

Cheshvan 5787: Wade K. Butler, D.Hum, Chaplain

"5787 The year of the Crown and Sword"

One year ago I was celebrating a successful Republic conference. It was My first physical trip outside of my home after a traumatic spinal cord injury resulting in extensive surgery. I'm still celebrating!

I had commented on the season of war we had entered and the challenges we were about to face. So I am going to treat you like my many Dr's treated me before and after surgery. Before surgery I was told if I did not have surgery my life expectancy was very short or I would be wheelchair bound the rest of my life. If the surgery was successful I would more than likely have limited abilities. That was the good news according to the medical profession. I sought another physician. He said; "By HIS Stripes I was

Healed, that I would live and not die, that my later years would be greater than my former years." I liked that word better than the first.

Did I go through surgery? Yes, and I'm still recovering. I have learned how to walk again and believe I am in the midst of total recovery. In the middle of the journey I have become involved with people I would never have believed possible. I'm involved with international contracts and associations that are far beyond my reach in the natural scope of things. You may ask; What does that have to do with the calendar? It is actually quite simple; it is a perfect parallel. We, as "WE the People," are facing some surgeries. If we do not have the surgeries we will probably be crippled beyond being useful. It may require us to learn how to walk again as a nation. I can say from personal experience, if we do not remove and correct the out of line body parts, then we will fall and fail. If we indeed do go through the process of surgeries, we will come out stronger, more focused with greater contacts, associations and future.

This month is a season of celebration for all of us. "Look what the LORD has done." The word is like a brand; it marks us for all to see. Be Blessed in reading these daily words of knowledge to bring hope to our nations.....

Chaplain Wade K. Butler

The Amplified, King James, New American Standard, and Passion versions of the WORD of GOD were used in this study. **Biblical Months fall under the Law Form of YHWH (Yahweh), Father-Son-Holy Spirit, through the revelation of His Word and begin on the new moon each month.**

I often ask myself, do the readers understand how to pray after reading a text of prophesy. The answer is to ask the LORD how did this relate in the Bible for then, and how does it relate now? How would YOU have me to pray, Lord?

In developing this calendar prayer guide prophets are used to bring current words from the LORD*. (See last page.) Each month the contributors change, and some months have multiple contributions from a particular author depending on what they received that month. Many Christians do not have access to publications such as the Elijah List, Judaism 101, teachings from Chuck Pierce, Robert Heidler, and many other contributing authors which are included.* 1 Thessalonians 5:20, Do not spurn the gifts *and* utterances of the prophets (do not depreciate prophetic revelations) nor despise inspired instruction or exhortation or warning.

It's been eight years in June since we started publishing the Republic Prayer Calendar based on the Hebrew Lunar Cycle, so for anyone joining us for the first time, I want to give some background. In Genesis 1:1 the very first words GOD speaks are "In the beginning," and according to Rabbinical teaching, the very first commandment given to the children of Israel while in Egypt was to sanctify the "New Moon." From that point on, the nation of GOD was to look at the Moon for the setting of their days and evenings and as a means to reconcile the times and seasons. The Biblical day begins at sundown and ends at sundown the following day. At sundown, it is known as the dawning of a new day.

Genesis 1:5, And God called the light Day, and the darkness he called Night. And the evening and the morning were the first day. Even history is set into motion as God said that the world may be understood as seven 1,000 days with the last, the seventh 1,000 years of days, would be the time being the Millennial Reign of Christ.

The Lunar cycle has only 29.5 days or 354 days per year, whereas the solar cycle has 365 days per year. An additional month is added every 3rd year to coordinate with the agricultural seasons. The reason the numerical date may not look like the previous years is because of this shift. The Month begins with the rising of the "New Moon." The Hebrew year begins in spring every year in the Month of Nissan when Passover occurs. Every month is related to a specific tribe, feast and season.

Cheshvan, the Forgotten Month Waiting to Be Heard

When discussing the month of Cheshvan, or more precisely, Mar Cheshvan, we delve into a tapestry of ancient traditions, Kabbalistic interpretations, and historical memories. The Jerusalem Talmud reminds us that the names of the months we use today "ascended with us from Babylon," because before the Babylonian exile, our months only had numbers: first month, second month, third month... as indicated in the Torah, where you won't find names like Cheshvan or Adar.

In the Book of Kings, the month now known as Cheshvan is called Bul (1 Kings 6:38), which means "eighth month" counting from Nisan, the month of Pesach. Some argue that the term Mar Cheshvan derives from a Babylonian word used to denote the eighth month, suggesting a direct derivation from Babylonian culture.

Mar Cheshvan: The Bitterness of an Empty Month?

The name Mar in Hebrew means "bitter." Tradition teaches us that Cheshvan is considered bitter for several reasons:

1. The absence of holidays: Cheshvan follows the month of Tishrei, rich with significant festivals like Rosh Hashanah, Yom Kippur, and Sukkot. It is the only month of the year without any holidays, making it a period of quiet and reflection.
2. The deaths of Sarah and Rachel (שרה אמנו, רחל אמנו): Our matriarchs, Rachel and Sarah, are said to have passed away in this month, contributing to the sense of bitterness associated with Cheshvan.
3. Yerovam and the division of the kingdom: During the First Temple period, Yerovam ben Nevat, the king of the Northern Kingdom, introduced a pagan festival in the month of Cheshvan, distorting the religious tradition of the people of Israel.

"Mar" as a Drop of Water: The Blessing of Rain

However, Mar is not only synonymous with bitterness. In Hebrew, Mar can also mean "a drop of water," as in the verse: *"like a drop from a bucket."* (Isaiah 40:15) It is in this month that we begin to pray for rain in Eretz Yisrael, asking for blessings from heaven for our sustenance. Thus, Mar becomes a sort of prayer for rain that will bring life and abundance.

Moreover, according to tradition, the Great Flood in the time of Noah began precisely in this month. The name Bul, as mentioned in ancient texts, is seen by some commentators as an allusion to the term Mabul (מבול), which means flood.

Mar Cheshvan: The Month of the Temple's Inauguration

Furthermore, although Mar Cheshvan is the month in which Solomon completed the construction of the Temple in Jerusalem, its inauguration did not take place in this month. The delay in the inauguration of the Temple is one of the reasons why this month has been seen as devoid of festivities.

However, the Midrash reminds us that, even though the inauguration of the First Temple did not occur in Mar Cheshvan, the Third Temple to be built by the Mashiach will be revealed precisely in this month.

The heavenly sanctuary is already prepared to descend to earth, and the hope we place in Mar Cheshvan is a hope for redemption and spiritual renewal: it is the month in which we begin to pray for rain, a sign of blessing, and the month in which we trust that our spiritual journey will be fulfilled with the arrival of the Mashiach and the inauguration of the Third Temple.

1. It's Called Cheshvan and Mar Cheshvan

Like the names for the other months used by contemporary Jews, this month's current name came with us from Babylon. However, there are two variations of this name: the "proper" name recorded in the Talmud and used in legal documents is Marcheshvan, while in common parlance it is truncated down to Cheshvan. What happened to the "Mar"? The most common explanation is that *mar* means bitter, and who wants a bitter taste in their mouth?

2. It's Month #8 and #2

The Jewish year has (at least) two "heads," Nissan in the spring and Tishrei in the fall. This month is the eighth month from Nissan and the second month after Tishrei, when we observe the High Holidays and the joyous month of Sukkot.

This month is one of settling back into a routine in which the inspiration of the previous month is extended into the long, cold winter ahead.

3. Its Zodiac Is Scorpio

The *mazal* (zodiac) of this month is *akrav* (*scorpio*). The sages say that this is appropriate for a month that follows the judgment of the previous month, Tishrei, which has the sign of *libra* (scales). Those who fell short in judgment now experience the stinging results of their misdeeds.

According to another tradition, it is a time of protection for the Jewish people, as prophesied by Ezekiel, **"And you, son of man, fear them not, and fear not their words . . . and you sit on scorpions."**⁵

4. Solomon Finished the Temple in Cheshvan (Bul)

After seven years of construction, the First Holy Temple in Jerusalem was completed by Solomon's workers "in the month Bul, which is the eighth month." The word *bul* is apparently related to the word for "withering," and in Cheshvan the branches and stubble in the field begin to wither.

5. The Great Flood Began and Ended

The sages provide us with two possible timelines for when the Great Flood took place. According to Rabbi Eliezer, the rain began to fall on the 17th day of this month, in the 600th year of Noah's life. The Talmud explains that this was the natural time for rain to fall, but the sheer volume of the deluge and the fact that hot springs rose from the earth as well were supernatural. The Talmud concludes that the Jewish sages (as opposed to the wise men of the gentiles) sided with the tradition of Rabbi Eliezer.⁸

After more than a year aboard the ark, Noah and the animals exited the ark on the 27th of Cheshvan.

6. In Israel We Begin Asking for Rain on Cheshvan 7

Starting on Shemini Atzeret, we begin mentioning rain in our thrice-daily prayers. However, we do not actually pray for rain until later. In the Land of Israel, this starts on Cheshvan 7, which in Temple times was the date when the last of the pilgrims would have arrived home from Jerusalem, so no one would be inconvenienced by the rainfall.

Outside of Israel, we begin praying for rain somewhat later (in early December), at the time when rains begin to fall in Babylon, the historic center of the diaspora communities.

7. Some Fast “Behab” in This Month

There is an ancient Ashkenazi custom to fast on the first Monday, Thursday and then the following Monday of the Jewish months of Cheshvan and Iyar—shortly following the Sukkot and Passover holidays.

These fasts serve to atone for any inadvertent sin that may have been committed as a result of over-the-top lightheadedness and merriment during the week-long holidays, when people are off of work for an extended period of time. (Due to the special nature of the months of Tishrei and Nissan, these fasts are postponed until the following months.)

8. It Can Be 29 or 30 days

The Hebrew months generally alternate in length. One has 29 days, the next has 30, etc. The exceptions are Cheshvan and the following month of Kislev, which can (a) both have 29; (b) both have 30; or (c) have 29 and 30 respectively, allowing for the Jewish months to be calibrated just so.

Cheshvan 11 is commonly observed as the *yahrtzeit* (anniversary of passing) of our matriarch Rachel, known to Jews all over as Mamma Rochel. According to tradition,

she was buried along the road so that she could weep for her descendants as they were led off to exile. Her resting place, located in modern day Bethlehem, is a magnet for prayers, especially on and around Cheshvan 11.

The Hebrew month of Cheshvan represents a month of physical and spiritual potential. It's a moment of choice on our spiritual journeys to ascend with focus, faith, and determination *or* descend in negligence.

While the Hebrew month of Cheshvan does not have biblical feasts, it is not lacking in richness of purpose or significant history.

Prophetic Quick-view of Cheshvan

Cheshvan is the month of reflection, releasing past hurts, and allowing God to heal and transform your pain into purpose.

- **Hebrew tribe associated with the month of Cheshvan:** Manasseh, Manasseh means "to forget, to leap up and away."
- **Hebrew letter associated with the month of Cheshvan:** Nun, nun represents faithfulness and soul.

This is the month to...

- Reflect on the places in your soul where you've been hurt
- Release hurts
- Reflect on the goodness and faithfulness of God
- Reflect and process what you heard from the Lord in the past season
- Invite the fragrance of the Holy Spirit to infiltrate your soul so you can speak truth in prayer and war with God's Word.

Biblical Events During the Hebrew Month of Cheshvan

- **The Flood:** According to Jewish tradition, the flood during the days of Noah began on the 17th of Cheshvan (Genesis 7:11).

- **Solomon's Temple:** The First Temple was completed in Jerusalem in Cheshvan (1 Kings 6:38); although dedication was delayed until the following Tishrei.
- **Season of Rain (Yoreh—First Rains):** Cheshvan is recognized as the beginning of the rainy season in Israel, which is crucial for agriculture and represents a sign of provision and prosperity for the year ahead.
- **Counterfeit Worship:** While Solomon's Temple was completed this month, 1 Kings 12:28-33 warns us about a counterfeit temple that was also erected during the Hebrew month of Cheshvan (the 8th month):

"Therefore the king asked advice, made two calves of gold, and said to the people, 'It is too much for you to go up to Jerusalem. Here are your gods, O Israel, which brought you up from the land of Egypt!' And he set up one in Bethel, and the other he put in Dan. Now this thing became a sin, for the people went to worship before the one as far as Dan. He made shrines on the high places, and made priests from every class of people, who were not of the sons of Levi.

"Jeroboam ordained a feast on the fifteenth day of the eighth month, like the feast that was in Judah, and offered sacrifices on the altar. So he did at Bethel, sacrificing to the calves that he had made. And at Bethel he installed the priests of the high places which he had made. So he made offerings on the altar which he had made at Bethel on the fifteenth day of the eighth month, in the month which he had devised in his own heart. And he ordained a feast for the children of Israel, and offered sacrifices on the altar and burned incense."

True to form, the enemy sneaks in and offers a counterfeit in the name of convenience following the Hebrew month of Tishrei, which holds the three Feasts of the Lord (including one *pilgrim feast). Therefore, this season, be wise to remain alert for a counterfeit offering from the enemy, likely in the name of convenience over obedience.

Interestingly, according to the tradition of Chassidic Sages, when the Messiah from the House of David rules, the third temple will be consecrated in the Hebrew month of Cheshvan—a month reserved for just Him.

**Pilgrim Feasts (in Hebrew they are known as Shalosh Regalim) are three biblical festivals (Passover, Shavuot, and Sukkot) during which the Israelites were commanded to make a pilgrimage to Jerusalem to appear before the Lord and offer sacrifices at the*

Temple. These feasts are connected to agricultural cycles and significant encounters between God and the people of Israel.

Hebrew Letter: Nun and the Dual Nature of Cheshvan

The letter *nun* (pronounced noon) is part of a group of five Hebrew letters with an ordinary and final form. If the letters *chaf, mem, nun, feh, tzaddi[k]* appear at the end of the word, they take on a slightly different shape than if they were to appear elsewhere. This distinction represents a dual nature for the letter *nun* and the Hebrew month of Cheshvan.

What is dual nature?

Stated at the beginning, this is a month with great potential, and opportunity can either flow forward or backward. Where there is potential to ascend, there is also potential to fall. And often, the greater the opportunity, the greater the risk. This dual nature is an example of humanity. Our spiritual side often battles against the desires of our physical nature or the material world. This struggle within either ends in victory as we press on toward the things of God—denying our flesh—or it ends in falling backward when we succumb.

