

Tammuz 5784: July 7, 2024 – August 7, 2024. Pastor Wade Butler

Yahweh is in the battle.. He leads the Angel Armies and HE fights for us!!!!

**This is a month of incredible Heavenly encounters with Angels and more importantly, Yeshua.. It is a season of war, change and preparation.
Are you ready?**

Chuck Pierce:

Amman Beeftu released during Shabbat earlier this month when the Lord said He was unlocking the Tower of Winds. I believe the prophetic words below will encourage you to ride your storms by faith!

"I Am bringing a new anointing upon you, and it is that anointing that will break the yoke that the enemy has kept around you to keep you from ascending into the place that I have for you. That anointing is stirring the enemy. Do not go up against him the way you have gone up against the enemy in the past. Wait, for I am sending a wind to elevate you above the enemy and cause you to rise above. Listen for that new wind

stirring within you, and the enemy will not be able to anchor you and keep you from seeing what you need to see. The wind will come, and you will say, 'Holy Spirit, I welcome you this week.'" (April 21, 2024, Chuck D. Pierce)

"If you will enter through the narrow place you see, start from the low place and ascend to the top, the stairway ahead will lead you to the Tower of Winds. You will unlock new winds that will cause you to ride above the storm ahead. There are storms ahead, but I have already spoken to you and shown you that if you will keep ascending and worship, I have a Tower of Winds that can keep you above every storm in your life." (May 12, 2024, Chuck D. Pierce tongue interpretation).

Houston and its surrounding area will see the awesomeness of God. I had given a word there about a year ago that when the winds topped 80 MPH, it would be the beginning of the new throughout Houston. Thank You that all those in Houston and that 10-city area – that Decapolis – will see the power of God! (May 19, 2024, Declaration by Chuck D. Pierce)

"We are in great storms, great devastation, and great destruction - but God is going to turn it into victory. God is faithful, and we can find a hiding place in the Lord, a place of peace and rest when storms are all around. You are going to find the hiding place of the Lord. You're going to find the secure place of the Lord. The storms will not cause you to fear. The storms will not stop victory. This is a time God is going to restore the losses. He is going to restore all that was meant for destruction. You have a hope and a future and peace in the midst of the storm! (May 26, 2024, Barbara Wentroble)

You are developing a strength that you don't even know you have! When you make it through the storm, you get a whole new garment of glory to wear. God told us the Tower of Winds was being unlocked, and we need to ride it over every storm of our life. You don't just hear that; you get it in you and say, "I'm jumping on the next strong wind that comes past me, and wherever it takes me is where I'm going to end up!" (May 26, 2024, Declaration by Chuck D. Pierce)

Penny Jackson, from Houston, was talking with Pam and me this week about "the new" ahead for all of us. She lives in a beautifully situated home in Houston. Her home has been used to gather leaders and intercessors from around the Houston area. God is there! However, like most of us, she knows great changes are coming. However, her following writing is an encouragement to each of us to enjoy the moment God has us today.

From Penny Jackson:

Recently, someone mentioned to me that she felt I would be moving to another city within the next two years. I have heard similar things before about moving someday, and this may well be the case. Time will tell, and I will stay open to His voice.

Almost twenty years ago the Lord brought to me the house where I now live. I had longed for a house for years. In this setting has been the most precious season of my life. I have felt so blessed here over the years, and I have loved sharing it with others.

But this morning, I realized something had changed. I had allowed things to become lifeless; nothing felt new. I'd had some thoughts periodically of sprucing things up, bringing in some new life, but when those thoughts came, somewhere down deep was this: "Why bother? I'll be moving." Every decision I made seemed to be through this filter.

My friend likened it to knowing you were leaving a job soon for another job. You don't put in the same level of effort, having already moved on mentally and emotionally. This was where I found myself today. I had moved on from here before the Lord had moved me out.

We are beginning to see and hear exciting things that will be our "new" in days, weeks, months, or even years to come. However, right now, we are where the Lord has placed us. And 'right now' is where He dwells. So I have made the declaration that I will fully live in this house each day. If and when that changes, I will live fully in the next place. But now I am here...with HIM.

I hear a caution in this for us all. Don't get ahead of Him. Don't miss the blessing of the present moment by focusing on what's next. Joy in where you are right now because that's where He is.

From Matt Friesser:

We are in a battle for the KINGDOM OF GOD. In the vision, the sons and daughters of GOD are sitting at a card table in Heaven playing very high stakes poker for the fate of nations. The hand that was dealt to sons was a ROYAL FLUSH. It is an unbeatable hand dealt by the LORD as he prepares to payout to the winners!

The enemy players at the table may have lost the hand but they think they can still win the game because the "KINGDOM" still needs to be won by us. We must be united in prayer to go forward in the battle for the KINGDOM. Turmoil still waits on every side, so you must pray and walk together as you are being prepared for what is ahead. Seek HIM for every step as you walk in the midst of the war around you. THE HONOR OF THE LORD IS ON YOU AND GOES BEFORE YOU.

From Terry Friesen:

In a vision, I was seeing myself like a Transformer from the movies. The Lord was disassembling me and reassembling or rebuilding me into a new image to be able to work in many new environments. He showed me that HIS sons and daughters are called to work in many forms and structures with many purposes and missions. This is different from "giftings," as HE is forming new character traits in us to face the new encounters that the enemy puts before us. Yeshua is preparing us for the new task or assignments. We are stepping into the supernatural, and we must trust the 'new' person we are becoming in HIM as Father shifts us to higher levels and multiple purposes. A new light of revelation is coming, and our father's DNA is coming into the light within us, giving us supernatural capabilities as we come up higher.

The Biblical Month of Tammuz (Hebrew) begins this year at sundown on July 7, 2024 and runs to sundown August 4, 2024.

With each new month of the Hebrew calendar, we cross over into new territory, yet at the same time experience the fullness of the LORD'S foundations for the season we are entering.

Each Month is a new opportunity!

Each month represents a new opportunity to make a difference, in the kingdom of GOD, in our own lives, our families and those around us. We need to get back to work, keeping in mind that our Father orchestrated this lockdown. The enemy planned to destroy the threat of We the People from obtaining our goals of Liberty and Justice for all in his attempt to dominate the world with the one world order taking over.

Our enemy, the devil and his minions, are continually on attack trying to wear us down through discouragement, sickness, financial burdens and more. **What makes the difference is our relationship with the Trinity: Father, Son and Holy Ghost.**

The deep state and satan's minions want to re-afflict the world with the fake pandemic of fear. That is actually what we are facing. Demonic governors, mayors and politicians want to reinstate the restrictions that paralyzed the world. If it happens, millions of businesses will be lost, families devastated, and nations destroyed.

Regardless of our political views, we must keep in mind who was really behind the virus and attempt to break our spirit and hearts. Satan is a liar and thief who comes to kill, steal and destroy. He uses whoever will surrender to his will. Many will say the President is to blame. It is far more sinister than him or his staff. Our LORD raises up our leaders and takes them down. Remember that. The deep state is controlled by evil forces that will do whatever it can to keep from being exposed. Our job is to keep our eyes upon Yeshua and remember that HE is in charge.

We are GOD'S warriors that stand between the enemy and our promises. We all have been calling out those promises as we wait on GOD to do the miracles on our behalf. **The truth of it all is HE ALREADY DID.** Every day we battle for hope, direction and relief.

The Biblical Month of "Tammuz".

Biblical Months fall under the Law Form of YHWH (Yahweh), Father-Son-Holy Spirit, through the revelation of His Word and begin on the new moon each month.

I often ask myself, do the readers understand how to pray after reading a text of prophesy. The answer is to ask the LORD how did this relate in the Bible for then and how does it relate now? How would YOU have me to pray Lord?

In developing this calendar prayer guide, prophets are used to bring current words from the LORD*. (See last page.) Each month the contributors change, and some months have multiple contributions from a particular author depending on what they received that month. Many Christians do not have access to publications such as the Elijah List, Judaism 101, teachings from Chuck Pierce, Robert Heidler and many other contributing authors which are included.* 1 Thessalonians 5:20 Do not spurn the gifts *and* utterances of the prophets (do not depreciate prophetic revelations) nor despise inspired instruction or exhortation or warning.

Several people have asked me why the calendars are so long, "It's a book each month". I have to say, "Yes, it is a book." Yet, it is a daily devotional

reposting the prophetic word to those who do not have the time nor resources to accumulate the number of authors, depth of detail, or emphasis of the living word that we present. So, if you prefer to read it all or do the daily prayer, it is for anyone who is hungry. This month is the longest so far due to the content of each author's message. The power on these pages will change your life, so buckle up. This month is packed with solid Revelation from the LORD!!!!

It's been five years since we started publishing the Prayer Calendar based on the Hebrew Lunar Cycle, so for anyone joining us for the first time, I want to give some background. In Genesis 1:1, the very first words GOD speaks is "In the beginning," and according to Rabbinical teaching, the very first commandment given to the children of Israel while in Egypt was to sanctify the "New Moon." From that point on, the nation of GOD was to look at the Moon for the setting of their days and evenings and as a means to reconcile the times and seasons. The Biblical day begins at sundown and ends at sundown the following day. At sundown, it is known as the dawning of a new day. **Genesis 1:5, And God called the light Day, and the darkness he called Night. And the evening and the morning were the first day.** Even history is set into motion as God said that the world may be understood as seven 1,000 days with the last 7th, 1,000 years of days would be the time being the Millennial Reign of Christ.

The Lunar cycle has only 29.5 days or 354 days per year, whereas the solar cycle has 365 days per year. An additional month is added every 3rd year to coordinate with the solar calendar for agricultural seasons. The reason the numerical date may not look like the previous year's is because of this shift. The Month begins with the rising of the "New Moon". The Hebrew year begins in spring every year in the Month of Nissan when Passover occurs. Every month is related to a specific tribe, feast, and season.

As we begin the month of Tammuz, keep in mind that man changed the calendar, GOD didn't.

The church today misses a very important part of their history and understanding. There was never really a new church started. They worshipped and practiced Hebrew. The difference was Christ completed the requirements of the Law and made us "**New Men**" in Him. If you think about it, we are literally Hebrew, as we were adopted or grafted into the Kingdom.

With that in mind, we will not miss out on what God is doing by honoring the feast or HIS Calendar. At the same time, we will honor our Lord Yeshua the Christ, and we may learn something.

Tammuz is also linked with the Tribe of Reuben, who was Jacob's first son born to Leah. When Reuben was born, Leah said, "Surely the LORD hath looked upon my affliction; now therefore my husband will love me." As such, his name means "behold a son." Jacob prophesied, "Reuben, you are my first born, my might, the beginning of my strength, the excellence of dignity, the excellency of power."

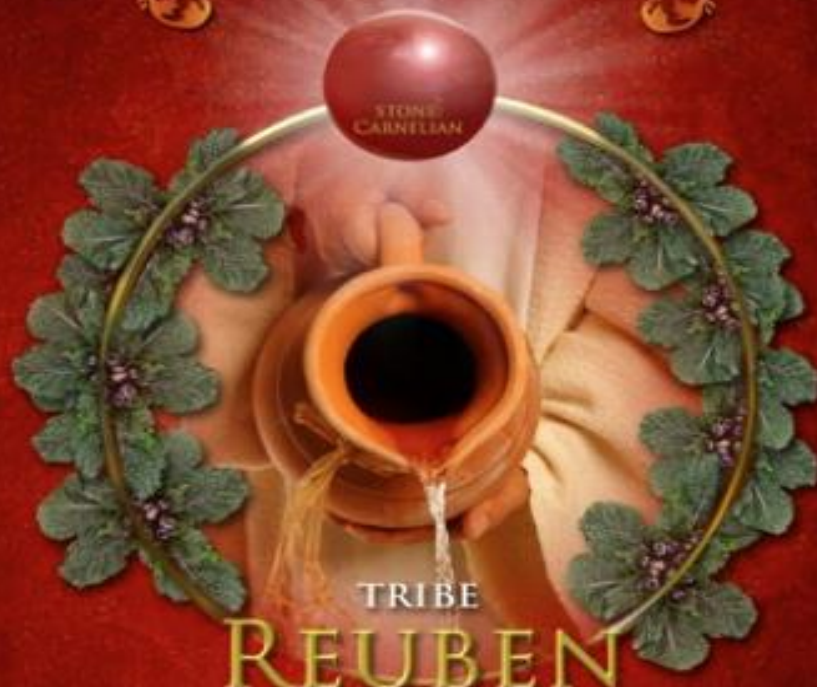

The root word for his name, raah, means to see or to behold. When Jacob blessed Reuben he said, **"Reuben, you are my firstborn, my strength, the child of my vigorous youth. You are first in rank and first in power. But you are as unruly as a flood, and you will be first no longer. For you went to bed with my wife; you defiled my marriage couch"**. When Moses blessed Reuben he said, **"Let Reuben live, and not die; and let not his men be few"**. This reveals to us how unbridled desires cause us to forfeit our birthright, but as we behold the Son, we become heirs of the promise.

As I have mentioned multiple times over the last couple of months, I believe we are in a historic shift that is initiating the greatest revival and reformation the world has ever seen. That is a pretty bold statement when we look at how the early church turned the world upside down as they moved in great signs, wonders and miracles preaching the Gospel of the Kingdom. Get ready to turn the world right side up as He realigns you in a new way!

Unfortunately, Reuben fell and lost his birthright when he let his eyes and heart wander and committed a horrible sin against his father, and more importantly, the LORD. It's the month to guard your heart and eyes and not build any "Golden Calves" in your lives. (Deut. 11:26,30: 15-19). Therefore, we get, "Behold the SON; Let HIM guard your Heart and Eyes." It's a time for vision - keep your eyes on the LORD. It is so easy to fall into worship of other things than the LORD, like Reuben did: money, position, even people. Keep in mind, our priorities are Christ, HIS Kingdom, family, then look at work, and duties,.

The fourth captain for the fourth month was Asahel the brother of Joab, and Zebadiah his son after him: and in his course were twenty and four thousand. (1 Chronicles 27:7)

We have now entered the fourth month of the Biblical calendar during the year Ayin Gimmel. The month of Tammuz is the month of refined vision, the month of worship, and the time to look at our progress and allow the Lord to direct our paths. This month is very key every year because it is the month, historically, when Israel sinned in the wilderness by worshiping the golden calf, and when the twelve spies were sent into the promised land. Again, this is highly significant this year, the year of restoring glory, because God has realigned us as His new administration to become the dwelling place of His glory. It's time to reject every form of godliness that lacks kingdom power and worship our King in the outpouring of His glory!

The Month of Worship

And when the people saw that Moses delayed to come down out of the mount, the people gathered themselves together unto Aaron, and said unto him, make us gods, which shall go before us; for as for this Moses, the man that brought us up out of the land of Egypt, we know not what is become of him. (Exodus 32:1)

The historical account of the people requesting gods to worship seen in Exodus 32:1 took place during this month, the month of Tammuz. In this account, we see that the people felt as if they had been abandoned in the wilderness by God and Moses. They formed a mob and confronted Aaron, demanding that he make them gods which were to go before them. Somehow, the people had become desensitized to the glory of the Lord that was still visible over the mountain where He was speaking to Moses. He had already gone before them to prepare the Promised Land; all they needed to do is worship while they were waiting.

There is a great danger of falling prey to the same type of rebellion when we find ourselves waiting. I have found that worry and anxiety are two enemies that creep in when it seems nothing is happening. These will cause us to move too quickly, devise a plan of our own, and lead us to a place of hope deferred if we allow them to. Worship is the key that unlocks the destiny that God has predetermined for us. He has already gone before us and prepared the time and the space where our destiny will be fulfilled, all we have to do is worship Him while we are waiting.

The prophet Samuel said that rebellion is like witchcraft and stubbornness is like idolatry (I Samuel 15:23). When we are rebellious and stubborn, we reject God and fail to see His path for our lives. Instead, we choose an inferior reality and do what we feel is right based on our own desires. There is nothing in this world that can separate us from God and keep us from experiencing His promises besides our choice to reject His truth and choose our own way. We see this illustrated in the life of Saul, who chose to disobey God. When the prophet Samuel confronted his disobedience, he chose stubbornness rather than repentance, and God's presence left him. Samuel's judgment on the matter is one of the most frightening statements in the Bible, ***"So because you have rejected the command of the LORD, he has rejected you as king."***

Just like the people of Israel in the wilderness who chose to worship the golden calf, Saul chose to worship his own way. I believe what led them to the place of rebellion was not intentional maliciousness, but a failure to keep the main thing the main thing. The presence of God should ALWAYS be our measure of success. The children of Israel were so focused on the promised land, they were willing to get there by any means possible; failing to realize the presence of God was still visible on the mountain. Saul was so focused on the victory and the spoils, he failed to realize that obedience to God is better than sacrifice. When we exalt our promise above the one who gave it, or our breakthrough above the one who produces it, we forfeit our place in His presence and fail to see the fulfillment of our destiny.

I encourage you to worship the Lord throughout this time with great fervency. Make special time to worship Him, especially when it seems that you have been delayed in what you believe He is taking you into. New songs break old cycles, so ask Him to release to you the new song that will cause barrenness to turn into fruitfulness. Psalm 96 gives us our instruction for this month. **O sing unto the LORD a new song: sing unto the LORD, all the earth. Sing unto the LORD, bless his name; shew forth his salvation from day to day. Declare his glory among the heathen, his wonders among all people. (Psalm 96:1-3)**

The Month of Tammuz according to the Book of Formation (Sefer Yetzirah)

According to Sefer Yetzirah, to each month of the Jewish calendar there corresponds a letter of the Hebrew alphabet, a zodiac sign, one of the twelve tribes of Israel, a sense, and a controlling limb of the body.

Tammuz is the fourth of the twelve months of the Jewish calendar.

The month of Tammuz begins the "season" (tekufah) of the summer. The three months of this season, Tammuz, Av and Elul, correspond to the three tribes of the camp of Reuben—Reuben, Simeon and Gad—who were situated to the south.

Tammuz is the month of the sin of the golden calf, which resulted in the breaking of the Tablets. On that very day, the 17th of Tammuz begins the three-week period (ending on the 9th of Av) which commemorates the destruction of the Holy Temple in Jerusalem.

This is the month that the spies sent by Moses traveled through the land of Israel to see it and report to the people. (They returned on the eve of the 9th of Av).

Letter: Chet (ח)

The form of the letter chet is composed of the two previous letters of the Hebrew alef-beit, the vav and the zayin (corresponding to the two previous months of Iyar and Sivan) connected from above by a thin "bridge." In relation to the sense of sight, the form of the chet represents the dynamic of spiritual light being emitted from the eyes (the vav) and physical light returning from the object observed, to the eyes (the zayin).

The word Tammuz reads in Hebrew: "tam"– "connect together," "consummate"– vav Zayin the two letters that together form the chet.

Mazal: Cancer

One of the meanings of the root of sartan, seret, is a visual "strip," in general, or (as in Modern Hebrew) a "film" strip in particular.

The spiritual sense of sight of Tammuz is the ability to "see through" physical reality, to behold its Divine source. In accordance with this thought, the word sartan is understood as being composed of two words – sar tan – which literally reads: "remove the body" (in order to reveal the soul), i.e. remove the outer "shell" of reality (by means of the power of concentrated sight) in order to reveal reality's inner "fruit" and life force.

Tribe: Reuben

The name Reuben comes from the root "to see," the sense of Tammuz.

The precious stone of Reuben in the breastplate of the high priest is the odem, the ruby (from Reuben), which due to its brilliant red color (odem means red) is the most sensually visible of the stones.

Red is the most seductive of all colors, implying either the fall of man (in Hebrew odem [red] has the same spelling as Adam [man]), as in the sin of the golden calf, or the ultimate rise and rectification of man, with the coming of Mashiach.

Sense: Sight

The summer (the period of Tammuz) is the "holiday" of the eyes. It is the time that one must "guard" his eyes to see only that which is good (in the world in

general and in his fellow man in particular) and modest. The ability to guard and focus one's eyesight correctly is the rectified "sense" of sight.

At the end of Moses' blessing Israel, he said (Deuteronomy 33:28): "betach badad ein Yaacov – sure, alone, is the eye of Jacob." The word betach, "sure," is an acronym for three words: bracha tov chayim, blessing good and life. These are the three focus-points of rectified eyesight, as is said **(Deuteronomy 11:26): "See, I give before you today blessing and curse. The blessing," and subsequently (Deuteronomy 30:15-19): "See, I have given before you today life and good, and death and evil, and you shall choose life."** In relation to these three, one must train one's eyes (both spiritual and physical) to see only the inner positive dimension of reality and not to focus upon reality's outer, negative "shell."

This is the meaning of "sure, alone, is the eye of Jacob." The sense of the Jewish eye ("the eye of Jacob") is to only ("alone") see that which is "sure"– G-d's blessing, good and life.

Exodus 33: 12-23 Amplified Bible (AMP)

It was a time when Moses interceded for the people.

