to those who bow and worship Him and His Name, and is covered by his Blood.

**CHANGING LANES, HOUSES, & CLOTHES**

I've had many messages in the last week from people sharing with me their dreams that have similar threads. Changing lanes, new cars, moving houses, and changing clothes. Moving house can represent the change of alignments and covering, as well as kingdom relocation. Dreams of changing clothes or a new coat can represent the changing and upgrading of mantles, and changing lanes represents merging into a new arena, metron, and/or operational status. I want to share just a few points that are significant for this kairos season.

We are in a season where God is upgrading what you carry. There are five-fold ministers that are moving into another grace for a new assignment, but if you aren't aware of it you'll be confused, frustrated, and wonder why the grace seems to be lifting on what you are doing. In God it is always from GLORY TO GLORY, He never subtracts, only multiplies.

The birthing of new assignments is messy because like a baby it doesn't come with a manual, just a sudden deep groaning passion that you don't always know how to nurture, steward, feed, or what to do with it. It defies all comfort and forces you to live beyond the safe and secure place you once were in. Assignments move you, so if you have received it from the Lord, don't fret, He is walking this out with you.

There has also been an increased awareness of the MORE of the Lord recently which has caused many to get hungry and pray crazy radical prayers which is shifting them into a season of personal revival and the birthing of new mandates. This hunger is stirring up a generation to seek Gods face and life changing and history shaking encounters are happening right now that is creating swells in the spirit that can only lead to a mighty outpouring of His presence. People are waking up branded by the Glory and selling all, laying down all, for the pearl in the field.

The dissatisfaction many have felt is the prompting of the Holy Spirit to move out of the place you have camped and to embark on the new adventure awaiting you. As the old Chinese proverb says "dissatisfaction is the mother of progress", so to does God kindle a holy dissatisfaction in us to cause us to not just move but to dig down deep and bring forth what He is planted within us. Kingdom innovation and extraordinary exploits come from the place of feeling dissatisfied, and so if you have felt this way ask the Lord what He is wanting you to see right now.

Do you feel raw right now and don't know why? This is a season where God is calling you to discover the depths of your purpose and destiny. The enemy has sought to keep you caged and trapped in the place where all you see and surround yourself with are the distraction of endless cycles, warfare, and struggle that prevent you from seeing the bigger picture and what you were born for. You may be feeling stuck, stale, and stagnant but right now he is awakening your purpose, stirring up unfulfilled dreams, and putting a new coat on your back and declaring this is your season to ARISE!

**Probably the greatest prayer leader in the world today is Dutch Sheets.**

**This is Dutch and his brother Tim Sheets from Tims new book "Come Home."**

The following is from Come Home, a wonderful book written by my brother Tim Sheets, and his daughter Rachel Shafer. They share amazing revelation found in the story of the prodigal son, including something I'm quite sure you've never heard.

### **The God Hug**

"There is a wind of Holy Spirit on this amazing parable of the prodigal son as if it's being freshly told to us. It's prophesying, I believe, into our moment right now, a phase of our Kingdom's movement in this era. Jesus tells His disciples:

***'A man had two sons. The younger son told his father, "I want my share of your estate now before you die." So, his father agreed to divide his wealth between his sons.***

***'A few days later, this younger son packed all his belongings and moved to a distant land, and there he wasted all his money in wild living. About the time his money ran out, a great famine swept over the land, and he began to starve. He persuaded a local farmer to hire him, and the man sent him into his fields to feed the pigs. The young man became so hungry that even the pods he was feeding the pigs looked good to him. But no one gave him anything.***

***'When he finally came to his senses, he said to himself, "At home, even the hired servants have food enough to spare, and here I am dying of hunger! I will go home to my father and say, 'Father, I have sinned against both heaven and you, and I am no longer worthy of being called your son. Please take me on as a hired servant.'"***

***'So he returned home to his father. And while he was still a long way off, his father saw him coming. Filled with love and compassion, he ran to his son, embraced him, and kissed him. His son said to him, "Father, I have sinned against both heaven and you, and I am no longer worthy of being called your son."***

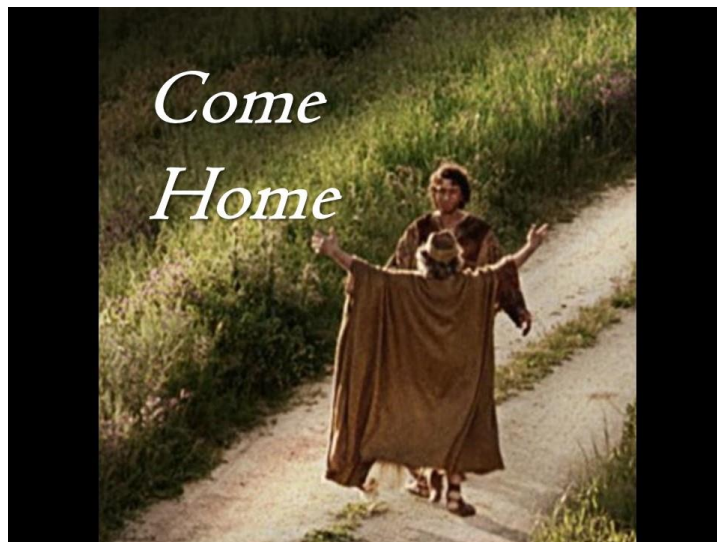

***'But his father said to the servants, "Quick! Bring the finest robe in the house and put it on him. Get a ring for his finger and sandals for his feet. And kill the calf we have been fattening. We must celebrate with a feast, for this son of mine was dead and has now returned to life. He was lost, but now he is found." So the party began.***

***'Meanwhile, the older son was in the fields working. When he returned home, he heard music and dancing in the house, and he asked one of the servants***

***what was going on. "Your brother is back," he was told, "and your father has killed the fattened calf. We are celebrating because of his safe return."***

***'The older brother was angry and wouldn't go in. His father came out and begged him, but he replied, "All these years, I've slaved for you and never once refused to do a single thing you told me to. And in all that time, you never gave me even one young goat for a feast with my friends. Yet when this son of yours comes back after squandering your money on prostitutes, you celebrate by killing the fattened calf!'"***

***'His father said to him, "Look, dear son, you have always stayed by me, and everything I have is yours. We had to celebrate this happy day. For your brother was dead and has come back to life! He was lost, but now he is found!" (Luke 15:11-32 NLT)'***

"In this magnificent depiction of Father God's heart, Jesus tells us that when the father saw his lost son off in the distance, he ran to him. He didn't walk or stroll; he ran. The father was looking for his son to return. He was anticipating it, and when he saw him, he ran to him. It's the only time Christ ever depicts Father God as running.

"The great God of Heaven and Earth is not depicted here as sitting on the throne of the universe ruling and reigning, though most certainly He does. He is not depicted as standing before billions of angels and giving them orders, though He does. He is not depicted as riding a chariot of fire as the most awesome conquering warrior in all of time and eternity, though He is. He is not depicted as the great I Am leading people in great awesome deliverance and promised inheritance, though He is. He is portrayed as Father God, filled with unconditional love, running to welcome a lost child home.

"There could be no greater or more graphic portrayal than the one Jesus gives us here. Religion and pharisaical ideas have portrayed Father God in a completely different way.

**"Religion says: 'I messed up; my dad is going to kill me!'"**

**"Sonship says: 'I messed up; I need to call my dad.'"**

### **God Is Running**

"We are moving into an amazing era, and the world is going to see Father God run with a divine purpose: to bring lost sons and daughters home; to restore them, clean them up, and put new clothes on them. This is a present campaign being launched now by Holy Spirit.

"In Luke 15:20 (KJV), Jesus used a word we need to focus on because it speaks to another awesome aspect of this campaign. He tells us that when the father saw his lost child coming, he ran to him and 'fell on his neck,' kissing him.

"Fell on his neck," as King James puts it, is the Greek word *epiipto*. (1) It would ring in the hearts of these disciples for the rest of their lives, becoming a common word in the early church. Its understanding gives such great hope. *Epiipto* means 'to embrace someone in love, to hug someone in love, or to hug someone you love.' *Epiipto* was called the 'love embrace.'

### **Loving The Unclean**

"In Acts 10:44, Peter was at Cornelius's house. Remember, Cornelius was a Gentile. He was Italian. The Jews had no dealings with Gentiles. They were prejudiced against them, considered them 'unclean,' and wouldn't eat with or fellowship with them. Peter, at first, had refused to go to this home.

"Then Holy Spirit gave Peter a vision in which he saw a sheet come down out of Heaven with all sorts of 'unclean' animals on it. Holy Spirit said, '*Rise and eat.*' But Peter said, '***I'm not going to do that; they are unclean.***' But Holy Spirit said, '***Don't you call common or unclean what I have cleaned.***' Through this vision and Holy Spirit's admonition, Peter was willing to go to the home of Cornelius and declare the Gospel of Jesus Christ to them.

### **The Holy Spirit Hug**

"We are told that while Peter was doing so, Holy Spirit fell on them. 'Fell on them' is the word *epiipto*. Same word. While Peter was talking to them, God suddenly reached out in love and embraced these 'unclean' people. As they received the Gospel of Jesus Christ, Holy Spirit hugged them. It was a baptism of love upon people who, up until that point, were considered to be unclean - nobodies, low-lives.

"Because of this 'hug,' Gentiles like us were welcomed into Christianity, which changed the course of history.

"Peter said, '*It has happened to them just like it happened to us*' (Acts 11:15), a reference to Pentecost. What happened at Pentecost to Peter and those who had gathered in the Upper Room had now happened to the people of the house of Cornelius."

## My Words

And God is going to embrace millions in the hour with His healing hugs. I believe your prodigal will be one of them. Pick up a copy of this wonderful book and allow it to help you pray this into fruition.

Tomorrow, I am going to finish this short series on praying for prodigals and the unsaved with a post I have written. I share two stories to let you know just how much God loves them. NEVER underestimate His love and grace. The testimonies will inspire and encourage you.

### Prayer and Decrees:

1. I decree Father is running to our sons and daughters.
2. I declare a release of God's love on this generation, reclaiming and redeeming what the enemy has tried to lock up.
3. I decree that 'God hugs' are being released to prodigals, as well as those who have never known the Lord.
4. I decree the steadfast love of the Lord never ceases; His mercies are new every morning.
5. I decree that as 'God's hugs' are released, bruises the enemy has inflicted are removed and healed - spirit, soul, and body.
6. I decree that the rich and pure love of God is reaching into our prodigals' innermost beings, healing them and restoring God's original intention for their lives.
7. I decree that God never ceases to gently and tenderly call my prodigal home.
8. I decree that one touch from the Father changes everything."(2)

### The Wall

Ever since reading *Caesar's Gallic Wars* in Latin class during High School, I have been fascinated by all aspects of Roman life and history. The architectural marvels they constructed, the monumental aqueducts, the magnificent road system, the Colosseum, and the Pantheon, among many others, are amazing to me. However, one structure that has captured my imagination perhaps more than the rest is Hadrian's wall.

Hadrian's Wall (remnants pictured above), located in northern England, spans the entire width of the island from east to west – a distance of 73 miles. Constructed by order of Roman Emperor Hadrian in 122 A.D. to separate Roman Britain from the Barbarian territories in Scotland, it required 15,000 legionnaires more than six years to complete. This stone and earthen wall was built 10 feet thick and 15 feet high, with 10-foot-deep ditches in front of it and behind it. It was secured by 14 forts along its length, each housing 600 men, and was further fortified by mile castles, operated by between 12 and 20 men, as well as additional guard towers every third of a mile. Wow! This wall was indeed formidable! Not only did it provide defense, but it also served as a means of restricting immigration into and out of Roman territory.

Walls come in a myriad of shapes and sizes, heights, thicknesses, lengths, construction methods and materials, and they have been a feature of civilization for millennia, even before President Trump proposed one for the southern border of the United States. Ancient Assyrians employed them as did the Chinese and other cultures. They served as protective barriers for the cities of Jerusalem, Jericho, Babylon, and countless others. Kings during the Middle Ages fortified their private castles with walls. Why, even Joe Biden has a wall around his beach house in Delaware! So does Mar a Largo. The point is, walls work! They are designed to keep unwanted individuals **out** as well as for keeping populations and individuals **in**, separated from the outside world.

### **The Story**

The Lord recently brought to mind a much different type of wall, and consequently, other walls with which I have had to contend. A number of years ago a particularly insightful book came into my possession. Written by Gloria Jay Evans and published by Word Incorporated ©1977, **The Wall** is a parable. The Kindle description of the book was especially well done in my estimation. It reads, "The Wall is the story of an incident or a lifetime. It is one woman's dilemma or the dilemma of all mankind. The Wall is a modern parable about what happens when we surround ourselves with

protective walls of our own making - we shut ourselves in and deprive ourselves of light and love and fellowship. We can build walls so high we can't get out - at least not without help. But there is help, help that sometimes comes in ways we don't expect... The Wall is a very wise little story about people and God and relationship. Read it, lend it to a friend, give it as a gift. The Wall is sure to make you think and to lift your heart!"

The woman in the story doesn't remember when she began to build her wall. She built it as a sort of protection - you know, to keep people out of her life. It started very small, but over time she found it necessary to increase its height again and again. Over time she became so absorbed in her wall that she found little time for anything else. She continually searched her life for new and different stones, and she found stones that she didn't even know she had.

One day she realized she was all alone. Her world was quiet, so very quiet, and she was in darkness. Then it happened, a flower fell at her feet. **Someone had tossed a flower over her tall, ugly wall!** She picked it up and began looking at its perfection and began to see the folly of her wall and its imperfection. A "Blessed Presence" came over her and hope sprang up in her heart.

As the story progresses, the Blessed Presence begins to show the woman her error and give the stones names - jealousy, resentment, stubbornness, pride.... If they are to be removed, it is she who would have to remove them, but He would help. As the stones begin to be removed, light enters in, and she begins to see out. Eventually, she is able to step outside her wall and encounters others who had built their own walls in the past or who are currently in the building process. She desperately wants to tell them of the Blessed Presence and of His ability to help them too, but no one will listen.

The Blessed Presence encourages the woman to remember the flower that fell at her feet and to remember other individuals who had attempted to reach out to help her in her misery. He then says, "Go and do likewise, for to whom much is given, much is expected." However, none will listen to her pleadings in wanting to help them, that is until that day she finds a little flower growing at her feet, plucks it and throws it over someone's wall. You can envision the rest of the story.