Your Soul and the Battle for Transformation

Nun is associated with the soul of man, as it begins the word *neshamah*, representing the soul or the spiritual temple embodied within humanity. Thus, the Hebrew letter *nun* represents the age-old and never-ending battle to subdue our flesh and fully realize the potential of the gifts within us.

In the Hebrew month of Cheshvan, we are reminded of the importance of aligning our *neshamah* (soul) and spirit with the Word and promise of God—focusing on the eternal, which endures, rather than the potential enticements of the world around us.

Every journey faces advancements, setbacks, ascents, and descents. But the question remains the same: Will we endure, be persistent, and remain consistent in our faith after coming through the glory of the days of the feasts? This is the question presented to us during the Hebrew month of Cheshvan. And we must answer it for ourselves.

The *nun*, representing our dual nature and the struggle within, also means transformation. We can transform the mundane into the holy, just as we can drag what is holy down into the void. This is the power and the dual nature of possibility and potential.

An Opportunity for Freedom: Numerical Value of the Hebrew Letter Nun

The numerical value of the Hebrew letter *nun* is fifty, which is a significant number in Jewish teaching and biblical understanding. It often represents a journey from bondage to freedom or an ascension process of restoration.

- Jubilee Year (*Yove*): According to Leviticus 25:10, each fiftieth year is a Jubilee Year, signifying a year of release and restoration where freedom is granted, debts forgiven, and land is returned. Jubilee years and the cycle of the Shmita year are understood to have economic and agricultural significance.

“And you shall consecrate the fiftieth year, and proclaim liberty throughout all the land to all its inhabitants. It shall be a Jubilee for you; and each of you shall return to his possession, and each of you shall return to his family.” — Leviticus 25:10

- Counting of the Omer: There are fifty days between Passover and Shavuot, which symbolize the journey of slavery in Egypt to a place of spiritual freedom and renewal through receiving the Torah, God’s instruction
- Elevation Beyond the Material: The number fifty transcends the natural order or cycle (represented by 7 cycles of 7 weeks of years) and symbolizes holiness and completion, a divine gift outside the scope of physical limitations.

Restoration and Freedom in Jubilee

In biblical texts and Judaism, “seven” or “seven by seven” defines the natural world. Thus, eight and the number fifty represent that which is beyond nature’s limitations.

We see this reflected in the:

- Seven days of creation
- Seven elements
- Seven days in a week
- Seven Feasts of the Lord
- Seven years of the Shmita cycle

Seven Shmita cycles equal forty-nine, with the fiftieth year being the year of restoration found in Jubilee.

“Sayings of YHWH [are] pure sayings—Silver tried in a furnace of earth, refined sevenfold.” —Psalm 12:6 (LSV)

Various translations use the word “sevenfold” in Psalm 12:6, interpreted to mean seven times seven. The Talmudic interpretation of this verse is that God’s Word can be understood layer upon layer (in this instance, forty-nine layers). Still, the fullness of understanding, fifty, rests in God alone.

- True restoration rests in God alone.
- True freedom rests in God alone.
- Cancellation of debt or atonement for sin rests in God alone.

This is Jubilee. This is the gift we are offered.

In the Hebrew month of Cheshvan, we should be encouraged to seek to know the Father more deeply, embracing wisdom and understanding (Proverbs 7:4). The more intimately we know Him —layer upon layer—is an opportunity for freedom and restoration. Often, when we seek freedom from bondage, the experience takes time to allow the Lord to remove the hindrances that have been holding us back. The healing process takes time before finally reaching the root; our Father is gentle as He binds our wounds and restores us.

After the season of the Fall Feasts, the Hebrew month of Cheshvan presents us with an opportunity to continue our spiritual journey of ascension — to know Him more.

- Do we return to our former ways?
- Do we look back or continue to press forward and journey up the mountain, seeking what is beyond our current understanding?

Isn’t this the challenge presented to all of us after a “spiritual high?” To fully embrace the significance of the gift of an encounter with God’s heart, we must apply the truth we have received and endure. This is the challenge of the Hebrew month of Cheshvan.

We have been given a fresh start, atonement, and renewed covenant relationship, but how will we live that out in the year ahead?

Once again, we see the power of potential reflected in this season.

Take the parable of the seeds in Matthew 13. In Tishrei, we received many seeds planted in faith, but now the condition of our heart soil and our ability to nurture what has been planted determine the outcome of the harvest, thus making the Hebrew month of Cheshvan a crucial month of opportunity.

Embracing Levels of Understanding

Some Jewish sages believe there are symbolically fifty gates of understanding (*this is strictly interpretative teaching and not something clearly stated in the Torah*). They believe that mankind can ascend from one level to the next in understanding, but God alone possesses the final level, the fiftieth, of understanding. As humanity, we should always seek to know further and understand the heart of the Father, but ultimately, some knowledge, comprehension, and wisdom are left in His heart alone. This is part of the process of surrendering to His Lordship. We have faith in God without the ability to understand fully.

Surely, each of us can relate to this. We have all experienced moments where we did not understand the “why” but had to lean into trusting God as Lord in the midst. The purest form of trust comes from moments like these.

Hearing and Answering Wisdom’s Call

While the interpretative teaching of Fifty Gates, or portals of understanding, is not clearly outlined in the biblical text, we do know that, in principle, our spiritual journey as Believers should always reflect an ascension process.

We should seek to know the Father more intimately over time – layer upon layer of revelation. Our goal should always be to press forward in our understanding as disciples and our ability to receive wisdom from Heaven.

In fact, Wisdom calls us:

- **“Can’t you hear the voice of Wisdom? From the top of the mountains of influence she speaks into the gateways of the glorious city. All the place where pathways merge, at the entrance of every portal, there she stands, ready to impart understanding, shouting aloud to all who enter, preaching her sermon to those who will listen. I’m calling to you, sons of Adam, yes and to you daughters as well.” —Proverbs 8:1-4 (TPT)**

Many of us who have embraced a One New Man or One New Humanity lifestyle see this layer upon layer of revelation and understanding coming to light as we gain a deeper

understanding of the Feasts of the Lord and the connections to the roots of our faith. And this is just one point or place of understanding. The richness of revelation gives birth to transformation, and transformation directly impacts our destiny.

The Apostle Paul encourages us with his prayer:

"Therefore I also, after I heard of your faith in the Lord Jesus and your love for all the saints, do not cease to give thanks for you, making mention of you in my prayers: that the God of our Lord Jesus Christ, the Father of glory, may give to you the spirit of wisdom and revelation in the knowledge of Him, the eyes of your understanding being enlightened; that you may know what is the hope of His calling, what are the riches of the glory of His inheritance in the saints, and what is the exceeding greatness of His power toward us who believe, according to the working of His mighty power which He worked in Christ when He raised Him from the dead and seated Him at His right hand in the heavenly places, far above all principality and power and might and dominion, and every name that is named, not only in this age but also in that which is to come." —Ephesians 1:15-21

Prayer guide for Cheshvan 5787

The Second Month of the New Year

Biblical months fall under the Law Form of YHWH (Yahweh), Father-Son-Holy Spirit, through the revelation of His Word.

Cheshvan is the eighth month of the Hebrew Calendar, yet it is the second month of the Spiritual Calendar. The number "8" represents eternal revelation and "New Beginnings." It is considered the time of the "Messiah."

In modern times, this month has become known as **Cheshvan or Mar-Cheshvan**, which seems to have originated at the time that Jews came back to Israel after the Babylonian Exile. The prefix **Mar (which means bitter)** is a reference to this month having no festivals or rejoicing, but much suffering for Jews throughout the ages. Also, during this month, God brought down the Flood and drowned the world (except for Noah and those with him on the ark.) Mar also means "drop" and refers to the first rains (the Yoreh), which fall in Cheshvan.

This new month that follows the holiday-laden month of Tishrei is quite different in mood and pace of life. It certainly lacks the drama of the preceding two months of Elul and Tishrei, the sense of awe and anticipation that the holidays always bring to us and

the emotional depths of majesty, self-analysis and finally joy that mark the previous months.

In fact, Mar Cheshvan is the only month of the Jewish year that has no special days, neither feast nor fast, (though there is a custom of fasting for three days within that period to “atone” for frivolity during the holidays – a custom no longer universally observed) that occur within its time frame. It is, so to speak, a month of rest after the rigors and tensions and efforts of the two preceding months.

It is as though the Jewish destiny has seen fit to give us a month off, a time to return to ourselves and our daily lives, to place into daily practice the great lessons afforded us by the challenges of the two previous months. It is as though God says to us, so to speak, ***“My children, let Me see how you put into your daily lives the holiness and commitments that you accumulated during the months of holidays and the preparation for them.”***

Sense: Smell

The sense of smell is the most spiritual of all senses. The Hebrew word **for “smell” (נִחֵי) is cognate to the word for “spirit” (רוּחַ).** The Hebrew elders teach us that smell is the one and only sense that “the soul enjoys and not the body.” As noted, in Hebrew, “soul” is a permutation of Menasseh.

The sense of smell is the only sense (of the five senses) that did not participate, and thereby was not blemished or polluted, in the primordial sin of man in the Garden of Eden. It is the sense which saved the Jewish people in the time of Mordechai and Esther, who are called Mor veHadas (“myrrh and myrtle,” the two primary sources of fragrance).

“And he shall smell with the awe of God”— “he shall judge by smell” (rather than by sight or hearing. Isaiah 11:3;) By his sense of smell (his “holy spirit”) the Mashiach will know how to connect each Jewish soul to its Divine root, and thereby identify its tribe (branch) in Israel.

Other facts: King Solomon completed the seven-year building of the Sanctuary during Cheshvan and there should have been a festival. Though all Israel waited for G-d’s command concerning this dedication, G-d waited until the next Tishrei (11 months later) before he finally commanded the dedication.

Mar Cheshvan in Jewish history and tradition

11 Mar Cheshvan (circa 2105 BC) – Methuselah dies at age 969

11 Mar Cheshvan (circa 1553 BC) – Death of Rachel while giving birth to Benjamin

17 Mar Cheshvan (circa 2105 BC) – Great Flood began, Noah and his family enter the ark.

17 Mar Cheshvan (circa 960 BC) – First Temple completed by King Solomon (it was not inaugurated until the following Tishrei however)

20 Mar Cheshvan (1938) – Kristallnacht: 1,400 synagogues and numerous copies of the Tanakh are purposefully and systematically set on fire and allowed to burn in Nazi-occupied Germany

23 Mar Cheshvan (137 BC) – Hasmonean holiday commemorating the removal from the Holy Temple of altar stones which were defiled by the Greeks

27 Mar Cheshvan (circa 2104 BC) – Great Flood ends (Genesis 8:14)

NUN

Another viewpoint. The Month of Cheshvan According to the Book of Formation (Sefer Yetzirah).

Introduction:

Cheshvan (in Hebrew: חֶשְׁׁׁוֹן), or as it is also known, Mar-Cheshvan, is the eighth of the twelve months of the Jewish calendar.

Letter: Nun (נ)

The letter *nun* is considered to be the letter of Mashiach, as is said (with reference to Mashiach): "Before the sun, his name is Ye-non [from nun]" (Psalms 72:17). As a verb-root, *nun* means "to reign." As a noun, it means "the heir to the throne" (from *nin*).

Cheshvan, the eighth month, is the month of Mashiach, because eight signifies the eternal revelation of the supernatural (the consummate state of rectified nature being the secret of the number seven). Whereas in our present reality, the "harp" played by King David and used in the Temple has seven strings, the harp of Mashiach possesses eight strings. Just as 8 transcends 7, so does 50 (the numerical value of *nun*) transcend $49 = 7^2$.

In our present reality, the *nun* is bent over, confined by the boundaries of nature. With the coming of Mashiach, the *nun* will "straighten out" (the shape of the final *nun* – ן), and will break through the boundaries of nature also descending ("below the line") into the subterranean realms of reality in order to reveal their God's all-encompassing Infinite light.

Mazal: Akrav (Scorpio – the Scorpion)

Our sages teach us that the scorpion (עֶקְרָב) is the deadliest member of the general category of poisonous creatures whose archetypal figure is the primordial snake of Eden. The Hebrew word for "scorpion," derives from the word meaning "heel" (עֶקֶב) as is said: "And you [the snake] shall bite him [man] at the heel" (Genesis 3:15). Thus, the scorpion symbolizes the consummate "bite" of the snake at the heel of man.

While the poison of the snake is considered "hot," the poison of the scorpion is considered "cold." The Mashiach is the one and only soul who can overcome, kill, and ultimately revive the primordial snake (in order to convert it to good). (The soul of Mashiach and his continuous state of consciousness manifest the ultimate rectification of "heat," "burning" solely in his love for God and Israel, as well as that of "cold"-

absolutely “cold” to the false vanities of this world.) This is the secret of the well-known gematria that “Mashiach” (מָשִׁיחַ) equals “snake” (שָׂנָא).

Indeed, the Mashiach is also numerically related to the scorpion since “Mashiach” (358) plus 14 is equal to 372, the value of “scorpion.” 14 is the value of David (דָּוִד) and the 14th letter of the Hebrew alphabet is nun, the letter of the month of *Cheshvan*. Furthermore, the root-letters of *Cheshvan* are *chet-shin-nun* and they permute to spell “snake.” One final point about the relationship of *Cheshvan* to the Mashiach who rectifies the snake is that whereas the snake is crooked and bent the nun in the word *Cheshvan* is “straightened out” as it is the final *nun*, as above.

Tribe: Manasseh

Manasseh is the firstborn of Joseph. Deriving from the word **“to forget” (literally “to leap, up and away”)**, Manasseh suggests the power of the Joseph to make us forget the hardships, trials and tribulations of this world, with the coming of Messiah. By the power and sense of Manasseh, all of the pain of this world will transform and metamorphose into the pleasure of the Messianic era.

