Maintaining the Parallel Status of the Republic for the united States of America Interim Government

As it stands, the *Republic for the united States of America* operates Parallel to the *de facto* Government-Corporation. All 50 *de facto* STATE governors were ordered by the American People to re-occupy their *de jure* Offices in 2010. When they failed to do so, the American People then exercised their unalienable right to re-seat the government. In doing so, they convened what should be referred to as a third Continental Congress. This Congress, consisting of a quorum of State Representatives, unanimously adopted the *Declaration of Sovereign Intent* (DSI), by which the American People re-inhabited their original American Constitutional Republic and stood up the interim Government (the Republic for the united States of America.)

The DSI was incorporated into the “[Proclamation of Claim and Interest of the Republic for the united States of America](#)” in 2012 and subsequently served on:

- UNITED STATES (*de facto*) Joint Chiefs of Staff
- The International Court of Justice
- The Universal Postal Union (UPU)
- The United Nations (UN)

This occurred to ensure that the nations of the World and our Military would be fully aware that the American People had reseeded the original Republic, and that the American People are not without ownership rights of *de facto* UNITED STATES corporation assets. *We the People* are, in fact, a self governing People and, regardless of the status of the UNITED STATES corporation, we will continue to be self governing, despite the efforts of those who are in conspiracy to deprive us of this unalienable right.

Quoting from [PR950286668RUSA-14Jun2022](#), “It was never the intent of the Founders for the American People to be governed by force instead of by the consent of the governed. But, that is exactly where we find ourselves today. The American People find themselves surrounded by an unimaginable mountain of so-called laws and mandates that were not written for their benefit, but for the benefit of the oligarchs in control. The American People have lost confidence the current government’s ability to govern lawfully and peacefully. It’s past time to [Implement the Northwest Ordinance](#) to RESET America.”

So, having documented above the key instances where it was necessary for the Interim Government to give Lawful notice to the *de facto* UNITED STATES corporation, and acknowledging that we continue to operate parallel to said corporation, we see no current requirement to give further notice. Let it be known that any agent (or officer of the Republic), unless authorized by the President in writing, has no Lawful authority from the Republic to serve notice on *de facto* officers on behalf of the Republic; and, if they do so, then they are acting in their own private capacity and DO NOT represent the Republic.