### **Flower Throwers**

Is not this the ministry to which the Lord has called each of us? - that of throwing flowers over walls of despair, resentment, pride, selfishness, rejection, fear, torment, and others? Does not each one of us have walls in various stages of construction or yet remain in our own life? Do we not at times need the intervention of someone who has

felt the Blessed Presence? Do we, who ourselves have felt that Blessed Presence in our own circumstances, not yearn to share His love and compassion with others also?

How then are we to minister to such "wall builders"? It is **not** by telling them they are sinners and going to Hell. If they are, they likely already know that. It is **not** by telling them their wall is ugly. They know that as well. It is **not** by preaching to them or demanding they change their lifestyle. It is by showing forth love in action of that Blessed Presence. It is the goodness of God which draws men to repentance, and it is that very goodness which we are to show forth, **not** judgment or condemnation.

### **Captain America**

I must share the story of our two neighbors, one on either side of us in our little town. Basically, they hated each other and were not too inclined toward us either. When we set out to build a wooden privacy fence around our property (yes, a wall!) - to keep the rabbits out of our garden, the one neighbor verbally attacked our contractor for daring to put a stake into his yard to steady the fence post as the concrete was setting. Since the other neighbor had recently had his property surveyed, we were certain of where our own property line was located, so we knew without doubt that the fence would be within our boundary. We decided, well, we can either fight with him or we can simply cede him some of our ground and proceed with the fence. We chose to do the latter.

At one point, the Lord gave me the idea to have this neighbor, "Captain America" (I call him that because of his big Harley Davidson motorcycle and his long hair), help me to verify the property lines on our own yard. As he agreed, I handed him one end of the tape measure as I took the other end. We started at the other neighbor's marked property line and proceeded to measure out 75 feet to the far other side of our property. As Captain America stretched forth the tape to the 75-foot mark, he suddenly realized he was now well past our fence line and onto what he had hitherto thought to be his own property. I said nothing. There was no need. His attitude changed immediately and forever.

Since that time, I choose to blow the snow off both neighbors' walkways during every winter storm. On occasion, I will mow both of their lawns, and you know, we really couldn't ask for better neighbors. ***Sometimes ya just gotta love 'em to life!*** We threw flowers over both of their walls, and the Blessed Presence did His perfect work.

## The Charge

Jeremiah 1:9-10 presents God's charge to the prophet, but I would contend that it is a charge to each of us as well: **"...Behold, I have put My words in your mouth. See, I have this day set you over the nations and over the kingdoms, to root out and to pull down, to destroy and to throw down, to build and to plant."**

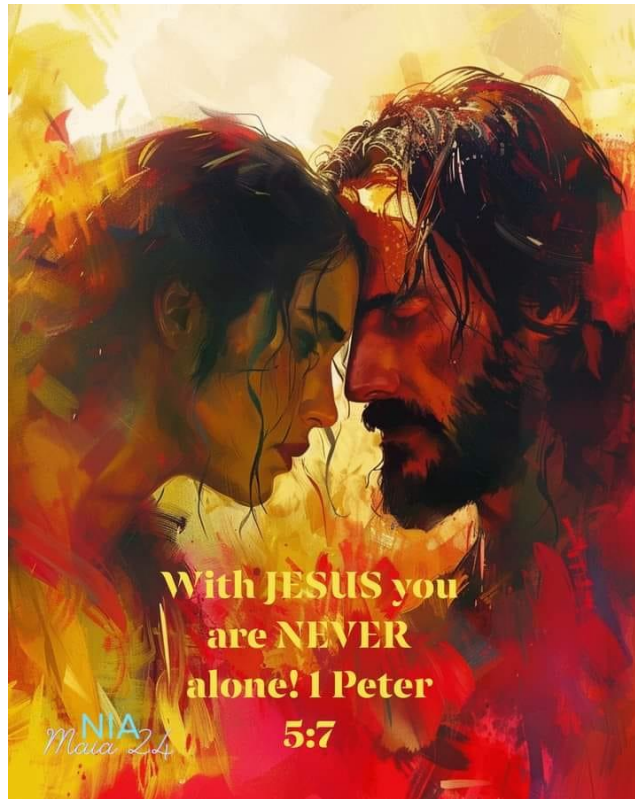

We are to be those individuals who root out, pull down, destroy and throw down walls of separation between individuals and God, then to build and to plant into their lives the love of Yeshua and seeds of righteousness. We are likewise called to be ministers of reconciliation and to be light and salt in the earth. We are not called to be judges, jury members or any such thing. We are called to be lovers of God and lovers of people.

We must understand why people build walls. Walls are built for defensive purposes. Some individuals have been terribly hurt or embarrassed in the past and don't want to suffer ever again, so they build a wall. Some feel totally inadequate when comparing themselves to others, so they build a wall of protection. Others build walls in pride of their supposed "spirituality" or their intellect or whatever. We ourselves may build walls around others simply because they belong to a different political party than we do! All this is so very sad. We are called to love people the way Yeshua would love them. We may not agree with them or with their opinions or lifestyle, but we must love them to life. It has been said, "God loves them just the way they are, but too much to let them remain that way." He will do the perfecting in their lives after their walls come down.

As we ask of Him, God will show us the most effectual ways to toss flowers over walls as we encounter them. It will likely differ in every given situation. It may be by prayer and anointing with biblical oils according to James 5:14. It may be by baking cookies or by mowing their lawn. It may be by just making the time to listen and showing a degree of compassion and understanding to the hurting individual. God knows the best way, and He will show it to those of us who truly seek to be flower throwers. Let us purpose to show forth His love, begin to throw flowers, and then watch what great things His Blessed Presence will do as a result!

**Blessed are desperate for they will tear the roof off if and when necessary. They will push through the crowd. They won't be offended for even the dogs eat the crumbs. They will gladly give up dignity for an encounter with deity even if it means climbing up a tree. They will break barriers! They will lie in the dirt or jump in a lake. They will not argue about what God does or How he does it even when he tells you to put mud in your eyes. They are desperate for that encounter with the power of Almighty God.**

When the lepers reached a place where they knew it is either 'do or die', they began the march to the Assyrians camp. That is when a miracle met them on the way. When the Caananite woman reached her end, she refused to take offense at the inference of being a dog and pressed on to demand her miracle. Desperate people don't care what you call them, they are seeking something they want and need. When the four friends became desperate enough, they tore the roof of the house Jesus was ministering in and lowered their friend for a miracle. When the woman with the issue of blood got desperate, she did not care what the protocol of the day was, she pressed in through the crowd, crawled if she had too just to get to Jesus.

So right now, I want to take this moment and speak to those who have reached the state of desperation beyond maintaining those religious looks; to those who are ready to lift up the loud cry just like Bartimaeus and don't care who is looking at them. Even when they say to be quiet, you get that much louder. I am speaking to those that are extreme. They may call us radical, but we are going to get to Jesus. Something is about to shift!

I speak to every obstacle on your path to get out of the way in Jesus name; I rebuke every satanic agent to be cut down, let every wicked spirit on assignment to your life be arrested and cast into the pit of darkness. Let your status begin to change by the fire of God today! When your prayers are fueled by desperation, there is nothing Heaven won't move out of the way to deliver!

Blessed are the desperate for they will do whatever it takes to get what God has promised them.

### **The Trumpet by Bill Burns**

This is a time when the rulers of darkness will attack us to get us off of our divine path. Distractions will come, so we must fight the good fight of faith and keep our God connection alive. **Ephesians 6:11 Put on the whole armor of God, that you may be able to stand against the wiles of the devil.**

### **Small Straws In A Soft Wind by Marsha Burns**

You are about to shift from what you deemed important, or even vital, to a value system that reflects spiritual reality more completely. The shift will be subtle enough that you might not be aware of it until some time passes. You are receiving spiritual training through the things you suffer. Do not lose your balance in this time, says the Lord. **Hebrews 5:8 Though He was a Son, yet He learned obedience by the things which He suffered.**

**Kim Potter: "Storms That Unearth Treasures"  
A Long-Awaited Treasure**

I once read an article about the effects of Hurricane Matthew. While reading, I came across another interesting article. The title was something like *Treasures Found*. As I continued to read, it said a man had found a huge shark tooth that washed up during this horrible storm, a treasure he had searched for all his life.

As I read the article, God said to me, **"Some treasures are only unearthed during the most violent storms."** I hid this statement in my heart for a few weeks, knowing God was going to show me more.

**What Came after the First Storm?**

One weekend I was talking with a friend who had just come through a very difficult time fighting a disease in her body. Amid our conversation, she said, "This has been the worst battle of my life." She went on to say, "Twenty-three years ago I went through a hard battle, one I thought was the most difficult one of my life, and it was... until now." Suddenly that phrase concerning Hurricane Matthew came to my mind.

**I said to her, "What came AFTER that first storm?"**

She thought for a moment, then responded, "Well, before the storm I worked for a factory. Then, I was bedridden for four and a half years. After I got out of bed, something had changed in me, and I went back to college and got my degree in accounting."

Aha! I shared with her what the Lord had said to me, to which she replied, "Yes! God unearthed a gift of an accountant in me after that storm!"

Then I asked, "How long did that gift sustain you?"

She said, "Up until now." To which I replied, "Okay, so you have just gone through another storm, one greater than the last; **can you just imagine what God will unearth in you during this storm?** And can you imagine how long the treasure He will unearth in you will sustain you this time?"

## **Treasures Unearthed by Violent Storms**

Now, let's look back at what God said: Some treasures are only unearthed by violent storms.

In ancient times, it was customary for men to hide their treasures in the earth. When they needed them, or wanted them, they had to dig them up. However, when great storms came across their land, it would often unearth their treasures, revealing and exposing them for all to see.

**2 Corinthians 4:6–10 says, "For it is the God who commanded light to shine out of darkness, who has shone in our hearts to give the light of the knowledge of the glory of God in the face of Jesus Christ. But we have this treasure in earthen vessels, that the excellence of the power may be of God and not of us. We are hard-pressed on every side, yet not crushed; we are perplexed, but not in despair; persecuted, but not forsaken; struck down, but not destroyed – always carrying about in the body the dying of the Lord Jesus, that the life of Jesus also may be manifested in our body."**

**Do you realize that you have treasures inside of you? Do you realize there are treasures and gifts within you that may only be unearthed during storms?**

I think about Kenneth Hagin, who was bedridden and not expected to live past fifteen years of age. Now that was a violent storm he faced. Yet during his storm,

God unearthed a gift of healing within him that has blessed millions and continues to bless many. His legacy lives on today.

There is person after person who has gone through great storms and come out with even greater treasures. They have come out with a greater anointing. They have come out literally carrying the presence and power of God. I believe you can be one of those as well; I believe I can be one of those.

### **The Glory Revealed in Us**

Romans 8:18 says, **"For I reckon that the sufferings of this present time are not worthy to be compared with the glory which shall be revealed in us."**

What you are going through right now can't even compare to what God is going to do in you and through you!

I don't know what kind of storm you are facing today. Perhaps it feels like a hurricane. But this I do know: God can and will unearth treasures within you during this storm.

For the man in the article, it took strong winds, high waves, and destructive forces to unearth the treasure he had searched for his entire life. **His treasure was hidden deep, and it took a massive storm to reveal it.**

Your treasure is hidden deep within you as well; it may take strong winds, high waves, and seemingly destructive forces to unearth it.

For some people, their faith is washed away by storms. Some are destroyed by storms. And then there is the remnant – the people who hold tight to the anchor of their soul during the storm, ride it out, and gather the treasures unearthed, the treasures left behind after the storm. Lord Jesus, may I be one of those. There are some faith-full people who face the storm, walk through it, and allow the Anchor of their soul to unearth HIS great treasures within them. May I also be one of those.

God said, "Some treasures are only unearthed during the most violent storms." What treasures are being unearthed in you today?

**"THE JOY OF FAITHFULNESS"  
NANCY TAYLOR TATE, THURMONT, MD**

Hannah's prayer comes to mind as we enter all that lies ahead this year:

There had been times of sorrow in Hannah's life, but now there was a song of rejoicing as Hannah brought Samuel, the child given to her by the Lord, back to Him. Hannah had been barren, yet through prayer and the intervention of God, Samuel—the prophetic voice God would use in that generation—was birthed. His life and words continue to minister today.

God always has been faithful. Hannah, too, was found faithful. She brought Samuel to the temple just as she had promised God she would. Hannah's triumph goes beyond having conceived a son; she also fulfilled her promise to the Lord! After she brought Samuel to the temple, great joy flooded her heart as she worshiped the Lord our God.

May we, too, experience the joy of faithfulness in our lives. May we be found faithful with the things God has entrusted to us and all that He has called us to do. May we lean into Him and draw on His strength, that we might walk out our commitments in faith and love, growing in our understanding of God—who He is, His divine nature, and His plan.

**Revelation 17:14 speaks of those who are with the Lamb as being faithful: "These shall make war with the Lamb, and the Lamb shall overcome them: for He is Lord of lords, and King of kings: and they that are with Him are called, and chosen, and faithful."**

Jesus Christ, the Lamb of God, is victorious! Lasting joy is rooted in Him. We can have confidence in His salvation. Our glory is in knowing Him and becoming joined with Him, even as Jesus prayed we would in **John 17**.

**"And this is life eternal, that they might know Thee the only true God, and Jesus Christ, whom Thou hast sent." (John 17:3)**

**"I in them, and Thou in Me, that they may be made perfect in one; and that the world may know that Thou hast sent Me, and hast loved them, as Thou hast loved Me." (John 17:23)**

Regardless of past, present, or future circumstances, may we, in expectation and hope, be faithful where God has us. He is faithful. He looks for faithfulness in us. He rewards faithfulness (Matthew 25:21, 23)!

Let us align ourselves with Him! HE is our joy. Circumstances change; He is like a rock! May we rejoice in the Lord our God.

**Knowing the Greatness of God**

**By Theresa Rowe**

**"Then Jesus was led up by the Spirit into the wilderness to be tempted by the devil. And after fasting forty days and forty nights, he was hungry. And the tempter came and said to him, "If you are the Son of God, command these stones to become loaves of bread." But he answered, "It is written, 'Man shall not live by bread alone, but by every word that comes from the mouth of God'" (Matthew 4:1-4).**

The devil is using some slimy tactics in Matthew 4. He may have added, "Fresh baked loaves with honey and butter," appealing to his human need, while slipping in the slight, "If you are the Son of God." The Spirit placed our Lord in this position as an illustration for us to be prepared for struggles, challenges, and temptations. The devil doesn't fight fair and is at his slimiest when we are weakened and vulnerable. And most importantly, if the devil tempted Jesus, he would tempt good Bible-carrying Christians too!