17 Mar-Cheshvan (circa 2105 BC) Prayer for Rain

In Israel we add a request for rain to our prayers starting from the 7th day of Cheshvan. We see rain as the physical manifestation of life force at its very source. Everything that lives depends on water to survive. Our bodies are close to 86 percent water. The spiritual source of life, God's compassion and creativity, is manifested concretely through His gift. In fact, the Hebrew word for “physicality,” *gashmiut*, literally means “raininess,” the word for rain being “*geshem*”. The rain we see is the source of being and becoming. We have to be mindful enough to see it and not to fall into the trap of thinking that it is the source of having and consuming. When we open our minds to see the rainfall for the blessing it is, each time it rains, our awareness is altered. The Talmud tells us that rain is an enormous statement of God’s presence in the day-to-day world. Just listen to the comparisons that Talmud presents to us:

1. A rainy day is greater than the day the Torah was given.
2. A rainy day is greater than the day the heavens and earth were created.
3. It makes salvation multiply.
4. It tells us that our sins are forgiven.
5. Whatever we own is blessed.

6. It is greater than the day when the exiled Jews return to Israel.
7. Even the armies are stopped by its force.

Why is rain considered to be greater than the most significant moments in all of history? In what sense is it a source of inspiration and blessing?

The answer is that we were put in a physical world with all of its temptations and inherent concealment of God's presence. Our role is to light a candle in a dark place, and let the goodness that it reflects illuminate the entire world. Rain gives everything material life. God is as much there as He is in the realms of being. There is one critical difference. In the higher realms of being, and in the more dramatic moments of history, it took very little soul searching for us to know God. When the world is in its less dramatic mode, far more is required for us to have an authentic relationship to the world's Creator.

In Cheshvan we have choices to make about our relationship to the real world, the ordinary days and months that we have yet to face. We have to make commitments to not flinch in the face of the mundane things we see, and the simple choices we make.

Cheshvan is a time of great opportunity. Let's close our eyes, swallow the phrase "just be normal" with a cup of water to wash it down, and fight the good fight, the one in which goodness, in its highest sense, always prevails.

Genesis 7:11 In the six hundredth year of **Noah's** life, on the seventeenth day of the second month of Cheshvan, on that same day all the fountains of the great deep [subterranean waters] burst open, and the windows and floodgates of the heavens were opened.

Genesis 7:13 On the very same day **Noah** and Shem and Ham and Japheth, the sons of **Noah**, and **Noah's** wife and the three wives of his sons with them, entered the ark. **Genesis 7:15** So they went into the ark with **Noah**, two by two of all living beings in which there was the breath and spirit of life. **Genesis 7:16** Those which entered, male and female of all flesh (creatures), entered as God had commanded **Noah**; and the Lord closed the door behind him.

Chapter 5: The New Covenant: Torah Written on the Heart

Before the apostolic sect called "the Way," the Essenes and several other groups in the late Second Temple period understood themselves as "New Covenanters." The sectarian authors of the Dead Sea Scrolls likewise understood themselves not as defectors from Torah or founders of a new religion, but as a faithful remnant rededicating themselves to a "New Covenant." This is highly significant in relation to the prophet Jeremiah's "New Covenant"

declarations centuries earlier during the reign of King Josiah (Jer. 31:31–34), as well as later, and different, Graeco-Roman Christian interpretations of the essence of the New Covenant.

Speaking to the new generation about to enter into the promised Land, Moses taught:

“YHVH our Elohim made a covenant with us in Khorev. YHVH made not this covenant with our fathers, but with us, even us, who are all of us here alive this day.” (Deut 5:2–3)

Traditional Jewish interpretation understood “with us... alive this day” as extending covenant acceptance, participation, and custodial responsibility beyond the original generation to all Israel in every successive generation. This is what Moses himself told the people who were about to enter into Canaan. All gerim present whose ancestors had accepted the covenant invitation at Khorev were included in the “household” provided they kept the contractual requirements.

The covenant renewal, illustrated by the Blessing and Curse ceremony instituted by Moses at Moav, was, in effect a ‘**new covenant**’ between YHVH and the generation preparing to enter the land. Moses commanded the new generation to hear and accept the tenets of the covenant for themselves before entering Canaan:

“You stand this day—all of you—before YHVH your Elohim; your heads, your tribes, your elders... and your sojourner that is in the midst of your camp; ...that you may enter into the Covenant of YHVH your Elohim, ...that He may establish you this day unto Himself for a people, ...as He swore unto your fathers, to Abraham, to Isaac, and to Jacob. Neither with you only do I make this covenant ...and also with him that is not here with us this day.” (Deut 29:10–15)

Moses died shortly thereafter, and after mourning him, Israel crossed into the territory of the Canaanite tribes where the formal Blessing and Curse ritual was performed by the first generation of Israel to enter the promised Land.

All Israel with their elders and officers ...the sojourners as well as the native; Half of them stood in front of Mount Gerizim and half of them in front of Mount Eval; ...And afterward he read all the words of the Torah, the blessing and the curse, according to all that is written in the book of the Torah.
(Joshua 8:33–35)

*The "New Covenant" was a Biblical covenant renewal and rededication to the original Torah of YHVH—The Ten Words. Covenant renewal was intended to be a standing practice in Israel: it may have been observed regularly but there is no record of it being continuously practiced. In 622 BCE, the aforementioned reform and recommitment to Torah led by King Josiah and the prophet Jeremiah is one example of such a renewal (2 Kgs 22–23). According to Deuteronomy 31:10–13, a public reconsecration to the Covenant was to take place at the end of every seven years—in the year of release (*shmittah*)—on the Feast of Sukkot (Tabernacles). It was to include:*

"...the men and the women and the little ones, and your sojourner that is within your gates, that they may hear, and that they may learn, and fear YHVH your Elohim, and observe to do all the words of this Torah."
(Deut 31:12) ¹

First Century CE and the New Covenant Sects

Following the same principle, faithful Jews in the Roman period declared a "New Covenant" as a revitalization of and obedience to the original Torah of YHVH. The apostolic community following Yeshua appears to have understood its mission in similar terms. These groups rightly viewed themselves as inheritors of a custodial duty to restore and preserve the Way of YHVH. The knowledge entrusted to previous generations had not disappeared; it was now being recovered in its original intent and returned to those prepared to receive it. This period therefore represents a recalibration—a return to the original design embodied in the concise Ten Words of the Master Covenant declared by YHVH at Khorev, recorded by Moses, and later reaffirmed by Yeshua.

The sect most associated with the sectarian writings and Biblical compilations of the Dead Sea Scrolls (DSS) found in the caves of Qumran are the Sect commonly referred to as the Essenes. Among other sources, they are referenced in Josephus's writings as well as the Christian Church fathers. The DSS called the *Damascus Document* repeatedly refers to those who "**entered into the New Covenant in the land of Damascus**" (CD VI.19) and condemns those who "despised the covenant and the pledge of faith... and **this is the New Covenant**" (CD VIII.21).²

¹ The Tanakh states that the Babylonian Exile would last seventy years, during which the land would "enjoy her sabbaths" (Lev 26:34–35; 2 Chron 36:21; Jer 25:11–12, 29:10). This was later understood as corresponding to seventy neglected *shemittah* cycles—representing approximately 490 years of covenant violation extending from the early monarchy until the Babylonian Exile (ca. 606 BCE). Idolatry, injustice, fornication, and lack of *khesed* are likewise repeatedly identified by the prophets as major causes of the national judgment (Hos. 4:1–19; 8:4–14; Amos 2:6–16; 5:11–27; Mic. 3:9–12; Jer. 5:7–9).

² Some scholars have proposed that the "Damascus" of the *Damascus Document* may refer specifically to the Syrian city, but also to an eastern sectarian settlement region of Syria which would be outside the Roman procurator of

The writers of the sectarian DSS texts maintained rigorous covenant observance and purity standards. They wanted to remain separated from what they viewed as a corrupt priesthood, polluted Temple worship and compromised political and religious leadership. In their view, Israel's covenant violations stemmed not only from the pagan Hellenist customs adopted by many upper-class Jews, but also from accretions and false interpretations to the Torah of YHVH—a similar complaint to Jeremiah's earlier condemnation of *"the lying pen of the scribes"* (Jer 8:8). Ezekiel adds, ***"Her priests have violated my Torah, and have profaned my holy things... and I am profaned among them"*** (Ezek 22:26); and Isaiah also strikes at the core of the matter, ***"This people draw near me with their mouth... but have removed their heart far from me, and their fear toward me is a command taught by men"*** (Isa 29:13). Several centuries later, Yeshua applies the Isaiah verse to religious tradition and then says: ***"Full well you reject the commandment of Elohim, that you may keep your own tradition,"*** and ***"Making the word of Elohim of none effect through your tradition"*** (Mark 7:6–13; Matt 15:1–9, respectively). The underlying problem had not fundamentally changed; extra-biblical "traditions of men" promoted by religious authorities in Yeshua's day were still obscuring the concise but profound message of the original Torah of YHVH.

Accordingly, the "newness" of the covenant was actually understood as a *renewed* fidelity, proper interpretation, communal reconsecration, and recommitment to the authentic Master Covenant—a life based on the Ten Words.³ Modern scholarship likewise observes that the community understood the new covenant as a return to the Ancient Way, a restoration of the divine covenantal torah within the tribes of Israel, *not the replacement of it as "the end of the Law."*

This theological framework aligns closely with the language of both Jeremiah and Ezekiel. The books of these two prophets were very prominent in the DSS—their writings were central to the spirit-renewed Torah of YHVH engraved upon the heart. Because of the militant, despotic Roman rule, many Jews believed they were living in "the last days" when YHVH would fulfill the declarations of the two prophets. This spirit-renewed covenant written upon the heart is often described by scholars as the eschatological new covenant—referring to its expected fulfillment in the "last days."

"I will put My Torah in their inward parts, and write it on their hearts."
(Jer 31:33)

Judaea's control. It could be a metaphor, a symbolic covenant-community designation associated with "new covenant" groups beyond Judea (cf. CD VI.5, 19; VIII.21; XIX.33–34).

³ Joshua's covenant renewal at Shekhem reaffirmed the Master Covenant's foundational obligation: exclusive allegiance to YHVH (Josh 24:14–28).

Likewise, through Ezekiel YHWH proclaims:

"A new heart also will I give you, and a new spirit will I put within you... and cause you to walk in My statutes, and you shall keep My judgments, and do them." (Ezek 36:26–27, 37:14, 39:29; see also Acts 21:20)

In both passages, the ancient way of the eternal covenant is upheld, not abolished. Rather, Elohim promises to draw us to Him and circumcise our hearts so we and our descendants may be capable of living a life characterized by *tsedakah* (righteousness), *mishpat*, (justice) and *khesed* (mercy or steadfast love; Ezek 11:19–20)—that we "may love Him... and live" (Deut 30:6). Consequently, people are transformed so that fidelity to the Torah of YHWH becomes second nature.

Yet the prophets also call us to be individually responsible—to **"make yourselves a new heart and a new spirit"** (Ezek 18:31). We are able to obey the Ten Words by working in partnership with Elohim. Thus, the words of the covenant are **"not far away... they are in your heart and in your mouth for you to do it"** (Deut 30:11–14). And Yeshua affirms this when he proclaims in Luke 17:20–21:

"The kingdom of Elohim does not come as something to be externally observed. Neither shall they say, 'Lo, here!' or 'There!' for the kingdom of Elohim is within you."⁴

Examples of reverence for the covenantal torah are also seen among the followers of Yeshua and verified by Luke who quotes James and the elders when they inform Paul:

"You see, brother, how many thousands there are among the Jews of them that have believed; and they are all zealous for the Torah" (Acts 21:20).

Early post-apostolic witnesses concur. These include the *Didache* (chs. 1–2; ca. 80-110 CE), Justin Martyr (*Dialogue with Trypho* 93, ca. 15-160 CE), and Irenaeus (*Against Heresies*, ca. 180-189 CE). At 4.15.1, Irenaeus explicitly appeals to Deuteronomy 5:22 in support of his argument regarding the primacy of the Ten Words:

For God at the first, indeed, warning them by means of natural precepts, ...that is, by means of the Decalogue (which, if any one does not observe, he has no salvation), did then demand nothing more of them. As Moses says, **"These are all the words which the Lord spoke to the whole assembly of the sons of Israel on the mount, and He added no more; and He wrote them on two**

⁴ "Within you": Many scholars render the Greek *entos hymōn* as "within you" or "inside you," while others translate it "among you" or "in your midst." In first-century Jewish usage, the "Kingdom of Elohim" (or "Kingdom of Heaven") primarily denoted the reign or sovereign rule of Elohim. Thus, entering the Kingdom meant submitting oneself to His divine rule (cf. Matt. 7:21).

tables of stone, and gave them to me” (Deuteronomy 5:22). For this reason [He did so], that they who are willing to follow Him might keep these commandments.⁵

This passage makes Irenaeus one of the earliest Christian writers to assign fundamental theological significance to Deuteronomy 5:22 while affirming that observance of the Decalogue remained indispensable for those who would inherit salvation.

These ideas are reflected in early Ebionite tradition, where the Way of life is consistently tied to dedication and obedience to YHVH’s commandments: “the law of God has been given... that men may live by it” (*Recognitions* 1.33), and “life is to know the one God... and to keep His law” (1.34).

These Jewish sects shared the conviction that renewal consisted in returning to faithful covenant obedience. In every instance, the renewal concerns the covenant community and the human heart; the Torah of YHVH itself remains unchanged. The original covenantal torah—the Ten Words—remains eternal. YHVH puts a new spirit within the faithful, writing the Master Covenant upon the heart to transform our nature. What was formerly chiseled on stone is now engraved within Elohim’s people, so that they may keep His Way and possess true *da’at Elohim* (knowledge of God) (Hos 6:6; Hab 2:14).

Conclusion: The Master Covenant Awaits Each Generation

This study has maintained that the Ten Words spoken by YHVH at Khorev are not merely commandments within a larger covenantal system, but the Master Covenant itself. They make up the original Torah of YHVH, engraved by Elohim Himself as a written Testimony on the two stone tablets of the Covenant. The tablets serve as the permanent documentary witness to its establishment as His primary covenant with Israel. This claim is upheld by Moses, the prophets, Dead Sea Scrolls authors associated with the Essenes, Yeshua, and his earliest Jewish followers in the first apostolic community in Jerusalem—as well as Jewish and Gentile Bible interpreters.

If the evidence presented in these pages is sound, then the implications are profound. The Master Covenant has not been lost, replaced, or rendered obsolete. It remains what it has always been: the original, universal covenant declared directly by YHVH, entrusted to Israel, according to the patriarchal promises, and accepted also by the Gentile mixed multitude. It stands as our common bond, inviting all who seek *da’at Elohim* to walk in the Way of YHVH.