¹² Moses said to the LORD, "See, You say to me, 'Bring up this people,' but You have not let me know whom You will send with me. Yet You have said, 'I know you by name, and you have also found favor in My sight.' ¹³ Now therefore, I pray you, if I have found favor in Your sight, let me know Your

ways so that I may know You [becoming more deeply and intimately acquainted with You, recognizing and understanding Your ways more clearly] and that I may find grace *and* favor in Your sight. And consider also, that this nation is Your people." ¹⁴ And the LORD said, "My presence shall go *with you*, and I will give you rest [by bringing you and the people into the promised land]." ¹⁵ And Moses said to Him, "If Your presence does not go [with me], do not lead us up from here. ¹⁶ For how then can it be known that Your people and I have found favor in Your sight? Is it not by Your going with us, so that we are distinguished, Your people and I, from all the [other] people on the face of the earth?"

¹⁷ The LORD said to Moses, "I will also do this thing that you have asked; for you have found favor (lovingkindness, mercy) in My sight and I have known you [personally] by name." ¹⁸ Then Moses said, "Please, show me Your glory!" ¹⁹ And God said, "I will make all My goodness pass before you, and I will proclaim the Name of the LORD before you; for I will be gracious to whom I will be gracious, and will show compassion (lovingkindness) on whom I will show compassion." ²⁰ But He said, "You cannot see My face, for no man shall see Me and live!" ²¹ Then the LORD said, "Behold, there is a place beside Me, and you shall stand there on the rock; ²² and while My glory is passing by, I will put you in a cleft of the rock and *protectively* cover you with My hand until I have passed by. ²³ Then I will take away My hand and you shall see My back; but My face shall not be seen."

Exodus 34:10-27

The Covenant Renewed

¹⁰ Then God said, "Behold, I am going to make a covenant. Before all your people I will do wondrous works (miracles) such as have not been created or produced in all the earth nor among any of the nations; and all the people among whom you live shall see the working of the LORD, for it is a fearful and awesome thing that I am going to do with you.

¹¹ "Be sure to observe what I am commanding you this day: behold, I am going to drive out the Amorite before you, and the Canaanite, the Hittite, the Perizzite, the Hivite, and the Jebusite. ¹² Watch yourself so that you do not make a covenant (solemn agreement, treaty) with the inhabitants of the land into which you are going, or it will become a [dangerous] trap among you.

13 But you shall tear down and destroy their [pagan] altars, smash in pieces their [sacred] pillars (obelisks, images) and cut down their Asherim ¹⁴ for you shall not worship any other god; for the LORD, whose name is Jealous, is a jealous (impassioned) God [demanding what is rightfully and uniquely His]—¹⁵ otherwise you might make a covenant with the inhabitants of the land and they would play the prostitute with their gods and sacrifice to their gods, and someone might invite you to eat his sacrifice (meal), ¹⁶ and you might take some of his daughters for your sons, and his daughters would play the prostitute with their gods and cause your sons also to play the prostitute (commit apostasy) with their gods [that is, abandon the true God for man-made idols]. ¹⁷ You shall make for yourselves no molten gods.

18 “You shall observe the Feast of Unleavened Bread (Passover). For seven days you shall eat unleavened bread, as I have commanded you, at the appointed time in the month of Abib; for in the month of Abib you came out of Egypt.

19 “All the firstborn males among your livestock belong to Me, whether cattle or sheep. ²⁰ You shall redeem the firstborn of a donkey with a lamb; but if you do not redeem it, then you shall break its neck. You shall redeem all the firstborn of your sons. None of you are to appear before Me empty-handed.

21 “You shall work for six days, but on the seventh day you shall rest; [even] in plowing time and in harvest you shall rest [on the Sabbath]. ²² You shall observe and celebrate the Feast of Weeks (Harvest, First Fruits, or Pentecost), the first fruits of the wheat harvest, and the Feast of Ingathering (Booths or Tabernacles) at the year’s end. ²³ Three times a year all your males shall appear before the Lord GOD, the God of Israel. ²⁴ For I will drive out and dispossess nations before you and enlarge your borders; nor shall any man covet (actively seek for himself) your land when you go up to appear before the LORD your God three times a year.

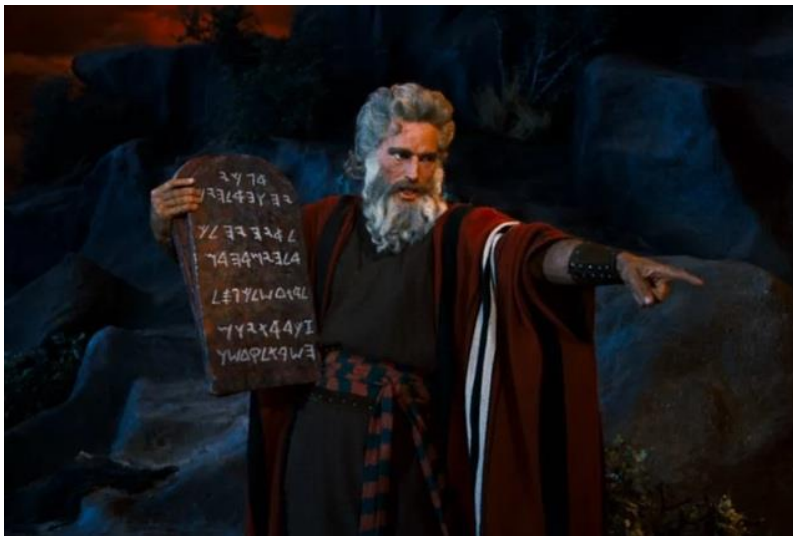

25 “You shall not offer the blood of My sacrifice with leavened bread, nor shall the sacrifice of the Feast of the Passover (Unleavened Bread) be left over until morning.

26 “You shall bring the very first of the first fruits of your ground to the house of the LORD your God.

“You shall not boil a young goat in his mother’s milk [as some pagans do].”

27 Then the LORD said to Moses, “Write these words, for in accordance with these words I have made a covenant with you and with Israel.”²⁸ Moses was there with the LORD forty days and forty nights; he ate no bread and drank no water. And he wrote on the tablets the words of the covenant, the Ten Commandments. God wrote it the first time, Moses had to write it the second time.

The Ten Commandments, Exodus 20:1-26

Then God spoke all these words:

2 “I am the LORD your God, who has brought you out of the land of Egypt, out of the house of slavery. 3 “You shall have no other gods before Me. 4 “You shall not make for yourself any idol, or any likeness (form, manifestation) of what is in heaven above or on the earth beneath or in the water under the earth [as an object to worship]. 5 You shall not worship them nor serve them; for I, the LORD your God, am a jealous (impassioned) God demanding what is rightfully and uniquely mine], visiting (avenging) the iniquity (sin, guilt) of the fathers on the children that is, calling the children to account for the sins of their fathers], to the third and fourth generations of those who hate Me, 6 but showing graciousness and steadfast lovingkindness to thousands [of generations] of those who love Me and keep My commandments. 7 “You shall

not take the name of the LORD your God in vain [that is, irreverently, in false affirmations or in ways that impugn the character of God]; for the LORD will not hold guiltless nor leave unpunished the one who takes His name in vain [disregarding its reverence and its power].⁸ “Remember the Sabbath (seventh) day to keep it holy (set apart, dedicated to God).⁹ Six days you shall labor and do all your work,¹⁰ but the seventh day is a Sabbath [a day of rest dedicated] to the LORD your God; on that day you shall not do any work, you or your son, or your daughter, or your male servant, or your female servant, or your livestock or the temporary resident (foreigner) who stays within your [city] gates.¹¹ For in six days the LORD made the heavens and the earth, the sea and everything that is in them, and He rested (ceased) on the seventh day. That is why the LORD blessed the Sabbath day and made it holy [that is, set it apart for His purposes].

¹² “Honor (respect, obey, care for) your father and your mother, so that your days may be prolonged in the land the LORD your God gives you.¹³ “You shall not commit murder (unjustified, deliberate homicide).

¹⁴ “You shall not commit adultery.¹⁵ “You shall not steal [secretly, openly, fraudulently, or through carelessness.¹⁶ “You shall not testify falsely [that is, lie, withhold, or manipulate the truth] against your neighbor (any person).¹⁷ “You shall not covet [that is, selfishly desire and attempt to acquire] your neighbor’s house; you shall not covet your neighbor’s wife, or his male servant, or his female servant, or his ox, or his donkey, or anything that belongs to your neighbor.”

¹⁸ Now all the people witnessed the thunder and the flashes of lightning and the sound of the trumpet and the smoking mountain; and as they looked, the people were afraid, and they trembled [and moved backward] and stood at a [safe] distance.¹⁹ Then they said to Moses, “You speak to us and we will listen, but do not let God speak to us or we will die.”²⁰ Moses said to the people, “Do not be afraid; for God has come in order to test you, and in order that the fear of Him [that is, a profound reverence for Him] will remain with you, so that you do not sin.”²¹ So the people stood at a [safe] distance, but Moses approached the thick cloud where God was.

²² Then the LORD said to Moses, “Thus you shall say to the Israelites, ‘You have seen for yourselves that I have spoken to you from heaven.’²³ You shall not make other gods [to worship] besides Me; gods of silver or gods of gold,

you shall not make [these lifeless idols] for yourselves. ²⁴ You shall make an altar of earth for Me, and sacrifice on it your burnt offerings and your peace offerings, your sheep and your oxen. In every place where I cause My Name to be recorded and remembered [through revelation of My divine nature] I will come to you and bless you. ²⁵ If you make an altar of stone for Me, you shall not build it of cut stones, for if you use a chisel on it, you will profane it. ²⁶ Nor shall you go up to My altar on steps, so that your nakedness will not be exposed on it.'

The Golden Calf: It's the month to guard our heart and eyes and not build any "Golden Calves" in our lives. Take time to look at all the times GOD has saved you, blessed you and bailed you out of situations. It is easy to look at the children of Israel and judge them for falling so many times when we do the same, over and over again. Never take your eyes off of the promise in HIS WORD and look for idols. If you fall go back to HIS Amazing Grace and repent.

Exodus 32:1-34

Now when the people saw that Moses delayed coming down from the mountain, they gathered together before Aaron and said to him, "Come, make us a god who will go before us; as for this Moses, the man who brought us up from the land of Egypt, we do not know what has become of him." ² So Aaron replied to them, "Take off the gold rings that are in the ears of your wives, your sons and daughters, and bring them to me." ³ So all the people took off the gold rings that were in their ears and brought them to Aaron. ⁴ And he took *the gold* from their hands, and fashioned it with an engraving tool and made it into a molten calf; and they said, "This is your god, O Israel, who brought you up from the land of Egypt." ⁵ Now when Aaron saw the molten calf, he built an altar before it; and Aaron made a proclamation, and said, "Tomorrow shall be a feast to the LORD!" ⁶ So they got up early the next day and offered burnt offerings, and brought peace offerings; then the people sat down to eat and drink, and got up to play [shamefully—without moral restraint].

⁷ Then the LORD said to Moses, "Go down at once, for your people, whom you brought up from the land of Egypt, have corrupted themselves. ⁸ They have quickly turned aside from the way which I commanded them. They have made themselves a molten calf, and have worshiped it and sacrificed to it, and said, 'This is your god, O Israel, who brought you up from the land of

Egypt!”⁹ The LORD said to Moses, “I have seen these people, and behold, they are a stiff-necked (stubborn, rebellious) people.¹⁰ Now therefore, let Me alone and do not interfere, so that My anger may burn against them and that I may destroy them; and I will make of you (your descendants) a great nation.”

Moses' Entreaty

¹¹ But Moses appeased *and* entreated the LORD his God, and said, “LORD, why does Your anger burn against Your people whom You have brought out of the land of Egypt with great power and a mighty hand? ¹² Why should the Egyptians say, ‘With evil [intent] their God brought them out to kill them in the mountains and destroy them from the face of the earth’? Turn away from Your burning anger and change Your mind about harming Your people.

¹³ Remember Abraham, Isaac, and Israel (Jacob), Your servants to whom You swore [an oath] by Yourself, and said to them, ‘I will multiply your descendants as the stars of the heavens, and all this land of which I have spoken I will give to your descendants, and they shall inherit it forever.’”

¹⁴ So the LORD changed His mind about the harm which He had said He would do to His people.

¹⁵ Then Moses turned and went down from the mountain with the two tablets of the Testimony in his hand; tablets that were written on both sides—they were written on one side and on the other. ¹⁶ The tablets were the work of God; the writing was the writing of God engraved on the tablets. ¹⁷ Now when Joshua heard the noise of the people as they shouted, he said to Moses, “There is a sound of battle in the camp.” ¹⁸ But Moses said,

“It is not the sound of the cry of victory, No is it the sound of the cry of defeat; But I hear the sound of singing.”

Moses' Anger

¹⁹ And as soon as he approached the camp and he saw the calf and the dancing, Moses' anger burned; and he threw the tablets from his hands and smashed them at the foot of the mountain. ²⁰ Then Moses took the calf they had made and burned it in the fire, and ground it to powder, and scattered it on the surface of the water and made the Israelites drink it.

²¹ Then Moses said to Aaron, "What did this people do to you, that you have brought so great a sin on them?" ²² Aaron said "Do not let the anger of my lord burn; you know the people yourself, that they are prone to evil. ²³ For they said to me, 'Make us a god who will go before us; as for this Moses, the man who brought us out of the land of Egypt, we do not know what has become of him.' ²⁴ I said to them, 'Let whoever has gold [jewelry], take it off.' So, they gave it to me; then I threw it into the fire, and out came this calf."

²⁵ Now when Moses saw that the people were out of control—for Aaron had let them get out of control to the point of being an object of mockery among their enemies— ²⁶ then Moses stood in the gate of the camp, and said, "Whoever is on the LORD'S side, come to me!" And all the sons of Levi [the priestly tribe] gathered together to him. ²⁷ He said to them, "Thus says the LORD God of Israel, 'Every man strap his sword on his thigh and go back and forth from gate to gate throughout the camp, and every man kill his brother, and every man his friend, and every man his neighbor [all who continue pagan worship].'" ²⁸ So the sons of Levi did as Moses instructed, and about three thousand men of the people [of Israel] were killed that day. ²⁹ Then Moses said [to the Levites], "Dedicate yourselves today to the LORD—for each man has been against his own son and his own brother [in his attempt to escape execution]—so that He may restore *and* bestow His blessing on you this day."

³⁰ Then the next day Moses said to the people, "You have committed a great sin. Now I will go up to the LORD; perhaps I can make atonement for your sin." ³¹ So Moses returned to the LORD, and said, "Oh, these people have committed a great sin [against You] and have made themselves a god of gold. ³² Yet now, if You will, forgive their sin—and if not, please blot me out of Your book which You have written (kill me)!" ³³ But the LORD said to Moses, "Whoever has sinned against Me, I will blot him out of My book [not you]. ³⁴ But now go, lead the people [to the place] where I have told you. Behold, My Angel shall go before you; nevertheless, in the day when I punish, I will punish them for their sin!" ³⁵ So the LORD struck the people with a plague, because of what they had done with the calf which Aaron had made [for them]."

Tammuz: Roger Waters

My child, I must explain what this month is all about. It came from our time in Babylon when they came and took us to their nation. It started way back in the Mesopotamian religion, and it is the fertility embodying the powers for new life in nature in the spring. The name Tammuz seems to have been derived from the Akkadian form Tammuzi based on early Sumerian Damuzid. The earliest known mention of Tammuz is in texts dating to the earliest part of the Early Dynastic 3 period, (2600-2334 BC) but his cult was much older. This cult is attested for most of the major cities of Sumer in the 3rd and 2nd millennia BC. It centered around the Bad-tibira, modern Madinah, where Tammuz was the city god.

Ishtar, in the Mesopotamian religion, is the goddess of war and sexual love. Ishtar is considered a member of the special class of Mesopotamian gods called Anunnaki. It is this goddess that later became known as the goddess Ester, later "easter."

Nimrod, the Assyrian leader, the first following the great flood in our world, would then become the one who built the tower of Babal, and the city of Babylon. Interesting that Babal was not destroyed, but the people were changed by God's Spirit because they were all in one accord, and their mindset was against Heaven and its creation. This is where the different languages came from at that time.

His mother was called Semiramis, and also became his wife. She told the people then that she was hatched from an egg that was found in the Euphrates River and was a goddess from the beginning. She birthed Nimrod, and after he died as a leader of the known world at that time, she found 39 parts of his body, but the 40th part was missing, and not found. That part was the reproductive organ, and so his wife/mother told the people that from this day on, she implemented a time of mourning, a feast of mourning called. [called what???

She began to call herself the Queen of Heaven, then starting from the day Nimrod died, it was that same year that she started calling herself the Goddess of Fertility, called Ishtar. After she died, the people began a religion called the Religion of Ishtar, where she is the queen of heaven, and Nimrod went to the sun and became the Sun God, also known as Ba'al. This is where the day Sun's Day came from, later Sunday, then Rome made it Sun Day.

The religion was all about having a god in heaven, called Ba'al, and his mother the Queen. Lent was brought forth by Rome under Constantine and lasted 40 days,

representing the body parts, and then the son Nimrod, who became a god. Ishtar was then worshipped at the end of the 40 days, following the spring Equinox.

When Moses came around, YHVH the Creator used him to bring forth His feast days to dispel what Ishtar and Ba'al began as a false god. The seven feast days found in Leviticus 23 are there, because Truth always wins in the end. Nimrod, Tammuz, or Semiramis never recorded the fact that they were the way, the truth, or the way to Heaven, Christ did! You decide which way is true, but be careful, only you stand before YHVH on your day of judgment.

My child, I have told you the truth of good vs evil over the months. I have told you about the feast day, and the way of truth. I have told everyone that there is a difference between right and wrong, truth and lies. Stay in His Word, keep all His statutes, live under all His laws, and you shall be healed, and He will not put upon you any of the diseases as he did on Egypt.

Well dad, if all this is true, then why do people go to church on Sunday Morning? Well, because that is what we all were brought up with. Constantine changed the Passover to Good Friday in 327 AD. They then threw the Day of Unleavened Bread into the trash can, and then changed First Fruits to Easter, otherwise known as Ishtar, to the first Sunday following the 1st New Moon following the Spring Equinox, all breaking the Feast Day statute and breaking the very first law given to His People, not adding or subtracting from His word which he has given to us.

But dad, how about Easter, I mean, many people in church do Easter. Let me show you something. I was brought into a heavenly room, where many souls were waiting their time for judgment. I saw this one soul standing before the throne, confident and proud, as he stood there until this bright light came forth. To the right of this bright light was another man, as he just stood there.

This great light began to speak, and it was like a thunder, it was so powerful and loud. That is when this man that stood next to the light began to say things. Like his first question. "Mr. Watson, you began teaching my people and lead them through the world of massive confusion, am I right?" Mr. Watson answered, "Yes, I did master!" "And what did you teach?" "Well, I taught all about the Word, and how we are to always be in it, use it, and live by it." "And Mr. Watson, did you do that?" "Yes sir, I did," proudly he answered.

There was a few second pause, then I saw many angels walk up to the voice speaking to the man Watson, and they laid 5 books into his hand. The Voice began to flip through the pages, speed reading the notes. Then I heard, "Mr. Watson, it says here that you would teach and even preach sometimes, and that many of the people that

you taught were already passed through these halls, but most never made it into the rest my Father has promised all His people. Do you know why Mr. Watson? (Leviticus 23:1-8 OMIT) "No, I do not".

Mr. Watson, would you read this right here sir" Leviticus 23:1-8 / **And Elohim spoke to Moses and said, Speak to the children of Israel and say unto them and say, Concerning the Feasts of Elohim which you shall proclaim to be Holy Convocations that these are My Feasts. The Sabbath, six days shall work be done; but the seventh day is the sabbath of rest, a holy convocation; you shall do no work therein; it is the sabbath of Elohim in all your dwellings.**

The Passover, which these are the feasts of Elohim, a holy convocation, which you shall proclaim in there season. On the 14th day of the first month at evening is Elohim's Passover. On the 15th day of the same month and is the feast of unleavened bread unto Elohim: seven days you must eat unleavened bread.

On the 1st day you shall have a holy convocation, you shall do no servile work therein. But you shall offer an offering made by fire unto Elohim 7 days. On the 7th day, that is a holy convocation, you shall do no servile work therein.

This is the Feast of First Fruits. Again, Elohim spoke to Moses saying, Speak to the children of Israel, and say unto them, when you come into the land which I give unto you and shall reap the harvest thereof, then you shall bring a sheaf of the first fruits of your harvest unto the priest: And you shall offer that day the sheaf , a he lamb without blemish of the first year for a burnt offering unto Elohim.

And the meat offering thereof shall be two tenth deals of fine four mingled with oil, an offering made by fire unto Elohim for a sweet savor, and drink offering thereof shall be wine, the fourth part of a hin. And you shall eat neither bread, nor parched corn, nor green ears, until the selfsame day that you have brought an offering unto your YHVH; it shall be a statute forever throughout your generations in all your dwellings.