Jesus was prepared for the devil and answered with the sword of the Spirit, the Word of God. The Word of God says it is written ... BAM! The Word wins because it is TRUTH! Whether fasting, or just trying to stay away from things that cause us to sin, it seems there's a chocolate cake on every corner, and we need to be in a right relationship with God to speak His truth to our temptations.

Fasting develops the discipline of self-denial, living without food for a period of time and denying our flesh. God's people have practiced this discipline in both the Old and New Testaments, being mentioned more than 70 times. Today, we hear of intermittent fasting for the purpose of weight management and to help with high cholesterol and chronic conditions. People who try this style of fasting agree, it is helping with weight loss and placing the body on a healthy track.

While weight loss and healthier living are awesome goals, Christian fasting offers experiencing the greatness of God. We want to draw close to God, and seek His face about our life, as we repent and humble ourselves in prayer. Fasting is biblical, holding the answer for many things we are searching for in life, including God's presence. Through reading scripture, we see the importance of fasting accompanied by prayer will produce God's presence, along with insight and direction.

Jesus taught his disciples the importance of proper fasting in **Matthew 6:16-18**, **"And when you fast, don't make it obvious, as the hypocrites do, for they try to look miserable and disheveled so people will admire them for their fasting. I tell you the truth, that is the only reward they will ever get. But when you fast, comb your hair and wash your face. Then no one will notice that you are fasting, except your Father, who knows what you do in private. And your Father, who sees everything, will reward you."**

We learn from Paul that living sacrificially is a personal and spiritual act of worship, denying oneself and becoming a holy, living sacrifice for Him.

**"I plead with you to give your bodies to God because of all he has done for you. Let them be a living and holy sacrifice — the kind he will find acceptable. This is truly the way to worship him" (Romans 12:1).**

Ask yourself, am I denying self for the sake of self, or do I have an insatiable appetite for the presence of God? We may lose weight from intermittent fasting, but will we experience the spiritual release from the weight of the world in the divine presence of God? Best results occur with a healthy balance of Spirit and flesh while fasting. After all, we are spirit, soul, and body, this side of heaven.

**“May your whole spirit, soul, and body be preserved blameless at the coming of our Lord Jesus” (1 Thessalonians 5:23).**

Fasting has been pivotal in biblical history, including many “supernatural” fasts. Only God can sustain a person through a forty-day fast. Yet, momentous revelation occurs when connected completely with God.

In Exodus 34:28, we find the first example of supernatural fasting when Moses spent time alone with the LORD atop Mount Sinai. “Moses remained there on the mountain with the LORD forty days and forty nights. In all that time he ate no bread and drank no water. And the Lord wrote the terms of the covenant — the Ten Commandments — on the stone tablets.”

Being with God changes everything, including our physical body. When Moses descended Mount Sinai to deliver the Ten Commandments to the people, his face radiated with the presence of the LORD.

What did Queen Esther do when her people faced certain death? She did not overthrow the King, or try to escape, she chose to fast and pray. She fasted and prayed to God for favor with her husband the King.

**Then Esther sent this reply to Mordecai: “Go and gather together all the Hebrews of Susa and fast for me. Do not eat or drink for three days, night or day. My maids and I will do the same. And then, though it is against the law, I will go in to see the king. If I must die, I must die.” So, Mordecai went away and did everything as Esther had ordered him” (Esther 4:15-17).**

Talk about tackling the problem straight on, FAST, PRAY, HUMBLE YOURSELF, REPENT, and SEEK GOD! If we want to unleash the power of God on our problems, fasting and prayer places the focus on Him, and in due time, He closes the spiritual gap, and changes us from the inside out!

We must stop discounting the details, God wants our whole worship!

In Luke 17, the disciples asked Jesus to increase their faith. Jesus reminded them it isn't about the size of their faith; it's always been about the greatness of God!

**OUR SPECIFIC PARTS IN KINGDOM LIFE NOW**

**Ron McGatlin**

In God's design, we are all created as individuals different from all others for specific purposes.

Each of us is unique by design and was never meant to all think or believe exactly alike. Though we may agree in Spirit, when examined to the core there are distinct differences in each of our hearts. This is God's order of design to carry out our purpose or part in His kingdom in this life.

**"There are diversities of gifts, but the same Spirit. There are differences of ministries, but the same Lord. And there are diversities of activities, but it is the same God who works all in all. But the manifestation of the Spirit is given to each one for the profit *of all*." 1 Corinthians 12: 4-8.**

**"For as the body is one and has many members, but all the members of that one body, being many, are one body, so also *is* Christ. For by one Spirit, we were all baptized into one body—whether Hebrews or Greeks, whether slaves or free—and have all been made to drink into one Spirit. For in fact the body is not one member but many." 1 Corinthians 12:12-14.**

God has provided for all needs of mankind and all things in His creation on Planet Earth. He also provides mankind with the ability to administer and care for all things as His agents for oversight or dominion.

God is concerned for all parts of mankind's life on earth, whether spirit, soul, or body. The same Holy Spirit Guides us in all fields of service and supply to meet the needs of mankind and the world around us.

Father God by the Holy Spirit uses different languages, melodies, rhythms, tones, and terms of speech to communicate truth with different empathies to speak to the unique purpose or calling of the individual.

## RELIGION AND NATURAL MINDS

All the thinking of natural unredeemed mankind is without the Holy Spirit and void of spiritual understanding and must interpret everything heard or seen only intellectually or with the influence of spirits of darkness.

**“These things we also speak, not in words which man’s wisdom teaches but which the Holy Spirit teaches, comparing spiritual things with spiritual. But the natural man does not receive the things of the Spirit of God, for they are foolishness to him; nor can he know *them*, because they are spiritually discerned.” 1 Corinthians 2:13-14.**

The mind of man without the Holy Spirit tends to think and believe that their interpretation is always right. If they knew it was not right and something else was right then they would change and believe that, and then they are again right in their own limited thinking.

**Similarly, all religious systems and denominations believe they are right, and if you believe differently, they believe you need to be taught. Religious systems that are not truly led by the Holy Spirit will also lean toward the human mind’s intellectual interpretations, along with the influence of spirits of darkness. (1 Timothy 4:1-2).**

This all leads to great division, separation, turmoil, and confusion. There is no natural human solution to this morbid condition of the world. The greatest natural minds and the most powerful artificial intelligence can never fix the world’s situation. All human efforts to fix it will only worsen it. It is like the old saying of putting the fox in charge of the hen house.

## GOD’S SPIRITUAL DISCERNMENT AND GUIDANCE

The greatest news ever is before us today. Over two thousand years the solution to the world’s issues was provided in the birth, life, death, and resurrection of Christ Jesus, Messiah, Lord, Savior, and King of the world.

For the past two millennia, Father God has been working on mankind to establish a people in Christ and Christ in them to release the full power and wisdom of Father God’s unchallenged rule of LOVE on earth as it is in heaven.

In this season there is for the first time a strong and increasing remnant of seed people abandoning the traditions of lukewarm religious systems and truly falling in love with God and seeking His kingdom now in this life. The kingdom of God is within His people affecting the world around them. The manifested presence of God is stirring the love of God in and around them changing the atmosphere to be as in heaven on earth.

Through the in-love relationship with God, wisdom enables the people of His kingdom to discern that which is really of God and that which is not. His guidance through the Holy Spirit provides specific strategies to navigate the situations of life in the world.

### **THE DEATH OF THE OLD AND THE RESURRECTION, (BIRTHING) OF THE NEW**

Many systems of life generated by mankind without the guidance of the Holy Spirit are unsound at the core and are not repairable. These must be reduced to ashes and new systems and ways of life from God raised up to bring forth the order of God as it is in heaven on earth.

Every person involved in life as it has been now at this time still has the opportunity to turn away from the past way of ungodly life without the Love and Wisdom of God. Even those who are called by His name but are yet entrapped in the old systems can now turn from the old ways to the pure love and guidance of Father God in Christ Jesus by the Holy Spirit.

Many will turn as they see the love life of God manifested in and with the remnant who are overcome and transformed by the all-consuming fire of the love of God. This is the great harvest.

Those who are truly saved but not willing to make the change will be taken to heaven prematurely.

No one will remain alive on earth who opposes the love and rule of God in and with His people. Nothing that man has built that is not of God will remain.

### **THE REMNANT IS THE SEED OF THE NEW WORLD**

Spirit Jesus is discerning and dividing the sheep and the goats. The sheep are those who have been in love with God and served Him by serving His people in whom Jesus lives. The true body of Christ Jesus on earth now.

The goats are the nations of people who are not in love with God and did not serve Jesus by serving His people.

**The sheep enter the fullness of the kingdom of God on earth as it is in heaven and the goats are sent to perdition. (Matthew 25:31-46).**

The new world is the kingdom of God on earth, the Garden of Eden lifestyle and order. The manifested Spirit Christ and Spirit Father God dwelling with mankind without the hindrances or damages of sin and death.

Natural mankind will be as one with God. There will no longer be a great transition or separation between the Spirit realm and the natural realm.

It is becoming as it was with Adam and Eve in the original Garden of Eden. They walked and spoke with God with no separation and no special preparation for entering the Spirit realm. The Spirit and the natural realms were one to them.

However, when sin entered, they were afraid of God and hid themselves. Then subsequently they were put out of the Garden and separated from the Spirit realm to abide only in the natural realm.

Now after two millennia of the provision for the restoration of the two realms as one, this is being revealed and believed by the remnant seed that are becoming one in love with God in Spirit and Truth.

Mankind is now entering the reality of walking in the Spirit realm with God as we are beginning to grasp the reality of **"LIVE IN THE SPIRIT AND WALK IN THE SPIRIT."**

**"If we live in the Spirit, let us also walk in the Spirit." Galatians 5:25.**

**"FRESH OIL IS BEING POURED OUT"**

**MADLINE JAMES, LEXINGTON, KY**

I laid down for a nap (March 20, 24), and found myself in a dream. In this dream, I was in a hallway in front of a bedroom door. In front of each bedroom door was a lantern hook that was holding a small container of oil on the end. I saw the Holy Spirit walking down the hallway, filling each container with oil.

After the Holy Spirit left, one of people next to me was not careful, and ended up spilling half of their oil. I tried to help them find the Holy Spirit so he could fill their oil back up. It was too late; the Holy Spirit had left. I went back and put my container of oil in a secure drawer to be used when the time was right.

As I prayed into this dream, I was reminded of the story of the ten virgins in Matthew 25. In the parable, five of the virgins were foolish and didn't have enough oil. When the foolish virgins went to buy more oil, they missed the coming of the bridegroom (Jesus). The other five virgins were wise and brought enough oil with them to wait for the coming of the bridegroom.

**Here are a few prophetic insights to take from my dream and the parable of the ten virgins:**

- 1. The virgins represent the Body of Christ. There will be those who will be foolish with their oil and misuse it for the wrong purposes.**
- 2. The container that holds the oil is a representation of your life. What is your life holding? The level of your oil is determined by your obedience and righteous living.**
- 3. In my dream, the oil the Holy Spirit poured into my container was clear. It represents the purity and cleansing the Holy Spirit is bringing to the Body of Christ. There can be no mixture in the oil we carry.**
- 4. In the dream, I had a sense this wasn't just any oil the Holy Spirit was pouring out; it was a particular oil for the hour and time we're in. It contains everything we need to overcome and be victorious in these last days.**
- 5. We must be careful not to miss the hour of our visitation (Luke 19:44).**
- 6. The Holy Spirit is pouring out refreshment and fresh oil over His people. To those who have been weary and tired, receive your new oil. It contains the strength, power, might, and wisdom you need.**
- 7. Fresh oil releases new insights, revelations, dreams, visions, encounters, and prophecies.**
- 8. Lastly, protect and guard the oil at all costs! Don't foolishly spend or spill your oil on fleeting things. Be careful who you give access to in your life. In this hour, as Jesus said, "...be wise as serpents and harmless as doves" (Matthew 10:16).**

### **ALL CREATION SHOUTS!**

**By Steve Loopstra, Director, Your servant in Christ Ministries**

In times like these when everything seems to be upside down, and turned around, it is important that we keep a proper perspective. Our perspective as believers in Yeshua, is that He is in control, and that He will one day usher in the completion of the redemption that He purchased on the cross. That redemption is more than just a redemption from our sins. I want to call your attention to a critical passage for our perspective in these days, and it's found in Romans chapter 8. You are familiar with this passage, but I want us to look at these verses, 16 to 25.

**Romans 8:16–25 (NLT) For his Spirit joins with our spirit to affirm that we are God's children. And since we are his children, we are his heirs. In fact, together with Christ we are heirs of God's glory. But if we are to share his glory, we must also share his suffering. Yet what we suffer now is nothing compared to the glory he will reveal to us later. For all creation is waiting eagerly for that future day when God will reveal who his children really are. Against its will, all creation was subjected to God's curse. But with eager hope, the creation looks forward to the day when it will join God's children in glorious freedom from death and decay. For we know that all creation has been groaning as in the pains of childbirth right up to the present time. And we believers also groan, even though we have the Holy Spirit within us as a foretaste of future glory, for we long for our bodies to be released from sin and suffering. We, too, wait with eager hope for the day when God will give us our full rights as his adopted children, including the new bodies he has promised us. We were given this hope when we were saved. (If we already**

**have something, we don't need to hope for it. But if we look forward to something we don't yet have, we must wait patiently and confidently.)**

This is a passage of hope. Yes, in this lifetime we will have to endure those things that cause us to groan. But the hope is that there is coming a time when we will share in His glory. The Apostle Paul tells us here that it is not just us who are groaning because of the weight of sin. Paul says, "ALL CREATION" is waiting eagerly for that future day. The creation looks forward to the day when it will join God's children in glorious freedom from death and decay! Maybe you have never thought of creation in this way. We don't have time to look at the whole of Psalm 148, but this is a Psalm that calls on all creatures, the mountains and trees and angels, and the armies of heaven and all the stars, and the sun and moon to praise the Lord! When God created all things, he created them with what I will simply call an "essence". All of creation is in a certain sense, "alive." Science today tells us that the sun, planets and stars, plants and all of creation has its own "voice" if you will, or frequency.