The issue before us, therefore, is no longer one of interpretation, but of response, for covenant, by its very nature, demands one. The ancient declaration still awaits the response of every generation: **"All that YHVH has spoken we will do."** (*Exodus 19:8*)

Appendix B

The Original Purpose of the Khorev Festival & Sinai Sacrifices

It is often claimed that the animal sacrifices at Sinai were spoken privately and through Moses' mediation, after the people became afraid to hear Elohim's voice (Ex. 20:18–21; Deut. 5:22–27). This assertion is not supported by the text. Rather, the sacrifices first appear as part of a celebration (*khag*; festival, feast) YHVH promised to Moses at the

burning bush in Khorev to celebrate Israel's deliverance from Egyptian bondage and the beginning of the fulfillment of the Abrahamic Covenant:

And YHVH said, "I have surely seen the affliction of My people that are in Egypt, ... and I am come down to deliver them out of the hand of the Egyptians, and to bring them up out of that land unto a good land and a large, unto a land flowing with milk and honey; ... Come now therefore, and I will send you unto Pharaoh, that you may bring forth My people the children of Israel out of Egypt." (Ex. 3:7–10).

However, Moses expressed concerns regarding the fulfillment of his mission, so Elohim gave him a promise (*ʾot*; sign) as an assurance of success.

And Moses said unto Elohim, "Who am I, that I should go unto Pharaoh, and that I should bring forth the children of Israel out of Egypt?" And He said, *"Because I will be with you; and this shall be the promise unto you, that I have sent you: when you have brought forth the people out of Egypt, you shall serve Elohim upon this mountain."* (Ex 3:11–12)

The last "you" in that verse is plural, indicating "you all"; i.e., all the people. What was meant by "serving" (*avad*; to serve, worship) YHVH? After many years of hardship in Egypt, Elohim was finally going to free the Israelites. He promised to give them a celebration feast when they came to Mount Khorev as a free nation. This festival would likely include worshipping Elohim through burnt offerings and peace offerings, which commonly accompanied acts of dedication, thanksgiving, and celebration in the ancient Near East.

Afterward, Moses and Aaron went to Pharaoh and said, **"This is what YHVH, the Elohim of Israel, says: 'Let My people go, so that they may hold a festival (khag) to Me in the wilderness.'" (Ex 5:1)**

However, when it comes time for the celebration, the Exodus narrative departs from that stated purpose. Instead of functioning as the promised celebration, those offerings become the necessary blood sacrifices to establish what is commonly called "the Sinai Covenant."

Moses is reported to have written a "book of the covenant," recording the instructions YHVH had given him on the mountain earlier that day (Ex 20:21–23:33):

"And Moses came and told the people all the words of YHVH... and all the ordinances: And Moses wrote all the words of YHVH, and rose up early in the morning, and built an altar under the mountain... And he sent young men of

the children of Israel, who offered burnt-offerings, and sacrificed peace-offerings of oxen unto YHVH. And Moses took half of the blood, and put it in basins; and half of the blood he sprinkled on the altar. And he took the book of the covenant, and read in the audience of the people: and they said, 'All that YHVH has spoken will we do, and be obedient.' And Moses took the blood, and sprinkled it on the people, and said, 'Behold the blood of the covenant, which YHVH hath made with you concerning all these words.'" (Ex. 24:3–8)

But neither the book nor the narrative presents YHVH commanding those sacrifices to Moses for covenant ratification—they had only been commanded for the celebratory worship festival promised upon Israel's deliverance from Egypt.

Biblical scholar Nahum M. Sarna states:

"The divine plan, as revealed to Moses, is to redeem Israel from Egyptian bondage and bring them to the land sworn to their forefathers, 'a land flowing with milk and honey' (Ex 3:8, 10). This is the central purpose, not the establishment of a sacrificial cult."⁶

⁶ Sarna, Nahum M. *Exploring Exodus*, 1986, p. 30.

Scholar Walter Brueggemann affirms: "The sign given to Moses (Ex 3:12) assures Israel's worship at Khorev, not that sacrifices are the Exodus's purpose."⁷

Furthermore, after Israel had previously accepted YHVH's covenant terms (Ex. 19:8), He publicly declared the Ten Words and established the Master Covenant by inscribing them on two stone tablets of the Testimony—not through the shedding of blood, but by His own voice and His own hand. Some claim that the Ten Words were incorporated into the Book of the Covenant and thereby were included in the blood ratification ceremony. But there is no evidence of that in the text. To assume they were is to put forth an argument from silence.

If blood ratification were essential to establishing the Master Covenant at Khorev, why is no such ceremony recorded? If sacrificial blood is required to establish a primary covenant, why is none recorded for either the Master Covenant or the original Abrahamic Covenant (Gen 12:1–4; see Ch. 1)?

"AND HE ADDED NO MORE."

Cheshvan 1, 5787: Monday-October 12, 2026

NATE & CHRISTY

October is a month of EXCHANGE that births a GREAT CHANGE in your life.

It's a month God is bringing a rapid, sudden, EXPONENTIAL CHANGE to those who come to the THRESHING FLOOR and lay down.

It's a LAY IT DOWN month.

It's a REDIRECT & REDEFINE month - A month where God changes your trajectory and redefines your vision, your direction, your activity and your people. It will feel like REDUCTION, but it's healing and rest.

It's a SET-APART month, a FAST AND PRAY month, and a month of FRESH VISION.

It's a DECISION month, because in October you'll either be swept away by the FALSE NARRATIVE or by the WINDS OF GOD.

The winds of God are blowing right now across the earth. They're blowing upon those God is resurrecting, renewing and pulling into a new chapter, a new season, a whole new way of life. He's blowing upon hearts that have been stony, embittered, broken and devastated, and He's giving hearts of flesh again.

"Come, breath, from the four winds and breathe into these slain, that they may live." - Ezekiel 37:9

Where are the ones who have been slain in the battle of your past season? The Lord is saying over you today, "My slain will rise again."

The days of the arm of man are over, the days where we have to be the strength, where we muscle and hustle to get things over the line. God wants to show the power of His hand. If you've felt the pushback, that's the enemy bringing the storms to rob you of this moment.

But the Father is meeting you with a ring and a robe, and He's saying,

"Come, let Me now fight for you. I am your Father. Now watch Me move in your life."

A MONTH YOUR WOMB WILL LEAP AGAIN

The Lord is saying, ***"In a moment you thought you were barren, but in a second, I caused your womb to leap again. I will restore life and breath to the very thing that died in your womb long ago. The survival mode I've seen you walking in must break."***

"I've been dealing with what has been contaminating your water source, the bitter waters, the Marah around you, and I'm cutting you lose. It will not make sense, because you'll say, 'God, You've separated me unto Yourself.' Yet in that place I'm budding forth the fruit."

Intercessors, your womb is about to leap. Prophets, your womb is about to leap.

To those who saw your movement die because Jezebel stole it, the Lord is saying, ***"Watch as I put the keys back in your hand. This is the redo moment you've been waiting for. This time you will not forfeit it. This time you will not tolerate that spirit. I'm putting a roar inside you like a Jehu spirit, and you will not be silenced again."***

THE THRESHING FLOOR CONTINUES

In September I saw a threshing floor, and this month it continues, but it DEEPENS into a space of DIVINE EXCHANGE.

It's the place of DEPARTURE from the things that are LEADING ASTRAY and GETTING BACK ON TRACK. As Christy says, we're leaving the mainstream for the slipstream.

We're in a NEHEMIAH SEASON, personally and as the church. You can look at the rubble of your past season and say, "This is too much. Everything's burnt to the ground." But here's the revelation, God used the stones from the walls. He kept the stones. He takes the seasons you walked through and repurposes them.

"Can they bring the stones back to life from those heaps of rubble, burned as they are?" - Nehemiah 4:2

The stones stay, but THE RUBBISH HAS TO GO: the pain, the baggage, the counterfeit, ***the old wineskin.***

"The strength of the laborers is giving out, and there is so much rubble that we cannot rebuild the wall." - Nehemiah 4:10

So, what takes the rubbish away? THE WIND.

The winds of God are doing two things right now. They're RESURRECTING you, putting muscle on your bones, fresh breath in your spirit and fresh fire on your tongue. And they're REMOVING the rubbish; the pain and trauma attached to your past season.

"His winnowing fork is in his hand, and he will clear his threshing floor, gathering his wheat into the barn and burning up the chaff with unquenchable fire." - Matthew 3:12

That's why it feels so tumultuous right now. Things are coming to the surface. Everything is being exposed. The winds of God are bringing you into a divine moment of decision, a divine moment of EXCHANGE.

OCTOBER'S PROPHETIC MARKERS

October is loaded with prophetic markers that align with the revelation I have been receiving, as seen through these Jewish feasts.

Sukkot (September 26 to October 2) is kept after the harvest comes in from the threshing floor and the winepress. It's the wheat and the wine, the bread and the wine, communion with God. October opens on the threshing floor, with the NEW WINE.

"Celebrate the Festival of Tabernacles for seven days after you have gathered the produce of your threshing floor and your winepress." - Deuteronomy 16:13

Hoshana Rabbah (October 2) was the exact day Haggai's word came: the shaking, and then the greater glory.

“The glory of this present house will be greater than the glory of the former house,’ says the Lord Almighty. ‘And in this place I will grant peace,’ declares the Lord Almighty.” - Haggai 2:9

The threshing floor is partnership with God in the shaking, so His glory can come.

Shemini Atzeret (October 3) is when the prayer for wind and rain begins. It's Mount Carmel. God is raising up a people resurrected by His winds who will look for the cloud the size of a man's hand and call in the rain. The drought is breaking. If God is calling you to fast and pray this month, do it.

Simchat Torah (October 4) is where the old scroll ends with the death of Moses and the new one begins at Genesis 1, where the Spirit broods over the waters. It's Moses to Joshua. We're in a John the Baptist season, and there's a massive exodus from the religious system as God calls His people down to the Jordan to be baptized into the new.

"Moses my servant is dead. Now then, you and all these people, get ready to cross the Jordan River into the land I am about to give to them." - Joshua 1:2

On October 5 (24 Tishrei), after the wall was rebuilt, they fasted, separated themselves and confessed. The rebuilding turned into a laying down. God is UNBUILDING us so He can REBUILD us, leading us out of the independent, self-made ways of religion and back into surrender.

THE SWORD OF PURGING

We've stepped into 5787, the sword in our mouths. But it's also the sword in our hearts, purging and pruning. What keeps the sword in your mouth clean is the sword in your heart.

This month the purging is going to be STRATEGIC and to SET YOU LOOSE from areas you didn't realize were TETHERING YOU to the past.

This is a heart surgery season. In seasons past you've been swinging at darkness. In this season God is training you to be targeted, and you're going to HIT THE MARK.

A MONTH OF THE NEW NET

October is a month where God REDIRECTS you. You can't do some of the things you used to do. He's cutting away three things: the old wineskin that's no longer necessary, the counterfeit that's been distracting you, and what has been ASSAULTING you. That's why there's going to be so much deliverance on the threshing floor this month.

Stop watering what is not producing fruit.

Just as Jesus turned fishermen into fishers of men, God is changing the net in your hands. The Lord is saying, ***"The tools of your past season are no longer conducive for the new season. You're trying to beat a dead horse. It's not working. Ask Me, and I'll show you."***

For some of you, God is remantling you. There's a new capacity, a new authority, a double-portion mantle you haven't stepped into yet. Pick up the new net.

AREAS OF GREAT EXCHANGE

The key this month is this: THE GREAT EXCHANGE WILL BIRTH THE GREAT CHANGE.

We want God to bring the breakthrough, but we want to keep holding on to the old. If you deal with the areas where He's bringing exchange, He'll bring SUDDEN CHANGE. Here are some of the areas of exchange this month:

- **DELAY for SUDDEN MOVEMENT AND MOMENTUM.** It's been a Daniel 10 season, where the enemy has been trying to hold up what God promised, and hope deferred has made hearts sick. It's felt like a birth that hasn't come to pass. But as you lay down what you've been holding on to, the delay will break. I heard the Lord say, ***"What has been trying to take years, and still has not birthed, will take a matter of weeks."***
- **WRONG COMPANY for MISSION RUNNERS.** God wants to uncovenant you from the wrong company so He can bring you the right people. Often the ones sabotaging you are so close you haven't seen them. The exchange is what you've been tolerating for God's best. Covenant friends, not convenient friends. God is redefining and realigning your circle.

- **WRONG COUNSEL for THE MIDWIVES.** Some voices have led you astray and talked you out of what God said, and you're wondering why you're never birthing. It often comes wrapped up in Christian counsel and scripture. God is opening eyes, and He's sending you midwives who will help you birth and hold up your arms when you're weary.
- **FALSE WORDS & DIVINATION for THE WORD OF THE LORD.** Many have been living on the lies of many years: curses, false prophecies, and lies about yourself, God and your calling. That's why so many are stagnating or shipwrecked. Lying spirits come from a dead corpse. Will you let go of the false words spoken over you, so He can speak fresh over your life?

"For what has straw to do with grain?" declares the Lord. "Is not my word like fire," declares the Lord, "and like a hammer that breaks a rock in pieces?" - Jeremiah 23:28-29

- **THORNS for A SWORD AGAIN.** A thorn is a wound, a trauma. You've been attacked by the wolves and called all kinds of names, and it's embedded in your heart and your words. There's no condemnation in this. The places where thorns brought you pain are about to become healing for others, and you're going to speak with honey. God is healing your tongue and putting the pure sword back in your mouth.
- **YOUR ACTIVITY for WHAT HE IS BROODING UPON.** We've been so busy we've missed what God is doing. Stop carrying the old scrolls of an expired season. The word brood is RACHAPH, to hover like a bird over its nest. This doesn't mean stopping everything. Bring Him your activity, and He'll show you what He's on and what He's not.
- **WOUNDED EAGLES into SOARING EAGLES.** Give Him your brokenness and your weariness, and wait on the Lord to renew your strength. For some of you, that means pausing where you've been moving fast and hard until that second wind comes. It's a month of coming up from the low places to a higher altitude.

- **POWERLESSNESS for VICTORY.** For those who have felt weak and unable to shift anything around you, God is pouring out His might and His authority. **"He gives strength to the weary and increases the power of the weak."** (Isaiah 40:29) Not by might, nor by power, but by My Spirit.