Mr. Watson stood there trembling; his knees looked like they were moving in directions they were not to move to. That is when I heard this bright light speak and say, "Mr. Watson, did you teach this... I mean what did you teach?" The one to the right side spoke up and said, OH here Father, he taught the old pagan religion. He held teaching of eggs, and parties of small children looking for them.

You taught all about Easter, that pagan day, but you never taught about the Biblical Feast days, did you?

My child do not make the same mistake.

Dutch Sheets

God's Secret Service Agents

"Be of sober spirit, be on the alert. Your adversary, the devil, prowls around like a roaring lion, seeking someone to devour." (1Peter 5:8 NASB)

"With every prayer and request, pray at all times in the Spirit, and with this in view, be alert with all perseverance and every request for all the saints." (Ephesians 6:18 NASB)

The King James Version uses the word "watching" instead of the phrase "be alert" in Ephesians 6:18. Both translations are good. We are called to be alert in prayer, watching for our family, friends, leaders, cities, and nations. Today and tomorrow, I want to talk about the concept of intercessory watchmen, with tomorrow's post being a unique aspect of this important subject. If ever there was a time when this understanding was necessary, today is one of them.

In Scripture, the term "watchmen" comes from the Old Testament and describes what we would today call "sentries," "guards," or "lookouts." These individuals were responsible for protecting vineyards or fields (crops) from thieves and animals, and cities from invading forces.

Those watching crops were stationed on rocks, buildings, or towers to provide a better range of vision. Towers or outposts in the fields usually had sleeping quarters because it was necessary to keep watch day and night during harvest. The watchmen would take shifts - one working, one sleeping - and thereby watch 24 hours a day.

Watchmen were also posted on the city walls where they functioned as sentries. From the walls, they watched for two things: messengers and enemies. They watched for messengers in order to inform the gatekeepers when to open the city gates, and more importantly, when not to. In those days, "runners" were used to carry messages from city to city, and when a known messenger was approaching, the watchmen would alert the gatekeepers that it was safe to open the gate.

The watchmen on the city walls also looked for enemy soldiers. When they saw potential danger, they sounded an alarm, either by a shout or a trumpet blast. Soldiers could then prepare themselves for battle and defend the city:

"For thus the Lord says to me, 'Go, station the lookout, let him report what he sees. When he sees riders, horsemen in pairs, a train of donkeys, a train of camels, let him pay close attention, very close attention.' Then the lookout called, 'O Lord, I stand continually by day on the watchtower, and I am stationed every night at my guard post.'" (Isaiah 21:6-8)

Three Hebrew words are translated as "watchman" in Scripture: *natsar*,⁽¹⁾ *shamar*,⁽²⁾ and *tsaphah*.⁽³⁾ In a broad sense, they all mean to guard or protect by watching over. They can also have the connotation of hiding or concealing something. Watchmen hide people in the secret place of the Most High through their prayers (see Psalm 91).

Another interesting meaning of *tsaphah* is "to lean forward and peer into the distance." The connection to prayer should be obvious. The watchman looks ahead, into the future – "peering into the distance" – to foresee the attacks of the enemy. He or she is proactive, not reactive. This is prophetic intercession.

The Law of First Mention

The first mention of one of these words in Scripture is in ***Genesis 2:15: "Then the LORD God took the man and put him into the garden of Eden to cultivate it and keep it."***

Theologians have what is known as "the law of first mention." This refers to the general rule that the first time a major subject is mentioned in the Bible, it is "introduced"; significant facts are given concerning it, just as we might do when introducing a person.

For example, the first mention of the serpent, satan, is in ***Genesis 3:1: "Now the serpent was more crafty than any beast of the field which the LORD God had made. And he said to the woman, 'Indeed, has God said, "You shall not eat from any tree of the garden"?"'***

It is easy to see this law at work here, as the verse speaks of satan's subtlety or craftiness. When God introduces satan, He informs us of one of the most important things we must remember about him: He is far more dangerous to us as the crafty serpent than as a roaring lion.

The first mention of a watchman in Scripture was Adam in Genesis 2:15 and introduces us to one of our primary responsibilities as watchmen: keep the serpent out of our "gardens"! Guard or protect from the subtle attacks of the serpent that which God has

entrusted to our care. Keep him out of your garden: your home, family, church, city, nation! KEEP HIM OUT!

Expanded Meanings

Here are several ways these 3 words for watchman are used in Scripture. These uses will help expand our understanding of what it means to be watchmen:

Keep/Keeper - This is by far the most frequent usage of these words— at least 250 times. Watchmen keep things, places, and individuals safe, ensuring against loss, theft, or damage. They keep things intact and in possession.

Guard/Bodyguard - Watchmen shield or guard individuals and places, protecting them from danger and harm. They are the secret service agents of the Kingdom.

Doorkeeper/Gatekeeper - Watchmen have the ability, through prayer, to determine who or what comes into their homes, families, churches, cities, etc. As sentries, they discern by the Spirit what to allow in and, through prayer, open and close the doors (Isaiah 22:22). They pray IN the work of Holy Spirit and REJECT the works of darkness, keeping the serpent out.

Preserve/Preserver - Watchmen preserve, keeping things from ruin and destruction. They preserve lives, anointings, moves of God, and a host of other things by covering them in prayer.

Pay Attention - Watchmen must be alert and always paying attention. In Scripture, we are compared to soldiers; as good sentries, God tells us to "pay attention!"

Observe/Behold - Don't just look - see! Discern. Be observant. Watchmen observe what others fail to see. We can observe much in the place of prayer, often even before it happens!

Beware - Watchmen must be vigilant, aware, and on the alert. First Peter 5:8 warns us to be of sober spirit, watching for the devouring lion. When we see him at work, we must enforce Calvary's victory - stop him! Yeshua saw satan's attack coming against Peter and prayed that his faith would survive the test. The prayer was effective! (Luke 22:31-32).

Protect - In the same sense as guarding and keeping, watchmen protect, building walls or boundaries of protection from the attacks of the devil.

Maintain - Watchmen maintain things for the Lord and for people. They are the maintenance crew. Though often not those who set vision, build ministries, or oversee congregations, intercessors maintain them, keeping things working well and preventing

breakdowns. Watchmen help maintain the anointing, unity, health, purity, truth, and many other important things in the church.

Ask Holy Spirit to sharpen your skills as watchmen and to increase your anointings in this important activity. He will do so. Tomorrow, we will look at another little-known and very important aspect of this type of prayer.

Pray with me:

Father, we are painfully aware that the devourer was allowed great access to America. The church was not alert, was ignorant of the power and principles of prayer, and did not function as the gatekeepers of our nation. The result has been that he who seeks to steal, kill, and destroy has been doing so almost at will. He has devoured families, elements of our government, our schools, and even many of our churches. We ask for Your forgiveness, cleansing, and supernatural ability to reverse this.

Increase revelation in the body of Christ regarding this amazing force we call prayer. Awaken believers to the fact that we are literally partners with You, authorized to teach Your Kingdom principles, release Your power, and extend Your mercy. And increase our understanding of watchmen intercession, revealing what it means to be shields, sentries, gatekeepers, preservers and maintainers.

We take up this mantle now and cover our families, homes, possessions, leaders, cities, and nations. We ask for supernatural protection over the minds and bodies of our children. We ask for protection over our leaders and their families. And we ask for protection over our nation - except You keep the city the watchman wakes in vain. (Psalm 127:1)

Our decree:

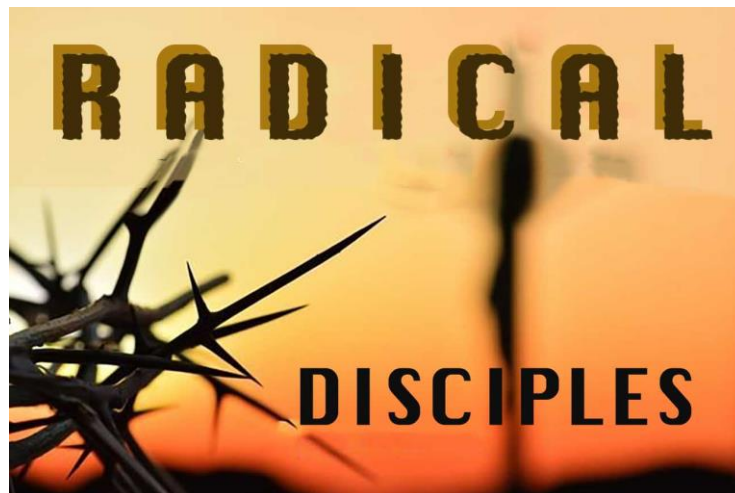

We decree with the Psalmist, David: the Lord is our light and salvation; we will fear no evil! (see Psalms 23 and 27)

Pastor Wade Butler

While driving one morning listening to Dutch tell the story of "Gods Secret Service Agents", Holy Spirit spoke to me: "Wade, do you receive what Dutch is saying today?" Yes LORD, I do. "You and many other Sons and Daughters have a call in the Secret Service of the Kingdom. What do you call your prayer group?" S.W.A.T. (Spiritual Warfare Attack Teams). We have prayed for months on assignments waiting for the moment when HS says now, take down the enemy. Holy Spirit replied: "That they are, yet more, MY

intercessors who pray continually are Sleeper Cells.” Really, LORD? The connotation is negative as the enemy uses Sleeper Cells that activate to do destruction against Your Kingdom. “Yes, that is true, like the colors of MY Rainbow that are also the colors of MY SEVEN SPIRITS. Everything that the enemy uses for evil is a perversion of what I planned for good. Sleeper Cells have been here since the beginning. They are Sons and daughters who pray continually while waiting for instructions from ME to attack the enemy and his plans. When they have completed their assignments they go back to praying and waiting on me. Those are true Sleeper Cells.”

Radical Disciples

By Steve Loopstra, Director, Your servant in Christ Ministries

We are living in a time when we are challenged on every front; challenged in just about every area of our lives. And rising in these days is a challenge to every true believer in the Lord Yeshua - a challenge to rise above what has been accepted as “normal,” but what has been for a long time, a deficient discipleship.

In these days, the Lord is calling us to a new level of “Radical Discipleship.” The Lord is calling His people, in these last days, to become more like Him in our lifestyle. And so, I would propose to you these areas of “Radical Discipleship.” Allow the Holy Spirit to

search your heart to the very depths, to challenge you, and change you. Our world today needs "Radical Disciples."

Being a "Radical Disciple" means that we live as Yeshua lived. That is the goal of a disciple. The disciple was expected to mirror the life of their Rabbi. John knew this from experience and so says to us in 1 John 2:6, "He who says he abides in Him ought himself also to walk just as He walked." To be a "Radical Disciple" is to be like Yeshua. When people see your life, they know you have spent time with Him. That was true of Peter and John. In Acts 4:13, we are told, "Now when they saw the boldness of Peter and John, and perceived that they were uneducated and untrained men, they marveled. And they realized that they had been with Yeshua." Wow!
Be honest, is your life, your lifestyle reflecting the life of Yeshua?

R – Lifestyle of Repentance

Many will likely not understand this primary and essential characteristic of a "Radical Disciple." In the life of the Lord Yeshua, it was His absolute humility, even as God incarnate. His total submission to the plan of God for His life. For us, we are calling this a lifestyle of repentance. Unfortunately, we have, for the most part, thought of repentance as the thing we do when we are converted.

But in reality, biblical repentance is a lifestyle choice. It means to be deeply sensitive to the voice of the Spirit of God to point out to me any and every area of my life that does not lead to holiness and sanctification in my life. Repentance is the understanding that I am not a person who sins, I am a sinner by nature, and only the mercy and grace of God can free me from that, and that I need to learn, as Paul wrote, to die daily. Die daily to those tendencies of the flesh that want to stay hidden in the deep recesses of our souls. And it is repentance that drives us into the arms of God, so that He can use us for His glory and honor only. Repentance was the first word of the Gospel with John the Baptist, and it is the continuing word to the People of God as seen in Revelation 1-3. It must begin with repentance.

A – Lifestyle of Adoration

My thoughts immediately go to King David, who God called a man after His own heart. How is that possible since David was not a perfect man, by any means! Yet, here we are with this declaration from the Lord saying in I Samuel 13:14 that He, the Lord, had found a man after His own heart. What made David a man after God's own heart, even after the incredible sin of ordering the death of his general, and adultery with Bathsheba? One place you find a glimpse of David's heart is in Psalm 27. In verse 4,

David says he asked one thing of the Lord: "One *thing* I have desired of the LORD, That will I seek: That I may dwell in the house of the LORD All the days of my life, To behold the beauty of the LORD, And to inquire in His temple." How was David a man after God's own heart? In his heart, he adored the Lord above all else. He was a man of faith. He was a man of trust. He was a man of love for God. He was a man of humility. Despite his failures, he was a man of integrity. He was a man who understood forgiveness, and He was a worshiper of God.

D – Lifestyle of Discipline

Being a Radical Disciple means that you are understanding more and more the skill and necessity of discipline in your life. A good way to get a handle on God's thoughts concerning discipline is to read regularly the book of Proverbs. As Radical Disciples, we need to apply more rigorous discipline in every area of our lives than most people would imagine. Why? Because the times demand it. Being totally sold out to the Kingdom of God demands it. Unfortunately, I think the vast majority of believers in the Lord Yeshua do not understand this.

The other day in my reading, I ran across again the passage in the book of Hebrews that I had to stop and investigate a little further. In Hebrews chapter 4, the writer speaks of the Lord Yeshua and how his prayers were heard because of His godly fear, and that He learned obedience through the things that he suffered. Then in verse 11, he says that he, the writer, had much more to say to them, but he could not because they had become "dull of hearing." When I looked up that word, it has the idea of being slothful, or lazy, unwilling to make an effort to work, and careless about the ways of God. A Radical Disciple is learning to overcome that laziness and is diligent to pursue righteousness and intimacy with God.

I – Lifestyle of Infectiousness

A Radical Disciple is one who is so full of the Spirit of God, and so full of the Love of God that he or she infects others with the result of being filled with the Spirit... the Fruit of the Spirit. Just think about it. I simply mention here the lifestyle of the Lord Yeshua. It was the infectious lifestyle of Yeshua that called the attention of the disciples before they made the commitment to follow Yeshua as the Messiah.

It was the infectious lifestyle of Yeshua that drew the people to hear with hunger the teaching of the Kingdom and ways of God. It was the infectious lifestyle of Yeshua that offended the religious establishment. It was the infectious lifestyle of Yeshua that led the way for the Gospel to spread into all the world. It is our infectious lifestyle that will demonstrate to others what it truly means to be a Radical Disciple.

C – Lifestyle of Commitment

We live in days when distraction seems to be the prevailing problem. There is a very interesting book entitled, "Stolen Focus" by Johann Hari that talks about how almost every part of our society is designed to keep our focus short, jumping from one issue to another.

Another book I have enjoyed on the other end of the spectrum is called, "The Ruthless Elimination of Hurry" by John Ortberg talking about our need to rid our lives of what he called the "great enemy of our spiritual life," hurry. A Radical Disciple is one who knows how to focus his or her commitment on those things that are of ultimate importance for the Kingdom of God. That includes commitment to the Word of God, fellowship of the Saints, and the Great Commission.

A – Lifestyle of Action

Now, in light of the last topic, the elimination of hurry, we need to understand that action does not equal hurry. Action is rooted in the Word of God, the direction of the Spirit of God, and the Goals of the Kingdom of God. Action is the Word of God lived out in real and practical demonstration of the character of God. Action demonstrates the love, the grace, the mercy, the power, and other characteristics of our Almighty God. Action is the outworking of all the other things we have talked about here. Action is the demonstrable living out of repentance, adoration, discipline, an infectious lifestyle, commitment and love. And love, the love of God in us, is the driving force of the actions of a Radical Disciple.

L – Lifestyle of Love

A Radical Disciple is a person whose total lifestyle is saturated in the Love of God. The key teaching of Yeshua to the Pharisees, the Sadducees, and the Scribes, when they tried to trap Him with their theological, and traditional discussions was that the greatest commandment, the most important motivator in the life of a Radical Disciple, was to first love the Lord with all the heart, soul, strength, and mind. And from that first love comes the ability to love others as ourselves.

Love was the motivation of the Lord God when he created all that exists to be a stage upon which He could have a love relationship with human beings. Because the love of God is a love that, in its essence, must be shared, God, even in the perfection of the shared love of the Trinity, desired to create man to be the object of his love. The essence of the Gospel found in John 3:16 is very simply, "For God so loved the world..." A Radical Disciple is learning (learning because we can never exhaust the Love of God

in and through us) to live in and live out the Love of God, by the power of the Holy Spirit given to live within us, to be in this world disciples who truly are like their master.

This is such a brief overview, but the question for each one of us is this: "Am I living and growing and learning what it truly means to be a Radical Disciple?" In these challenging times, I believe it is not a stretch to say that those who have committed themselves to be Radical Disciples will be the ones that will be effective in making an impact for the Kingdom of God in these days in which we live. They will be like the first disciples, who were so Radical that it was said of them, that they "turned the world upside down." We need nothing less in our day.

How about you? Are you ready to give yourself wholeheartedly to be a Radical Disciple? The Lord awaits your response.

TAMMUZ 4, 5784: WEDNESDAY-JULY 10, 2024

A word came from one of our prayer partners this week that Yeshua was saying; "Like Caleb, it is time to take your mountain and hold it as I show you a different perspective from a higher place." "Go, advance and conquer the giants for they are yours." Pastor Wade Butler

Andrew Whalen: "The Call of Calebs & Joshuas & the Fall of the Nephilim Agenda"

"Daddy, Did You Hear God's Voice Last Night?"

In 2014, I was given a dream telling me to quit my job and go to Pasadena, California for a season of training and impartation with Lou Engle. So, I did the dream. I quit my job and spent three months doing an intensive, along with a prayer siege (at the Home of Peace of Oakland, California) leading up to The Call Berkley.

While in Pasadena, for about two months, the five of us (my family and I) had to stay in a house with one bedroom to share between us. Anyway, one night, after the rest of my family was in bed and asleep, I found a book in this house on the top of an old bookshelf, and I dusted it off. It was the book of Enoch.

I had known of the book of Enoch, and knew it contained some backdrop for Genesis 6 in the Bible, but had never read it through. So, I took the rest of the evening to read a lot of the book of Enoch.

***As a note:** I had never talked to my kids about the book Enoch. They didn't know about it, nor that this book was in the house.*

So, waking up that next morning, my 7-year-old daughter asked, "Daddy, did you hear God's voice last night?" I said, "No, I don't think I did. Did you, Josie?" She said, "You didn't hear that?" Now I was extra interested and said, "What did He say?" Josie said, "His voice said, 'Enoch, Enoch, Enoch.'"

I knew, in that moment, that the Lord was highlighting revelation contained in Enoch that would be an important key for our journey.

On the last day of that three-month season, I stood on the stage of The Call Berkley. This powerful twelve-hour event was not a festival, it was a fast! Several thousand gathered on the campus of UC Berkley interceding to "breach the gap" between one generation and the next.

A demonic breach was injected in the 1960s at UC Berkley, when that generation rebelled against the traditional morals, and biblical values America had been founded on. The result of that rebellion has plagued the next generations with rebellion, witchcraft, and a culture of death ever since.

So, our battle for America at The Call Berkley was in the "**Spirit of Elijah**" to break the rebellion of the 60s and return the hearts of the fathers to the children and the hearts of the children to the fathers (see Malachi 4:6). We stared down the spirit of Jezebel that had taken the reins on American culture and warred against its witchcrafts and seductions by dislodging our agreement with it and announcing the victory of the Cross against it.

As a prophetic dreamer, I considered the possibility that God may give me a dream on the night after The Call Berkley. I asked God to show me what took place as a result of our 3-month battle for America that had culminated with The Call Berkley. I laid down to bed that night, knowing I was going to need the rest for our three-day drive back to our home state, but expectant that God would send a dream. Sure enough, I woke up the next morning with a profound dream.

The Mantle of Moses is Being Passed to Joshua

In the dream, I saw myself looking over America and suddenly began to prophesy, "**Now is the time that the mantle of Moses is being passed to**

Joshua." I knew by the Holy Spirit, that God was announcing a shift in time in which both the Body of Christ, and America as a nation, were coming out of the wandering wilderness of death and delay into a new crossover era that would set us into alignment with our inheritance in Yeshua Christ.

I went to church a couple days later, excited to share some of our journey in California and, most importantly, to announce that God was about to prepare a new generation for a crossover era. Before I got up to speak, a young man walked up to me and said, "Andrew, I had a dream two nights ago." (I noted that it was the same night I had my dream.) He said, "In my dream, I found myself standing on a very high mountain. I looked next to me, and standing beside me was Moses. From

that high place, he began to show me the whole Promised Land ahead. It stretched as far as I could see." The young man continued and said, "I knew that God was calling me to prepare for crossing over, to take the land of promise."

Amorites, Cannanites, & Giants

What does it mean for us that, "The mantle of Moses has been passed to Joshua?"