Now let me turn your attention to the book of the Revelation, and chapter 11,

**Revelation 11:15 (NLT) Then the seventh angel blew his trumpet, and there were loud voices shouting in heaven: "The world has now become the Kingdom of our Lord and of his Christ, and he will reign forever and ever."**

Listen, no matter what challenges you and I face in this life. No matter what the distressing circumstances of the world around us, for those who have placed their faith in the saving work of Yeshua, there is coming a day when all will be made right, and the kingdoms of this world will become the kingdoms of our God. Perspective. Lord, help us not to lose our perspective. Can you imagine what that is going to be like when there will be the loud shouting of voices in heaven? Well, that leads me to what I want to share with you.

Every morning, my wife and I have a time of worship. We have a whole list of worship songs on YouTube that we choose from. One morning not too long ago during our time of worship, I had what you might call a vision. It was not long, but it was very impactful for me. As we were in worship, it was like I had a front row seat as Yeshua, the Bridegroom had just entered the realms of heaven with His Bride. As Yeshua and His bride entered, at once there was a tremendous shout. But this was not just any shouting. At first, it was a shout of victory! It had been accomplished! The Bride of the Lamb was finally with her beloved! But there was more, because this shout did not just come from the saints that were now united with Him, or only the angels who attended this grand event, or not just all the creatures of heaven, but this shout was let out by all of creation! Everything, everything that the Lord God had created, all of creation was

a part of this great shout. The planets and galaxies, and every part of every dimension was lending its voice to this shout of triumph. And as I heard this amazing, overwhelming shout of triumph, there was what seemed to be like a gigantic sonic wave, created by all these voices that swept across all of heaven.

These words that I have tried to use to describe this shout of all creation fall so far short of what I saw and what I felt, but I felt in my spirit that this was the greatest and most powerful victory shout that has been or will ever be, and it was the joy of all of creation that now, everything is redeemed and restored to its original purpose and place, like the fulfillment of Romans 8, and Ecclesiastes 3 where everything is made beautiful in its time. And this was that time.

So, what is the takeaway from this? To me, it was a glimpse not at the details, but rather a glimpse of the truth that there is coming a day, friends when all things will be made right, all things will be restored to their original purpose. And God assures us in His Word that He will do this. That simply means that while I am here on this side of that victory, I need to keep my right perspective on the trials and the challenges and the difficulties of this life, and these times.

Some of us who are a part of this Republic call participate in some times of prayer where we taken into the heavenly realms and, for me, every time we do this, there is a truth that for me is an anchor point, a truth for me to return to where I can keep myself oriented and with the right perspective on my life. This. Was one of those anchor points from the Lord. He wants us not to get overwhelmed, or discouraged because He assure us that there is coming a time. It is coming, perhaps soon, when He will make all things right. And He shows us this for us to be strengthened in our faith, to trust in Him and not give up.

Whatever you may be going through, my friend, God is in control, and He will make all things right. Look to Him strengthen yourself, as David did, in the Lord, and keep your eyes on the future that He has in His hands. May the Lord encourage you and strengthen your faith in Him through these words. In Yeshua's Name. Amen.

**The Crucifixion of our LORD!**

**Pat Francis: The Message Of The Cross**

**“For Christ did not send me to baptize, but to preach the gospel - not with words of human wisdom, lest the cross of Christ be emptied of its power. For the message of the cross is foolishness to those who are perishing, but to us who are being saved it is the power of God.” (1 Cor. 1:18).**

The plan of the execution of Jesus Christ on the cross included: cruel beatings, torture, torment, shame, and death. Pilate ordered the torture of Jesus as a substitute for His murder to satisfy the hatred of the religious and political leaders. He hoped that they would be moved to compassion to spare the life of the innocent Jesus.

However, evil can drive its agents to the ultimate and then to their own destruction. The people roared with excitement at the sound and sight of His torture, shame, and death. The death of Jesus on the cross seemed like the death of a dream, but God was in control. The cross was a symbol of God’s power in action to satisfy the punishment for all the sins, failures, and shame of all people. His torture was to heal our sickness; His shame took the place of our guilt; His blood cleansed us from sins; and His death gave us eternal life.

Jesus went the way of the cross to secure our total freedom and eternal life with Him. This reminds us that whatever we may face in life, God is in control and working behind the scenes for a greater plan. In His care, all things shall work together for good for those who remain in faith and in His love.

**Kingdom Declaration:**

The cross took my sins, failures, and shame. I am free by the power of the cross.

**IN A DREAM I HEARD**

**DON'T GIVE UP THE BRIDEGROOM COMES**

Recently I had a dream in line with Luke 12:42-46

In the dream there were those in a house whose father was away, and they were losing heart and backsliding and becoming carnal.

It was as if unrighteous behavior was escalating just before his return even though they didn't know he was about to return. All of a sudden He came through the door with what looked like his hands full of shopping bags.

As he walked through the door it was a sudden shock, quite unexpected as if people were caught in the act.

It was as if he was the husband man and father all at the same time. As he crossed the threshold of the front door, the authority of His presence brought utter conviction and the fear of God to those who had fallen into unrighteous behavior. His return was unexpected and "sudden" which added to the feeling of shock and awe. His shopping were I believe provision for the hour to supply for "his house". The reward for the faithful.

### **GUARD AGAINST GROWING WEARY IN WELL DOING**

With this dream I felt it was a warning to His beloved to guard against growing weary while doing good. As it is sometimes at your most weariest moment you are vulnerable and tempted to give up and slip into carnality and abort faith. When you abort faith you enter into disobedience.

The scripture says in Luke 18: 7-8 (in the parable of the woman and the unjust judge) that He will protect and avenge his chosen ones who call upon him day and night and he will not delay or defer help on their behalf. He goes on to say in verse 8 that He will avenge and protect them speedily. But then he asks a question to those waiting to be avenged "when He comes will he find faith"?

Will He find those still in the space of belief or will He find a people unprepared that have given up in their hearts?

Because the state of giving up leads to unbelief and unbelief leads you into carnality of dead works.

## **Galatians 6:9**

**“And let us not lose heart and grow weary and faint in acting nobly and doing right, for in due time and at the appointed season we shall reap, if we do not loosen and relax our COURAGE and faint.”**

We need courage to remain in faith. Your heart needs to be strengthened and encouraged to remain courageous. Sometimes before He comes with the supply, whatever that looks like, it can look the most impossible and hopeless.

The devil cranks up his tactics because he knows if he can tempt you to give up in your heart and lose faith and belief then you won't reap at the appointed time.

There is an appointed time of reaping and according to this scripture in Luke 18:7 He will NOT delay.

If we look at the parable of Luke 12 we see that the servant thought his master had “delayed” then he lost the plot and walked in the fruits of the flesh.

The bible says without a vision the people perish. The word perish here means to lose self-control and cast-off restraint. We need to remain in vision (faith) and when we remain in vision we remain in hope that undergirds faith. Hope is what keeps the heart strong. Without hope you end up like a valley of dry bones.

**“Then He said to me, Son of man, these bones are the whole house of Israel. Behold, they say, Our bones are dried up and our hope is lost; we are completely cut off.”**

**Ezekiel 37:11 AMPC**

The house of Israel lost hope because they didn't listen to the prophetic word of God that keeps one alive.

2 Chronicles 20:20 says listen to the prophets and live. This means to keep your ear inclined to the voice of vision in your life and you will remain alive.

Paul tells Timothy to wage war on the prophetic words given to him.

Sometimes waging war looks like a choice not to give up.

Stand therefore in your faith. Get your emotions under control.

It is possible to give up and no one know you have. You can be like a whitewashed tomb going through the motions going to church every Sunday but dead inside.

The Lord is wanting to light your wick again so that you won't be found wanting in the hour of reward, but that you will be found in faith, in expectation for the avenger to bring recompense and justice.

As Luke 18:1 the parable of the woman and the unjust judge stipulates the message behind the parable.

In this life of injustice there are battles we engage in and journeys we embark on in order to aright wrongs. The Lord wants us to fight for our portion. He is not likening Himself as an unjust judge, but he is likening the persistence and endurance we need to overcome as that of the woman who met with injustice through this unjust judge. The Lord begins in the first verse revealing that persistence in prayer is the key to not falling asleep and giving up.

**“ALSO [Jesus] told them a parable to the effect that they ought always to pray and not to turn coward (faint, lose heart, and give up).” Luke 18:1 AMPC**

Prayer keeps your heart in courage as when you are in communication with the Lord He will always be speaking. When He speaks, His word is life and keeps your faith strong. To take courage means to give support, confidence or hope to someone. So, to remain in hope is very key to remaining in courage.

As soon as your heart becomes “dis - couraged” you look at the natural and that becomes your narrative and measuring line.

Discourage means: prevent or seek to prevent (something) by showing disapproval or creating difficulties. Or persuade (someone) against an action.

To persuade means: to convince someone to believe something under sustained effort the through reason or arguments.

These are the arguments of the mind Paul says to cast down. This is done through prayer. 2 Corinthians 10:5

See the prayer that Jesus is talking about here in Luke 18:1 isn't just petitional prayer but as we petition the Lord gives strategy. We have to cast down imaginations, we have to bind the enemy, and take authority over what the Lord is showing you to do. It's not a begging scenario but a scenario of waging war and fighting the fight of faith. It is all done from the seat of prayer.

This is the enemies tactics. He uses people and circumstances to make you feel like you cannot make it or prevail.

That is why the Lord uses this parable of the unjust judge. The unjust judge is the devil. It is the resistances he creates of injustice through people and circumstance to try and block you from your portion.

We don't plead with the devil for reprieve, that is not the moral nor instruction of this story, but rather continuing to persist and pray and see the barriers that cannot withstand real faith crumble.

Real faith has been tested in the fire of time. Real faith is not this hyper emotion that says I believe I believe, blab it, and grab it stuff. No real faith is tested in the fire and will persist when everything says No to what God has said yes to.

That is the kind of faith that says to a mountain be removed and cast into the sea.

It is the faith that is born of God and overcomes the world.

Don't give up- Dad is about to walk through the front door arms laden with reward.

**Kathi Pelton: "Don't Throw the Baby Out with the Bathwater!"**

### **Time to Be Purified and Align with Truth**

There are a lot of alignments, refinements, and redefinitions happening in God's people right now. Though we know that these things are necessary for what God is about to do, they can leave us feeling unsure and even confused.

I am finding that it is more important than ever to take a deep breath and just align my trust and confidence in God alone. Sitting at His feet and laying my life before Him is a daily occurrence. Through more than thirty years of walking in the prophetic movement, I have little doubt that I have picked up some negative cultural baggage along the way. I have also gained wisdom and insight that I wouldn't have had if I hadn't walked this path. Discerning what is good and what

is unnecessary (baggage, or a yoke) can be a bit hard to distinguish. I find that I am pressing into the Word of God like never before for wisdom and alignment.

The one thing that I am sure of is this: **The enemy is wanting to bring many from the fear of the Lord (confident trust in Him) into the fear of deception or the fear of being deceived.** The enemy wants us to throw the baby out with the bathwater, but God is cautioning us to be aware of extreme thinking.

This is a time to allow Him to search us and know us, for Him to purify and heal us, for Him to align us with truth and integrity, and for Him to define and refine His Church. It is a time to be still and lay it all at His feet as He does the work that needs to take place. His plumb line brings balance, while fear will give way to extremes.

### **A Call to a Higher Standard**

Though it is tempting to overly examine what "has been," and question what was actually the Lord moving and what was the flesh, I believe that too much personal examination can lead us to "throw the baby out." I have no doubt that there have been moments and movements that have been filled with His Spirit being poured out, but it was poured out on *flesh*, and often we have "camped" in the excitement of these moments, rather than in Him, which has caused the flesh to take over what the Spirit is doing.

**If God is preparing for another outpouring, maybe He is maturing us to know how to receive it and how to test what is Him and what is not.**

I am finding it so helpful to pray these words: **"Lord, extract the precious from the worthless, the holy from the profane."**

He is able to separate the baby from the dirty bathwater without harming the baby. As we patiently wait for Him, He will lift us out of the mire, without bringing harm or allowing us to quench His Spirit.

**"I waited patiently for the LORD to help me, and He turned to me and heard my cry. He lifted me out of the pit of despair, out of the mud and**

**the mire. He set my feet on solid ground and steadied me as I walked along." (Psalm 40:1–2)**

**God is not calling us to reject or quench His Spirit out of fear of "flesh," but He is calling us to a higher standard that tests prophecy and discerns what is good and what is not.**

I remember a lot of years where if there were manifestations of the Spirit upon someone who prophesied, the Church stopped testing those prophecies. Excitement overwhelmed discernment. As some of these things now come to light, we need to be more careful than ever that we do not allow the pendulum to swing the opposite way as to cause us to quench the Spirit.

**"Do not quench the Spirit. Do not treat prophecies with contempt but test them all; hold on to what is good, reject every kind of evil." (1 Thessalonians 5:19–22)**

### **We Are Being Prepared!**

We are being prepared as His people! We don't exactly know what we are being prepared for, but we recognize this is a very intentional preparation time. It could be revival, a great harvest of souls, the outpouring of His Spirit on our sons and daughters, or even very difficult times—or all of the above. But it is important for us to cooperate with His Spirit during this preparation and not allow extremes to leave us unprepared and afraid.

**Pray with me:** *Father, we lay our lives, our gifts, our children, and Your Church before You. Extract the precious from the worthless, the chaff from the wheat. Bring Your plumb line of truth; balance and keep us from fears that bring extreme reactions.*

*We want to honor You, Holy Spirit, and respond to You. We never want to quench You. We want to be mature and wise in testing prophecy—what is good and what*

*is not. Prepare us to walk in the light and to be wise virgins as we wait for Your return. Amen.*

**The Resurrection of our LORD!**

**Charlie Shamp**

The resurrection of Jesus Christ is more than a mere event in history—it is a divine testament to God’s unrivaled power and the promise of eternal life to all who believe in Him. This miraculous event is not just a chapter in the life of Jesus but serves as a bedrock of faith and a beacon of hope for billions around the globe.

In the profound words of Saint John Chrysostom, “He destroyed Hades when He descended into it. He put it into an uproar even as it tasted of His flesh.” This statement encapsulates the divine disruption that the resurrection caused, stirring up the realms of death and darkness. The resurrection was a divine act so powerful it rattled the very foundation of Hades.

The resurrection of Jesus Christ is the pinnacle of God’s omnipotence. It stands as a testament to His power over death, a power so vast, so profound, that even the gates of Hades crumbled in its wake. The resurrection is God’s triumphant declaration of victory over death, a victory that has reverberated through the ages.

“Hell took a body and discovered God. It took earth and encountered Heaven. It took what it saw and was overcome by what it did not see. O death, where is thy sting? O Hades, where is thy victory?” These words from Saint John Chrysostom beautifully articulate the divine paradox of the resurrection. The grave could not contain the Son of God; He defeated the clutches of death, rising victorious, asserting His divine authority, and ensuring the promise of eternal life for all believers.