And I heard the Lord say, ***"You're going to go back and pick up what you dropped all those years ago, in that place of betrayal, where they dragged your name through the mud. I'm washing your mantle clean. Worshipers, evangelists, prophets spat out by the system, pick it up again."***

OLD WINE, NO WINE, NEW WINE - There's the old wine, then the NO WINE, then the new wine. You've got to go through the nothing for God to fill you with His something. You've got to be the empty vat.

A MONTH OF THE SCROLL

Many of you have had no vision. October is a WINDOW MONTH, a month of the scroll, where God pours out fresh revelation and vision.

"I will stand at my watch and station myself on the ramparts; I will look to see what he will say to me, Then the Lord replied: 'Write down the revelation and make it plain on tablets so that a herald may run with it.'" - Habakkuk 2:1-2

Watch and see. Write the vision. Broadcast the vision. You're going from no revelation to sudden revelation, to prophesying from a fresh tank.

But it will come through something that feels counterproductive, like filling water jars at Cana. What is God asking you to do this month that doesn't make sense? Do it. And when the fresh manna comes, release it. Speak the new language of a new season.

A MONTH OF DECISION

In October you'll either be swept away by the false narrative or by the winds of God. Which one will you choose?

The Sanballats and Tobiahs will come at you while God is rebuilding you. Will you say, "I am too busy to come down from the wall?" The war on October is your FOCUS. Stock take your people, because your alignments matter so much this month. The noise will be another level, and some of it will look like great opportunities, but they're side roads.

STAY THE PATH. SHED THE FAT. Cut away the distractions. Shut the door to the monitoring spirits. Go low and quiet. Protect your pearls.

It's a COME UP AND SEE month, and God gives His secrets to His friends.

YOU WILL FINALLY MOVE ON

The Lord is saying, ***"You will finally move on. In October I'm bringing finality to the trauma loop, the shame, the soul ties and the rehearsal of every scene that didn't work out. I will roll back the reproach of Egypt. The hope deferred will break. The stagnation will break. You'll stop going around the same mountain. You shall know health again. You shall know joy again."***

"Come to me, all you who are weary and burdened, and I will give you rest."
- Matthew 11:28

"You'll hear My voice like I spoke to Adam in the cool of the day. My suddenly shall come upon you, and you'll move into a season of great and exponential change."

NOW HERE'S THE KEY

"But those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary; they will walk and not be faint." - Isaiah 40:31

That's the key right now. The word renew is CHALAPH. It means to EXCHANGE, to change, to sprout forth. The exchange comes from the waiting (hoping) and the seeking, from laying down on the threshing floor, and in that laying down God fills you again.

The very thing you've been praying for is going to come through a different method than you've been trying. Will you die to those old methods so He can birth through you the way He wants to?

If you come to the threshing floor in October, if you make the exchange, the delay will break and the suddenly will come.

People of God, ask the Holy Spirit right now: what is the area I'm making an exchange in? Write it down. Give it to Him.

Get ready, people of God. The winds of God are blowing, and it's the great exchange that will birth the great change, in Jesus' mighty name.

SPEAK IT OUT - I'm entering the great exchange in Jesus' name!!

Moves 37, 78 and "God's Touch"

In a recent post, I wrote about AI (now Superintelligence or SI) and the move toward **"the singularity,"** which OpenAI CEO Sam Altman describes as "when AI surpasses human intelligence." Now, another superintelligence event has come to my attention that is worthy of exploration as it relates, ultimately, to God's design and plan for us all.

First of all, let me say I am not into games at all. I don't do games. I have no patience for games, and I would likely be the last one to be able to explain how the following game works, but how it works is less important than the unexpected outcome of this game in a professional contest in 2016.

The Game

The game is called **Go**. According to Wikipedia, "Go, weiqi, or baduk is an abstract strategy board game for two players in which the aim is to fence off more territory than the opponent. The game was invented in China more than 2,500 years ago and is believed to be the oldest board game continuously played to the present day." This ancient strategy game involves placing black or white "stones" on a board, similar to a chess board (which has 61 squares), but involving many more pieces on a board of 361 squares, thus making it exceedingly more complicated. In Southeast Asia, this is a really big thing, and there are professional Go players, just as there are professional chess players and poker players in the U.S. and throughout the world. In a televised competition in March of 2016, a professional Go champion of the highest ability level, a national hero of South Korea, played against a computer program, AlphaGo, developed by Google's DeepMind lab to conquer this ancient board game.

During the second of five games, on **move 37**, AlphaGo dropped a black stone on the board in a move that no professional Go player would have made. In fact, the DeepMind team calculated the chances of a human playing it at one in 10,000. The novel move was so unconventional and counterintuitive that nobody could be sure what to make of it. At first, commentators believed it was a strategic blunder. They soon

realized it was a masterstroke. **Move 37 was deeply significant because it was the first real example of SI coming up with an original, unorthodox idea in a domain studied by humans for centuries. The intuitive ability of AlphaGo had surpassed that of the human, and this was way back in 2016!**

Moves and Countermoves

After Move 37, AlphaGo won that game and the next one. But in their fourth game, the human champion won with his own moment of creativity. On **Move 78**, he wedged a white stone in the middle of AlphaGo's position and flustered the machine with a placement so divine it became known as **"God's Touch."** The probability of this move was also one in 10,000. Not to be outdone, however, AlphaGo went on to win the competition by winning three of the required five games. Impressive as that is, what is even more mind boggling to me is the fact that the human was able to win two games!

Superintelligence has since progressed light years beyond its rudimentary beginnings. The capabilities of SI and the associated concerns about these abilities are very real. So too, however, as "God's Touch" reveals, God's super-supernatural ability to work in our behalf is available to us as we call upon Him for answers to life's greatest questions.

Applying God's Lessons

Isaiah 55:7-9 gives us heavenly insight:

"Let the wicked forsake his way, and the unrighteous man his thoughts: and let him return unto the LORD, and he will have mercy upon him; and to our God, for he will abundantly pardon. *For my thoughts are not your thoughts, neither are your ways my ways, saith the LORD. For as the heavens are higher than the earth, so are my ways higher than your ways, and my thoughts than your thoughts.*"

We can see this scripture passage play out through many Bible illustrations such as God sending His only begotten son to die that we might live; Gideon being instructed to divest himself of his entire army except for 300 men and then to use water pitchers to defeat a mighty enemy host; Joshua being directed of God to march around Jericho in silence for six days and then on the 7th day to march around seven times and then shout to bring the walls down; David going on the attack against Goliath with only a sling and five small stones. Many other Move 37 examples could be cited. This is the way God works!

Each of us has certainly experienced God's questionable directions in life; for many of us, probably on more than one occasion, in a "Move 37" moment when we scratch our

heads and question Him: "You said *WHAT?*" He told our family years ago, "***Sell your house, move east, and get out of debt.***" That made absolutely no sense to our natural minds, but we finally obeyed two of these three directives, and over the course of the following three years, as we were now deeply in debt, He used the totality of the situation to strip me of absolutely all striving in my heart and to fully yield to His will in every area of life. That Move 37 changed the trajectory of my life for the better.

God's ways certainly are higher than our ways, yet as we call upon Him and choose to *fully* follow the direction He provides, though it may not make any natural sense at the moment, we will likely win in the end!

Matthew 7:7-8, "**Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you; For every one that asketh receiveth; and he that seeketh findeth; and to him that knocketh it shall be opened.**"

We need to ask and keep on asking; seek, and keep on seeking; knock and keep on knocking, knowing that God is faithful to hear us and to answer our cries. Those who have received Yeshua as Lord of their lives have been graced with the indwelling presence of the Holy Spirit to accompany us through life's journey. He is the paraclete, the one called alongside to help, the intercessor, and He lives inside each of us to lead, guide, and direct as we listen for His still small voice.

Divine Intelligence

In a recent post, Veronika West has stated that God provides us with **DI**, "Divine Intelligence." I like that! That is what we must seek, and it comes from seeking Him in the quiet place. James 1:5 encourages us that this divine intelligence is available to all who call upon Him. "**If any of you lack wisdom, let him ask of God, that giveth to all men liberally, and upbraideth not; and it shall be given him.**"

Likewise, Isaiah 11:2, speaking of the coming Messiah, says "**And the spirit of the LORD shall rest upon him, the spirit of wisdom and understanding, the spirit of counsel and might, the spirit of knowledge and of the fear of the LORD.**"

That same Spirit dwells in us and empowers us with wisdom and understanding beyond our natural abilities. We must purpose to allow the Spirit to live and move and have His being within us. As we draw upon that Spirit continually, we have abilities and insight beyond any human giftings we might otherwise carry.

Be encouraged! I'm not sure that God really cares about who wins the next game of Go, football or basketball (well, football maybe!) but we can be encouraged today, that in whatever truly matters in life, we can call upon the Holy Spirit and experience God's Touch on a moment-by-moment basis. We are not alone facing the seemingly large

obstacles in life or the wiles of the devil or the seemingly crazy wisdom and ability of SI. The Greater One lives inside of us; we have His divine intelligence available, and in the end and in the meantime, ***WE WIN! Hallelujah!***

Dutch Sheets

Today's post is a powerful word from my brother, Tim Sheets.

His title is: The Battle Cry

There are moments in God's timeline when what has been prayed, declared, prophesied, and contended for begins converging with its appointed time. I believe we are in one of those moments. Holy Spirit is awakening the church to recognize what He is doing and rise to the moment with faith, boldness, and spiritual authority.

In recent months, I have felt an unusual and intense stirring within me. Holy Spirit was alerting me to pay attention, pray deeper, listen more carefully, and see beyond what was happening naturally into what He was doing in the spirit realm. So I began praying about what I was sensing, asking Him to show me what He was preparing me to understand. As I listened, Holy Spirit spoke a word that brought clarity to the stirring I had been sensing:

"The cup of iniquity has been declared full, and the King has decreed to drain it. Sever iniquitous roots in government, culture, and wicked ideologies that are resisting our plans of global revival. Engage My Ekklesia. Prepare her for spiritual battle with hell's kingdom, warfare that will shift natural realms for reformation and great revival."

Then I heard something in my spirit that I had never heard before, the sound of a vast host of angel warriors responding to the King's decree with a resounding shout: ***"Let it be done! Let it be done now!"*** I knew with unmistakable clarity that great hosts of angels were part of this divine plan. I also knew they were eager to engage - ready-warriors, positioned and prepared to carry out their assignment.

Holy Spirit continued speaking, ***"I will now baptize the Ekklesia and committed remnant with great boldness. I will anoint them with a warrior's mindset, a warrior's mentality. I will anoint them with aggressive warrior dispositions."***

I'm preparing and anointing the King's Ekklesia to battle for your nation, and for global world revival. I am preparing My ruling and reigning ones to engage systemic evil, with the assistance of angel armies, and prevail as defined by King Jesus. A binding-and-losing campaign will begin. Doors will be opened. Doors will be closed. The preparations have been made, and the call of heaven is sounding forth: 'It is time! It is time! It is time!' The angels are in place. It is time. Portals are open. It is time. As Joshua heard and declared to 40-year wilderness wanderers, hear and declare into your times, raising expectations, desire, and passionate commitment. Declare, 'we have compassed the mountain long enough.' Sanctify yourself and possess the land.

"Move forward into promised inheritance. It is time for giants and strongholds to fall. It is time for entrenched enemies to be removed. Be strong and courageous, for the Lord your God is with you. It is time! It is time! It is time!"

This was a clear declaration that a prepared people are being brought into an appointed moment. Three times I heard Holy Spirit say that He is preparing and anointing the true Church and the righteous remnant to confront the dark agendas that have resisted His purposes.

He also said, "***We will prevail.***" His use of the word "*we*" stood out to me. Heaven is moving, angelic hosts are being positioned, and the Ekklesia is being called to respond in faith, obedience, prayer, and spiritual authority. I believe this campaign is now being activated, specifically before the midterm elections. It will continue into what I believe will be a magnificent era of Holy Spirit activity and greater glory.

We are living in a defining moment, and defining moments are shaped and controlled by who defines them. King Jesus expects His Church to rise and bring biblical definition to a world filled with confusion and competing voices. This will require our voices, prayers, time, energy, resources, engagement, and our votes. Voting is one very important way we participate in our nation's governing process, exercising our civic responsibility. For believers who understand influence as part of their stewardship, the ballot box becomes a place where convictions are expressed, and choices are made. Holy Spirit has been preparing a different kind of Ekklesia for this hour, building faith, courage, discernment, endurance, and spiritual authority. The prayers and anointings of generations past are converging with what He is releasing now, creating a generational synergy for this hinge moment. I believe we are seeing a people rise who will stand

with courage, engage with wisdom, and advance into the greater glory He has promised under the leadership of King Jesus.

Then I received a dream that confirmed what I had been sensing and hearing: I was a soldier, and a declaration of war had been issued. All branches of the military were activating, and I was one of thousands of soldiers being deployed. Everything was chaotic. I could feel the concern and worry of those around me, who were also being deployed. They were on their phones calling their loved ones and friends. The seriousness of the moment was unmistakable. It was almost as though I was an observer, watching everything unfold around me.

Then my phone began to ding, and I started receiving text messages from Dutch and other ministry friends, all asking me the same question: "Are you being deployed?" Of course, I answered "yes." Their responses were all the same: "So am I. I'm being deployed."

Then the scene in the dream changed. I was standing on a parade ground in a long line of soldiers. There were many more of these lines. As we stood there, a general came out onto a platform, and began a pre-battle speech to inspire courage. He challenged us to remember our training, follow our orders, fight for and care for one another. Then he said: "The enemy has crossed a red line that endangers the world order and, if not stopped, will affect our very way of life." Then the general raised his voice: "Fight for your children. Fight for your family. Fight for your heritage. Fight for your freedoms."

I have said similar things many times, as have others. I wasn't hearing anything new. Yet somehow, it seemed new. It seemed more real. The way this general said it carried such urgency that it gripped me.

He finished by saying, "Give it all you've got!" I knew Holy Spirit was giving me a very clear message, and the weight of it was profound. I felt the responsibility of answering a kingdom assignment settle heavily upon me: The enemy has crossed a red line, and heaven has declared spiritual war against what is resisting the purposes of God. Follow your training. Follow your orders. Give it all you've got.