In Genesis 15:16 (concerning the land of promise), the Amorites occupied Canaan, and God gave a promise to Abram. "In the fourth generation, your descendants will return here, for the iniquity of the Amorites is not yet complete."

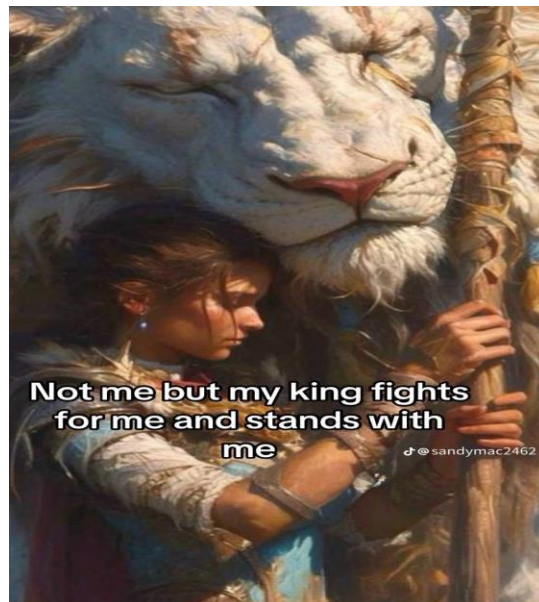

It's been noted (by scholars) that the timing of the fulfillment of this promise correlates with the passing of leadership from Moses to Joshua. So this means we need to understand that Israel crossing over to obtain their Promised Land of Canaan was in conjunction with the promised judgment of God as a result of the Amorites' iniquities.

Who then were the Amorites? They were known to be the rulers of all major cities of influence in Mesopotamia. They were *gate keepers*. They were the main connection back to Babylon—a land of Nephilim/giants and occult mystery religions.

The prophet Amos referred to the Amorites as giants when speaking about the crossover conquest in the Promised Land. **"Yet it was I who destroyed the Amorite before them, whose height was like the height of the cedars. He was as strong as the oaks, yet I destroyed his fruit above and his roots below. It was I who brought you up from the land of Egypt and led you forty years through the wilderness, to possess the land of the Amorite" (Amos 2:9–10).**

"According to Derek Gilbert in his book, *The Great Inception*, 'The sin of the Amorites has multiple layers. They were responsible for founding Babylon and its occult wickedness, which is still infamous today nearly four thousand years later. Moses specifically linked the occult bed inside the temple of Marduk, in Babylon, to the bed of the Amorite King Og (a known historical giant). The Amorite kings also apparently considered themselves the descendants and heirs of the Watchers/fallen angels and their children, the Nephilim. The Amorites summoned their venerated dead ancestors, the Rephaim, in rituals to give their kings power in the natural realm.'" (Page 183, *"The Roots of the Federal Reserve: Tracing the Nephilim from Noah to the US Dollar,"* Laura Sanger PhD, *Relentlessly Creative Books LLC; The Great Inception: Satan's Psyops from Eden to Armageddon,* Derek Gilbert, *Defender Publishing*)

The Amorites represent the "Nephilim Agenda" through the giants/bloodlines of the serpent seed. They were gate keepers and rulers in the land in the time of crossover during Joshua's time, and I believe they are again occupying the seven mountains of society as gate keepers in our time of "crossover," now.

Joshuas and Calebs Are Coming Forth!

I had a dream on **June 12, 2024**. In the dream, I walked into a room with a man named Caleb. I didn't know who he was, but I could see that he was very strong and muscular. I recognized that he had been preparing and training for something great. Then, I began to prophesy over him. I said, "Your name is Caleb. **You are a sign that God has been preparing a Caleb spirit in His people to go out and face their giants.**" I continued to say, "In fact, it's the very same reason God allowed me to live across the street from two brothers I used to play 'army' with. Their names were Joshua and Caleb. God was letting me know I'd be raising up 'Joshuas' and 'Calebs' to take out the giants and occupy the lands of promise." *Dream end.*

Now the crazy thing is, I literally had forgotten about these two boys I grew up with, who lived across the street from me, and never once in my life did I give any consideration to the fact that their names were Joshua and Caleb. *This was such a profound realization to me.*

It's interesting to note: a day after I had this dream, completely unknown to me, Henry Hastings was featured on Elijah Streams with this title: "THE CALEB ANOINTING: MIGHTY MEN ARISING!"

In 2021-2022, I was invited to speak at four or five different churches in several different states, and all of them were named Oasis. The Lord told me, "I'm sending you to the Oasis to commission the 'Calebs' for the time of crossover." I asked the Lord why He sent me to places called, "Oasis?" He said, "Go look when Caleb appeared."

Caleb's first appearance in Scripture was at the time of the first call to cross over to possess the promise, when God sent out the 12 spies. It was a place called Kadesh Barnea (see Numbers 32:8). Upon researching this, I found out that Kadesh Barnea was an OASIS, and here the following report was given:

"They returned from exploring the land after forty days. And they returned and came to Moses and to Aaron and to all the assembly of the children of Israel, to the Wilderness of Paran, to Kadesh, and brought back word to them and to the entire assembly and showed them the fruit of the land. They reported to him and said, 'We came to the land where you sent us, and surely it flows with milk and honey, and this is the fruit of it. However, the people are strong that dwell in the land, and the cities are fortified and very great, and also we saw the children of Anak there. The Amalekites dwell in the land of the Negev, and the

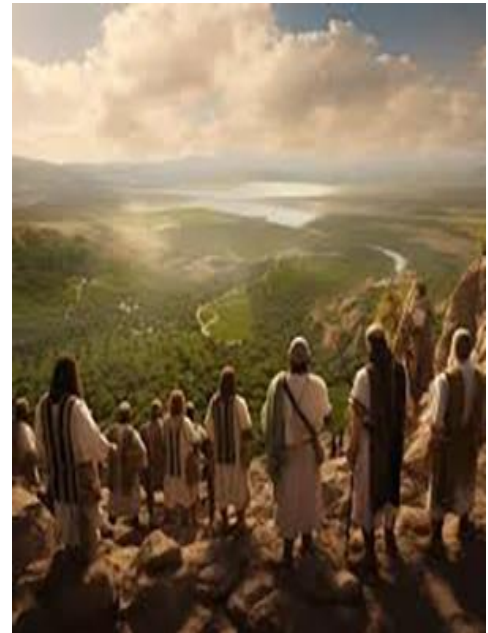

Hittites, and the Jebusites, and the Amorites dwell in the mountains, and the Canaanites dwell by the sea and by the edge of the Jordan.' Caleb silenced the people before Moses and said, 'Let us go up at once and possess it, for we are able to overcome it.' But the men that went up with him said, 'We are not able to go up against the people because they are stronger than we.' They gave the children of Israel a bad report of the land which they had spied out, saying, 'The land through which we have gone as spies is a land that devours its inhabitants, and all the people whom we saw in it are men of great stature.'" (Numbers 13:25–32)

I began to understand what God was saying: **we have come to the time of a new crossover era.** What they faced then, we are facing again. The Nephilim bloodlines and/or agendas occupy the places we are called to begin to advance the influence of the Kingdom, but we must have a Caleb/Joshua-type spirit!

"You will not go into the land which I swore by My hand to cause you to dwell in it, except Caleb the son of Jephunneh and Joshua the son of Nun." (Numbers 14:30)

Interesting notes:

- "...a land that devours its inhabitants..." (Numbers 13:32) (i.e. human sacrifice and cannibalism). An interesting note is that many believe the devouring of humans we call cannibalism comes from Canaan Baalism, the worship of Baal, who is Nimrod deified. Nimrod was a mighty hunter of flesh before the Lord, which actually means Nimrod consumed flesh, and God saw it.
- We are now living in the days where the "Nephilim Agenda" (devouring of flesh) is coming to light through the exposing of adrenochrome, child/human trafficking/sacrifice, etc.

Book of Giants

On **May 31, 2024**, I had another dream. In my dream, the man I call Mr. Miyagi appeared to me. He said he had been on a mission and a journey to get a book into my hands. In the dream, the book looked very old—like very old, rough leather. It was locked with a silver lock. He handed it to me, and even though it was locked, I knew I would be able to open it one way or another. I knew that I needed to take the book with me for a journey ahead—one where I didn't know where I was going. At that moment, I just glanced at the title of the book. It was worn and barely visible, but it said, "The Book of Giants."

When I read the title in the dream, I began to have something like an open vision, and I saw what looked like circles, or overlays and webs, that crossed through the timeline of history to our present day. In the dream, I said to Mr. Miyagi, **"This is about the Nephilim and the need to understand that much of our worldviews have been informed by the occult, who trace from Nephilim knowledge and agendas."** *Dream end.*

Mr. Miyagi represents many things to me. One thing he represents for sure is someone God has sent to help take down "defilement rings" of the Deep State. I believe the "Book of Giants" may not only refer to that specific book, but also the truth and revelation that has been locked up for so much of history, and in the church, regarding the world we live in and the impact that the Enoch storyline of giants/Nephilim add to our frame of understanding.

I believe the silver lock is God saying there is redemptive wisdom and understanding to glean from the history of our world with regard to the Watchers and the Nephilim, their bloodline and agenda.

In both 1 Enoch and the Book of Giants, we see the role of Enoch as the prophet of doom and judgment upon the fallen Watchers, their serpent seed, and the agenda they had for destruction of humanity and the coming Christ. We see their attempt to corrupt humanity ALWAYS received severe judgment without mercy!

When God sent the Israelites anywhere that the bloodlines of Nephilim and giants occupied, the command was to, in Hebrew, "charam" them, or "devote to utter destruction." (Strong's H2763)

"Yet the children of Israel violated their obligations with regard to the things dedicated for destruction..." (Joshua 7:1)

The punishment for Achan was as severe as it was because he took items devoted for destruction. In some way, his sin was related to allowing the "Nephilim Agenda" to remain.

TAMMUZ 5, 5784: THURSDAY-JULY 11, 2024

THIS WEEK LOOK FOR THESE SIGNS: Nate Johnston

Over the last 3 days, I have felt a fight in my Spirit and an overwhelming sense of impending breakthrough for those who have felt at the battlefield—yet unable to move forward in that direction. As I was in worship, I heard these words: "Look for the signs of prison break," so let me prophesy over your week...

LOOK FOR THE SHAKING

Don't be alarmed by the shaking and what looks like drama and commotion. God is revealing what has been secretly keeping you in lockdown and what was holding up your movement. Tension points are breakthrough points and places where God brings resolve, healing, and reinvention. Your worship and contending are shaking what has felt like a holding cell, limbo, and stalemate. Like Paul and Silas, your song through the dark night is beginning to shake and shatter the bars that have held you. The shake-up is your break-out!

I prophesy that this is your rescue from the shaking that has come against you to keep you still, contained, and under lock and key in Yeshua name!

LOOK FOR THE FRACTURES

I heard the word "fractures," which means a crack or rupture, and I believe we are going to begin to see significant fractures form in the intentional onslaught against us. You are going to begin to see the fractures, weak spots, and imperfections in the warfare you have had against you, like the missing chink in the armor where you will strike down the giant that has been looming over you.

You will begin to hear the sound of metal bending, and the once strong and impenetrable assignments that have kept you at bay will give way. Then, you will leave the prison hold you have been in.

You will have an "eyes open" moment and see things as they truly are, and the smoke and mirrors will be revealed in plain view. I prophesy that this week, you will see the cracks in the enemy's case against you and begin to feel hope again. You will be victorious where you have been hit the hardest.

LOOK FOR THE DISMANTLING OF LOCKS

There is a global and personal dismantling taking place. The enemy is no longer able to hold together all the pieces and keep his hand hidden. His plan is being dismantled.

Just as Isaiah 45 says, there will be a "stripping of kings' armor," a "dethroning," and a "breaking down of bronze doors." The counterfeit kingdom is going to have a public showing, and the house is falling apart further.

Personally, this is also taking place, where God is tearing down the gates, walls, ceilings, and obstructions that have been keeping you frustrated and stationary in your assignment. The dismantling of these locks and strategies is in the making.

I prophesy that you are beginning to break out and breakthrough, and every invisible rope and tie is being untied and removed in Yeshua' name.

LOOK FOR THE FINALITY & CLOSURE

For many, a monumental prison break is the necessary closure regarding past seasons' baggage, and right now, God is tying the loose ends. This baggage has been a massive yoke on the necks of those longing to enjoy the new season but who have been dealing with the emotional scarring and trauma of past season's battles. God is bringing healing and closure to them.

He is bringing closure by healing bodies, hearts, and minds from the toll of the last season where people are still carrying hurts, words, and betrayals.

I sensed that, especially in families and relationships, there was coming closure to a season of unrest, hardship, debt, and bad blood. God is cleansing, healing, and restoring right now.

Hidden warfare and words are being dealt with. Divisive roots and assignments are being dismantled, and ticking time bombs of strife are being disarmed.

Look for the closure of expected outcomes, because on the other side of the surrender of them will be the better outcomes you couldn't have come up with.

I prophesy for the old doors to close, ties to be severed, and old seasons to come to an end in Yeshua' name!

LOOK FOR THE DREAMS & INSIGHT

The airwaves in your sleep have been clouded, cluttered, and under fire, but there is FREEDOM & REINVENTION coming to reinstate the night season's revelation that has been lost in this contending season. The fruit of this prison break is a deeper connection to God and hearing His heart and mysteries. Your sacrifice of praise in the storm is now opening up a whole new realm of hearing and seeing than you are used to.

In the enclosed space, you were unable to have vision and dream, but now watch as you, for the first time in a long time, start to dream with God and see the "down the road" you couldn't see before.

I prophesy a fresh flow and season of visitation and revelation over you in Yeshua' name!

LOOK FOR THE KEYS YOU DROPPED

I kept seeing keys, and I asked the Lord what I was seeing, and I was drawn to **Revelation 3:7, which says, to the holder of the keys of David, that "What He opens no one can shut, and what He shuts no one can open."**

You lost your keys in the survival season, but now you are getting them back. You also dropped your fire in the survival season, but now you are getting it back. It's time to pick up what you dropped in 2020. It's time to resume the plan you had before the pandemic. Don't look at limitations or allow what God gave you to be stunted by the times.

I prophesy that God is giving you back your zeal and passion, reigniting you, and refueling you for your season of sprinting forward in Yeshua' name!

LOOK FOR THE SUDDEN MOVEMENT

You will suddenly make "headway" (the word I heard) in places where there has been no fruit, progress, or advancement for your effort. You will feel a GRACE on stepping out where there was none before and have ease in the beginning when making plans.

The middle ground is falling away. The place of being without options and constantly hitting stops is over. Movement is here...so move out by faith. Step out by faith, and He will guide you.

Isolation has been a tactic to keep you feeling even more cut off from any kind of breakthrough, but God is bringing you "fast blooming" friendships to make up for lost time.

Look for the sudden openings where things felt closed and the ability to make decisions to move forward that you couldn't before. I prophesy SWIFT and peace-filled movement over you and your families in Yeshua' name!

LOOK FOR THE KNOCK ON THE DOOR

Two times throughout the night before writing this word, I woke up to hearing what sounded like a loud knock on our front door. I knew what it meant in the Spirit. Look for the knock on the door where doors have been locked and shut from you and what you were promised is out of reach.

God is opening up opportunities and things you felt you missed. He is bringing favor you thought you were robbed and cheated of. God is opening what has been shut, breaking through, and tearing down walls and doors in your way.

Red tape and legalities that have stood menacing over you will be removed. God is clearing the road. For those who have been knocked down repeatedly, this is a moment of standing tall again. Where your name was dragged through the mud, and you lost your will to live, it's time to stand.

"You aggressively attacked me and tried to knock me down, but the Lord helped me." (Psalm 118:13)

It's time for a prison break because it's who God is...You may have endured a time of extreme hardship, but it doesn't end there. I prophesy that things will shift dramatically this week in Yeshua name!

"Give me a sign of your goodness, that my enemies may see it and be put to shame, for you, LORD, have helped me and comforted me." (Psalm 86:17)

TAMMUZ 6, 5784: FRIDAY-JULY 12, 2024

Nathan Shaw: "How Far Forward Is Forward Enough?"

"God is calling you forward, but how far forward is forward enough?"

The prophecy was directed at a person sitting in a meeting. I placed a seat in front of the front row and invited the person to take the seat. As she took the seat, I continued to say, "God is calling you forward, but how far forward is forward enough?" I took another seat and took it all the way forward until it was facing the wall of the building. The person responded by getting up from her in-front-of-the-front-row seat, walking across the slightly raised platform, and sitting in the newly placed seat. Her prophetic act became an invitation for other people in the meeting.

A pastor who was sitting in the front row promptly picked up her chair, walked across the platform, placed the chair in front of the wall, and sat on it. Another person from the back row took her chair and did exactly the same thing. The three of them were as far forward as they could possibly be in that venue. It was a powerful prophetic sign (act) to everyone in the meeting.

What Does God Mean?

God is speaking to His church, ***"I am calling you forward, but how [far] forward is forward enough?"***

Often, we respond to God according to the mindset that we have. If we are in a gathering and God says, "I'm calling you forward," we naturally think front row or platform. When God prompted me to place the chair in front of the front row, He was making a point. In front of the front row seems more forward than forward. **However, God's definition of forward was as forward as the building would allow. God was saying, "Let Me define what forward means."** When God speaks, we can so easily miss His meaning because His definitions and our definitions can be so different.

You Are Being Summoned

When God summoned Gideon to deliver Israel from the oppression of the Midianites, Gideon was threshing wheat in a winepress! Threshing floors were normally found in open places—often on the tops of hills. It was here that the wind blew freely, assisting with the separation of wheat and chaff. A winepress, on the other hand, was a stone indentation where grapes were trod.

Because a winepress was such an unusual place to thresh wheat, it made it a good place for secrecy. Gideon was using forward thinking to protect his wheat; it was from this exact same place that God called Gideon forward as a deliverer for Israel.

God Calls You Forward in Areas of Protest

Gideon immediately protested. His protest was twofold: his clan was the weakest in the tribe of Manasseh, and he was the least in his father's house (see Judges 6:15). God called him forward in both areas of protest. Not only would he stand before his father's house, but he would also lead the whole tribe of Manasseh. The first assignment given to Gideon was to destroy his father's altar to Baal and build an altar to Yahweh. Gideon did this at night. It was possibly the only way he could have done it and actually gotten away with it (see Judges 6:25–27).

When the people of the town woke up and discovered what had happened, they were very angry with him. Gideon had nowhere to hide. He was as "forward" as he could be, and uncomfortably so. Gideon's father was gracious and said, "[Baal] can defend himself!" (see Judges 6:28–32).

It was a divine set-up. The Spirit of the Lord came on Gideon, and he blew a trumpet to call the people to battle against the Midianites. The tribes of Manasseh, Asher, Zebulun and Naphtali were all summoned and led by Gideon (see Judges 6:33–35). The combined might of these tribes was thirty-two thousand men. Regardless, God decided to defeat the Midianites with only three hundred of them—less than one percent of the total! (see Judges 7).

How Far Forward Is Forward Enough?

Gideon was called forward when he was asked to destroy his father's altar to Baal and build an altar to Yahweh. Effectively, God was saying, "Gideon, I am calling

you forward, but how [far] forward is forward enough?" Gideon was further called forward when he summoned Israel to battle against the Midianites. Still, God was speaking, "Gideon, I am calling you forward, but how [far] forward is forward enough?" Gideon was once again called forward when he defeated the Midianites with a mere three hundred men. **Gideon had no idea what "forward" meant until God instructed him each step of the way.**

You Are Being Called Forward

God is summoning His people today. It doesn't matter whether you are hidden in the midst of the people, visible on the front lines, or barely visible at the rear. God says, "I am calling you forward, but how [far] forward is forward enough?" It's a provocative question. It's a challenging question. It's an aligning question. But most importantly, it's a liberating question. It's a question that He wants to answer because only He can answer it. **His instruction to us is both wise and clear: "Let Me define what forward means."**

Elaine Tavolacci: "Scars to Swords: Turning Your Wounds into Weapons"

You Are a Warrior!

Some of you are still recovering from the tests and trials of the last season. You've let go of dreams, because the torment that you've recently endured has been overwhelming. You need to reignite the fire that you once had by allowing Holy Spirit to do a deep healing and cleansing on the inside of you.

A deep wound needs to be cleaned out to prevent infection or recurrence. Some of you have been in a hostile environment, and the oppression has weighed you down. You need to release all of that to Yeshua. Some of you have been through physical issues, and you have had to continue to stand on God's word, **"...by His stripes, [I am] healed" (see Isaiah 53:5).**

The Lord wants to resurrect those dreams that died "unborn," turn your scars into swords, and your wounds into weapons! He's called you a warrior, and to not to back down in a spiritual battle. When you are a warrior, your trauma becomes your testimony, and you go from being a victim to a victor! It's time to unleash your inner warrior! We must be relentless against the enemy.

Are You the One He Is Looking For?