“Christ is Risen, and you, O death, are annihilated! Christ is Risen, and the evil ones are cast down! Christ is Risen, and the angels rejoice! Christ is Risen, and life is liberated! Christ is Risen, and the tomb is emptied of its dead; for Christ having risen from the dead, is become the first fruits of those who have fallen asleep.”

The resurrection is a jubilant celebration of life, a monumental victory over death, and a radiant affirmation of faith. It's a divine event that resonates across time and space, echoing the unshakeable power of God and His eternal love for us.

To Him be Glory and Power forever and ever. Amen!

As we celebrate the resurrection of Jesus Christ, let us relish the victory we share in His triumph over death. Through His resurrection, we are reassured of the promise of eternal life, the defeat of sin, and the glorious expectation of our own resurrection. This is a hope that transcends earthly understanding—a hope rooted in the awe-inspiring power of the resurrection of the Only Begotten Son of God, Jesus Christ.

## **THE SPARK THAT IGNITES THE WORLD – Ron McGatlin**

### **Wow! This is one of those times!**

When I asked God what he wanted to say to His people in this article, He first gave me the title only. To put it mildly, I was astonished. He did not elaborate further at that time. I was not ready to ask Him for more because it seemed too big and too awesome to hear suddenly. I felt that I needed some time and space just to be ready to hear. I know that, if I hear, I must move with it as He leads and that can have major repercussions in my life and relationships.

He said THE SPARK, and not "a spark" and He said ignite THE WORLD not a part or portion. I felt a bit like Barney Fife on The Andy Griffith Show when he says something like "Andy this is big, this is REALLY BIG, **I MEAN THIS IS REALLY, REALLY, BIG!!!**"

My mind thought of the small spark that starts a roaring forest fire, or maybe like the lightning strike seen around the world in scripture, or the shot heard around the world in the American Revolutionary War, or maybe an atomic explosion, or the total sudden collapse of our nation and others, or some glorious worldwide manifestation of God filling the skies, and so on. Something like any of those things could happen at some time and cause a worldwide reaction.

When I prepared myself, sat down in my recliner, turned on my laptop, brought up the document with the title only on it, and asked the question. What does this mean, what do you want me to know, and write about this? His reply is just as profound but entirely different from anything I had thought about.

More than a sentence of words His reply was an experience of His presence with me in pure holy love. He imparted to me that the SPARK that He is sending to ignite our lives and the world is in the HEART of you and me and many others. We then went on a spiritual journey into the massive love reality that I can give you only major parts of in the rest of this article.

### **A ROMANTIC LOVE SONG WORDS FROM GOD'S HEART**

The words of an old popular love song from the 1980s that I had not heard or thought of in at least twenty years appeared in my spirit. I was astonished again as I looked up the song and listened to it again. It was God speaking directly and exactly the message of His spark in my heart. It changed all the "Big" I had imagined. As I heard the song it was God speaking to us now and our response to Him!

Here is the song title and you can look it up online and listen to it. Please listen to it as if it were Father God speaking to me and you and our reply to Him. "I Don't Want to Set the World on Fire" sung by The Ink Spots. The second line is, "I just want to start a flame in your heart" It is not long, please listen to it all the way, especially the spoken part.

God loves the world and does not want to burn it up.

He knows if we are completely in love with Him, He will be able to do all that is needed in this world to bring forth His perfect love solution.

**THE SPARK IS THE FLAMING FIRE OF FALLING IN LOVE WITH GOD THAT IGNITES THE WORLD WITH HIS LOVE.**

The spark igniting my heart and yours in total love brings complete alignment and full release of the ultimate power of God to do what the world has never seen before.

Dwight L Moody and others said it this way, "The world has yet to see what God can do with a man fully consecrated to him."

Moody had a very poor mother, an alcoholic father, and no education. God used him in a mighty way in his day and through recent history in the works he left in place. We today have much more revelation of the kingdom and love than anyone had in his day.

**THE DAY OF CULMINATION**

In this day of culmination of all things we have no idea of that which God can and will do with the fire of His love fully ignited and burning within me or you. The spark is the INTENSE LOVE that is igniting now in hearts on a huge scale like never before in History. It will ignite and change the world with the ultimate supernatural power of the love of God.

But it all begins NOW in one heart, YOURS. Do not look for someone else or some group or a wave across the land.

I must not look for some other person to receive the spark and become a flame of love fire of God. This is the end of me and mine. The end of natural life. Now consumed in the fire of God there is only supernatural Spirit fire life. Every breath is feeding the fire. Every thought is a flame of supernatural love in God.

## **COME! THE SPIRIT SAYS COME!**

**"And the Spirit and the bride say, "Come!" And let him who hears say, "Come!" And let him who thirsts come. Whoever desires, let him take the water of life freely." Revelation 22: 17.**

## **COME AWAY WITH ME!**

**"My beloved spoke, and said to me: 'Rise up, my love, my fair one, And come away. For lo, the winter is past, The rain is over *and* gone. The flowers appear on the earth; The time of singing has come, And the voice of the turtledove. Is heard in our land. The fig tree puts forth her green figs, And the vines *with* the tender grapes Give a *good* smell. Rise up, my love, my fair one, And come away!'**

**'O my dove, in the clefts of the rock, In the secret *places* of the cliff, Let me see your face, Let me hear your voice; For your voice *is* sweet, And your face *is* lovely.'" Song of Solomon 2:10-14.**

God is not speaking to you and me about just taking out some time from our busy lives on a retreat for a season. This may be a step of some value. However, God is speaking of total consummation in His love to be full-time employed in His supernatural life. No matter where or what He leads you to do and be His supernatural love life is who you are and what you do. No more pretending or holding back and tolerating corruption as if in agreement with it.

Love leads the way to help supernaturally cleanse the hearts of those around us entrapped and trained by wickedness. Love does not promote and esteem itself. There is no pride in love but the peaceful strength of true humility in godly wisdom from above.

The spark of ignition clicks into place in the hearts of others and the fire of supernatural love spreads heart-to-heart effortlessly.

## **LOVE CLEANSSES AND PURIFIES**

Forgiveness is automatically and instantly in place. Giving and receiving are without pomp or ceremony. "White lies" of social graces and worldly pretensions are abhorred and not needed or used. Religious routines and platitudes are washed away forever.

Conversations and interactions are real and pure. There is no more unreal and phony in our practice and performance of that which we used to call our "Christian lives."

The spark of the real supernatural LOVE and LIFE is received by those around us, and the fire rapidly spreads to IGNITE THE WORLD with pure supernatural love!

### **THE SPARK THAT IGNITES THE WORLD**

The flame of fire that changes the world is not the fire of REVIVAL, but it is greater, and revival is part of that which results. It is not the fire of EVANGELISM and HARVEST of souls, but that comes with it. It is not a great FAITH movement or HEALING and DELIVERANCE, or PROSPERITY or JOY and LAUGHTER, nor is it FALLING on our faces in REPENTANCE, and it is not more REVELATION or KNOWLEDGE, and it is not SHOUTING and DANCING, but all that and more takes place in this FIRE OF BEING IN LOVE WITH GOD.

It is the manifested supernatural spiritual reality consumed in the intimate presence of God. It is the overtaking of the supernatural Spirit replacing our fallen limited natural life.

Love never fails and,  
His kingdom never ends.

**New Wells: Terry Friesen**

The Lord has been dealing with traumas and bringing healing to many. He has also in some cases uprooted large trees in some peoples' gardens. Trees that at one point provided a lot of shade but now they occupy valuable space, and they must be replaced with even greater saplings as we prepare for the new that is coming. If you have experienced this as I have, you can trust the Lord to plant new trees that will soon produce more fruit than you can imagine.

In the last several weeks I have awakened at times to see a new "conduit", or "well" being prepared for a release of new life. Yes, many have been interceding and partnering with the Lord to plumb new wells, and re-dig old wells. As we walk into full blown revival and reformation, we need to experience both the rains of Heaven and the wells bursting forth from the deep.

I saw a very large well casing that has been prepared and it is almost ready to burst forth with new life. We are in the final stages and the finishing touches of the preparations.

I have had repeated encounters since Jan 1, 2024, of the cornerstone of Christ, and how the Father is aligning this new kingdom move. I have seen newly placed cornerstones that have not yet been built on. In this place, I have seen and have been directed to exercise the sceptre of authority we have in Christ and connect it to the cornerstone of Christ, then watch and see as the power of Holy Spirit is released. I have been hearing the importance of alignment with the character and person of Christ.

Further I see a new move of worship and intercession coming together focused on authentic transparency with our Lord. They come together without their own agendas, and they seek the Lord a fresh in this new place within His kingdom realm. Recently I saw these elements come together and as they did a dome was released in the spirit to provide protection over the region in which this combination took place. The sceptre in this place stood many 1000's of feet high above all other structures in the region and the dome extended out in every direction from the top of the sceptre to the ground.

The combination of consecrated worship and intercession created a protected space within this region and the enemy was limited in what he could now do as a result. Just as in previous encounters I saw the Holy Spirit released in power from the top of the sceptre within this domed area. His lighting ricocheted in every direction within this area and in this way the effect was amplified.

In this encounter, and at this moment, the Holy Spirit transported me to the very top of the dome and as He did Jesus came to meet me there. I also saw another spiritual entity, not sure if it was an angelic host, we were given instructions which I could not hear audibly but as this took place I could feel my heart swell. Immediately after the

instructions were given, I saw a release of the Father's glory at the very top of the dome and it started to disperse through the area of the dome like a mist. As this happened, I heard the Father say, "I am looking for a company of people who will open and maintain an open heaven in this region". We know Jesus already purchased this reality for us, but as we come into alignment with this truth, we simply facilitate what is already ours.

I could tell that His desire was to release Heavenly resources on a constant basis into this domed area enroute to a dramatic regional transformation.

I would like to point out that I believe His desire is to replicate this same strategy far and wide until the entire landscape of our country and all countries are covered.

This morning as the Lord took me back to this same place, I was drawn into prayer to consider how the Lord will guard the authenticity of what He is doing. In this place He began to speak and show me things.

I saw the sceptre once again and it was placed on the cornerstone of Christ. Then for the first time I saw the Lord knit His righteousness to the sceptre. At an earlier date I shared how many are called to join their hands to this place of authority in Christ, His sceptre, and as they do, they must leave their personal baggage outside the area. It isn't that we need to be made perfect before we come, all are welcome, but in this new season if you want to hold onto the authority that is in Christ in this new Kingdom move you will have to leave your agenda behind.

Choosing to join the group is different than taking a place of authority in His kingdom. At this the Lord directed my thoughts to some recent scripture readings. He has had me in Isaiah. When I was directed to re-read Isaiah, I heard the Lord say that this book reflects the Lion nature of Christ. We look at the Old Testament as a period to time under the law, then the New Testament as a time of grace. This is true, but not completely accurate. Christ has always been the Lion and the Lamb. Unfortunately, we have become too comfortable with His Lamb nature, and we have forgotten that He is also the Lion. We will be reminded in this coming season that He is both.

To state this more clearly, I believe we are entering a season where we will see His Lion nature added to what we have experienced thus far, and the fear of the Lord will return to His church.

He is knitting His righteousness to the sceptre of His authority in this new Kingdom move so that we will not be able to grab a hold or hold on to a place of authority unless we align with His righteousness. We will need to align with His value system.

I perceive in the spirit wells that have become compromised, and as a result they are drying up or becoming more and more murky. Those that have hearts for what the Lord is doing in this season will find the new wells, and the places that dry up will cease to have any relevant life.

We will see a great migration from old systems to the new, but it will look very different because the new will naturally be birthed apart from the old ways and the compromised value systems. I am not suggesting all things from our existing systems are bad. Many will make the change. They will recognize that the Lord is on the move, and they will move with Him, but those that won't move will grow stagnant at best.

A new wellspring of life is coming forth in the righteousness of Christ in this kingdom age. It will hold fast to a righteous standard and will produce a kingdom surge that it supports.

We must be careful in how we define righteousness, or rightness. We have a ditch on the religious side and a ditch in the hyper grace side, but righteousness as defined by the spirit of God, not the will of man, will define what the standard is.

We err when we rely on our hearts to decide what is and isn't righteousness. Our hearts were never designed to lead. We discern what is right or not by the spirit of God. Then our hearts respond to what is discerned by the spirit. One of the great deceptions is our desire to embrace human sentiment and then pass it off as God's will because we feel something. Again, our hearts, feelings, were designed to follow the movement of the spirit, not lead what takes place. We respond, we don't direct.

Those who seek 1st the kingdom and the righteousness as it is found in Christ will migrate. They will look for and search for a well and the life and flow of the life of Christ that is pure and aligns with who they discern the Father to be by the spirit.

For those who have been seeking this new way it will truly be a joy as we enter into what is now here and coming.

**Yvon Attia: "A New Seat at His Table: Prepare for the Nameless Revival!"**

### **A New Seat**

On Monday (the 26th of February), I was in prayer when the Holy Spirit had me read the story of Samuel's mother Hannah, who was barren, yet God answered her prayer and gave her a son. Out of great joy, she started singing to the Lord, and this is part of what she said:

**"He lifts the poor from the dust and the needy from the garbage dump. He sets them among princes, placing them in seats of honor. For all the earth is the Lord's, and He has set the world in order." (1 Samuel 2:8 NLT)**

As I read this, my spirit filled with joy, and in the spirit dimension, I started to see a banquet with many glorious seats. The seats looked so royal, and there was a red rose and a white plate with silver edges in front of each seat. God Himself was preparing the table and inviting specific people to sit with Him and to commune with Him.

I was asking God, "What are the conditions of getting a chair at Your table?" Once again, the Holy Spirit reminded me of Hannah's prayer. He lifts the poor from the dust and sets them among His princes. They become His guests of honor. Being poor (in this context) does not refer to those who are materially poor. Jesus said, "Blessed are the poor in spirit, for theirs is the Kingdom of Heaven" (Matthew 5:3).

Who are the poor?

**Jesus is saying that the poor in spirit are the humble who realize their need for God.** These people will be lifted up from the dust and from the garbage dump. I heard the Lord say, **"I am changing their position and giving them a new seat."**

This is a great example of what God will be doing to many:

"Don't be afraid," David said to him, "for I will surely show you kindness for the sake of your father Jonathan. I will restore to you all the land that belonged to your grandfather Saul, and you will always eat at my table. Mephibosheth bowed

down and said, 'What is your servant, that you should notice a dead dog like me?'" (2 Samuel 9:7–8)

### **The "Nameless Revival"**

The moment I realized what the Lord was saying, I started to see people falling out of their seats. This was a different setting. I was reminded of the verse that talks about judgment starting with the house of God (see 1 Peter 4:17).