As I pondered the dream, I kept hearing the general's words as a battle cry. Then I asked the Lord, "Is Holy Spirit issuing a battle cry?" As I prayed, I knew the answer

was yes. I heard a battle cry, and I was being called to agree with it, align myself with heaven, and add my voice to the cry.

Throughout history, great conflicts have often been preceded by a call that awakened courage and summoned warriors to their assignment. Ours is being issued. Heaven is sounding the call, the warriors are being awakened, and the Ekklesia is being summoned to its assignment.

PRAY WITH ME:

Father, we, like Esther, have surely come into the Kingdom for such a time as this (Esther 4:14)! Cause this reality to settle on Your Ekklesia with the same weight felt by this matriarch. Release a sober-mindedness, a laser-like focus, and a steadfast resolve. May we feel the intensity of our General, King Jesus, as He says, "Give it all you've got." Father, we will say yes to Your call! You have prepared Your Ekklesia, giving them boldness, courage, and fresh anointing. Let the battle cry of Heaven now rise within them in every nation. Strengthen them to stand, speak, pray, and advance wherever You send them.

We present ourselves for Your assignment. Fill us with Your passion and give us grace to stand firm. In Jesus' name we pray, amen.

OUR DECREE:

The warriors of the Ekklesia are rising! We hear the King's battle cry and will advance in authority, declaring that His Kingdom will prevail!

Bishop Jane Hamon: 5787 - Winning the Voice Wars

The Year of Peh-Zayin

We are entering what I believe is a tipping-point moment in history. A tipping point is the point at which momentum has built—sometimes slowly and almost imperceptibly—until a decisive threshold is crossed and movement in a new direction becomes increasingly difficult to reverse.

Prophetically, **I believe we are coming to a tipping-point moment in which things that have worked against us will begin to work for us.** Resistance is giving way to momentum. Besiegement is giving way to breakthrough! Battles that have seemed prolonged are reaching victorious conclusions.

On September 11, 2026, at sundown, we entered the beginning of the Hebrew year 5787. Significantly, this also marked the twenty-fifth anniversary of 9/11, a day that became a terrible tipping point in modern history. Yet I believe God is announcing another kind of tipping point—a time when things that have been out of order begin to be set right.

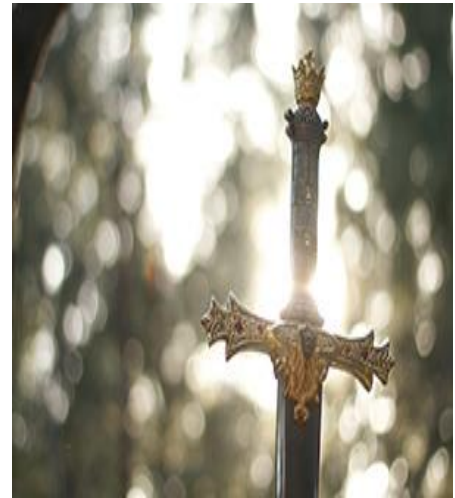

Peh-Zayin: The Mouth and the Sword

We are in the Hebrew decade of *peh*, a letter associated with the mouth. The 2020s have certainly demonstrated the battle over voices—a time of "voice wars" in which we must answer the questions "Who will control the narrative? Whose report will we believe? Whose voice will shape a generation?" It is a battle as old as time: Eve heeded the voice of the serpent rather than the voice of God in the garden; Goliath intimidated

the mighty armies of Israel with his thunderous curses; even Elijah ran to hide in a cave due to Jezebel's intimidations.

Yet we also see that before David defeated Goliath with the sling and stone, he prophesied his destruction. This year, when the devil "prophe-lies" to you about your future, stir up your spirit and prophesy right back!

And our Champion-Hero, Jesus, won the voice wars in the wilderness when the devil came and said to him, **"If you are the son of God..." Jesus boldly replied, "It is written!" This is our strategy for victory: open our mouths and say what God says!**

We have definitely encountered "voice wars" in culture, media, as well as the church. These are spiritual, ideological, and even theological battles for the power to define reality, shape belief, influence identity, and determine what people will ultimately say and do. This occurs when competing voices contend for our agreement, **because whatever captures our belief will eventually influence what we say. This battle is between competing voices seeking to shape what we believe, gain our agreement, and ultimately activate our voice. The battle is over our voice!**

Our Breakthrough Is Voice Activated

We live in a voice-activated world. We say, "Alexa, turn on the lights," or ask Siri for directions, and something responds to our voice. Spiritually, we must understand that our breakthrough is voice activated! Our miracles are voice activated! There are times when miracles, healing, deliverance, and breakthrough are connected to releasing the Word of God from our mouths. Romans 10:9–10 makes this clear regarding salvation: **"If you confess with your mouth the Lord Jesus, and believe in your heart God has raised Him from the dead, you will be saved..." (NKJV). Our mouth activates our belief.**

The number seven corresponds with the Hebrew letter *zayin*, traditionally pictured as a weapon or sword. Seven, throughout Scripture, also points us toward completion, covenant, Sabbath rest, fulfillment... It is a time of rest, reset, and release. Put *peh* and *zayin* together, prophetically, and we have a powerful picture: the mouth and the sword—the authority of God's Word placed in our mouths.

God told Joshua (Joshua 1:8 NKJV), **"This Book of the Law shall not depart from your mouth, but you shall meditate in it day and night, that you may observe to do according to all that is written in it. For then you will make your way prosperous, and then you will have good success."**

Isaiah 49:2 declares, **"He has made my mouth as a sharp sword..."**

Likewise, God declares (Isaiah 59:21 NKJV), **"'As for Me,' says the Lord, 'this is My covenant with them: My Spirit who is upon you, and My words which I have put in your mouth, shall not depart from your mouth.'"**

John saw Jesus in Revelation (Revelation 1:16 NKJV): **"He had in His right hand seven stars, out of His mouth went a sharp two-edged sword, and His countenance was like the sun shining in its strength."**

And Jesus declared (Revelation 2:16 NKJV), **"Repent, or else I will come to you quickly and will fight against them with the sword of My mouth."**

Hebrews brings these pictures together (Hebrews 4:12 NKJV): **"For the word of God is living and powerful, and sharper than any two-edged sword, piercing even to the division of soul and spirit, and of joints and marrow, and is a discernor of the thoughts and intents of the heart."**

Battling from a Place of Rest

It's interesting the first eleven verses of Hebrews 4 are all about entering into a Sabbath rest. I find many people are doing lots of spiritual activities: prayer, decrees, spiritual warfare, etc. Yet if this comes from a place of works or striving to see a breakthrough, we are not truly entering into the rest of faith and we are getting worn out. This is why this verse is initially *internally focused* rather than on an external victory.

This year we must get this right: We must continue to pray, decree, prophesy, and war, but do it from a place of rest and trust, knowing Jesus has paid the ultimate price. We must get a hold of the concept of what I am calling "covenant warfare," which flows from a place of relationship with Jesus, the King of Kings. It's really only through our covenant with the Lord that victory is attained.

Fighting with a Two-Mouthed Sword

Back to Hebrews 4:12. The Greek word translated "two-edged" is *distomos* (Strong's G1366), which literally means, "two-mouthed," as the ancient world referred to the edge of the sword as its mouth that devours. Think about this! What a prophetic picture! God speaks His Word, forming one edge, then we come into agreement and put His Word into our mouths, forming a second edge. His mouth and our mouth—two voices in agreement—a two-edged sword! **Whenever we agree with what God is saying, whenever we agree with what the prophets are releasing, whenever we open our mouths and decree the Word of the Lord, whenever we prophesy, a powerful weapon is released that vanquishes every foe, both internal as well as external.** (Photo via Unsplash)

Likewise, in keeping with the concept of the two-mouthed sword, this year it is especially important to not stand alone or be isolated. There has been a concerted effort by the enemy to bring division and strife, separating and isolating Believers from one another. We see this in marriages, families, and Kingdom relationships. Why has the devil worked so hard? Because there is power in agreement—our mouths joined with the mouths of other Believers.

Matthew 18:19–20 tells us, **"Again I say to you that if two of you agree on earth concerning anything that they ask, it will be done for them by My Father in Heaven. For where two or three are gathered together in My name, I am there in the midst of them."**

The Greek word translated "agree" is *symphónēó* (Strong's G4856)—the source behind our English word "symphony." It means "to sound together," "to harmonize," or "be in accord." **We must realize agreement creates a unified sound that penetrates the heavens and shifts things in the earth.** There is power in a corporate sound! You will not win the battle you are in without the strength of others. If you aren't in a church, find one. If you don't have friends that know how to pray, make some. *Do not stand alone!*

In order to win the "voice wars" this year, we must add one more caution: the enemy, the accuser, also has a voice. Make sure you are not coming into agreement with his lies, accusations, divisions, or attacks on identity and purpose. Remember, his voice is looking for your agreement, because in your agreement he will capture your voice. When you speak, do your words agree with God or the enemy's lies? Do you say what

God says about you or what the devil says about you? Whose report will you believe?
Whose report will you speak?

5 Points of Focus to Win the Voice War

1. Hear the right voice: "My sheep hear My voice" (John 10:27 NKJV).

Before we speak, we must hear. Discern God's voice above fear, accusation, cultural noise, and competing narratives.

2. Guard your mouth: "Death and life are in the power of the tongue" (Proverbs 18:21 NKJV).

Refuse to give your voice to fear, unbelief, accusation, or corrupt communication. Don't empower with your mouth what God wants you to overcome.

3. Put the Sword in your mouth: "The Sword of the Spirit, which is the word of God" (Ephesians 6:17 NKJV).

Speak the Word. Jesus is pictured with a sharp sword proceeding from His mouth (Revelation 1:16). *Peh* and *zayin*—voice and sword—come together.

4. Come into agreement with Heaven: "If two of you agree on earth..." (Matthew 18:19 NKJV).

Agreement creates a unified sound. Ask, "What am I agreeing with?" Agree with God's Word, God's promises, and God's purposes, and find others who will agree with you.

5. Release the sound of victory: "Let the weak say, 'I am strong'" (Joel 3:10 NKJV).

The word translated "strong" can also be translated "**I am a warrior,**" or "**I am a champion**" (**Strong's H1368**). Decree this over yourself out loud, regardless of your circumstance. Don't wait until the battle is over to sound victorious. Pray, praise, prophesy, proclaim, and decree. Your circumstances do not get the final word—God does.

5787 will see the "voice war" intensify. **Just remember, winning does not depend on the volume of your voice but on the authority behind what you say.** We can actually lose the "voice war" when we become consumed with outrage, repeat unverified accusations, demonize people who disagree with us, or allow fear to dictate our speech—even when we believe we're defending something true.

We must be careful to speak blessings and not curses. Stop cursing your marriage, your family, your workplace, your church, or even your nation by complaining and criticizing. Decree what God says. Decree hope. Decree life. Decree God's Word and declare, "It is written."

Your voice matters. War with your prayers, your praise, and even prophesy, and the atmosphere will shift.

A Decree for 5787

I decree that in 5787, I will hear the voice of the Lord, and I will speak what He speaks! I will not echo the voice of fear, accusation, unbelief, division, or defeat. I break agreement with every lie of the enemy, every false identity, every negative report, and every word that contradicts the promises of God over my life, my family, my church, my nation, and my future.

I choose to come into agreement with Heaven! God's Word will be in my heart and in my mouth. His mouth and my mouth will come into agreement, and the two-edged sword of His Word will cut through lies, confusion, intimidation, and opposition.

I declare that *peh* and *zayin*—the mouth and the sword—are coming together! I will put the Sword of the Spirit in my mouth. I will pray the Word. I will praise according to the Word. I will prophesy the Word. I will proclaim the Word. I will decree the Word.

I will not war from anxiety, striving, or fear. I will engage in "covenant warfare" from a place of Sabbath rest, knowing that Jesus has already conquered sin, death, Hell, and the grave. My confidence is not in the volume of my voice but in the authority of the King, whose Word I carry.

I decree that I will not stand alone. God is bringing His people into divine alignment and agreement. Families will come into agreement. Marriages will come into agreement. Churches will come into agreement. Kingdom relationships will be restored, and a unified sound will arise from the people of God.

Resistance is giving way to momentum. Besiegement is giving way to breakthrough. Strife is giving way to shalom. Fear is giving way to faith. Weariness is giving way to rest, and prolonged battles are giving way to victorious conclusions!

I will bless and not curse. I will speak hope and not despair. I will speak faith and not fear. I will speak life and not death. Let the weak say, "I am strong! I am a warrior! I am a champion! I am an overcomer through Jesus Christ!" My circumstances will not

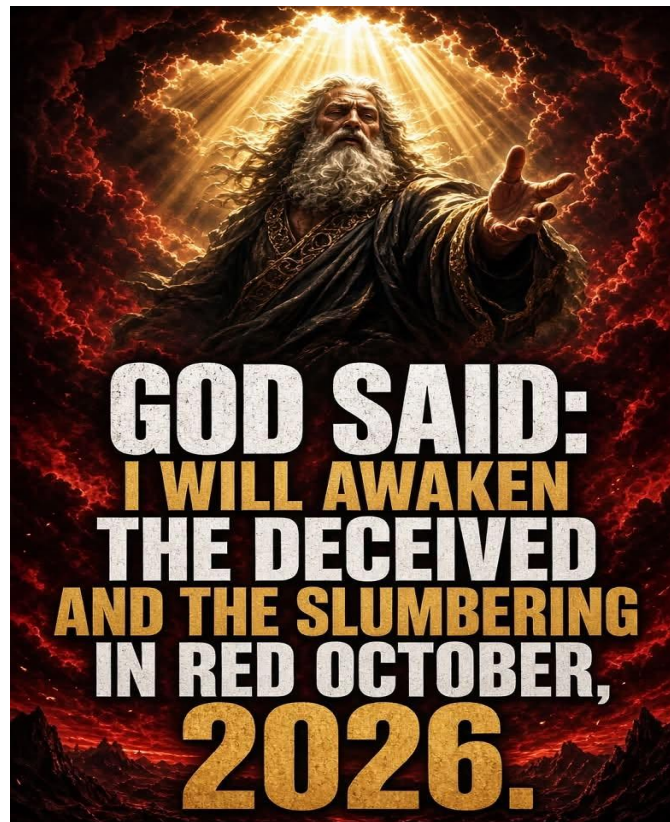

have the final word. The enemy will not have the final word. God will have the final word, and I will agree with Him!