In the book of Nehemiah, chapter 4, the laborers who built the wall worked on the construction with one hand and held a weapon in their other hand. Every one of them had a sword, girded at their side at all times, as they built the wall (see Nehemiah 4:18). The book of Ephesians says that we have the full armor of

God, and the Sword of the Spirit (the Word of God) is part of our armor (see Ephesians 6:17). The Lord is looking for men and women who are tenacious in faith and ready to change the world!

Yeshua is looking for those who are strong and very courageous: they are not mere men and women, but they carry the Spirit of God on the inside of them! Yeshua is searching for warriors and giving them blueprints and battle plans. They understand that they are not fighting against flesh and blood, and they recognize that they are in a spiritual battle. They discern the spiritual atmosphere around them at all times.

Yeshua is increasing the anointing on our lives, because tougher times require a greater anointing. **Big battles require strong warriors. When you know your authority, you will defeat them every time!**

God Is Teaching Your Hands to Make War

The Lord says, ***"I am the God that brought you out of Egypt. And it is I who arms you with strength and makes your way perfect. I make your feet like the feet of deer and set you on the high places. I will teach your hands to make war, so that your arms can bend a bow of bronze. I am bringing restoration and healing to the lives of My people. I am igniting them, once again, to become 'flames of fire' to this generation.***

"The embers which have been left smoldering will burn hot once again in their lives, and they will come forth and be ablaze with My glory. I am rekindling the fires of those in the fivefold ministry and releasing them back into position. I will raise them up and teach them to war when the enemy comes in like a flood. Their families and ministries will be ignited once again.

"That which has been lost will be restored. That which has been stolen will be redeemed. That which has died will be resurrected. All that has been charred, seared, and stagnant will once again come alive as My fire ignites a new passion in [their lives]. I am looking for people to be releasers of My glory as I send My fire across this nation and around the world.

"A fresh anointing will be imparted and released as I send revival to this dry and thirsty land. Receive the fresh impartation of My fire. Take the limits off of Me and allow Me to impart a passion inside of you, and you will once again experience My glory in a magnificent way. As you remove any debris and anything that is hindering you, I will set you ablaze with My glory once again.

"Don't resist the changes. They are needed [in order for you] to come into the fullness of what I have for you. Do not fear the days ahead, but know that I will release My glory in a magnitude which no devil or human [can] stop!" says the Lord.

"It is God who arms me with strength and makes my way perfect. He makes my feet like the feet of deer and sets me on my high places. He teaches my hands to make war, so that my arms can bend a bow of bronze. You have also given me the shield of Your salvation; Your right hand has held me up, Your gentleness has made me great. You enlarged my path under me, so my feet did not slip." (Psalm 18:32–36)

"He heals the brokenhearted and binds up their wounds." (Psalm 147:3)

"...But His word was in my heart like a burning fire shut up in my bones; I was weary of holding it back, and I could not." (Jeremiah 20:9)

TANMUZ 8, 5784: SUNDAY -JULY 14, 2024

Charlie Shamp

The Lord Yeshua wants me to tell you, "***I have seen your struggles, I have heard your cries in the night, and I am deeply moved by your faithfulness amidst adversity. To you who are weary and burdened, I declare with great authority; I will deal with your enemies head-on. Fear not, for I am with you, and I will stand against those who rise up against you.***

Just as it is written in **2 Timothy 4:14**, 'Alexander the coppersmith did me much harm; may the Lord repay him according to his works,' so shall I move on your behalf. Every weapon formed against you shall not prosper, and every tongue that rises against you in judgment, you shall condemn (Isaiah 54:17).

I am the Lord of Hosts, mighty in battle, and I go before you to prepare a table in the presence of your enemies (Psalm 23:5). Know this, I am your shield and your exceedingly great reward (Genesis 15:1). I am your fortress, your deliverer, and I am about to turn your mourning into dancing, your sorrow into joy.

Do not be dismayed by the darkness that surrounds you, for I am the light that pierces through. I will expose the schemes of the wicked and bring justice to those who have wronged you. My plans for you are for good and not for evil, to give you a future and a hope (Jeremiah 29:11).

Stand firm in your faith. Do not waver, for I am the Lord your God, and I am fighting for you. I am your vindicator, and I will repay those who have harmed you. Trust in My timing and My justice, for I see all and know all. I am the Alpha and the Omega, the beginning and the end. What I have spoken, I will surely bring to pass.

Prepare your hearts, for a season of breakthrough is upon you. You will see My hand move mightily in your life, and you will know that I am the Lord. I am your Redeemer, your Savior, and your King. Be still and know that I am God (Psalm 46:10). Watch and see the deliverance I bring. I am with you always, even unto the end of the age."

Wanda Alger: "The Rising Ekklesia and Kingdom Authority"

Our Great Commission

"Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit." (Matthew 28:19 ESV)

For those who have been longing to be taken out of tribulation and be taken up before things get worse, I would urge you to consider our great commission. Rather than preparing to leave, we should be positioned to lead. Instead of predicting the end, we should be presenting our case. Rather than storing up provisions for fear of impending doom, we should be out in our communities releasing the clarity, purpose, and wisdom that our culture so desperately needs.

Though Yeshua clearly said to be ready for His return, His primary message was to preach the gospel, demonstrate the Kingdom, and bring order to the earth He gave us.

Good government rises and falls on leadership. This is true in both the sacred and secular realms. The dysfunctional leadership now in some of the highest positions of our government are, unfortunately, a reflection of the Church's dysfunctional leadership. This is not from lack of love for God or even love for others. It's due to immaturity of character, lack of accountability in leadership, and an incomplete theological framework for Kingdom expansion.

The fatherless generation, talked about for decades, is now grown up and seeking positions of power and influence. Without a solid biblical worldview and community of faith in place, we will continue to see wicked rulers rise and Kingdom expression curtailed.

On Earth as It Is in Heaven

Even in the heavenly realms, there is a government at work. In Ephesians 3:10, it speaks of the "rulers and authorities in the heavenly places." Daniel 10:13 describes Michael, the archangel, as "one of the chief princes" among the heavenly host. Additional Scriptures allude to orders and ranks of heavenly beings (see Genesis 3:24; Isaiah 6:1–3; Ephesians 3:10; Colossians 1:16). God is truly the Creator of every governmental structure on both sides of the veil.

"For by Him all things were created, in Heaven and on Earth, visible and invisible, whether thrones or dominions or rulers or authorities—all things were created through Him and for Him." (Colossians 1:16)

The purpose of God's government is to reconcile to Himself all things in both realms to bring peace to His creation. Ever since the fall of man, God has been working to bring order back to the chaos and blessing back from the curse. In His ultimate act of love, He gave His Son to make the way possible.

Now, He extends to His sons and daughters the invitation to partner with Him in rendering decisions that will restore order and reconcile humankind to God, once and for all. This is what Heaven is doing, and this is what His Kingdom governmental authority accomplishes.

Yeshua taught His disciples to pray that His Kingdom would come, and His will would be done "on Earth as it is in Heaven" (see Matthew 6:10). This is an invitation for the government of God to be made manifest on the earth—with us as His ambassadors. That which is done in the heavenly realms to bring divine order, liberty and freedom, abundant life, and the presence of the Holy One, is to be established here on the earth.

Kingdom Authority and Discipling Nations

The entire ministry of Yeshua was a training ground for His followers to learn what He modeled so we could replicate it for generations to come. It not only included salvation along with signs, wonders, and miracles, but the administration of the Spirit, and the building of the house of the Lord, from which all other mountains would seek truth and direction [see Isaiah 2:2–3]. **Our commission doesn't only include salvation, but discipling nations to follow a heavenly pattern of Kingdom power and authority.**

"The Lord says to my Lord: 'Sit at my right hand, until I make your enemies your footstool.'" (Psalm 110:1)

We know that our battle is not against humans, but against the rulers and authorities in the spiritual realms who are trying to steal, kill, and destroy our Kingdom authority. *This* is the place where we are to reign as sons and daughters of the King to take dominion and rule over every seat of darkness set against the Lord. As co-heirs with Christ, we wrest the authority from illegal spiritual invaders

over the Body of Christ and over our nation. It is here that our true authority is tested and matured, so we have legitimate authority on the earth.

The kingdom of darkness will continue to press in, and the work of our adversary will never stop advancing, until the final day of judgment. However, in the midst of that darkness, the light of Christ will shine, for "Of the increase of His government and of peace there will be no end" (see Isaiah 9:7). **Yeshua' commission was for us to disciple His Bride among every nation of the earth, to show forth the glory of His Father, and demonstrate what Heaven looks like.** We do this by exercising our God-given authority in the spiritual realm first, thus impacting and shifting the authorities on the earth.

Sonship: Terry Freisen

First, when we talk about Sonship, we are talking about both sons and daughters coming into the fullness of their relationship with Father God. For me, the word Sonship is used because both, sons and daughters, are in the Sonship of Christ as full-fledged children of the most high. We are His, and all of mankind are His.

Every person on the face of the earth who originated from the bloodline of Adam originated in the Father and He sees us as His possession. Sin separated humanity from His children, so His own Son came to earth and died on our behalf so that we could be restored as children of God without separation. When we choose to live separated, we can still be separated through our sin, but when we accept His gift by way of His Son, we can be fully restored to His original intent.

I would propose, we know what being a son or daughter of the King means, but not fully. I can give you the answers I've heard before and my understanding of what I've read in scripture, and they are real and true, but I'd propose they are only a part of the whole.

In this season, the Lord has been talking to me about Sonship, and the most common comment from Him is that I don't really know or grasp what Sonship means. I have embraced the conventional understanding in the church, but it has not yet been revealed to me what full Sonship is.

I'll give you one example from my journal notes from 10 days ago:

There is a place in the Father's will where He forms it around us as we walk. When we are made one with His will, His will is formed in and around us and through us as we walk. The earth responds to us because there is no gap between the Father's will and the walk of our feet – We are sons and daughters of the King, and the earth recognizes our spiritual DNA and the Father's intentionality as it is expressed through us and around us.

He is doing this, bringing us along in this journey of oneness, so that we can be entrusted with the power of the ages and walk as Christ walked.

When fully in the Father's "will" and set part from religion, we will walk so naturally, and in such authority and power that every religious spirit and leader will want to oppose us the same as they opposed Christ in His day. We don't seek out opposition, but it we happen.

During the morning church service of June 2, 2024, I was in the place of worship. As we began worship, I could feel the enemy's hand on my shoulder, behind me, to try and turn me around. His grip was intense and emanated pressures I was feeling through the week. He was trying to get me to look at the past, to cling to the past, to focus on things of the past. But it was clear, I was to focus forward and not acknowledge his attempt to focus my attention on the past. In this battle, the past also included structures and outworkings of others that reflect lesser structures; past structures. I heard, stay focused, walk in love, but DO NOT turn around or allow your gaze to be diverted from what will be.

Sonship is to operate out of the God DNA in us, liberated through the finished work of Christ. It is in us, and at times in me it is in a latent form, that is, it has not been activated. I heard I was to be activated in this realm of Sonship and operate in the Sonship we are called to.

In this revelatory environment, I asked for all the things that define Sonship in the courts as I reflected on the story of the return of the prodigal son from Luke 15. I asked for the robe, the ring, the fatted calf, authority, power, and a crown in Christ so I could come into ruling and reigning with Him in full Sonship.

As I continued in worship, something deep from within, at the foundational place in my life where my spirit and will connect, rose up in a great desire to glorify the Father. Many times, I have desired to glorify the Father and so entered into worship to do just that, but this was different. I felt something deep from within, where my spirit man and

will connect, surged together in this desire to glorify Him. As I worshipped, I was holding my hands high as I sang, but now it was as if this place deep inside me was lifting the hands of my inner man in worship to the glory of God. Some aspect within me, still connected to my inner man, came forth and was lifted high in worship with the sole express purpose to glorify the Father.

It was such an unusual encounter of worship, so I asked the Lord to open my spiritual eyes and show me what was happening.

I was immediately transported in the spirit to a place I recognized. It was a large rock outcropping that protruded from a mountain and created an extended table of rock that I could easily stand on. I was at the very edge of this rock outcropping, and I was holding a baby high and in front of me. I asked the Lord what this was, and He simply said, the new birth revelation of what it means to be a son.

Interestingly, right in this moment my mind was taken back to a scene in the Lion King movie where Rafiki the baboon lifted Simba and introduced him to the world as the King's heir, His Son.

As I held the child, representing the Father's introduction of His Sonship in us, the lightnings of God came out of the heavens and touched the child to empower what this message represents.

A few days later, I was driving and entered into worship. Much to my surprise, again, this same phenomenon took place, but more aggressively yet. The reality that was being birthed in me was coming forth, and more so, it seemed as if this spiritual dimension was going to encircle me, then it subsided. I knew there was more to come.

On June 9, 2024, I was with a group for a worship event. We were postured in such a way to come to the Father in worship and to not let any distraction keep us from His presence. We were intent to go past the busyness of our week, the thoughts in our minds, and even the revelatory things we experienced, so that we could see Him more clearly and more fully. This is just what happened. We entered His glory in very quick order, and a series of events unfolded, a portion of which I will share now.

As we worshiped, it was as though deep burdens that we had been carrying were being released. These burdens turned to intercession and rose from within us to the heavenlies, where they could be answered and engaged.

In this place, and as I was postured in worship, naturally, my soul sought to rise before Him and into Heavenly realms, but He would not permit me this freedom. I felt His restraint around me to keep my affections on Him but not rise, rather, to find His presence and His glory come into the place where I stood - Heaven on earth.

Then, Yeshua stood before me and was touching both my hands. He was putting life and more into me. I would look at His face and become insecure, which caused insecurity in me to rise to the surface. I'd look down to catch my breath, then I'd look back at His face, and this happened many times. He was engaging me in this very direct manner so that I could become like Him by gazing upon Him, and those things within me that needed to go were confronted by His gaze and His touch. He was preparing me for something.

As a group, we prayed together in tongues as we felt directed by Holy Spirit. In this place, I was seeing images of apes and didn't understand, but then I saw the Father and His anger was kindled at the fact His children were being told they came from apes. He will break the back of the false evolutionary teachings of the enemy. I could feel His possessive nature over all humanity that have been created in His image. We are His, and He will seek to save that which is His.

After this I was ushered up a golden red carpet towards the Father's throne. I became more and more uncomfortable the closer I got. He wanted me to look Him in the eyes. My mind could not comprehend His face in this direct a manner. I tried, but my senses were on overload. I became very uncomfortable. I heard the Father say, ***"Does my Son not talk to me face to face and look in my eyes? You are in Him, so therefore, I look for the same from you, my son."*** I would look at His face, and as a I did, it drew up insecurity in my belly, and I would look down to find relief from His gaze, only to feel the pull up, then down again. This happened many times as the insecurity in my belly was drawn up, exposed and being removed.

I have encountered the Father in places of intercession before, usually in heavenly realities, but never in this context, and never in such a direct way. He was embracing me, looking upon me, and everything in me that was out of alignment with His goodness, grace, purity, holiness, royalty was being confronted. I can't say for sure, but it was as if His court had come to face me in an earthly context versus a heavenly context; to confront around me my earthly reality. Remember, earlier in this time of worship, I was restrained from ascending into His courts, and was caused to wait in an earthly context for His appearing.

Romans 8:19, "For the creation waits in eager expectation for the children of God to be revealed." (NIV) We are seated with Christ in Heavenly places, and as such, we wear our kingly robes in that place with Him, but there is something about the revealing of our nature in Christ on the earth that is coming and is different. There is an aspect of Sonship that is being birthed in this hour. It is interesting, considering the advance of His kingdom and, in the same context of time, Sonship. The earth is waiting for our revealing so that it can be liberated.

Since Sunday's event, I have been reflecting on what took place. My heart still can't fully grasp what happened. When we encounter our Lord and the Father in this way, we would expect something in us to be different, changed, transformed. In time, I am sure I will discover more things that are not the same as they once were.

One thing I do know with deep certainty, is that for over 30 years I have served my Lord in various capacities of intercession and spiritual life, but now it is as if we are doing it together. Somehow, we are joined in this adventure, together, and there is a conjoining in an area of my life where previously there has been some degree of distance or separation.

When I think of Him and those moments, within myself I still look down, His gaze is so piercing, and so undefiled. I know there is much more to come, I am just beginning this aspect of journeying with Him. The baby of this revelation has been birthed and needs to mature and occupy space. I can't go back.

Now I understand why, in the church service on June 2nd, it was so important that I not look back or engage with old mindsets or ways of thinking. It is truly time to go forward, to disconnect from some things of the past and embrace those things we don't yet know. It is time to not be distracted by the bad, the good, the lesser things, and to seek Him more fully.

Could it be that He has more for you, your relationship with Him, your call to glorify Him? Is it possible we are just at the doorway to what will be?
I think so.

"Listen! Do you hear My Call, Will you come to Me, will you allow Me in, and let Me show you who I Am?"

I hear the Spirit say, "Even *as I have given you All of My heart, I ask that you give Me all of your heart, Beloved. Let there be no distance between us. Look! It is you that has moved, for I have never changed my position. My Love for you is constant, and My Faithfulness is steadfast, and unlike the kingdoms of this world that are forever changing, evolving and so easily shaken, I Remain the same, yesterday, today and forever. I change not, and My Kingdom, cannot be shaken, and its Righteous citizens cannot be moved. Therefore, Stay close My Love, and remain hidden under the shadow of My Wings. Set your heart on Me and your affections on things that are above and not beneath. All that I have, belongs to you; all that is Mine is for the taking. Just Ask, and you shall have it, pressed down, shaken together, and running over I give to My Own without measure or limitation. You do not have because you do not Ask, and when you Ask, your expectations are low, only anticipating the crumbs under the table and stale leftovers. Oh, how this grieves My heart, when I have prepared a place for you at My banqueting table; the finest of wines and the best of meats for your enjoyment and satisfaction.*

I long to lavish you with the riches of My Kingdom and to demonstrate to you that all the Resources of Heaven are at your command. Why presume that because I am all-knowing and ever present, there is no need for you to tell Me what you have need of? Surely, I know what you desire, but Above all, what I desire is intimacy. I cannot Come to you unless you Call unto Me. My hands are tied unless you invite My intervention, and when I knock, you must open the door and let Me in.

And Beloved, when I come in, there can be no off-limit places or hidden spaces where I am not allowed to go. I want full access and your permission to look into every nook and cranny, to go up into the attic and into your drawers and closets. My Child, when you invite Me in, I don't come to invade your house like a thief in the night, but I come to inhabit your home like a

welcomed best friend, that longs to spend quality time together, to enjoy each other's company, to tell one another our deepest secrets and the desires we have for the future, My coming is not to expose you or to bring you shame, but rather, to reveal My deep Love for you. I come with a heart to Serve...to help and to heal you, that you will come to fully understand and experience the love that a Father has for their child.

A Love that is passionate, fiercely protective, and divinely jealous; a Love that has no bounds and comes without restrictions or conditions, I tell you, My Love and Understanding have no limitations. There is no lack in Me. I don't have to store up in barns, and I don't have to save up for a rainy day. My resources are unlimited, and a fresh supply is always readily available to all of My Children. I am an extravagant Father who's thoughts are only of the well-being and the blessing and prosperity of My Righteous Ones. Listen! Do you hear My Call? Will you come to Me? Will you allow Me in, and let me show you who I am? I will not withhold anything from you, for those that desire Me will surely be greatly rewarded; every longing heart will be filled to overflowing. There is no hunger or thirsting in My Presence, for when My Grace is poured out, there is nothing missing or lacking. As you let down your guard, and as you cast your burdens upon Me, I will build a Wall of My Glory round about you, and I will throw a cloak of My Mercy over your nakedness, clothe your life with dignity and honor, and crown your head with My Love and Compassion!"

**"MINDSETS ARE PORTALS"
ANDREW WHALEN, PEORIA, IL**

Recently, I heard the spirit of the Lord say to me, *"Mindsets are portals."* In one sense, I kind of knew that...however, I don't think I had ever equated a mindset to a portal, and the consideration of that reality brings forth very vivid imagery that makes it incredibly consequential, revelatory, and significant!

In other words, when we start to realize that "where" we set our minds and "what" we set our minds on actually engages with and accesses things from the realm where it is set, it should provoke us to take inventory about what mindsets we have in our lives.

The New Age has used this truth to develop doctrines that seek to provide life and blessing without the true source of life and blessing. And sure enough, there are certain realms that people are accessing simply based on mindsets that give the appearance of life and blessing, yet sadly, are devoid of Christ—who is life.

Any mindset that doesn't first abide in the mind of Christ is what I'd call a "forbidden gate." Sure enough, the mindset can access "gates" that draw or attract the things of that realm; however, God would call this the "mind of man." When Yeshua confronted Peter and said, "Get behind Me, satan!" the root reason for it, according to Yeshua, was **"You are NOT setting your mind on the things of God, but on the things of man" (see Matthew 6:23, emphasis mine)**. In other words, Yeshua was letting Peter know that His mindset was on the sentimentalities and concerns of man, and as a result, that mindset was a portal to the voice of satan.