The Holy Spirit had me read the story of Eli, who was aware of the wickedness of his two children, yet he did nothing about it. Eli judged Israel for forty years. (In Scripture, forty years marks the end of a generation.) **There is a generation that's about to end, and it will be marked with great exposure. But there is a new one that's about to start, and God is celebrating it. It will be called the "nameless revival."** So much glory is coming, but with it, those that are continuing in their sin will lose their seats.

**"So, the sin of these young men was very serious in the Lord's sight, for they treated the Lord's offerings with contempt." (1 Samuel 2:17 NLT)**

**"Now Eli was very old, but he was aware of what his sons were doing to the people of Israel. He knew, for instance, that his sons were seducing the young women who assisted at the entrance of the Tabernacle." (1 Samuel 2:22 NLT)**

"...The messenger rushed over to Eli, who was ninety-eight years old and blind. He said to Eli, 'I have just come from the battlefield—I was there this very day.'

"'What happened, my son?' Eli demanded.

"'Israel has been defeated by the Philistines,' the messenger replied. 'The people have been slaughtered, and your two sons, Hophni and Phinehas, were also killed. And the Ark of God has been captured.'

**"When the messenger mentioned what had happened to the Ark of God, Eli fell backward from his seat beside the gate. He broke his neck and died, for he was old and overweight. He had been Israel's judge for forty years." (1 Samuel 4:14–18 NLT)**

### **Vision of Congress: The Monopoly Is Over!**

In a vision (on the 5th of March), I stepped into a congressional room. The carpet was dark blue, and the curtains were red. Many politicians came to take their seats as they always had, but their seats were occupied by other people. They

didn't want to leave their seats, and were pushing out the new people, but they were taken out.

Then, I heard the Lord say in a loud voice, **"The monopoly is over!"**

It's a new season... a season of **"on Earth as it is in Heaven."**

As I took this into prayer, the Holy Spirit immediately reminded me of Saul.

**"How foolish! Samuel exclaimed. 'You have not kept the command the Lord your God gave you. Had you kept it, the Lord would have established your kingdom over Israel forever. But now your kingdom must end, for the Lord has sought out a man after His own heart. The Lord has already appointed him to be the leader of His people, because you have not kept the Lord's command.'" (1 Samuel 13:13–14 NLT)**

Although the Lord chose and appointed David, Saul kept occupying the seat as an illegitimate king. Eventually he lost his seat and David's kingdom lasted forever through Jesus the Messiah. **This is about to happen again, even in the area of government. God is pulling the plug on those who are occupying seats that are not theirs.** It's a time where there will be a shuffling of seats, too. Some will be moving up and gaining more Kingdom authority, while others will be moving down because of pride.

### **A Time of Enormous Restoration**

At the start of March, I kept seeing and dreaming of the numbers 333, and I didn't understand it. As I prayed about it, the Lord reminded me of Jeremiah 33:3.

**"Ask Me and I will tell you remarkable secrets you do not know about things to come." (Jeremiah 33:3 NLT)**

I felt a strong urge to read the whole chapter, and all I could see was the word "restoration" jumping from the page. Three times, Jeremiah promised God's people that they were coming into times of restoration:

**"I will restore the fortunes of Judah and Israel and rebuild their towns." (Jeremiah 33:7 NLT)**

**"...For I will restore the prosperity of this land to what it was in the past, says the Lord." (Jeremiah 33:11)**

**"...I will restore them to their land and have mercy on them." (Jeremiah 33:26 NLT)**

## **"I Am Raising You Up"**

Editor's note: Below is a word Yvon didn't get to share on her recent interview, but we wanted to include it here for our readers and viewers to enjoy for themselves.]

The Lord says, ***"I am raising you up from the lowest places, from the dust, from the ashes. I am raising you up and setting you, like a jeweler who sets a high-priced diamond in a royal ring. I am raising you up and seating you in a seat of honor at My table. I am raising you up and seating you in heavenly places, beyond the reach of your enemies.***

***"For I have seen your pain, your desperate need for Me, and your humility. I have seen your anguish, and your tears have come before My throne. I will answer your prayers and remember your plea, as I remembered Hannah and gave her Samuel.***

***"For your Creator is your Husband; 'The Lord of Heaven's Army' is His name. You will no longer be remembered for your barrenness, but your fruitfulness. You have nothing to fear, for you are sitting at My table, and have come under My protection.***

***"I will change your position and seat you in seats you have never sat in before. Get ready to be seated alongside those whom I honor, and those whom I have established. Many will be losing their seats because of their arrogance and pride; but as for you, My covenant partner, you are moving up into seats of honor.***

***"You will be My guest of honor, fellowshiping and communing with Me, and coming under My protection. I am lifting you up from your prison and seating you at My royal table. As Joseph was lifted from the prison to the palace, I will do it again for you. For I am the God of justice, and righteousness is My name.***

***"I am lifting you up to a place where I shall restore to you ancient fortunes; I shall restore to you lost fortunes; I shall restore to you stolen fortunes. For you are now seated at My table.***

***"Everything will start to change. For as you honored Me in your lowest seasons, I will honor you. For I honor those who honor Me.***

***"Get ready, for this month will be marked by many shifts. Everything around you is shifting – shifting into seats of honor and glory."***

### **10 Requirements For Turning America**

Larry Tomzcak was born again during the Jesus Movement of the 60s and 70s. He and I would certainly picture the mavericks of that era who were "rounded-up" and led to "independence." (In a recent article, Larry speaks of his dream of a transformed America, and the 10 requirements for turning our nation around. Here are Larry's 10 points and explanations:

- 1.** "Reconsecrate ourselves to the Great Commission given us by Jesus. The Pilgrims prioritized this in the original Mayflower Compact - to proclaim the 'gospel of the kingdom' (not some 'He Gets Us' distortion!) to see lives transformed, not merely affirmed, by the power of the living God.
- 2.** "Renounce and reject complacency. This has brought about the decline and demise of civilizations throughout history. We must repent and return to the values that made us great in the first place, refusing to succumb to the seduction of affluence and leisure as substitutes for hard work.
- 3.** "Cast off D.E.I. (Diversity, Equity, and Inclusion) mandates. These criteria for our institutions are inherently racist, giving people preferences and positions that should belong to achievers applying themselves to merit advancement. Our nation affords 'equal opportunity for all' who are willing and able to work for it!
- 4.** "Replace destructive Marxist, Globalist elements. These have poisoned our government, schools, media, and corporate boardrooms. In their places, we must put leaders of integrity and conviction, mirroring those of our truly great and revered statesmen and stateswomen. Though they, like all of us, had flaws, they deserve honor because of their overall character and achievements.
- 5.** "Put an end to propaganda and promotion of unbiblical socialism. We must return to a Constitutional Republic that has undergirded us successfully for close to 250 years – longer than any nation in world history. Anti-American activists are entitled to their opinions, but I agree with former Prime Minister of England, Margaret Thatcher, who said: 'The problem with socialism is that sooner or later you run out of other people's money.'<sup>(1)</sup> Check out our unsustainable \$34 trillion debt!
- 6.** "Accept the sacred responsibility to expose and eradicate tyranny. We must replace oppressive government in all its forms and contend for freedom. Let us take seriously the warning of President Ronald Reagan: 'Freedom is never more than one generation away from extinction. We didn't pass it to our children in

the bloodstream. It must be fought for, protected, and handed on for them to do the same, or one day we will spend our sunset years telling them what it was once like in America when men were free.’(2)

- 7.** “Pastors once again must arise to the urgency of the hour. Just as in colonial America, they must courageously lead the way to embrace the directive of Jesus to be ‘salt’ (holding back decay), accept the responsibility to equip their congregations with relevant truth, and refuse to be silent in our current cultural battle. May they heed the sobering words of pastor/martyr Dietrich Bonhoeffer who stood against Nazism in a similar situation. ‘Silence in the face of evil is evil itself. God will not hold us guiltless. Not to speak, is to speak. Not to act, is to act.’ (3) We must reject fear of man and follow in the footsteps of Billy Graham, who stood openly against segregation, Apartheid, same sex ‘marriage,’ and nuclear expansion, telling us, ‘Courage is contagious!’
- 8.** “Unapologetically affirm man/woman marriage and the nuclear family. ‘One man and one woman’ is the explicit design for this sacred institution recognized worldwide and honored for thousands of years as the divinely ordained foundation of a stable society. Biology and science have recognized male (XY chromosomes) and female (XX chromosomes) genders throughout history, so we’ll simply stay the course and stay safe from ‘Woke’ moral insanity and societal instability.
- 9.** “Sound the alarm and stop the massive invasion of law-breaking foreigners into America. Millions of cartel-driven illegal aliens are disregarding our established immigration laws to unlawfully secure healthcare, food, housing, education, costly benefits and privileges at taxpayer expense. **THIS MUST STOP IMMEDIATELY BY EXECUTIVE ORDER** (not by Congressional debate). America represents 4% of the world's population, and we cannot allow this unprecedented and unmitigated disaster to bring about our country’s collapse!
- 10.** “Expose as demagoguery the leftist tactic of regularly dismissing valid opinions and perspectives as ‘destroying democracy,’ ‘racist,’ and ‘authoritarian tyranny.’ Traditional conservatives, Christians, pro-lifers, and patriotic Americans are slandered as ‘right-wing extremists,’ while agencies are weaponized to run roughshod over basic civil liberties, censor free speech, violate the Constitution, and use Soviet-style kangaroo courts to indict political opponents (so they can’t run for office). These agencies and tactics represent America’s real threats and must be exposed!

“Here’s the Deal: If enough of us who love America stand in solidarity with these 10 points, we can translate our dream into reality and once again experience peace, prosperity, and the blessing of God we’ve previously known. ‘You may say that I’m a

dreamer. But I'm not the only one.'(4) Freedom-loving, patriotic, traditional Americans are still the majority. And though we may not control the levers of power, there's still hope if we pray, repent, and act courageously to turn America around.

### **Pray with me:**

Father, thank You for seasoned and bold leaders like Larry Tomczak. Bless his family and ministry with great favor, health, and provision. Use him greatly as he labors to see America transformed; we share his dream and agree with the needed changes he delineates.

We ask for a reconsecration in the church to the Great Commissions given in Mark 16 and Matthew 28, proclaiming the gospel of the Kingdom. We renounce complacency and laziness and ask for an awakening of passion. Give us Your heart for the lost, for truth, and for justice.

We pray against all forms of racism and mistreatment. A true revival that changes millions of hearts will include a revival of love. Give us this. Break the influence of Marxism, socialism, globalism, wokism, and other unbiblical philosophies invading our nation. Awaken the "mavericks" to the insanity of these dogmas.

Transform our government. Remove those who desire to weaken us. Help us close our borders and minimize the damage. Break the back of the wickedness allowing this evil. Expose the evil distortion of truth, law, and justice in America.

And awaken the church. Forgive us for not being salt and light to our nation. Convict leaders of their silence regarding truths in Your Word. Break the fear of man off them and help them find their voices. Motivate them to be the watchmen You have called them to be, and to sound the alarm. We ask all of this in the name of Jesus. Amen.

### **Our decree:**

We declare that a great awakening is coming to the church of America, and to America itself.

**"OVERFLOWING WITH HIS GLORY"  
JOHN AND BRANDI BELT, OKLAHOMA CITY, OK**

God is always calling you deeper and higher into His presence! Think about the measure of God's life and presence that you have tasted and been exposed to. Now realize that there is even greater and more intense glory in Heaven.

Back in 1885, a revivalist by the name of Maria Woodworth-Etter was so saturated with the presence of God, her critics were concerned that if they attended her meetings, they would run the risk of falling under the power of God. Her life is an example of how God can use you when you are completely surrendered to Him.

God doesn't just want you to have the right words to say; He wants you to carry His presence everywhere you go!

**"When Moses came down from Mount Sinai, with the two tablets of the testimony in his hand as he came down from the mountain, Moses did not know that the skin of his face shone because he had been talking with God. Aaron and all the people of Israel saw Moses, and behold, the skin of his face shone, and they were afraid to come near him." (Exodus 34:29-30 ESV)**

Moses had spent so much time with God that his face was shining from the encounter. God wants you living filled to overflowing with Him.

## **God Desires To Bless All**

**"Wealth and honor come from you; you are the ruler of all things. In your hands are strength and power to exalt and give strength to all. Now, our God we give you thanks, and praise your Glorious Name." 1 Chron. 29:12,13**

God promises to exalt and gives strength to all. To exalt means to elevate in rank, honor, power, character, or quality. God's exaltation will lift you into a greater realm for positive stimulation and revelation. Be encouraged to know that all things are possible to all people if they believe and are ready to work to achieve.

Sometimes we limit ourselves and take it even further to limit God in us. Remember, **"The One who is in you is greater than the one who is in the world." 1 John 4:4. God in you is greater than your fears, inadequacies, enemies, and your obstacles. Do not put limits on yourself and do not put limits on God.**

It is said that a burning desire is only the starting point of all possibilities and just like a small fire cannot give much heat, a weak desire cannot produce great results. How big is your God? What do you dare to believe for? Aim high and let God set the boundaries. God said in His word that wealth, honor, strength, and power are all available to you. Believe it, pray it, declare it, and allow God to coach you into your new possibilities. Every day is a new day to receive new strength, favor, and power from God.

### **Kingdom Declaration:**

I position my heart to receive the grace and glory of God without limitations.

Read the Bible in One Year: Deuteronomy 30-31; Mark 15:1-25.