In 5787, I will hear the right voice, guard my mouth, put the Sword in my mouth, come into agreement with Heaven, and release the sound of victory. I will speak life. I will declare His promises. I will shift the atmosphere. I will wield the Sword of His Word. And by the grace and authority of Jesus Christ, *I will win the voice war!* In Jesus' mighty name, amen!

RED OCTOBER

"I AM calling you, My Army of Light, to DRAW ESPECIALLY NEAR to My heart and to SEE from My PERSPECTIVE as the events of RED OCTOBER unfold. When a driver is FALLING ASLEEP at the wheel of a car, they must be STARTLED AWAKE in order to prevent an accident. The evil empire has DARK PLANS of destruction for RED OCTOBER, but I will USE THEIR PLANS AGAINST THEM, and they will REAP WHAT THEY HAVE SOWN. I will

REPURPOSE their evil schemes to SHAKE the DECEIVED and SLUMBERING AWAKE.

Their dark schemes were meant to bring DEATH, DESTRUCTION, and FEAR upon the people, but I will BOOMERANG those plans back into their camp of evil. They will ATTACK the financial system in order to PANIC the people and to regain the funding that has been cut off by those leaders who are serving Me. Their attempt to COLLAPSE the financial system will be used to BRING DOWN THE SLAVE SYSTEM and to INSTALL A SYSTEM OF FINANCIAL FREEDOM that will bless the world with PROSPERITY and launch the world into the Golden Age. You must see all the THREATENING, DESTABILIZING events through My eyes. If your gaze is FOCUSED on the THREATS, you will be FEARFUL and ANXIOUS. Instead, see RED OCTOBER from My PERSPECTIVE as a month of the TABLES BEING DECISIVELY TURNED, and the SLEEPING AWAKENED. The darkness planned RED OCTOBER to PUNISH you, but I will begin to POUR THE SPOILS OF WAR OUT ON YOU AND YOU WILL BE BLESSED INSTEAD OF PUNISHED in this month of RED OCTOBER."

YVON ATTIA: Your Faithfulness Will Be Rewarded**

During my prayer time for the October prophetic word, I heard the Lord say, ***"You have backed the right horse. Your faithfulness will be rewarded."*** At first, I did not fully understand what the Lord meant by those words, but as I continued to pray, He began to draw my attention to the parable of the pounds in Luke 19.

The Parable of the Pounds

Jesus tells the story of a nobleman who went into a far country to receive kingly authority and then return. Before leaving, he called ten of his servants, placed a pound into the hands of each one, and instructed them to conduct business until he came back. Yet almost immediately, the atmosphere of the story becomes hostile. The citizens hated the nobleman and sent a delegation after him, saying, "We do not want this man to reign over us."

As I prayed over this passage, I felt the Lord highlighting the uncertainty surrounding those servants. Their master had left, opposition against him had become public, and they did not yet know what the outcome would be. They did not know whether their master would return with authority or whether those opposing him would prevail. Yet the nobleman had already placed something valuable into their hands and told them, in effect, "Do business for me until I return."

Suddenly, I began to understand the phrase the Lord had spoken to me: ***"You backed the right horse."***

The servants had a choice. They could bury what had been placed in their hands, remain quiet, stay out of sight, and wait until they knew who would prevail. From a human perspective, that might have appeared to be the safest decision. Why publicly identify yourself with a man whose kingship was being contested? Why risk doing business in his name when powerful voices were openly opposing him? Why not wait until the outcome became certain?

But the faithful servants did not wait for certainty. They continued conducting the nobleman's business while he was absent. Every transaction became an act of loyalty. Every time they used what he had placed in their hands, they were declaring publicly, "I belong to this man. I represent this man. I believe he is coming back."

The Cost of Faithfulness

I believe this is where the Spirit of God began to speak strongly to me concerning many Believers in this hour. **There are people who have served Jesus publicly when it would have been easier to remain silent.** You carried His name when carrying His name cost you something. You continued doing what He asked you to do when circumstances around you made you question whether it was worth it. You continued using the gifts He placed inside you even when Heaven seemed silent and the King appeared absent.

There were seasons when it would have been easier to bury the pound. It would have been easier to hide your gift, protect your reputation, withdraw from the battle, and wait until everything became clearer. It would have been easier to say, "I will serve again when the environment is safer. I will speak again when people understand me. I will step out again when I know how this story ends." But you kept going. You continued to conduct the King's business. You continued to pray, serve, give, speak

His name, and use what He had placed in your hands. *(Photo via Pexels)*

You Have Been Found Faithful

Then the nobleman returned. He came back having received kingly authority, and suddenly everything changed. The question was no longer whether he would become king. The king had returned, and now he wanted to know what his servants had done during his absence.

The first servant came and reported that what had been entrusted to him had produced ten more. And the words Jesus gives in Luke 19:17 are so important to this prophetic word: **"Well done, good servant! Because you have been faithful in a very little, you shall have authority over ten cities"** (ESV).

As I read those words, I felt the Lord highlighting this phrase as a decree over faithful servants in this season: **"Well done. You have been faithful."**

The master did not merely reward production. He recognized faithfulness. He saw what that servant had done while the master was absent. He saw his loyalty during uncertainty. He saw that the servant had continued using what was entrusted to him even while there was opposition.

More Will Be Given

Then Jesus continues with another principle in Luke 19:26: **"To everyone who has, more will be given."** The NLT expresses it this way: **"To those who use well what they are given, even more will be given"** (NLT).

And again, I felt the Lord emphasizing those words prophetically: "More will be given." You were faithful with what looked small and more will be given. You used the gift when it would have been easier to bury it, and more will be given. You remained loyal when loyalty cost you something, and more will be given. You continued conducting the King's business while others were waiting to see what would happen, and more will be given.

The first servant did not say, "Look what I accomplished." He said, in effect, "Your pound produced this." He understood that the gift came from his master, the opportunity came from his master, and ultimately the increase belonged to his master. **Faithfulness was never about self-glory. It was about stewardship.**

Then there was the third servant. He wrapped the pound in a cloth and kept it hidden. He preserved what he was given, but he never used it. His explanation was fear. Yet in the atmosphere surrounding this story, I cannot help but see another fear operating beneath the surface: *What if the nobleman does not return? What if I publicly identify myself with him and he loses? What if I back the wrong horse?*

So, he protected himself. He did nothing. But when the nobleman returned with authority, the outcome became clear. The horse he refused to back had won the race.

(Photo via Pexels)

The contrast could not be stronger. The faithful servants acted while the outcome was still uncertain. The unfaithful servant waited for certainty. The faithful servants publicly identified themselves with the absent nobleman. The other servant protected himself.

You Backed the Right Horse

I believe the Lord is speaking prophetically to those who have remained faithful. **You backed Him before you saw the outcome. You remained loyal when loyalty was costly.** You continued using what He placed in your hands when others buried theirs. You continued conducting His business when others were waiting to see what would happen.

I hear the Lord saying, ***"You backed the right horse."*** I hear the words of Jesus becoming decrees over this season: ***"Well done. You have been faithful."*** And again, ***"More will be given."***

Your faithfulness was not overlooked. Heaven saw what you carried in secret. Heaven saw what it cost you to remain loyal. Heaven saw that you continued when it would have been easier to withdraw. Heaven saw that you refused to bury what God placed in your hands.

Your Faithfulness Will Be Rewarded

I believe the Lord is saying, ***"Your faithfulness will be rewarded."***

"This is not a word I, the Lord, take lightly, and it's not a 'new word.' This is a confirmation of what I had spoken to you before. Your public loyalty and love for Me was on display for all to see. You did not count the cost or withhold your love even when you came under the fire. You have chosen to back Me up in risky times, and I have seen how Hell broke loose when you decided to serve Me openly."

"Your love was obvious; it was not hidden even during seasons where it seemed that you were thrown in the fire and that I was absent or silent to your cry. Despite the criticism, the losses, the destruction, and the accusation, you never stopped believing, never stopped trusting that somehow I would come through for you, even if it was in the furnace."

"You remained faithful to My name even when it didn't make sense, and I tell you, your season of open reward is upon you. The fresh oil of Heaven will be poured out. And now I decree the words of Jesus over you: 'Well done, good servant, because you have been faithful.' And I say to you, 'More will be given.'"

"You have been faithful with what I placed in your hands. You did not bury the gift. You did not hide your loyalty. You continued to conduct My business even when it cost you something. More will be given. What you have stewarded faithfully will make room for greater stewardship. The gifts you used will increase. The responsibility I entrust to you will increase. For to those who use well what they are given, even more will be given. (Photo via Wikimedia Commons)"

"I heard the voice of the enemy whisper to you, 'Where is your God whom you serve so faithfully? Was He able to rescue you from the lions? Maybe this was all in vain? Maybe you backed the wrong horse?' But despite the enemy's voice, you continued to be faithful. And therefore, I tell you, you are about to witness My breakthrough power, My wild-ox strength, and you will shout out, 'My God sent His angel in the eleventh hour and shut the mouth of the lions! I backed the right horse, the horse mighty in battle, the horse who is mighty in glory. YHWH is His name.'"

"Do not fear the diagnosis, the delay, or the verdict. The story will be interrupted. What looks settled is not beyond My hand, and what appears final is not final when I speak again. You are coming into a time of much transition and instability. This is not a time to hold back, but to step out and do your best with what I have placed in your hands today, for your faithfulness will be rewarded. This is your season of divine compensation. The fulfillment of this word is NOW."

"While you watch the economy of the world shake and collapse, while the world steps into a new season of famine and lack, you will experience My glorious provision and My mighty hand of blessing upon you. For your faithfulness will be rewarded, and I am blessing the gifts I imparted to you."

"For as I have spoken through Jeremiah, I repeat these words to you: 'Do not weep any longer, for I will reward you,' says the Lord. "Your children will come back to you from the distant land of the enemy"

(Jeremiah 31:16). Your storehouse will be full, for I have given you access to the storehouse in Heaven, access to the treasure room in Heaven. Like Joseph—who stored food during seasons of abundance—what he stored became the source of provision for him during the famine, not only for him, but for others. The faithfulness you have stored during risky seasons, the trust you built, will become provision for this next season. For My fruit in you has ripened and will be a source of provision."

God says, "You backed the right horse. You stayed faithful to Me when others were uncertain, and your faithfulness will be rewarded. What the enemy tried to use to publicly shame your faith, I will now use to publicly display My faithfulness toward you. The very places where you were questioned, mocked, and misunderstood will become the places where My hand upon your life can no longer be denied. This is the time where I will affirm you, your calling, and your purpose. You didn't get it wrong. You backed the right horse, and during this season, the right horse Himself, the God of Heaven and earth, will back you up openly."

Veronika West

**"WATCH, FOR THERE IS A BATTLE AND A CONTENDING FOR THE
BIRTHRIGHT THE IDENTITY AND DESTINY OF NATIONS UNFOLDING
IN THE AIR!"**

On September 30th, 2026, Flydubai Flight FZ1073 was travelling from Dubai to Tel Aviv when a violent battle broke out inside the Cockpit. According to Israeli officials, the Co-Pilot stabbed and seriously wounded the captain, who managed to release the Cockpit door allowing passengers and crew to intervene and overpower the attacker. Two other Flydubai pilots onboard brought the aircraft safely to the ground in Tabuk, Saudi Arabia.

As I began to pray concerning what had unfolded, the Spirit of Revelation showed me a powerful Prophetic Parallel concerning what had already been revealed and published in recent Prophetic Dreams and Visions before this incident took place.

On September 8th, 2026, twenty-two days before this Aircraft incident, in the Prophetic Vision, "HE HAS HIS HEAD IN THE CLOUDS!" concerning President Trump, I had written concerning those seeking to align themselves with the Movement and position themselves within his Administration, and I used these very words...

"NOT TO STRENGTHEN OR ADVANCE THE MANDATE, BUT TO INFLUENCE, REDIRECT, MANIPULATE, AND ULTIMATELY HIJACK AND ABORT ITS COURSE!"

Then on September 22nd, 2026, eight days before this aircraft incident, I released the urgent Prophetic Dream, **"AN URGENT DREAM: THE EAGLES MUST RISE, AND THE OWLS MUST SEE!"** where I was shown a great Battle unfolding at the Gates over America and the Nations. The Warning carried the language of Gates and Gateways, Access and Authority, the Eagles and the Owls, the Snakes, the Moles, the Rat in the Kitchen, Travel and Transportation, the President's movements in the Air and upon the Land, Air Force One, the Clock and the Midterm Season.

Then on September 25th, 2026, I released the Prophetic Warning, **"WATCHMEN PRAY FOR PRIME MINISTER NETANYAHU!"** And the word "CONVERGENCE" was given, and I wrote that we must "LOOK BEYOND THE HEADLINES!" for this was a Watch that must be kept at "EVERY LEVEL" - the Gates, the Governmental Places, and always in the Unseen Realm.

Now an Aircraft was **"IN TRANSIT,"** and its course was being violently contested from within. The captain had been attacked by the Co-Pilot, and a battle was unfolding IN THE AIR over the controls, the direction, and whether those onboard would reach their intended Destination.

The Spirit of Revelation showed me the Aircraft as a powerful Prophetic picture of both the Eagle Remnant and the Eagle Nation, America, moving through a Time of Divine Transition towards a God Ordained Assignment and Appointed Destination, while also being shown a Demonic Assignment of the enemy that would Seek to gain Control, Redirect the course, and Abort Kingdom Mandate. And I hear these Words: "Watch for the Demonic Assignment that is against what has already been set in motion, against the Birthright, the Identity and Destiny of Nations and against a Righteous Remnant being brought into its Appointed place of Authority and Power." The Holy Spirit then quickened to me again what He has been speaking concerning a "SECOND EXODUS" and the Eye of the Needle, a Narrow Place of Birthing through which Nations and the Remnant are being brought forth. And Suddenly, Holy Spirit quickens to me: **"And the dragon stood before the woman who was ready to give birth, to devour her Child as soon as it was born."** (Revelation 12:4)

And I heard, **"WATCH, FOR AT THE TIME OF BIRTHING THE GREAT DRAGON IS CIRCLING!"** And I saw an Assignment of Satan being formulated to bring death and destruction with what is coming to Birth an Assignment to seize Control during a Time of Transition and to prevent the fulfilment of what God has ordained.