How many of us are also accessing what belongs to satan: fear, depression, lies, poverty, hopelessness, despair, sickness, rejection, and every other curse of darkness because our mindset has become a gateway for this? Some think misery is a Christ-like virtue! It is not!

So, I guess my point in sharing this is to say, God created us to "set our minds" on things above, on that which belongs to Christ, that which dwells with Him in His Kingdom! (see Colossians 3:1).

It's time to be those who are accessing the abundant life of Christ because we have the mind of Christ, and we set it on things pertaining to the realm of the spirit where we are seated with Him! Your mindset is a portal! "Since,

then, you have been raised with Christ, set your hearts on things above, where Christ is, seated at the right hand of God. Set your minds on things above, not on earthly things." (Colossians 3:1–2)

"For to set the mind on the flesh is death, but to set the mind on the Spirit is life and peace." (Romans 8:6)

"...Whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable—if anything is excellent or praiseworthy—think about such things." (Philippians 4:8)

I heard the Spirit of the Lord say, “Rise up. Release your light. Advance boldly. Leave the wilderness as a memory . . .”

I heard the Spirit of the Lord say, “***After a season steeped in obscurity, where the shadows have cloaked your potential and the silence has been your companion, the time of consecration and preparation has been fulfilled. You have been refined in the quiet, honed in the unseen places, and now, the call resounds clear and undeniable.***”

Rise up. Release your light. Advance boldly. Leave the wilderness as a memory! Like a seed that has lain dormant beneath the frost, gathering strength, gathering purpose, you are now ready to break through the surface. The wilderness, though it has been a place of trial and testing, has also been a sanctuary where your roots have deepened, and your resilience has grown. It is time to press forward, to cast off the cloaks of past hindrances and step boldly into the light of your destiny.

I am opening a new chapter—a new assignment that calls for your unique gifts and anointing. I am inviting you into a broad place, a wide space where your spirit can soar, and your impact can expand. This is a season of divine opportunity, where the dreams I have planted within you can flourish, and the vision bestowed upon you can be realized.

The path ahead is luminous, guided by My hand. Trust in the timing, for it is perfect. Trust in My direction, for it is sure. The season of hiding is over, and the time of revealing has come. Step into the expansive horizon that awaits you, and embrace the calling with courage and grace.

You are more than ready. You are chosen. You are called. Emerge, and let the glory shine through you."

TAMMUZ 15, 5784: SUNDAY -JULY 21, 2024

Jeff and Angie Stolba: "The Oil of Gladness"

"The Spirit of the Lord God is on Me, because the Lord has anointed Me to preach good news to the poor. He has sent Me to bind up the brokenhearted, to proclaim liberty to the captives and freedom to the prisoners, to proclaim the year of the Lord's favor and the day of our God's vengeance, to comfort all who mourn, to console the mourners in Zion—to give them a crown of beauty for ashes, the oil of joy for mourning, and a garment of praise for a spirit of despair. So they will be called oaks of righteousness, the planting of the LORD, that He may be glorified." (Isaiah 61:1–5 BSB)

Recently, I received a picture and a prophetic word that I was able to share with our church congregation. In this picture, there was a person sitting in a heap of ashes and experiencing much grief and despair.

His strength was completely drained from the loss of his battle. Demons of depression and death were ever so close. The voice of the liar was loud and piercing to his wounded soul. Darkness was closing in, and it seemed as if all hope was lost. To this person, there was no possible way of victory except for intervention from the Divine. As one last tear freely fell, he closed his eyes to await his demise. Does this sound familiar?

Beauty for Ashes

Then, in that moment, a heavenly light started to shine! The majestic crack of distant thunder rolled in, and the voices of darkness shrieked from the heavenly encounter! They desperately fled in all directions as the King of Light appeared to the broken man, offering His mighty hand, and lifting him from the ash heap! His

strength was great, and it pulsed through the broken man, renewing his innermost being! He was alive again!

The King of Light helped the man stand to his feet and placed upon him a beautiful crown! As he stood, he noticed that his tattered, dirty garments were miraculously changed into a robe of righteousness! It fit him with great satisfaction and comfort that could only be best described as "a warm fire," "a gentle mountain breeze," and "a cool glass of spring water" all wrapped in one!

The Oil of Gladness

The ash heap, where they stood, now became a fruitful and majestic meadow. The man's face was clean, and his tears were no more! He noticed a ring with highly precious gems on his right hand! He felt youthful in his legs and thighs!

With great amazement, the man turned his gaze to the King of Light. His eyes were deep and powerful, loving and secure! With just a look from His eyes, the man somehow knew that the King was asking him to reach into the inside pocket of his new robe. He pulled out a small vial. It was ornately crafted from pure jasper and had the inscription, "The Oil of Gladness."

The King of Light opened the vial and poured the oil on the man's head and crown. It was warm and powerful, penetrating his mind and body! It dripped down his face and body, and totally absorbed into his innermost being! Pure light began to radiate from within! In one moment, his entire countenance had changed from despair to great rejoicing! The King of Light sealed the vial and handed it back to him. It was weighty, and he distinctly knew that it was full again! He gazed back to the King as he placed it back inside his pocket. His powerful and loving eyes said it all! This oil was part of his inheritance, and it would never run dry!

Heavenly Oil of Gladness—Your Inheritance

I hear the Lord saying, "My Church, My Bride! You are this man! This is what I have for you today! I am breaking the cycles of grief that have been rooted in trauma from the previous season!

"Behold! This is a new day! The thundering has announced My arrival! I am here! I am removing the burdens and weights that have hung on you like a tattered garment! You will stand and look different! **I am releasing My heavenly oil of gladness as part of your inheritance! It is yours, and it will never run dry!**"

Come Up Higher!

"For He raised us from the dead along with Christ and seated us with Him in the heavenly realms because we are united with Christ Yeshua." (Ephesians 2:6 NLT)

I hear the Lord saying, **"I am calling you to come up higher! I am calling you to see from a heavenly perspective, rather than from what things look like from the natural.** Come and look through My heavenly lens and vantage point. You are seated with Me in heavenly places, so practice looking from there! Come out into the deep! Come walk on the water! Do not waiver when things look different than you anticipated. My ways are different than yours, and My thoughts are higher" (see Isaiah 55:8,9).

"Let go of past grievances and the things you have not understood. Surrender them to Me. Lay them at My altar, and you will find peace for your soul. Do not fear the transition that you are currently in. Remember what I have previously spoken to you. You are on the path of My choosing regardless of the roadblocks that have attempted to avert you. Stay the course! Your breakthrough is upon you!"

Renewed Strength to Run!

"But those who wait on the Lord shall renew their strength; they shall mount up with wings like eagles, they shall run and not be weary, they shall walk and not faint." (Isaiah 40:31 NKJV)

"I am breathing My Spirit afresh upon you! You say you have no strength left, but I say I am giving you the ability to run! Your legs and your thighs will be as it was in your youth! You will also find strength as you partner with My angelic assistance and with others who run with similar direction and vision! Run with the wind of My Spirit! Watch as the Doors of Grace supernaturally open before you as [you] rise and run with Me!

"Keep moving forward into your new season that is before you! What has taken years for others, will be like moments for you! I am moving you to the front of the line! Where you have previously been last, you will now be first! Lift your eyes precious ones! Your redemption is here!"

"I know your deeds. Behold, I have put before you an open door which no one can shut, because you have a little power, and have followed My Word, and have not denied My name." (Revelation 3:8 NASB)

Charlie Shamp

Have you ever marveled at the unwavering dedication of angels?

Our Lord has never permitted His angels to be idle. These celestial guardians are perpetually in motion, diligently working on behalf of the saints of God—that means you and me!

What an extraordinary privilege! While angels steadfastly execute their divine duties, we, as redeemed believers, are already seated with Christ in the heavenly realms (Ephesians 2:6). This magnificent dual reality of angelic guardianship and our exalted position in Christ stands as a testament to God's boundless love and care for us. Consider **Psalm 91:11**, **"For He will command His angels concerning you to guard you in all your ways."** These heavenly protectors are divinely assigned to watch over us, ensuring our safety and well-being. Furthermore, **Hebrews 1:14** reminds us, **"Are not all angels ministering spirits sent to serve those who will inherit salvation?"** Indeed, their tireless service reflects the divine orchestration of God's care.

So, step forward with courage and faith, knowing that angels are actively interceding for your well-being, and your place with Christ is secure. Romans 8:38-39 reassures us that nothing can separate us from the love of God that is in Christ Yeshua our Lord. Let this divine symphony of protection and promise guide you through every challenge with unwavering hope and strength. Your heavenly position and the ceaseless vigilance of angels combine to form a powerful testament to the profound love and unwavering support that God has for each of us.

Here are ten biblical ways that God commands angels to look over believers:

1. Protection from Harm

- **Scripture:** "For He will command His angels concerning you to guard you in all your ways." – Psalm 91:11

- **Explanation:** Angels are tasked with guarding us, ensuring our safety in all circumstances.

2. Deliverance from Danger

- **Scripture:** "The angel of the Lord encamps around those who fear Him, and He delivers them." – Psalm 34:7

- **Explanation:** Angels are encamped around believers, ready to deliver them from peril.

3. Guidance and Direction

- **Scripture:** "But when he, the Spirit of truth, comes, he will guide you into all the truth." – John 16:13

- **Explanation:** While primarily referring to the Holy Spirit, angels also play a role in guiding believers along God's path.

4. Strength and Encouragement

- **Scripture:** "An angel from heaven appeared to Him and strengthened Him." – Luke 22:43

- **Explanation:** Angels provide strength and encouragement, particularly in times of intense trial and weakness.

5. Provision of Needs

- **Scripture:** "Then the devil left him, and angels came and attended him." – Matthew 4:11

- **Explanation:** Angels attend to our needs, providing necessities during times of spiritual and physical hunger.

6. Answering Prayers

- **Scripture:** "So Peter was kept in prison, but the church was earnestly praying to God for him. Suddenly an angel of the Lord appeared, and a light shone in the cell." – Acts 12:5,7

- **Explanation:** In response to prayers, God often sends angels to intervene and assist.

7. Delivering Messages from God

- **Scripture:** "But the angel said to them, 'Do not be afraid. I bring you good news that will cause great joy for all the people.'" – Luke 2:10

- **Explanation:** Angels are messengers, delivering God's words and revelations to His people.

8. Ministering to Believers

- Scripture: "Are not all angels ministering spirits sent to serve those who will inherit salvation?" – Hebrews 1:14

- Explanation: Angels are ministering spirits, sent specifically to serve and support believers in their spiritual journey.

9. Executing God's Judgment

- Scripture: "The Son of Man will send out his angels, and they will weed out of his kingdom everything that causes sin and all who do evil." – Matthew 13:41

- Explanation: Angels also execute God's judgment, ensuring justice and righteousness prevail.

10. Guarding the Path of the Righteous

- Scripture: "He guards the course of the just and protects the way of his faithful ones." – Proverbs 2:8

- Explanation: Angels protect and guard the paths of those who follow God's righteousness, ensuring they stay on the right course.

The Day the Music Died Bruce & Linda Dietler – Kansas

In the early morning hours of February 3, 1959, the pilot of a small Beechcraft Bonanza airplane, along with rock-n-roll stars Buddy Holly (22), J.P. "The Big Bopper" Richardson (28), and Ritchie Valens (17) were all killed when their chartered aircraft smashed into an Iowa cornfield just after take-off. Following the release of the iconic song "American Pie" by Don McLean in 1971, the tragedy became known as "the day the music died."

This was a sea-change event in many lives - an absolute Bam! Life is over! Nothing-will-ever-be-the-same-again moment, where the world as we knew it changed forever. Rock-n-roll was yet in its infancy, the victims were so young, and the tragedy made no sense. Now, 65 years later, I must still hold back tears when thinking about it. Much like the attack on Pearl Harbor on December 7, 1941, the JFK assassination in 1963, the Challenger space shuttle disaster of 1986, or the World Trade Center attack on 9/11 of 2001, a time of innocence had died. The dreams and aspirations of a promising future for each of the victims and for the nation were crushed. People were left speechless, grief-stricken, and searching for answers but finding none.

In the Bible, for Mary and Martha in John chapter 11, "the music died" when, after sending an urgent message for Yeshua to rush to attend to their dying brother, He did not, and Lazarus died. However, four days later, when Yeshua arrived on scene, Lazarus, whose body was now in a state of decay, was raised from the dead at the Lord's command, "Lazarus, come forth!"

For Yeshua's disciples, "the music died" at the crucifixion of their Master. Their lives had been intimately and absolutely entwined with His for three exhilarating years; the very focus of their day-to-day existence was now violently taken from their midst, and their expectation of the imminent arrival of the promised Kingdom of God now lay in ruins, crushed by the events on Calvary's hill. All hope was lost. Yet, three days later, Christ arose from the grave! A future and a hope were renewed to them, and clear direction and new understanding were imparted by the risen Lord – tarry in Jerusalem for the promise of the Father. Though it could not seem possible, life would indeed continue, just not as it had been before, nor how they had expected. Greater events, indeed, far beyond any previous expectation they might have had, were about to be experienced and wrought by these followers of Yeshua.

Perhaps you have experienced one or more such moments where, metaphorically, "the music died" in your life. It may have been at the death of your child or other loved one, the loss of a job, the death of a vision or ministry, the sudden loss of trust in an individual in a leadership position, or through divorce from the one who was always supposed to be your soulmate. It may have resulted from a devastating medical diagnosis, or it may have been the false realization or thought that I have truly outlived any earthly usefulness, and I have no purpose remaining in life. God has an answer to each of these tragic life experiences: **"I am He that liveth and was dead; and behold, I am alive forevermore, Amen; and I have the keys of hell and of death (Rev 1:18)."** As we turn our eyes upon Yeshua, we will find the ability, will, courage, and direction to pick back up and to carry on, though things will never be as they were before.

Much has been spoken and written of the moral, spiritual, economic, and social decline in our nation over the last 60 years. Truly, the United States is no longer the nation which we, the older generation, were born into. Whereas there used to be respect for parents, school personnel, law and order, government, hard work, and the like, this is no longer the case in our current society. Seemingly, the rebellious '60s and possibly, more recently, the technological revolution, have opened the floodgates to a cascading decline in everything that America once held dear. Before that time, church attendance involved a high percentage of the population; mom worked in the home; abortion was almost unheard of; suicides were extremely rare, especially among young people; drug

addiction and homelessness were not widespread throughout the entire population; divorce constituted a scandal, as divorce was almost totally unknown. One might hope and think that things in America and the world could not get any worse, yet they will.

God has spoken through many of His prophets that a great shaking is coming to this nation and to the world. That shaking has already begun in the house of the Lord with many formerly highly respected ministers falling from grace in recent days, with more to come. Politicians continue to be exposed for corruption and perversion. Educators are now frequently found in the news as being involved in unseemly situations with students or being exposed for the perverted teachings which they and the educational system are forcing onto the children. War is brewing on every horizon. The banking system and economy is rapidly headed for a hard crash, and the average family has little savings available for even a minor emergency, much less for a 1929-style economic and societal collapse.

As the shakings intensify in our land, it would appear that "the music is about to die" once again in America. That part of society which has largely rejected God and the teachings of the Bible in favor of humanism, materialism, socialism, ignorance, pleasure, and immorality, will find itself utterly devastated with nowhere to run and nowhere to hide. Yet, those who do intimately know the Lord, who walk in His ways, and who speak His word, will be a light to those in darkness and will be used by Him to bring multitudes into His Kingdom. **"... the people that do know their God - that are savingly acquainted with him and adhere to his true worship and service - shall be strong, and do exploits (Daniel 11:32, Benson Commentary)."**

Truly, these are exciting times, and there is hope for those whose trust is in the Lord! **Psalm 34:19-22** declares, **"Many are the afflictions of the righteous: but the LORD delivereth him out of them ALL. He keepeth all his bones: not one of them is broken. Evil shall slay the wicked: and they that hate the righteous shall be desolate. The LORD redeemeth the soul of his servants: and none of them that trust in him shall be desolate."**

The coming shaking is not for the destruction of God's people, but rather, it will be to awaken everyone in order to bring us all back to the only true foundation in life, which is Yeshua. Truly, everything that can be shaken is about to be shaken; only the solid rock of Yeshua shall stand.

How then should we prepare for such an uncertain future? **1 Peter 3:15** provides the answer: **"... sanctify the Lord God in your hearts: and be ready always to give an answer to every man that asketh you a reason of the hope that is in you with meekness and fear."**

It is for this reason we are called to be light and salt to the world. God has not called us to destruction, but He says in **Jeremiah 29:11 (Amp)**, "... **I know the plans and thoughts that I have for you, says the LORD, plans for peace and well-being and not for disaster, to give you a future and a hope.**"

Therefore, take hope (not care) for the future. We are called to be overcomers by the blood of the Lamb and by the testimony of the word (**Revelation 12:11**), and He ALWAYS causes us to triumph in Christ Yeshua (**2 Corinthians 2:14**). **ALWAYS!**

Let us therefore expectantly watch for any and every opportunity to speak a word in season into the lives and situations of our family members, neighbors, and others as the Lord directs. We must *expect* to be used by Him to turn the hearts of the lost unto Yeshua, their only hope for the future.

As a parting word of encouragement, I call your attention to **Romans 8:35-39**.

"Who [what] shall separate us from the love of Christ? shall tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword? As it is written, For thy sake we are killed all the day long; we are accounted as sheep for the slaughter. Nay, in all these things we are more than conquerors through him that loved us. For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come, Nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Yeshua our Lord."

Seasons in life change, sometimes very suddenly. It may seem that "the music died" in some area of life, yet perhaps, it is only that the frequency has changed. God is desiring to bring us up to His higher frequency such that our lives might glorify Him in greater measure. Our trust and confidence must rest fully in Him and in His desire and ability to perfect that which concerns us. God is faithful to do as He said He will do. He brought a miracle for Mary and Martha. He brought a miracle for His disciples, and He is ready, willing, and able to do miracles in and through our lives as well. He brought deliverance, salvation and rejoicing to Mordecai, Esther, and His people, and He desires to do so for us as well. **GOD IS NO RESPECTER OF PERSONS.** We must expect it, call it forth, and make ourselves available to be His instruments in the earth.

We were born into His kingdom for such a time as this! Our true value in ministry is about to be manifested to the entire world. Expect it!

Dutch Sheets

My brother, Tim, sent the following article. As always, it is very encouraging, edifying, and challenging. Allow your heart and spirit to receive this word as I share it with you today. The title is:

King Yeshua Takes Center Stage

John the Baptist was called the Forerunner of Christ. In other words, his assignment was to prepare the way for Christ to be revealed. I believe the apostolic and the prophetic movements of the last few years have also carried forerunner type of anointings, preparing the way for Christ to be revealed in greater measure than before. I believe it is now time for this revealing to occur.

John said the following to those who were asking about Yeshua. I believe it is prophetic for us now. **"I have said it many times, and you have heard me—I am not the Anointed One; I am the one who comes before Him. If you are confused, consider this: the groom is the one with the bride. The best man takes his place close by and listens for him. When he hears the voice of the groom, he is swept up in the joy of the moment. So hear me. My joy could not be more complete. He, the groom, must take center stage; and I, the best man, must step to His side."** (John 3:28-30 The Voice)

What a picture of this moment. Yeshua must take center stage, and we, the groomsmen, the bridesmaids, the bride, the attendants, must step to His side. We're moving into times when Holy Spirit says Yeshua the King will take center stage.

He must - in order to see the shakings have their intended effects. He must - in order to see the necessary correction and change. We are entering days when Christ takes center stage to shake and expose evil, strengthen His Ekklesia, and bring about great change.

The true church, Christ's bride, must now step to His side in new, visible, and vocal ways. As He takes center stage, we must stand with Him. We will not be spineless or weak, and we will not be intimidated, subjecting ourselves to godless dynasties. We will not bow to authoritarian leaders in America or any other government. We will not be bland Christians presenting bland services, preaching bland messages. We will step to Christ's side and stand with Him in great boldness.

A glorious remnant that desires change is rising. They're hungry for outpourings, signs, wonders, miracles, revival, and freedom. They know this is their inheritance as the sons and daughters of God.

In these next eight months, we will see the King of Kings begin to take center stage. The starring role in this supernatural time will not be politicians clinging to power in nations they've gripped with iron fists. No, the starring role has been reserved for another, He who declared, **"All power is given to Me in heaven and in earth" (Matthew 28:18)**. The starring role has been reserved for the resurrected King of Glory.

In earth's great drama, He emerged as the Creator. After the Fall, His Cross provided freedom from sin, and His resurrection broke the power of death. In the coming scene of this drama, He will step to center stage with His glorious church at His side.