**I HEARD THE LORD SAY, 'FAST AND PRAY, IT'S A NEW DAY'**

***"For what I am birthing right now in this new day will only come to, and through, those who dedicate themselves to prayer and fasting. For what I am releasing cannot come cheaply. I am calling My people to deeper consecration. I am calling My people to deeper surrender. For you cannot serve the world and serve Me. You cannot serve your own desires and your flesh and serve Me. For I am thundering the call from heaven again to, "Abandon all and come all into what I am doing in this hour."***

***"Many are coming before Me with their "all in" with "conditions." I am the God who defines the conditions and the condition of My Church in this hour is one that requires My fire to fall. For My fire is about to fall on mixture, complacency, and half-heartedness.***

***I am calling you, My people, surrender ALL. I am calling you into the new things I am doing, but you MUST come in without your own agendas. You must come in without your own conditions. For I am the One who determines the manifestation and release of My Glory in the earth and the move of My Spirit, for it is not up to man to determine where and how I move.***

***For I am returning My people to an understanding that I am the God of the heavens and the earth. For man has tried to take My place and this pride has grieved My heart. In this hour I am about to deal with pride that will offend MANY minds and hearts. I am about to deal with pride in such a deep shaking that many will see it as UNEXPECTED and will call it NOT GOD, but indeed it***

***is My hand: for I am building upon PURE FOUNDATIONS in this hour and the mixture within My Church has grieved My heart.***

***'My Church has shied away from being deeply consecrated unto Me and called it "religion," but I say true religion is to be separated and unspotted from the world (James 1:27). I am bringing My people back to a sure foundation of My Word in order to purify her of her doublemindedness. (James 1:8, James 4:4-8, AMPC version.)***

***'Am I not the King of kings and Lord of lords? Am I not the One who created the heavens and the earth with My Words? Who else is like Me? Who holds the stars in their hands? No one else but Me! For do I not say that I resist the proud and give grace to the humble (James 4:6-8)? For My fire is about to fall on the culture of the parading of names and the elitism that is DIVIDING My Church.***

***'For a fierce wind of My Spirit is upon My Church. There is a sudden storm coming upon My Church that is going to purify, refine and sift. I am going to shake like I have never shaken before, and it will reveal the hearts of those that are for Me and those who are against Me: and I say unto you that MANY will be SHOCKED at who is not for Me.***

***For I am about to expose and reveal hearts. I am going to take down the words that are spoken and the "right words" that are spoken, but the heart is not pure, the heart is not for Me, and many of these ones are leading My sheep astray. They are leading My people astray and these falsities are about to be burned with My fire. I have called and I have called, but My Words have fallen on many deaf ears and NOW My Words will be heard through the powerful demonstration of MY HAND to clear, the shift, to expose and to remove.***

***For many are heralding a new day with complacency, but the new day that is upon My people is one of GLORY and one of TREMBLING. It is one where My Glory will be seen in a way that will cause My Church to tremble (Isaiah 66:2). The culture of game-playing in My house is coming to an end and I am dealing with those who seek to compete with Me for the glory. Watch the places where My Glory is going to fall and reside, watch the humble spaces and places. For many places where My manifest presence will***

***reside, will be unexpected places, but they are FAITHFUL places, they are PURE places, they are not prostituted places.***

***I am coming to shake, I am coming to shake, to rattle and to roll that which is NOT of Me and has been built on man's effort and pride (1 Corinthians 3:12-13). Many have thought that the shaking had come and gone, but it's only just begun.***

***I am going to shake so violently in this hour that it will RESTORE the AWE of who I am, and it will cause My people to return to My face and their first love, for I am a jealous lover.***

***Things are about to drastically shift and drastically change. Much of what I have spoken about the new era is ABOUT to begin. I am returning My people to MY HEART and to MY FEET and to MY WORD.***

***'Watch the prophetic movement in this hour because I am about to turn it upside down and the PURE PROPHETS shall remain. For what is happening in the prophetic movement and behind the scenes is a prostitution of My revelation and of the secrets of My heart, and it's time for a demonstration of the PURE PROPHETS and PURE PROPHETIC to be seen across the earth. Here I come to shake, rattle and roll. Here I come to remove and tear down in an accelerated way what has been built in pride and what has been built in elitism and what has been built on FALSE foundations, deception and to feed the flesh and appetite of man. No longer will the words of My heart be used and abused.***

***Here comes the fire and the fear of the Lord upon the prophetic movement and the body of Christ. The perfect storm is about to begin and all that is not of Me will NOT REMAIN. It's a NEW DAY and many are expecting the new day full of joy and celebration — and there will be great rejoicing in what I DO and how I MOVE — but the new day shall precede the restoration of the awe and wonder of who I am. The King of glory. My majesty is going to be manifested and I WILL cause My Church to tremble again.***

**Nissan 27, 5784: Sunday – May 5, 2024**

**ELAINE TAVOLACCI, STATEN ISLAND, NY**

**"I am sending a fire to ministers who have laid down their lives  
and surrendered all for the Kingdom."**

The other morning, the Holy Spirit showed me a dam breaking with a raging torrent of water gushing through. I understood what this spiritual metaphor represented. A dam is a barrier to obstruct the flow of water and is usually built across a stream or a river. Any body of water that is confined by a dam is restricted and unable to flow. The river of God has been obstructed and restrained from flowing freely, but the dam has been broken, and we are beginning to see the river of God flowing once again.

In 2 Samuel chapter 5, when David had become king of Israel, the Philistines heard of it and rose up against David. David asked the Lord, "Shall I go and attack the Philistines? Will You deliver them into my hands?" The Lord replied, "Go, for I will surely deliver the Philistines into your hands" (see 2 Samuel 5:19). So, David went to Baal Perazim and defeated the Philistines. He then said, "The LORD has broken through my enemies before me, like a breakthrough of water." Therefore, he called the name of that place Baal Perazim, which means "Lord of the breaks" (see 2 Samuel 5:20)." 'God has broken in upon [parats: "to break through or down," "to burst out," "to breach"] my enemies by my hand like the breaking forth [perets: "breach," "gap," "bursting forth"] of waters.' Therefore, they called the name of that place Baal Perazim." (1 Chronicles 14:11, emphasis added)

The Lord is sending a breakthrough to the Believers who persevered through tests and trials and stood their ground through it all. Rivers of living water are about to flow into your lives and ministries once again. The Holy Spirit is beginning to move in the dry places. It's the driest wood that ignites first. Yeshua is about to open rivers in desolate heights, and fountains in the midst of valleys. He will turn the desert into pools of water and the dry land into streams.

There is a breakthrough coming to the fivefold ministers. The Lord says, "I am sending a fire to ministers who have laid down their lives and surrendered all for the Kingdom. Through difficult times, they continued to count the cost and pay the price. They are those who will be set ablaze to go forth to fan the flames and stoke the fire in others. They won't allow anything to annihilate their zeal because they are strong in Me and will do exploits.

"The walls are breaking down, and the rivers are being released into the churches. There is a move of the Holy Spirit that won't be quenched in the days ahead. They will no longer be stagnant and dry but will experience a flow that they've never known before. Angelic activity is being released from the third Heaven that no man or demon can quench. Do not fear the days ahead but know that I am releasing My glory in a magnitude which no human or devil can stop," says the Lord of the breakthrough.

**Psalm 107:35-36 (TPT): "But He also can turn a barren wilderness into an oasis with water! He can make springs flow into desert lands and turn them into fertile valleys so that cities spring up, and He gives it all to those who are hungry."**

**My vision of Title and Deed to Planet Earth**

**Our words are vital to our walk ..**

**I had a morning visitor in September 2021. I was waking up and Daddy wanted to talk.**

There was something He wanted me to see, know, and share. As He showed me the image of the earth, He said, ***"I have given all of this to you and I have given you authority over all the power of the enemy, you have been granted dominion to subdue and rule over it all ", then He said "even when it fell into satan's hands, hence the fall, I sent my beloved Son Jesus, to recover all, that in the beginning, belonged to you!"***

He showed me that Jesus had given us the ability to take our authority once again, and then He ended with these words ***"nothing has changed."*** I was made to know that nothing had changed since He put mankind in the garden of Eden in the beginning, regarding our roles as rulers in this kingdom! We are to take up where the first rulers left off.

Then we went into the courts and began to hold the enemy accountable for his many transgressions, understanding that we are the ones that are in authority, we are the kings and the priests of this Kingdom, it was given to us, not to him.

I was then handed a document sized piece of paper and printed on it in large red cursive lettering were the words **"Title and Deed to Planet Earth"**.

At the bottom it said Trustworthy... With my right hand I took hold of the right bottom corner of the paper between my thumb and forefinger and then Wade Butler appeared and did the same on the left corner with his right hand.

I knew we were given something very powerful from the courts of heaven at that moment.

I phoned Wade and we prayed about our roles in this vision.

Now, almost three years later, The Father said it's time to publish this, so others can seek the Lord regarding their role in ruling this kingdom, as they take hold of the Title and Deed to Planet Earth.

Together, we are indivisible under God!

Thank you Yeshuah, let it be so!

As One!

### April Klaassen Brown

On Sunday morning March 17: Just had the most interesting thing happen at 10:27hr our time here in northern Saskatchewan. It began earlier in the morning with a vision which I still see playing like a movie in front of my eyes even now. I will start there. What I saw were huge trees being uprooted by a very powerful excavation type of machine, which gripped the trunks of these trees and then dug down so deep under them to clear out every root.

These trees were then moved with an unseen hand to locations where they were retransplanted, although in the portion of / or motion of movement, the unseen hand literally intensely vigorously shook all the old dirt fell off and these trees instantly bloomed and flourished as soon as they were planted in the specific areas they were to be. There were orchards and orchards of these transplants, each of us and others got these incredibly flourished orange orchards / fruit orchards / fruit we've never ever seen before ever [in our lifetime]. I saw these types of machines which not only trimmed

hedges, the huge, tall kind of hedges and these were also uprooted and by the same unseen hand which had shaken so intensely vigorously the trees did so again that all the dirt fell off their roots also.

These were then also moved and re-transplanted also to the new territories and specific places. [I saw hedges but heard the word Hedge Funds (I am not ignorant, but I also do not fully know what exactly that means). I just knew that I knew that all of these were being cleared out. Then suddenly next I was within the ocean, deep enough to see kelp forests and these forests were being also removed but this was a different removal, there seemed to be a 'liquidation' of them, like they became one with the water and I knew this unseen hand was "liquifying" them again down to their roots below the ground. The water around the kelp forest being liquidated was different from the ocean water so that I could see the 'difference' of what was being done'.

What came to me about the roots and the underground, even in the ocean, was that these were deeply private or hidden assets / treasures. [Isaiah 45:2-3] What I heard as I was watching this was 'offshore stocks and liquid assets' were now being liquified and the unseen hand then gathered this water by a "Frequency vibration" and translated that to water upon the land, upon which the new transplants had been replanted. Instantly as this "Frequency vibration" released this liquidation, the land itself gulped it in like it had just received LIFE water and new colors immediately began springing up, gushing up, bursting upward. Again, colors and frequencies / vibrations I have no knowledge of. I could hear all the Colors / Frequencies / Vibrations singing melodies I have not heard before and also "descants" above "descants" above "descants" [overwhelmingly beautiful] which caused other happenings to occur which I cannot even describe right now, although as these were in the 'air' or 'atmosphere' there was a tangible weight of "fluidity" which we could breathe in and operate in fluently with all the nuances of it.

I don't even fully understand and know exactly what that means except that the verse **Acts 17:28 'in HIM we Live and Move and Have our Being'**. This seemed to me that WHATEVER WE do now, has the ability to cause us to function in ways we have never functioned before, to everything around us to "cause to function" in ways we have never done before. [End of Vision for the time being, although this is ongoing, like I said "movie"]

Now back to the timing, I was making brunch and speaking with my son about what the Holy Spirit has been doing. What the Holy Spirit is doing isn't just in the physical realm, it is in the Spiritual, Quantum and Kingdom realm. The words came out "There's

going to be a Power Outage for them, there will be a shift of Power" when Boom, our house power literally goes out as in somewhere on our grid, the power went down. It wasn't just a fuse box thing. Right away in the Spirit, I knew something had occurred. I noted the times and began to look up scriptures pertaining to these times and below are the scriptures the Holy Spirit highlighted for me.

Verses relating to the time: *10:27hr.*

***Mark 10:27***

**Jesus looked at them and said, "With man this is impossible, but not with God; all things are possible with God."**

***Isaiah 10:27 amp***

**So it will be in that day, that the *burden of the Assyrian* will be removed from your shoulders and his yoke from your neck. The yoke will be broken because of the fat.**

***Isaiah 10:37 Literal standard version***

**And it has come to pass in that day, | His burden is turned from off your shoulder, | And his yoke from off your neck, | And the yoke has been destroyed, *because of prosperity.***

***Isaiah 10:27 ESV***

**And it shall come to pass in that day, that his burden shall depart from off thy shoulder, and his yoke from off thy neck, and the yoke shall be destroyed *because of the anointing.***

***John 10:1-5, 27***

**"I assure you and most solemnly say to you, he who does not enter by the door into the sheepfold but climbs up from some other place [on the stone wall], that one is a thief and a robber. 2 But he who enters by the door is the shepherd of the sheep [the protector and provider]. 3 The doorkeeper opens [the gate] for this man, and the sheep hear his voice and pay attention to it. And [knowing that they listen] he calls his own sheep by name and leads them out [to pasture]. 4 When he has brought all his own sheep outside, he walks on ahead of them, and the sheep follow him because they know his voice and recognize his call. 5 They will never follow a stranger, but will run away from him, because they do not know the voice of strangers." 27 The sheep that are My own hear My voice and listen to Me; I know them, and they follow Me.**

***1 Kings 10:27 Brenton Septuagint***

**And the king made gold and silver in Jerusalem as stones, and he made cedars as the sycamores in the plain for multitude.**

***Hebrews 10:27 [26-39]***

**26 For if we go on willfully and deliberately sinning after receiving the knowledge of the Truth, there no longer remains a sacrifice [to atone] for our sins [that is, no further offering to anticipate], 27 but a kind of awful and terrifying expectation of [divine] judgment and THE FURY OF A FIRE and BURNING WRATH WHICH WILL CONSUME THE ADVERSARIES [those who put themselves in opposition to God]. 28 Anyone who has ignored and set aside the Law of Moses is put to death without mercy on the testimony of two or three witnesses. 29 How much greater punishment do you think he will deserve who has rejected and trampled underfoot the Son of God, and has considered unclean and common the blood of the covenant that [sanctified him, and has insulted the Spirit of grace [who imparts the unmerited favor and blessing of God]? 30 For we know Him who said, "VENGEANCE IS MINE [retribution and the deliverance of Justice rest with Me], I WILL REPAY [the wrongdoer]." And again, "THE LORD WILL JUDGE HIS PEOPLE." 31 It is a fearful and terrifying thing to fall into the hands of the Living God [incurring His judgment and wrath]..**

**32 But remember the earlier days, when, after being [spiritually] enlightened, you [patiently] endured a great conflict of sufferings, 33 sometimes by being made a spectacle, publicly exposed to insults and distress, and sometimes by becoming companions with those who were so treated. 34 For you showed sympathy and deep concern for those who were imprisoned, and you joyfully accepted the [unjust] seizure of your belongings and the confiscation of your property, conscious of the fact that you have a better possession and a lasting one [prepared for you in heaven]. 35 Do not, therefore, fling away your [fearless] confidence, for it has a Glorious and Great Reward. 36 For you have need of patient endurance [to bear up under difficult circumstances without compromising], so that when you have carried out the Will of God, you may receive and enjoy to the full what is promised. 37 FOR YET IN A VERY LITTLE WHILE, HE WHO IS COMING WILL COME, AND WILL NOT DELAY. 38 BUT MY RIGHTEOUS ONE [the one justified by faith] SHALL LIVE BY FAITH [respecting man's relationship to God and trusting Him]; AND IF HE DRAWS BACK [shrinking in fear], MY SOUL HAS NO**

**DELIGHT IN HIM. 39 But our way is not that of those who shrink back to destruction, but [we are] of those who believe [relying on God through faith in Jesus Christ, the Messiah] and by this confident faith preserve the soul.**

12:05:12hr Power on, and the words which came out of my mouth was "**We've got the Power.**"

**March 17th morning  
What I heard the Holy Spirit say to me before getting up:**

We can command the Earth and all Creation to break the spell over the Lord's people for the Harvest, the Harvesters are waiting...We are also now to release the Harvesters on our behalf, to harvest our crops of all we have sown, in time with the LORD, prayers over the years / from throughout the ages the Holy Spirit has walked us through, giftings we have sown into ministries or wherever the LORD had us sow these seeds into. Call in and call back your Harvests.

***Matthew 13:39***

**The harvest is the end of the age, and the harvesters are angels.**

***Matthew 9:38***

**Ask the Lord of the harvest, therefore, to send out workers into his harvest field."**

***Luke 10:2***

**He told them, "The harvest is plentiful, but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field.**

**James Nesbit: The War in Israel**

Great Yahweh, Not to us, O Lord, not to us, But to Your name we give glory Because of Your lovingkindness, because of Your truth and faithfulness! Why should the nations say, "Where now, is their God?" But our God is in heaven; and You Lord do whatever pleases You! Mighty Elohim, You who created heaven and earth, the earth is Your and the fullness thereof, but nations have turned from You idols of the of silver and gold, The work of man's hands!

They have mouths, but they cannot speak; They have eyes, but they cannot see; They have ears, but they cannot hear; They have noses, but they cannot smell; They have hands, but they cannot feel; They have feet, but they cannot walk; Nor can they make a sound with their throats! Those who make them will become like them! Those who make them will become like them! Those who make them will become like them! They cannot see, hear, feel, walk, or speak righteousness, truth, or anything of eternal worth and wind-up corrupting everything and Everyone who trusts in them!

O Lord, grace Israel, and all who call upon Your Name, to trust and take refuge in You! Grace us all to be confident in You, cling to You and rely on Your word!

You are our help and our shield!

Lord, we see what they have willfully done to our nation and also recognize a storm is coming!

When we see how justice has been corrupted and truth has fallen in the streets! A storm of corrections is coming! When the Super-bowl allows Drag Queens to parade their perversions in front of the eyes of our children and call them Go and Sin some more!

Enough! Lord, cause the finances of the Super-bowl to dry up, if this is what they are promoting! Shake the bedrooms every soul involved in promoting this with a personal encounter with Your fear O Lord!

Take them all on a 12 hour, all expenses paid, cruise over the fires And torments of hell!

And then see if they want to encourage people to go and sin some more!

You who reverently fear the Lord, trust in the Lord! Lord, we thank You, that You are our help and our shield, and You are mindful of us; You are and will bless us, You will bless the house of Israel! You will bless those who fear and worship You Lord with awe-inspired reverence and submissive wonder!

Thank You Father, for blessing both the small and the great. Thank You Lord for giving us great increase, us and your children!

We declare, we are blessed of the Lord, Who made heaven and earth. The heavens are the heavens of the Lord, But the earth He has given to the children of men. But as for us, we will bless and affectionately and gratefully praise You Lord From this time forth and forever.

We Praise You Lord! Hallelujah!

O by the way Lord, that unjust judge  
In New York let him taste true justice from Your hand!

**Lana Vawser introduction by Wade Butler**

**Introduction: Part of our ministry is involved in seeking the LORD in what is referred to as "Ascensions" or "Open Heaven Encounters" often in the Throne Room of Heaven. In our private prayer time, Yahweh, (Father, Son, and Holy Spirit) said separately to Pastor Jim Gregory and me that we would receive knowledge from the Throne Room to the Board Rooms of businesses and groups that we would encounter for the purpose of reestablishing the Kingdom on earth for HIS Glory. He then said that all who would seek HIM could have personal experiences if they would come up higher.**

**Revelation 4:1 After this I looked, and behold, a door standing open in heaven! And the first voice which I had heard addressing me like [the calling of] a war trumpet said, Come up here, and I will show you what must take place in the future.**

**In the third Heaven and specifically in the Throne Room we have received instruction, direction, and fresh fire of the "Glory of God" to release when and where HE instructs us to do so. Recently Matt Friesser received a WORD to See HIM, See what HE sees to be prepared for what is ahead.**

**Lana confirms the visions and WORD to the very point. Listen and see, come up here is the unction of the LORD for all who would come. Wade Butler**

**Lana Vawser**

**I HEARD THE LORD SAY, 'COME INTO THE UPPER ROOM, MY FIRE IS FALLING FOR THE NEW FRONTIERS'**

Recently I heard the Lord say, '*Come into the upper room, My fire is falling for the new frontiers.*' There is a weighty invitation from the Lord right now to the people of God to come into the upper room — the place of prayer and waiting on Him — like never before, for His fire is falling for the new frontiers.

There is a deep place of encounter awaiting God's people right now where there is a FRESH COMMISSIONING taking place in the UPPER ROOM for the new frontiers that are before the people of God. There is an invitation to leave behind the noise and distractions and come into the upper room for the fire of God is falling and the Spirit of God is about to fall in such POWER it will cause everything that can be shaken, to be shaken.

**The Lord showed me MIGHTY deliverances that are taking place in the upper room. The Spirit of God falling in such power there is SUDDEN deliverances taking place. There is SUDDEN healing taking place. There is SUDDEN alignment taking place. The fog is SUDDENLY breaking. Time is SUDDENLY being restored. Vision is SUDDENLY increasing.**

I heard the Lord say:

***'In order for My people to move into the new frontiers, they must be in the upper room to receive the FRESH FIRE.'***

When the Lord spoke, ***'FRESH FIRE,'*** I felt everything shake in the spirit. There is FRESH FIRE the Lord is releasing upon His people that come into the upper room of prayer and waiting upon Him that is going to be the FRESH FIRE for the PIONEERING that is before them.

**ANSWER THE CALL TO THE UPPER ROOM AND RECEIVE HIS FRESH FIRE FOR THIS NEW APOSTOLIC ERA.**

The urgency to answer the call to the upper room gripped me. I felt the longing heart of the Lord so strongly. Where you are going, where we are going, we have never been before. Where the Lord is 'sending' His people in this new apostolic age, the age of the Kingdom, we haven't been before and I heard the Lord say, ***'You cannot go as you are.'*** What is required for the journey ahead requires a fresh baptism of His fire. It requires a fresh impartation of faith. It requires the place of fresh encounters with the Lord. It's the place of stepping completely and totally into the NEW to move into where He is going. It's a complete shedding and shaking off of the OLD.

The encounters with Jesus in the upper room are going to be revolutionary. It is the place where the Lord is going to download His wisdom and teach His people His ways and give them understanding of His ways (Psalm 119:24). In this encounter I saw the new frontier ahead, the uncharted territories. There was a keyhole to be passed through to enter into these new frontiers and I asked the Lord what is the key and I heard the Lord say, ***'IT'S THE UPPER ROOM.'***

EVERYTHING that is needed will flow IN and FROM the upper room. In this season of unprecedented acceleration, pioneering and extending and building the Kingdom of God with Him, it requires MUCH prayer and fasting and WAITING/LINGERING with the Lord.

It is the season to RUN but it is the season to RUN with the Lord, coming FROM the upper room. The saints are going to be empowered by the Spirit of God like never before.

The fire of God is going to come upon the people of God like never before, bringing a refining, a strengthening, a purging and a purifying to run in holiness and truth. The fire of His presence is going to come upon the people of God in this new era in such a way that the BURNING ONES are going to be sent forth into the earth to release the fire of His presence and His power, ushering in the greatest demonstration of His power and revelation of His Glory that the Church has ever seen. But there's a call to the upper room in such a weight I have not felt before.

### **'LOOK INTO MY EYES AND SEE THE AGE AHEAD'**

In this encounter I saw Jesus standing before me and His eyes were like flames of fire and He spoke, '***Look into My eyes and SEE the age ahead.***'

**'His eyes are like a flame of fire, and on his head are many diadems, and he has a name written that no one knows but himself.'** (Revelation 19:12 ESV)

The words began to come out of my mouth, 'There's encounters with His eyes in the upper room. There's encounters with His eyes in the upper room.' I began to weep as I saw Him. The revelation of Jesus Christ opening up and exploding in the upper room, the whole room was full of the bright shining light of His glory.

The Lord spoke again, '***The revelation of My glory and the revealing of who I am in this new apostolic age is going to mark My people and transform My people. It is the great undoing. It's the reformation in the revealing of who I am. In the upper room you will be MARKED BY LOVE!!! You will be marked by the fire of My love again!***'

I see upper rooms all over the earth filled with people on their faces crying out, weeping, undone, groaning, at the revelation of Jesus. Undone by the WEIGHT of His glory and power.

***'In the revealing of who I am is the invitation to see Me and look into My eyes and see the age ahead and to walk in My wisdom and My ways.'***

He spoke again:

***'Out of the encounters with Me in the upper room will come the greatest divine innovations of the new era!!! In the encounters with Me in the upper room My people will have EARS for the NEW ERA.'***

It's in looking straight into the face of Jesus, in these encounters with the Lord in the upper room, that the revealing of who He is in greater ways will explode. I see the upper rooms being filled with His glory and light exploding out of the windows. Supernatural manifestations in the natural of His light being seen through windows and people being drawn in the natural to see what this light is exploding from physical buildings and rooms. Being drawn in and coming to know Jesus. It will happen in houses, in churches, in buildings.

His glory and light will be physically seen.

It is in the upper room that encountering Jesus and looking in His eyes that the revelation of this apostolic age will come. The revelation of this Kingdom age will come by looking into the face of Jesus. Looking into His eyes. Feasting on the Word, as He is the Word.

As I looked closer into His eyes I could see flames of fire and I could see pathways and blueprint strategies. In His eyes I could see wisdom. In His eyes I could see His ways. In His eyes I could see glimpses of what was to come in this Kingdom age. He spoke again:

***'If My people would just stop, linger, seek and pray in this new era and set aside distraction, they will SEE what is to come in Me in greater ways. Leave behind your mind of what you "think" it should like or how it should be, just be with Me and you will SEE. Be with Me and you will SEE, and rise up as the EAGLE.'***

**'THE COMMISSIONING OF THE EAGLES WILL TAKE PLACE FROM THE UPPER ROOM'**

Those words shook me deeply. The commissioning of the eagles will take place from the upper room. He will send out the eagles from the upper room filled with fire, marked by the revelation of Jesus: eyes that see with prophetic vision and clarity for this new apostolic era.

I then looked at the eyes of the eagles and their eyes blazed with heavenly sight. In the upper room, in looking in the eyes of Jesus — the One whose eyes were like flames of fire — they had received such an upgrade of sight in the spirit, they were being sent forth with a heavenly INSIGHT and HINDSIGHT for this new era.

I heard Him speak again:

**'THESE EAGLES WILL BE SENT FORTH TO UNCOVER AND REVEAL MY TRUTH.'**

These eagles were being sent forth with eyes of **DANIEL 2:22: 'He reveals deep and hidden things; he knows what is in the darkness, and the light dwells with him.'** (ESV)

These eagles were going forth with such wisdom, discernment and divine insight and hindsight they were going forth to uncover that which is darkness, and to reveal truth — His truth. To bring forth the establishment of truth, heavenly truth in this new era. They were going forth with prophetic insight and hindsight to bring alignment, and to herald the truth of God's Word.

### **THE WATCHMAN ANOINTING WILL INCREASE FROM THE UPPER ROOM**

From the upper room the 'watchman anointing' is going to increase more than ever. The heralding of the watchman is going to get louder in this hour in prayer, intercession and proclamation to bring the body of Christ into a greater position of victory and movement from defense to offence.

**'Son of man, I have made you a watchman for the house of Israel; therefore, hear a word from My mouth, and give them warning from Me.'** (Ezekiel 3:17)

### **IT IS THE SHAKING OF ACTS 4:31**

**'And when they had prayed, the place in which they were gathered together was shaken, and they were all filled with the Holy Spirit and continued to speak the word of God with boldness.'** (ESV)

This is the hour of His power. This is the era of being reintroduced to the power of God. This is the era of the days of ACTS and BEYOND. His words surrounded me, ***'It's the ERA of MIGHTY ACTS, the ERA of my OUTSTRETCHED ARM!!!'***

The fresh encounters with Jesus, the fresh impartation of faith and empowerment of the Holy Spirit is happening in the upper room as His people wait upon Him. The Lord showed me many will be dazzled by the season of opportunity and pursuing 'fame for their name' and putting their hands to 'much' for the Lord, but the breath of God is not upon their works.

The Lord showed me that those who linger in the upper room in this new era will carry the BREATH OF GOD in this new era that will bring signs, wonders and miracles never seen before. It is beginning to rumble. It's the fresh commissioning for the new frontier.

It is the place of the greatest empowerment of the Spirit that has ever been walked. It's the place of receiving a supernatural boldness that has never been carried before: to go, do, build, say and obey all the Lord is commanding. The invitation into the upper room is resounding louder than ever for this new apostolic age. Don't get so caught up in this era of opportunity and acceleration that you miss Him, because He is coming, ready or not.

**His goodness, His kindness, His love is beckoning you into the upper room. Shake off all that hinders you from coming into that place.**

**The upper room. The place of the revealing of Jesus Christ and His fire falling. A fresh commissioning. You can't go forward into the new frontiers without it.**

***'He is saying to HIS sons and daughters, Come Up Here, partner with Me in greater realms of intercession, watch and see, watch and see how I am using making a way for MY GLORY!!!!'*** Wade Butler