Hear the word of the Lord, ***"Those who stand with Me will see that I stand with them. Those who come to My side will see the days of shaking become days of personal and corporate triumph. For I will release winds of my spirit that bring power to conquer. My people will defeat their enemies and enjoy the spoils of victory. They will proclaim, 'Our enemies have resourced us. We have more because of war; it has turned for our good.' They will say, 'The enemy's plans have collapsed around them, and their plans have failed.' They, My people, will say, 'Their words, the words of our enemies, have returned upon them vexing their souls. The enemies' words have proclaimed their own sentencing. They've built their own gallows'. They will say, 'Our enemies have been poisoned by their own venom. Our enemies have been trapped in traps laid for us.'***

"For you will rejoice,' says the Lord. 'You will sing, and you will dance with joy, proclaiming, "We have escaped as birds out of the snares of the fowler." I am exposing the snares of wokeism, progressivism, and humanism. Their spokesmen will begin to walk in miry clay while you go free. You will see changes of leadership in natural and spiritual realms, for a new breed of leaders will now be revealed in My Kingdom. These are people who have come to My side. They will now rise in power, for I will advocate for them and anoint them with My favor. These are those who come from My presence, carrying the weight of My glory. They would not compromise, refusing to be harnessed by the world. They would not bow to darkness, appease humanism's ways, bend their knees to blended religion, or kiss the ring of Baal. They are those who defy the doctrines of demons.

"These who stood unashamed of Me - I will stand unashamed for them. The Lord of hosts promises that great victories are at hand; I will oversee their completion. Great deliverance is in process. I will remove the demonic veil

hiding My Kingdom's enemies. I will make your enemies vulnerable to you, to the authority I gave you. They are vulnerable to your decree,' says the Lord.

"For you will now see the course of history, the course of nations change. History makers are coming to My side, and I will use them to bring this change, leading in historic transitions. Know and trust that the shaking will cause historic change. Your decrees of My words release My plans to alter governments and end tyrannical oppression. Alterations are now being made. Transfers of power will be seen. For I have the right to bring down one and exalt another. I decide who rises and falls. I can put down one and lift up another. I am doing so now, shaking governments and lands that have defied Me. I will come to center stage and stand with My heirs, My church, whom I love and for whom I gave Myself.

"There will now be seen throughout the earth a functioning Ekklesia - an Ekklesia functioning in the midst of the world's dysfunction. Multiplied grace is now being poured out. Bound souls will be set free, captives will be delivered, and those blinded by iniquity will be liberated from dark bondage. The rains of heaven will pour in torrential downpours, Kingdom revival will accelerate. Signs, wonders, and miracles will validate My Ekklesia, notable miracles leaping forth. All manner of sickness and disease will be healed as the King takes center stage."

Pray with me:

Lord, we declare our confidence in You, standing strong upon Your promises, engaging our faith for this moment. Enable us to be those who step to Your side now in visible, powerful ways. We believe You have orchestrated the ages, creating a time such as this when the world will see You take Your position as the King of Kings. Take center stage in America and in the nations. Break strongholds, shake what needs to be shaken, pour Your glory on Your Ekklesia.

Father, when Christ came there were no natural signs that the course of history was about to change. But You knew it was the right time, the fullness of time. In seasons leading up to past revivals, it has rarely looked like positive change was imminent. Yet, in the hidden realm of the spirit, conditions were right and the harvest was ripe. We believe this is true now. Harvest fields of the earth are ready for harvesting. Bring this. Step onto the stage and reap! Many are asking for this. Many laborers have been preparing - send them forth now.

Keep Your intercessors focused and strong. Do not allow them to be distracted by violence, wars, political campaigns, or difficult circumstances. May they keep their eyes on the prize: earth's greatest harvest ever.

We ask these things in Yeshua's name. Amen.

Our decree:

We declare that King Yeshua is taking center stage. We will step to His side as He leads us to breakthrough.

REST IN THE WAITING"

REBECCA FRIEDLANDER, HALLSVILLE, TX

If you're like me, sometimes the hardest thing in the world is simply to wait. I love movement, action, and new things. Instead of catching my breath when the speed of the season slows, it can be tempting to fill the gap with a million other "good ideas" when the Lord may be calling me into a pause. Sometimes we simply need to wait for Him to move, and rest until He reveals the next step.

"Rest in the Lord, and wait patiently for Him..." (Psalm 37:7)

The Hebrew word "rest" in this verse means: "to be or grow dumb (be astounded), be silent, be still (opposed to both speech and motion)" (Strong's 1826).

This verse provides a powerful key to overcoming worry or frustration around situations that are bigger than our reach. This specific directive couldn't be clearer: STOP TALKING, and that includes the chatter of the inner mind. Still your soul, Rebecca. Pause. Embrace silence. Entrust the things you care about to God.

"Wait patiently" is a single Hebrew word with a radical meaning: "to twist or whirl in a circular or spiral manner, specifically to dance..." (Strong's 2342). This word is translated into various words in English. For instance, it could mean "dance," or it could mean "to birth" like in Psalm 29:9, which says that God's voice makes the "hinds to calve," and "calve" is this dancing Hebrew word. Other times it's interpreted as "fear," or even "formed." I'm not a scholar, but this Hebrew word seems to denote a verb of passion, motion, and even creativity.

In our waiting, dancing before the Lord, and trusting Him, God is able to bring forth the things we cannot. It's amazing to see how He reveals His work when we let go... (let's face it, sometimes we're clinging too tightly to see His hands at work). From this place of wonder, movement, and rest, He aligns His perfect will and invites us along for the ride.

In what way are you waiting on God?

Is it a wild ride, or are you resting in the process? What's the hardest thing about this season? I'm right there with you! Stay the course. Find moments to dance in His presence. Lean into His everlasting love, even as you trust Him to move.

Prayer: Lord, help me to trust You with things that I cannot change—resting, dancing, and waiting as You align and unfold Your perfect will.

Veronika West

"Gold Keys; Healing Leaves and Gold Coins; Seeds that Decree A thing and It Shall be Established; A Great Harvest, Healing, and Restoration of the Nations"

In a Prayer Call recently one morning, the couple who were hosting us began to speak about the hard ground of the Nation/s being turned over and the Soil being prepared to receive the Seed. Then one of the Prophets on our call began to share that as the ground was being turned and the Soil being prepared to receive the Seed, suddenly he saw Trees rise from the ground with Keys hanging on the branches of the Trees. He then began to prophesy that God was releasing Keys to Unlock Doors and bring Breakthrough to the land and to the Nations: Kingdom Keys were being released to the Rising Remnant.

Now, as this was being shared, the Holy Spirit took me back into a powerful Vision that I had at the beginning of 2020, where I was standing in a Harvest field and the field stretched beyond the horizon. But while standing in the field, suddenly I saw a Strong Ox and a Powerful Stallion standing side by side, and I watched as an Angel of the Harvest placed a Yoke upon the Ox and the Stallion, and I heard the Spirit say, "Watch! For in the Seasons ahead, I Shall Yoke the Apostolic and Prophetic together in a New

Way, and a New Move of the Apostolic and Prophetic shall be birthed in the Nations and bring to birth a Great Harvest in the Earth.”

Well, this morning I was taken back into that same Great Harvest field, and I watched as the Strength of the Ox and the Power of the Stallion began to move together in Unity, and the Two together pulled a large plow. I watched as the blade of that plough began to cut into the hard ground, and the Soil was turned, and as the Soil was being prepared, Suddenly I saw a great Multitude of Harvest Angels come into the Vision, and I watched as the Angels stood at Attention Waiting and Watching as the Ox and the Stallion moved across the field. Then the Vision opened up even more, and I saw a Mighty Remnant Army Marching behind the Plow, and I saw the Remnant begin to Decree, Declare, Prayer, and Prophecy, and as they opened their mouths, once again, I saw Gold Coins coming out of their Mouths and the Gold Coins fell like Seeds deep into the Soil of the field. As the Governing Ecclesia, the Mighty Remnant Army, Matched behind the Plow, I watched as the Gold Coins fell into the Soil like Seed. Then Suddenly, I saw that as the Gold Coins/Seed fell into the ground, the Angels of the Harvest were fully activated, and they were deployed across the vast Harvest Field.

Now, as the Multitude of Angels went across the field, I saw Beautiful Green Trees spring up from the ground, and I saw the Leaves on the Trees were Keys and the Fruit on the Branches were Gold Coin. And I heard the Spirit say; **“I say, Take hold of the Keys, and they will become the Leaves for the Healing of the Nations, I Say, Eat the Gold Coins/Fruit on the Trees, and they will become the Living Seed to Decree Change, Change, Change. Watch, For this land is now turning over a New Leaf, for I Say this Day a New Page is turning, For a Prodigal Nation/s shall surely come back to its senses and Turn, Return and be Restored”..!!**

The Spirit of Revelation then showed me the Ancient Wells and the Altars, and I heard these Words, **“It’s Time to Seed the Ancient Wells, It’s Time Turn the Keys at the Altars for the Healing and Restoration of the Nations”..!**

Please Read Prophetic Notes; Gold Keys- Green Leaves-for the Healing of the Nations

Living Keys - Healing Leaves - Spiritual Covering - Glory Rests upon the Living Keys
Living Keys - coming as Living Sacrifices - back to Repentance/to the Altars of Awakening.

Gold Coins - Seeds in the Soil - Living Seeds/Living Word; Decree a Seed/Thing and it Shall be Established - Coins/Decree/Speak to the Wells. It is Time to Seed the Wells of Revival once again.

"I say, Take hold of the Keys and they will become the Leaves for the Healing of the Nations, I Say, Eat the Gold Coins/Fruit on the Trees and they will become the Living Seed to Decree Change, Change, Change. Watch For this land is now turning over a New Leaf, I Say this Day a New Page is turning, For a Prodigal Nation/s shall surely come back to its senses and Turn, Return and be Restored" ..!!

Gold Keys - Leaves - Healing and Restoration comes through true Repentance at the Altars - then Glory Returns to Cover like leaves on the Trees.

Gold Coins - Seed/Fruit - Speak to the Wells - Living Word is like Living Seed that when Decreed brings forth the Uncapping of the Wells of Revival.

Kim Potter: "Employ the Angels"

Recently, I have heard a phrase over and over again. It is not a wording I would normally use; therefore, it captured my attention. The phrase was, "Employ the angels." The word, *employ*, means: *to make use of (someone or something inactive); to use*

(something, such as time) advantageously; to use or engage the services of; to devote to or direct toward a particular activity or person (Merriam Webster Dictionary). Because this sentence would not leave me, I took some time to study and research about angels and how they relate to us. I wanted a better understanding of what God was prompting me to do—employ the angels.

Employ the angels; give them a job to do; make use of them. This should make perfect sense to us knowing what the Word of God says about angels and the part they play in our lives. We, as born-again Christians, have a right to utilize the ministry of angels God has provided. God made these ministering angels available to us through the new covenant (see Hebrews 1:14). If we are not tapping into this powerful resource, we are missing out. Let's look at how we can effectively employ the angels.

When You Speak the Word of God, Angels Listen!

"Bless the Lord, you His angels, who excel in strength, who do His word, heeding the voice of His word. Bless the Lord, all you His hosts, you ministers of His, who do His pleasure." (Psalm 103:20, 21)

The angels of God listen for His Word to be spoken out of your mouth! When they hear His Words, they go to work on your behalf. However, if you choose to speak the opposite of the Word of God, you tie their hands. They cannot help you unless you are speaking the voice of the Word of God. It is YOUR words that give the angels charge.

In the book of Daniel, the angel told Daniel, "**...your words were heard; and I have come because of your words**" (Daniel 10:12). Daniel's words put the angel to work for him. You and I can do the same.

Ask for Angelic Assistance

When you ask God to employ the angels, He will do it! In Matthew 26, Yeshua told the people that He could have prayed, and God would have sent twelve legions of angels to assist Him. **Whatever God would do for Yeshua, He will also do for you and me.** Prayer releases angels to work on your behalf.

Angels Bring Deliverance

"The Angel of the Lord encamps around those who fear Him [who revere and worship Him with awe] and each of them He delivers." (Psalm 34:7 AMPC)

When you employ the angels of the Lord, they will rush to your defense. I love how the Amplified Bible says, *each of them*, He delivers.

Angels Enforce Your Covenant Rights

Angels are covenant enforcing agents. If the Bible says it belongs to us, the angels will help get it to us, if we employ them. **Luke 12:32 says, "Do not fear, little flock, for it is your Father's good pleasure to give you the Kingdom."** In **3 John 1:2**, this Scripture assures us that God wants us in health and walking in soul prosperity.

Angels are here on assignment. They exist for a purpose. They are here to establish God's covenant in our lives. **If it is part of the Kingdom of God, they will help**

get it to us—financial prosperity, healing, protection, peace of mind—whatever it is, they are there to act upon the Word of God coming out of our mouths!

Expect Angels to Work with You!

Jerry Savelle once said, "God wants us to expect accelerated activity of the angels in the last days." I believe this is the truth. I believe God wants us to employ angels and expect to see an increase of angelic activity in our lives!

Do you feel something is holding back the promises of God in your life? If so, employ God's angels. Give them an assignment. Give them something to work with!

Nothing can stop the angels of God when they are working on our behalf. Remember when Peter was in chains and in prison in Acts 12? The angel of the Lord delivered him. The bars didn't stop him. The doors and fences didn't delay him. The chains didn't make deliverance difficult for him. No, when God sent His angel to do a job, His angel completed that assignment.

Whatever is holding back your deliverance is no match for God's army of angels! Today, employ the angels of God and watch things change for the good!

His Yoke Is Easy And His Burden Light

"Come to me, all you who are weary and burdened and I will give you rest. Take my yoke upon you and learn from me for I am gentle and humble in heart, and you will find rest for your souls. For my yoke is easy and my burden is light." Matt. 11:28-30.

Yeshua, your Gentle Shepherd is making you a great offer to off-load all your burdens to Him in exchange for His rest. The word 'yoke' in the Bible in a negative sense is symbolic of bondage, frustrating religious rites, punishment, guilt and fear. But God is offering to you His yoke that binds you to Him for unlimited power to endure and strength to overcome. His yoke for you is easy, because when you are 'yoked' with Him, He carries YOU and your burdens.

God's thoughts toward you are gentle and preserving, loving and caring, correcting and coaching, forgiving and helping.

1) Daily meet with Him in prayer and off-load all your burdens, one by one. Don't allow things to pile up on you. You are not made to carry heavy burdens on your back as some animals do. Pray and release them one by one to Yeshua your Burden-Bearer.

2) Take up His yoke and grow in wisdom. When yoked to Him, you have His continued guidance and instructions. He has a plan for your prosperity, **"For I know the plans I have for you," declares the LORD, "plans to prosper you and not to harm you, plans to give you hope and a future."** (Jeremiah 29:11)

God's yoke is easy because He not only gives you a dream, but He provides for you wisdom, sponsors, teachers, helpers and encouragement every day as you meet with Him in prayer. God is with you forever.

Kingdom Declaration:

I am yoked to God to draw from Him strength, wisdom, grace and glory.

ARE YOU READY?

Diana Larkin

A Watchman's Journal

The Father and I walked the path past the huge waterfall that reminds me of Yosemite, and into the Garden of Eden where we found Enoch waiting for us on a bench under a tree. The three of us sat together, and Enoch talked to me about the coming time for our world as a season of great change. He said everything is going to change, and we have to be ready to flow with the Holy Spirit so that we don't cling to the past but allow ourselves to be guided into the good future before us. The Father shared with me:

"ARE YOU READY for this coming season of GREAT CHANGE? How good are you at HEARING My VOICE and how SENSITIVE are you at RESPONDING to the Holy Spirit, as He comes BESIDE you to COUNSEL you, to WARN you, and to HELP you walk through the OPEN DOORS that I AM placing in your life? ARE YOU READY to LET GO of the PAST and to WALK BRAVELY into a NEW DAY? Are you TRUSTING that I AM bringing to PASS My PROMISES of a NEW

DAWN into the KINGDOM AGE? Do not let the TYRANNY of the FAMILIAR HOLD YOU BACK from STEPPING into a WHOLE NEW WORLD. You don't fully realize how much your FREEDOMS have been RESTRICTED by OPPRESSIVE and INTRUSIVE laws and government agencies. When these are LIFTED, you will experience GREAT FREEDOM of EXPRESSION and DOORWAYS that will open to INNOVATION and CREATIVITY before you. DON'T STAY IN THE SHADOWLANDS because you're AFRAID you might FAIL in the Light. Anne Jackson and Katelyn Alexander: "Strategic Voices: It's Time to Prophecy Your Future"

In the month of June, God is releasing strategies from Heaven for people's divine assignments. He is inviting people to "clear the clutter" in their lives and let go of things that are good, but not His best. He is bringing us into a deeper relationship with Him and—from relationship—releasing revelation. It's time to "prophecy your future" by partnering with His Word and declaring what He's doing. Make the decision to stop complaining and to use your words to declare life.

Heavenly Strategies

"All this,' David said, 'I have in writing as a result of the Lord's hand on me, and He enabled me to understand all the details of the plan.'" (1 Chronicles 28:19)

God is releasing strategies from Heaven over people's lives for their divine assignments and callings. Angels are on assignment, handing out Kingdom blueprints; these are being made available to those who are seeking Him. **God is giving people divine strategies and showing them the ways they can partner with Heaven in order to fulfill His purposes on the earth.**

This is a beautiful, but sacred, invitation. In order to step into the fullness of God's calling on your life, not everything can come with you. You may have numbed out, avoided, or primarily sought entertainment outside of God. But when you see your heavenly assignment, those other things lose their value. It's time to write down what God shows you and to hold it close to your heart. Trust Him, even if what He reveals to you seems too big for you to accomplish on your own. Invite trusted people to share this vision with you and take a step of faith. Trust that God will bring the strategies you need as you move in accordance with His voice. If this is for you, God is opening your eyes to see the action steps you need to take today—even if that is simply writing down the vision.

"AN INVITATION TO THE TABLE OF THE LORD"

CRISTINA BAKER, AUSTIN, TX

Remember the story of the two saddened disciples who walked with Yeshua on the road to Emmaus after His crucifixion? Let me divulge.

It was a seven-hour journey from Jerusalem to Emmaus, and the Scriptures tell us that **Yeshua "explained to them what was said in all the Scriptures concerning Himself" (Luke 24:27). They had NO CLUE that they walked with Yeshua for seven hours because "their eyes were kept from recognizing Him" (Luke 24:16).**

Fast forward a few verses, and we see Yeshua reclining at the table with the disciples. **"When He was at the table with them, He took bread, gave thanks, broke it and began to give it to them. Then their eyes were opened, and they recognized Him, and He disappeared from their sight" (Luke 24:30–31).**

Isn't it interesting that it was not the unpacking of the Scripture alone that opened the disciples' eyes, but it was a meal at the table with Yeshua? Have you ever received a promise from God when you were at the end of yourself and had no faith left in you? Faith matters; faith moves mountains. Throughout Scripture, we see faith move the heart of God. Let me tell you that I have encountered moments in my life where the Lord blessed me with an answered prayer, or a promise from His Word when I was completely faithless. This is His grace—we get what we don't deserve even when our faith fails us.

I want to encourage those who have been waiting on the Lord in this season. Maybe you began this season with an arsenal of faith, and the delay has caused you to become weary and question where your faith has gone. Let me just remind you that God doesn't need anything from anyone to do what HE wants to do in your life.

The delay is producing FRUIT in you, and at the right time, God will move. Trust His truth with all of your heart, and hold onto it for dear life.

DESPITE what you may SEE with your natural eyes, believe that God has marked this season with the sweet aroma of His promises being fulfilled. There will be relationships and marriages being restored that were beyond reconciliation, prodigals and children

coming home to their fathers and mothers, and the destruction of the enemy that was brought against your household will be restored before your very eyes.

The loss of the prior season does not dictate your future. In fact, I'm utterly convinced that RESTORATION is one of God's favorite ways to display Himself to us. Even if you can't see it, take your faith

Nate Johnston: GOD IS DIRECTING YOUR PATH - STAY THE COURSE

It feels as though the blueprint ran out and you are living completely submerged in the faith journey without any direction forward. When you look around, the forecast looks bleak with only dead-ends and the horizon blocked with endless impossibilities. The struggle, aside from lack of sight, is that this part of the journey doesn't look anything like you envisioned it to be and you are trying to find your feet and let your heart catch up. Many have felt like no matter which way they look, all they can see are storms and wars.

This is a lie of the enemy to keep many feeling CONTAINED and TORMENTED by fear and the outlook that things are getting worse for them, and they are out of

options. While it does feel like that, and the enemy has been busy barricading people in and shutting doors and blocking roads, God has a way that He is already leading you in that is UNBLOCKABLE!

I was asking the Lord about direction, when I had a dream where the Lord spoke to me and said that the pioneers are not in an unknown but a Macedonian call! (Acts 16:6-10) A Macedonian call is where It feels like God is blocking a certain way or direction you thought you were going on. It's where the blueprint and plans were set for a specific outcome and location, and God closes those doors and leads you out. It's where the Holy Spirit prevents you from creating Ishmaels and decisions that would lock you into something not part of your destiny. It's where He leads you in a way or means that doesn't make sense at first and begins to stir your heart for another way. It's where God takes you on what looks like a detour from the path or leads you away from the way you thought you were going.

The Macedonian call is your re-direction back onto the path you were designed to walk on and the protection of God to steer you away from any diversion of the call upon your life. It's your realignment and recalibration back to true north and the ignition of the main message and mission God has given you. If Paul hadn't listened to this dream, Europe wouldn't have heard the gospel, and we wouldn't know the gospel the way we do now. Your Macedonian call is not just about you. It's about so many others' futures and breakthroughs you don't see or comprehend right now.

It's about the destiny of your children. It's about the destiny of the land you are called to. This call is a legacy shifting call! So many have said in this season, "but I need direction and clarity to know which way to go!" I was reminded of the main part of this story - Paul received a dream - an ecstatic vision of the night.

When the man from Macedonia stood before him and begged him to come instantly, Paul received his coordinates and his mission blueprint. Suddenly, all the closed doors made sense. Suddenly, all the blocked roads felt like a saving Grace. Get ready; receive new updates of your mission as God hands it to you and downloads it to your heart. Fogginess and confusion is leaving. Frustration and disappointment is evaporating. You will see the hand of the Lord in what has felt like a time that his hand lifted from your life. You'll see his hand was never more involved than this moment.

I felt that in the next few weeks and months that SPECIFIC & DETAILED directions are coming. Like a step-by-step furniture construction manual you will know the steps to make forward. Many are needing STRATEGIC insight and wisdom to deal with messy and seemingly impossible situations, and they will receive them. Don't think it's over for you just because you can't see how God will do it. God is about to open a new door for

you where you had to walk away from the ones that would COMPROMISE your convictions.

“Call to me and I will answer you and tell you great and unsearchable things you do not know” (Jeremiah 33:3)

THERE WILL BE A REVELATION RE-START

As I was writing this, I felt that many have been so disillusioned because the noise of fear has been like a subtle poison against the lifestyle of faith. It's created a wedge or a blockage to be able to hear and receive from God that way you were used to. Have you felt this? Have you felt like it's been so hard to enter the secret place? Hard to pray? Hard to read the word? Hard to feel His presence?

Can you see how the enemy's plan has been to PREVENT you from receiving your Macedonian call and blueprints? He has wanted you to feel alone, lost, and without the guiding hand of the father, but it's not the truth! I've felt that so many have been warred at in their sleep. It's felt so long since you have had prophetic leading and guiding dreams - instead you have either had none or warfare/opposition dreams. Today, that breaks! God is reviving hearts that have grown cold to His voice today. I need to pray for yo:; **Lord I ask for a fresh revelation re-start for those who have found it hard to hear your voice, see your breadcrumbs, get new downloads, or dream the way they were designed to. Let the ECSTATIC VISIONS come now in Yeshua name!”**

Get ready to receive new messages, new burning movements, and governmental mandates. Get ready to have cities embedded in your heart. Injustices suddenly grieve you and grip you. Mountains of influence suddenly come into view. The wheels will turn in motion, and you'll see how God has already been shifting your feet when you didn't realize it. I felt like many are going to receive what may be unpopular, or controversial, messages or missions on the Lord's heart which is why He has had to lead you this way - so you could carry it!

LEAN IN TO THE ADVENTURE & ENJOY THE UNKNOWN AGAIN

I feel that many reading this have been doing the pioneer life in survival mode and God wants to change that. Remember the days where it felt fun and exciting to pursue God in new and unknown ways? That's coming back. I see a fresh breath of God coming upon you where you have felt tired and ENDURING instead of ENJOYING the pioneering call upon your life.

It's time to enjoy it again. It's time to take the yoke off your back and onto Yeshua. I'll say that again - TAKE OFF THE YOKE NOW! Shake it off! Then I heard the Lord say,

"Get fresh oil for the journey," and He reminded me of the wise virgins from Matthew 25 who kept their oil full.

Many pioneers have been DEPLETED but it's time to sit in His presence and be filled again. The road ahead needs it. Your family needs it. The new beginning and new mission requires you to be filled to overflowing for you to step into it properly. To all the brave ones carving a new and unknown path right now, Thank you. Heaven is cheering you on. It doesn't make sense to you, and others don't understand either, yet you keep going. Thank you.

You battle so many doubts, fears, failure, persecution, judgment, and warfare, yet you keep charging forward. Thank you. You are champions. The future is secure because of your "yes" right now. You may not feel like your steps are accomplishing anything, but one day you'll see the roads you are clearing in the dark lit up with lights and many traveling on them.

Lastly I just want to leave you a scripture that came to me as I wrote this.. **"I would have despaired unless I had believed that I would see the goodness of the LORD In the land of the living"** (Psalms 27:13) It's time to SEE & experience Gods goodness. it's time to be reminded, He is faithful. It's time to see that this unknown is your greatest destiny and legacy unlocking moment.

Francis Frangipane: "The Mountain of God"

"Now Moses was pasturing the flock of Jethro his father-in-law, the priest of Midian; and he led the flock to the west side of the wilderness and came to Horeb, the mountain of God." (Exodus 3:1)

Mount Horeb was not what it seemed. Though forbidding and barren, Horeb (also called Sinai in Exodus) was the gateway God used to reveal Himself to the Hebrew nation. It was here that the living God appeared in a burning bush to Moses. It was also here that the aged and stammering Moses was sent back to Egypt with miraculous authority to liberate Israel.

It was to Horeb that the Israelites came, following the pillar of fire at night and the covering cloud by day. On Horeb, God Himself inscribed Israel's laws on tablets of stone. Then, in the midst of a blazing fire, a deep gloom, and a whirlwind, the

terrifying voice of the Most High spoke audibly to His people, thus establishing His covenant with them.

Israel had other sacred places—the tabernacle in the wilderness, the temple in Jerusalem, and various altars men erected to God—but Horeb was unique. Horeb was where Moses and the Israelites met God, and it was where Elijah fled when all he tried had failed.

Horeb was "the mountain of God."

Redeemer God

As a geographic and historic place, Horeb was weighty with spiritual significance. Yet, the reality symbolized by Horeb—that God chose a desolate place and then drew desolate men to meet with Him—is a truth that resonates yet today. Horeb's message is this: *the Lord does not turn away from our desolation; He comes to redeem it.*

Consider Moses, the great prince of Egypt. From his high estate, he is exiled for forty years in the wilderness. He marries into a Midianite family and assumes the role abhorred by the Egyptians: a shepherd. Yet it is precisely at Horeb that God meets with Moses and commissions him. The word Horeb means "desolation" [Strong's H2722], and it is here that Moses finds redemption as he returns to Egypt empowered with godlike authority.

Or consider Elijah, the fierce prophet whose spectacular but failed efforts to bring revival burdened him with depression, fear, and discouragement. Elijah also comes to Horeb—the loner, Elijah, who seemingly can't get over the idea that all the prophets are dead, and he alone is left. Yet, it is here that he discovers not only that there are seven thousand Israelites who are loyal to God, but among them is Elisha, a man who will receive a double portion of Elijah's power. He will bring an end to Jezebel's perverse reign and bring a season of revival to the northern tribes.

On Horeb, Elijah discovers that his true call was not to lead a revival but to "go before" and "prepare the way" for greater things to come. Indeed, it was this very spirit of Elijah that actually prepared the way for Yeshua, Israel's Messiah, in the first century, and it shall again be the spirit of Elijah who prepares the way for the second coming of Christ (see Malachi 4:5–6; Matthew 17:11).

Horeb in Your World

At Horeb we not only discover more about God but also finally begin to understand ourselves and what the Lord desires of us. Our lives simplify and truly focus on that which is most important. Beloved, you know you are at Horeb when God cuts you back to the root source of your spiritual life. Yes, you are at Horeb when you are inwardly repelled by the superficial distractions of modern Christianity and desperate for more of God.

You will not become a better person at Horeb. For Horeb is not about the perfection of self; it's about the abandonment of self. It is about the discovery that in us—in our successes and our failures—there dwells "no good thing." We do not have to perform, but conform to the surrendered life of Christ.

Not everyone who walks with God goes through a Horeb experience. Some find God in worship; others knew desolation prior to knowing Christ and now know only thanksgiving to God for their salvation. Some may have actually been through Horeb but not identified it as such. At Horeb the morphine of religion wears off, and we can once again feel our pain. Reality manifests. We see ourselves in the light of God, and as we do, we fall upon Christ the cornerstone (Luke 20:18).

Though "broken to pieces," we are finally fit to be used by God.

For those who are even now at Horeb, I urge you to let your soul open and your pain rise to God. He knows. He sees your heartache. He feels your sense of shame, bewilderment, and regret. Whatever He says, do it. When you leave Horeb, He will have brought you to a level you previously thought unattainable.

Recall the infusion of life that Moses and Elijah, the men of Horeb, each experienced beyond their season of desolation. Both experienced a type of the resurrection that is to come (Jude; 1 Kings 20). And in a mystery beyond our comprehension, it was these two Horebites who appeared in splendid glory and spoke with Christ on the Mount of Transfiguration (Matthew 17:1–3).

Horeb, once the place of desolation, is redeemed and revealed as a gateway to God. It is here, in brokenness and fearless honesty, where God brings wholeness of soul.

Horeb is the mountain of God. And once here, we are just steps away from the shelter of the Most High.

[Pray with me:] O living God, I bow before You. I confess my abject need of You. My guard is down, my actor is dead, and with him, I fear my dreams are also gone. Yet, you give dreams even to old men. You are the Resurrection. I cast myself upon You, O great God of my salvation. Draw me into Your holy shelter and renew me.

**"RADICAL WORSHIP"
BOBBY HAABY, BEND, OR**

The whole Church is being invited into a new season of radical worship. We are being invited to leave the past and cross over into promise. God says "I am turning 'compromise' into PROMISE. I'm turning wanting and waiting into WORSHIP. My eyes have seen your wandering and wondering, and I am leading you into WORSHIP.

"Come and give Me your all in worship, and I will turn your trial into triumph. I will turn your devastation into dancing. I will cause the Son to shine on your darkest days, and the shadows of fear will disappear. I am turning your struggle into strength, and your second-guessing into assurance. Your 'winepress' season has produced a 'vine-dressed' reason to celebrate!

"You are ready to worship! I am shaking all things. I am stirring My Church to worship, and the sound of worship is causing a realignment in the spirit. The shock waves of worship are covering a war-torn heart and a war-torn nation. I am the Breaker of the fallow ground. As My Church releases their hallowed sound, you will see Hamon on the gallows found.

"Worship! I am bringing you back to Me. Worship is the key to seeing. Seeing is the key to being. You will find your rest when you worship with your best. You will find your peace when you surrender and release yourself in worship.

"No more holding back, holding on, or holding up! I am moving forward, and you must NOT stay behind, pressing 'rewind' on the tapes of the past. Your worship will thrust you to get out ahead of what I am doing, just in time to wave your palm branches and worship! What seems like a momentary devastation will only end in celebration! Just look at My risen Son, HE'S ALREADY WON! See above the situation; join the celebration and worship!"

Angela Greenig: "Let God Arise and Our Enemies Be Scattered!"

Prepare the Way of the Lord

There are moments in history when a massive door opens and, whether good or evil, we find ourselves stepping through it. As Believers, it is in these moments that key men and women will rise up, risking everything to be on the brink of the greatest outpouring America has ever seen. It is time for us to arise and be those key men and women. We must stand up and be a voice, crying, "Prepare the way of the Lord!" We must be awakened to see the debauchery and lawlessness that's been seeping into the fabric of our country, our communities, and even our families.

In Daniel 2:21, the Word decrees that God removes kings and establishes kings, and He will replace leaders with those He has called and ordained—those who will take their rightful seats of authority.

"He changes times and seasons; He deposes kings and raises up others. He gives wisdom to the wise and knowledge to the discerning." (Daniel 2:21)

This nation was birthed on the foundation of the Word of God, and our constitution reflects that. Our forefathers risked everything, just like we must right now.

Only pure light can dispel the darkness that has ravaged the land. **God is resetting and equipping us with a mindset for war.** We have to pull down the demonic idols and structures. It is only then that we will see the great outpouring of favor which the Lord has promised us, both politically and spiritually.

Isaiah 66:6 says, "Hear that uproar from the city, hear that noise from the temple! It is the sound of the Lord repaying His enemies all they deserve." It's in these times that we are on the brink of breakthrough to see God's Kingdom come and His foundation set firmly upon the earth. **Will you rise up and be a voice for the Kingdom of Heaven?** What we do every day echoes in eternity.

What Is God Saying to the Church Today?

2 Timothy 4:2–4 is the key, as it says, "Preach the Word; be prepared in season and out of season; correct, rebuke and encourage—with great patience and careful instruction. For the time will come when people will not put up with sound doctrine. Instead, to suit their own desires, they will gather around them a great number of teachers to say what their itching ears want to hear. They will turn their ears away from the truth and turn aside to myths." This is the key that God is speaking right now. Many are falling away by lies and manipulation. **We must be able to discern the voice of God and what He is saying to the Church today.**

God's Word warns us not to turn away from the truth by turning to myths instead, but to keep our heads in every situation. It is so critical that we look upon the face of the Lord, endure hardship, do the work of an evangelist, and remember to fight the good fight of faith! We all want to finish the race strong and keep the faith, because one of the five crowns in Heaven is the crown of righteousness, which the Lord will award to us on that day (see 2 Timothy 4:8).

God is on the move, Church! He is bringing clarity and perspective to His people to come back into the Body of Christ. We need a change. We need to get back to evangelizing and get back to proclaiming the voice of God—the Word of God. We must not allow the little foxes that spoil the vine to distract us from what God has called us to do.

A Turning of the Tide

America, God is depending on us. He needs us like never before, and the gates of Hell will NOT prevail. We need to bring back a moral compass in this nation that points to true north so that we will look to God and know exactly what He is calling each one of us to do.

Since 2015, from the White House to the Church house, a mighty shaking has been going on. There is a shaking and a quaking right now in America. If we do not remove the darkness that is sitting in the White House, we will be fighting this battle for generations to come—for our children's children. We need the forty-seventh president, whom God is calling forth in this hour. President Trump was the forty-fifth president of the United States. Look at what God established, using His servant, Donald J. Trump, moving out idols and Molech worship from the land, and setting the stage for abolishing Roe v. Wade.

The woke agenda is at the forefront of media everywhere. Our children are like lambs being led to the slaughter, and our education system is on the brink of falling into chaos. In the absence of order, chaos erupts. The abomination that causes desolation is in the White House, and it needs to be removed.

But I have good news: As America (and our Christian friends all over the world) prays for reformation, we will see change. God is calling for President Trump to take his rightful seat of authority back in the White House. When he does, I believe everything will shift back and become stronger and even more of a force to be reckoned with. We will be able to do the work the Lord has called and ordained us to do. It is an abomination to see the filth and darkness in this nation, especially the illegal entry through our cities.

Usher in Liberty and Justice for All

In 1 Kings 17, God calls Elijah to bring healing and resurrection power to one of His people. Likewise, we must arise to see healing brought to our nation. Then Elijah, through God's instruction, destroyed Ahab's and Jezebel's influence, as well as the false prophets, enchanters, and necromancers of Baal (see 1 Kings 18). We WILL win, because united we stand, and divided we fall.

This word is not only for America, but for the entire Body of Christ. **We are in a very prophetic timeline, Church, to reverse the curses that have been placed like a yoke on us—like what a master puts on his slaves.**

The Lion of Judah is proclaiming blessings over our lives. Keys are being poured forth from Heaven, and divine opportunities will open up! **Matthew 7:7 says, "Ask, and it will be given to you; seek and you will find; knock and the door will be opened to you." The ancient portals of Heaven are open to us as wells of living water. In Jeremiah 6:16 it says, "...Stand at the crossroads and look; ask for the ancient paths, ask where the good way is, and walk in it, and you will find rest for your souls..."** God's glory is pouring forth. Step into the supernatural realm He has called you and your family

to dwell in. There have been setbacks, but this is a launching out for all of us. I see a harvest of golden wheat blowing across America and an increase in the latter rains.

Who will be the voice like John the Baptist, calling and preparing the way of the Lord? I believe President Trump will do this very thing when he is re-elected. He will usher in a time of greatness in this nation, and we will push back the gates of the enemy and remove darkness from our land. It is time for us to agree with Heaven, praying for the Lord to appoint godly leaders who will help usher us into liberty and justice for all.

REMNANT - YOU'RE ABOUT TO FIND A NEW RHYTHM:

Nate Johnston

Remnant, You are in a Holy Spirit detour right now. You aren't off course and haven't missed your target. It's not what you were expecting, but it's not stagnation like it feels - it's just the Lord pulling you into a moment of stillness and sudden hiddenness for what is about to take place. It's the call to build a new foundation internally and the call to build the new foundation of a new era. It's both. Can you feel it? That is why you have felt lost, because you didn't expect you would be dealing with the heart stuff.

Your affections have changed. Your priorities have suddenly shifted.

Yes, He is doing a new thing INSIDE you as He builds AROUND you. They are connected.

A NEW RHYTHM

Right now, you are learning a different rhythm. You are being untangled and untethered from so many strings and ropes trying to keep you held tightly to their expectations and busyness. But the Lord is setting you free from all of them and leading you away from the exhaustion of the ministry golden calf and its subtle robbery.

You see, the ministry machine doesn't think of families, soul-health, or longevity, but devours anything it is given. And many have been consumed and spat out when they have nothing more to give. It's left a trail of burn out and many who right now who are depleted but fighting the enemy's agenda to take them out completely.

It's been 6 months of facing some difficult consequences and cleaning up the messes of years of being spread thin. So don't run from it, and don't fear it, because it's your deliverance and your new beginning. On the other side is a fresh wind and a joy you didn't even know could exist.

On the other side is a wonder and a new adventure with the Lord that will make you come alive where religion shut you down and hedged you in.

Let God redefine your mission, recalibrate your heart, and place His easy yoke upon you. Lean in...it's about to get good again.

BE REPLENISHED

"Then the word of the Lord came to Elijah: "Leave here, turn eastward and hide in the Kerith Ravine, east of the Jordan. You will drink from the brook, and I have directed the ravens to supply you with food there." "So he did what the Lord had told him. He went to the Kerith Ravine, east of the Jordan, and stayed there. The ravens brought him bread and meat in the morning and bread and meat in the evening, and he drank from the brook" – (1 Kings 17:2-6)

Just as God led Elijah away to be replenished, right now God is pulling many away to be fed with fresh manna and revived again. This will be where you are healed from your long road of opposition and slander. This is where the weight you are carrying is removed once and for all. This is where the heavy yokes break. This is where God brings you back to your factory settings and gives you a new passion and zeal for HIS kingdom.

This will be where you are rebranded so you can build the pure thing He has given you with nothing added.

MOVEMENTS BIRTHED IN SECRET

But this is not the way you expected it to come. You thought you would be building something in public, but the Lord has led you away to birth this one because of its significance. The most impacting movements of 2025-2030 are right now being built quietly behind the scenes by a people on their faces before the Lord. They aren't in a boardroom with a group of entrepreneurs and strategists, but a small few who have given their lives to prayer and to restoring the fallen altar. They don't have conference headlines in their sights or boosting social media followings. They aren't interested in joining the latest hip apostolic network or getting the affirmation of Apollos. They have died to the machine and have zero desire and affection for the old regime. Right now, they are in the last trimester and have gone underground to finish what God started long ago, and so to do so, have separated themselves in the most crucial stage.

In fact, they aren't even trying to birth a movement, but are in a deep personal reset and purge from the last season of battle. But out of the ashes and pain of the old wineskin is emerging what is pure and not manufactured by man.

It won't look like anything else. It won't have the hype. It won't have the razz and marketing charisma of a movement.

They will just be honest and pure expressions of the kingdom that come out of environments where people have valued the KING more than launching a brand.

So, to those carrying movements and feel this tension, This won't be built by your hands, but God birthing through you. This is why you have felt the pullback from the hustle for years now. This is why you have left so many tables. This is why your circle has gotten smaller and God has reduced your alignments. This is why your desire for the current model and ministry aspirations have died. This is why you have been set apart yet again. This is why you are going through the deepest reset of your life.

There is something that you are carrying that God is protective over and He is ensuring that THIS TIME it is not aborted!

Our relationship with the Holy Spirit is the Fountain of Living Waters! Those of us who consistently listen to His voice, interact with Him, and follow His leading will be constantly drinking from that fountain, but the moment that we decide to lean upon our own understanding we begin building our own cisterns.

There's simply no substitute for a real relationship with Yeshua Christ, God the Father, and the presence of the Holy Spirit in a Believer's life! The moment that we decided to sidestep that relationship through disobedience, we've taken our first steps back away from that fountain. I don't know about you, but I want a fresh and living word from the Fountain of Living Waters every day of my life so that I will never become stagnant or toxic.

Holy Spirit, come and restore us to that connection with the Fountain, (the deep place of intimacy with You), so that we are always drinking from Your waters that will never run dry.