The Spirit is saying, ***"Watch the Narrow Places. Watch and Pray as Nations navigate this time of Divine Transition, for there will be a Warring and Contending over Who Governs the Gate, Who Directs the course as Nations and the Remnant move towards their Appointed Destination."*** But then my attention was drawn to where this violent battle was taking place **"IN THE AIR."**

The Holy Spirit takes me to Daniel 10. **"Do Not Fear, Daniel, for from the first day that you Set your heart to Understand, and to Humble yourself before your God, your Words were Heard."** (Daniel 10:12)

Then Persia (Iran) and the Prince of Persia were highlighted to me again. **"But the Prince of the kingdom of Persia withstood me twenty-one days; and behold, Michael, one of the chief princes, came to help me."** (Daniel 10:13)

We must continue to Watch and Pray concerning Iran and the Middle East. I submit this is yet another part of an unfolding Prophetic Scroll that God has had me prophesying and praying into for some time. The Prophetic parallel concerns Powerful Demonic Resistance taking place over the Nations in the Unseen Realm.

Daniel 10 is also speaking concerning a Prophetic Timeline of Nations. As I prayed, I heard The Spirit saying that **the next Twenty-one days and the next Twenty-one weeks will be highly prophetically significant.** My attention was drawn again to the "Midterms" that have already been highlighted in the September 22nd Dream, which I shared! In that Dream, the Clock had also been highlighted, and I **heard "CHRONOS AND KAIROS COLLIDE!"**

It's Vital that we Watch and Pray through these Turbulent Times. Let's stay Encouraged. The Delay and Resistance we see in Daniel 10 did not mean that his Prayer had gone unheard. The Scripture says, "His words were heard from the FIRST day," and the Heavenly Messenger had come because of his words, yet there was a violent Contending before the messenger reached him.

And I heard The Word of The Lord, "WATCH, FOR THERE IS A BATTLE AND A CONTENDING FOR THE BIRTHRIGHT, IDENTITY, AND DESTINY OF NATIONS,

A CLASHING OF KINGDOMS, AND A BATTLE OF THE TITANS THAT IS UNFOLDING IN THIS HOUR OF DIVINE TRANSITION."

As I heard those Words: ***"PRINCE OF THE AIR - according to the prince of the power of the air, the spirit who now works in the sons of disobedience."***
(Ephesians 2:2)

The Date of the Hijacking, 30/09/2026 > 3 + 0 + 9 + 2 + 0 + 2 + 6 = 22. Then the Holy Spirit drew my attention to the Cockpit, the place from which the Aircraft was being Governed, where the controls were held and its course and direction determined. The Spirit of Revelation showed me Government Authority Access and Control, for the Co-Pilot had not broken through the door from outside - he was already inside occupying a trusted position beside the Captain with Access to the controls. Then I heard the words, ***"HAND TO HAND COMBAT."***

The Battle took place in close proximity; again, I knew by The Spirit that this was speaking to a Demonic Assignment seeking to operate through trusted positions, through those Close to the Seat of Governmental Power and Authority. I hear, ***"Watch President Trump's Inner Circle. Watch those occupying trusted positions around President Trump and Prime Minister Netanyahu."*** Listen! The Prophetic Warning concerning the Inner Circle must be kept before the Watchmen. The assignment I was shown sought proximity to the Mandate - access to the decisions and influence over the Course and Direction of Nations in the coming days!

The Snakes the Moles and the Rat in the Kitchen that I had seen in the September 22nd Dream spoke again to covert activity, concealed intentions, and an enemy seeking to operate within places where Access had already been granted.

This Prophetic Warning also speaks to the Governing Ecclesia. Watch those being permitted into close proximity to men and women carrying Divine Mandates given by God in this Hour. I see there will be attempts to Influence, Redirect, and Control and Manipulate what God has Appointed and Commissioned. Higher levels of Spiritual Discernment will be required concerning Who is being entrusted with Authority and Access! Holy Spirit reminds me of Judas and Peter who both sat at the table with Jesus; both were close, yet their actions and their responses were different. Judas betrayed Him; Peter denied Him, and Jesus had already prayed for Peter's faith and spoken concerning his return.

The Ecclesia will need Discernment concerning Betrayal and concerning those passing through a deep Sifting who must be Restored and strengthened for the Calling upon their lives. Then my attention was drawn to the cockpit door - the Gate into the place of Governance. In the Prophetic Parallel of the Plane, the attacker already had Access, yet the wounded Captain released the door, and Intervention came into the very place where the controls were being contested. So, within this Prophetic Parallel, I saw Access being challenged, and yet, by Divine Intervention and God's Hand of Preservation, full control was recovered. The enemy's presence within a trusted place did not give him the final Authority over the outcome!

Then the numbers surrounding the Flight caught my attention: Flight FZ1073 on the last day of the Ninth month and $1 + 0 + 7 + 3 = 11 >$ The Ninth month and Eleven 9/11!

And I heard, **"WATCH! 911 PROPHETIC MARKERS IN THIS 911 PROPHETIC WINDOW OF TIME!"**

The 9/11 Prophetic Window that I had already spoken concerning was quickened to me again and President Trump as the 45th and 47th President $> 4 + 5 =$ Nine (9) and $4 + 7 =$ Eleven (11) 9/11! Prime Minister Netanyahu also publicly described what had been prevented aboard the aircraft as a "9/11 disaster." Then the date of the Hijacking caught my attention again: 30/09/2026 $> 3 + 0 + 9 + 2 + 0 + 2 + 6 = 22$. And Isaiah 22:22 was quickened to me: **"The key of the house of David I will lay on his shoulder; so he shall open, and no one shall shut; and he shall shut, and no one shall open."** (Isaiah 22:22)

The Key of the House of David, Authority at the Gates, and once again the Spirit of Revelation was speaking concerning Keys: Access, Authority, and Government.

"Watch who holds the Keys, who is opening the doors, and who is being given Access to places from which the Course of Nations and Divine Mandates is being directed."

Then the Holy Spirit speaks again about the COCKPIT, and as I looked at its origin I discovered that historically it spoke of an enclosed pit in which fighting cocks were placed. The crowing of the Cock and Peter's threefold denial were quickened to me. **"Before the rooster crows twice, you will deny Me three times."** (Mark 14:30). **"Simon, Simon! Indeed, Satan has asked for you, that he may sift you as wheat."** (Luke 22:31)

And I saw the Remnant being sifted like wheat, the crowing of the cock speaking to an Awakening in the midst of that Sifting when Peter recognized what he had done. But Jesus had already prayed concerning the outcome. *"But I have prayed for you, that your faith should not fail; and when you have returned to Me, strengthen your brethren."* (Luke 22:32)

There is a deep Sifting taking place within the Remnant in this Hour bringing Separation and Divine Distinction and exposing what must be confronted. Yet we know that Peter's denial and failure did not cancel the Calling of God upon his life; his Repentance and Return would carry responsibility for strengthening his brethren. Peter was the one who had received Revelation concerning the Identity of Christ. **"You are the Christ, the Son of the living God"** (Matthew 16:16). And in that same encounter, Jesus declared that He would build His Church and spoke concerning the Gates. **"And the gates of Hades shall not prevail against it."** (Matthew 16:18)

The One who carried Revelation concerning Identity, Ecclesia, and Gates would pass through Sifting and return to strengthen others. I hear, "Watch! For the enemy will seek to use condemnation, failure, fear and accusation to turn the Heart of the Remnant away from its Calling. Yet the Intercession of Christ and His Word concerning His Ecclesia must govern our Response in the midst of the Sifting Separation and greater Shakings!" Then suddenly, I saw in the Spirit what looked like a Cockfight taking place inside a confined pit, but when I looked again, I saw a Cock and an Eagle. And I watched as the Eagle overcame the Cock, but the Spirit of Revelation showed me something vital.

WHY WAS THE EAGLE IN THE PIT?

The Eagle has been created for the height, and I saw a Demonic Assignment rising in this hour of Divine Transition to draw the Eagle Remnant down from its place of Ascension into a flesh and blood realm of warfare into the pit of Offence, Betrayal, and Accusation, Gossip, Slander, and Self Righteousness and Pride. **"For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places."** (Ephesians 6:12)

And I hear a Warning from the Holy Spirit: "Watch the subtle demonic provocation of the voice of the Enemy to descend into the pit to bring you down from the High Places." I was shown that for even while the Eagle was overcoming the Cock in the Pit,

The Eagle's field of Vision was severely restricted and limited. What could be seen from the heights could no longer be seen from within the confines of the Pit!

The Spirit of Revelation showed me an Assignment of the Enemy coming against the position of the Remnant Eagle and against the Vision and Revelation it carried, an Assignment strategically fashioned to draw its attention into the immediate conflict and to pull a veil of deception over its eyes so that while consumed by the battle within the pit, it would lose sight of the wider Battle unfolding over the Birthright, the Identity, and Destiny of Nations!

And I heard, "ELEVATION BRINGS GREATER VISION AND REVELATION!"

And the Prophetic words from the September 22nd Dream were quickened to me again: ***"THE EAGLES MUST RISE!"*** The Eagle Remnant must Rise and Soar and take its Appointed place of Authority to Keep Watch over the Eagle and Lion of Judah Nation. I see a fierce contending over America's Course over who holds the controls of its Government and over its God-Ordained Destiny, and the Watchmen must remain vigilant as this Prophetic Warning continues to unfold!

Then Holy Spirit Drew my attention to Israeli passenger Yaniv Hayun who helped overpower the Co-Pilot. Prime Minister Netanyahu later told him, "I see you and I see a LION!" The Spirit of Revelation quickened to me, ***"THE LION OF JUDAH IS ROARING AS THE GREAT EAGLE REMNANT ARE SOARING!"***

And I saw the Roar of the Lion of Judah going forth over the Airways over the Prince of the Air, and Daniel 10 was quickened to me again. The Prince of Persia resisted in the Unseen Realm, but Daniel's words had been heard from the first day, and Michael came to help. The Demonic Resistance was fierce, but it did NOT have the final word. The Redemptive Prophetic Parallel is Clear and Speaks powerfully to the Hour. The Aircraft controls were violently contested, but the Attacker was Overcome, the controls were Recovered, and the Aircraft landed safely. The passengers later reached Tel Aviv. Their journey had been suddenly and abruptly interrupted, but they reached the Destination

And I heard The Spirit of God say; ***"I HAVE ALREADY WRITTEN THE REDEEMPTIVE END TO THE STORY!"*** Watchmen, Keep the Watch over the Eagle Nation, America, and over Israel, the Nation from which the Lion of Judah came. Watch the Gates, the Inner Circles, and those entrusted with Governmental Authority, for there is a contending over who holds the Controls and who determines the course of Nations!

Pray against every Demonic Assignment seeking to seize the controls to Redirect the Mandate and Abort what is coming to Birth. Keep Watch against the strategies formed and fashioned to draw the Eagle Remnant into the (Cock) Pit of Conflict where its Vision becomes distorted and its Revelation restricted. Let us Heed the Prophetic Warning, for this Hour demands greater Spiritual Discernment and Watchmen who will take their Appointed place in prayer with their eyes fixed upon the King whose Authority Governs the outcome. And then I heard, ***"WATCH ISRAEL. WATCH THE FIG TREE FOR SIGNS AND MIRACLES ARE SPEAKING."***

JULIE GREEN MINISTRIES
EVIL IS RAMPING UP**

"For I, the Lord, this day am telling you, My children, that the Middle East and all the nations against the United States and Israel are receiving My judgment. Many governments will collapse, and so will their financial systems."

"Iran will soon fully regret attacking both of My nations. Again, I say—some of the plagues of Egypt will hit Iran, and so will military actions. Undercover operations are taking place right now, tearing the Iranian regime apart from the inside out. There will soon be nothing left of the terrorists who have been controlling Iran and that entire region."

"Devastating, catastrophic damage and unprecedented events will repeatedly strike the Middle East. These nations have funded terrorism, causing immense destruction and death in many countries. Follow the money, and you will find the truth. An explosive report will reveal the payments Obama's regime made to terrorist organizations and how it funded entire groups. Obama's regime provided training, money, and weapons, and overwhelming evidence will expose how evil Obama was and how damaging his fake presidency was to this nation and the world.

"The Bush family secrets are coming out—how even they are connected to Saudi Arabia, how important that relationship really was to some of the actions both father and son took while they were both presidents, their connections to secret societies, and how they were controlled by the globalists. (It) will all come out in the open, (including) why Bush allowed 9/11. He knew about it, and My David has this proof in his possession, and he will use it against the establishment when the time is right to cause the most damage to their agenda.

"I will say this again—the oil industry is about to be violently shaken for all the damage it has caused the world on purpose. There were oil spills that were no accident; they were a distraction from something else that was going on. I have told you—your enemies hold many secrets in the oceans, and they will do anything to protect (them), but those secrets will all be revealed soon. Your enemies will not be able to stop this flood of truth that is coming to destroy every lie.

"Another president will soon die. My children, politicians and leaders of nations—some of them will just suddenly die. I told you the Angel of Death was hitting this Earth and hitting those who were against Me and My nations.

"The supposed King Charles will soon take his last breath, they will say. But I have told you—many have already died, (so) do not believe how or when (they say) they did. But soon, Charles' judgment will be made known to the world. So will the truth about what he did to Diana and why. Remember, the bloodline was not Charles'; it was Diana's. The royal secrets will soon come out, and it will shake the monarchy in Europe like never before.

"My children, in this time you are in, remember—My Word is a weapon. So, use it daily against your enemies. Put on your full armor daily. Plead the

Blood. Draw a bloodline around your homes, vehicles, or anything you own. Use My full Authority I have given to you. Evil is ramping up, but so will My Glory upon you, and it will protect you from the evil one. I told you—you are in this world, but you are not of it. I have told you—I have given you more power, authority, and dominion over all the power that the enemy possesses, and nothing shall in any way harm you. Your enemies are growing more dangerous and angry, but I am bigger, and I am dwelling on the inside of you. There is nothing to fear when I am here to deliver you out of it all, says the Lord of Hosts.”

Prophetic Encounter: The Slipping Mask & A call to Pray

On September 7, 2026, the Lord began to speak to me. I had an open vision of JD Vance and saw “his mask was slipping.” A few hours later I was taken into the spirit where I saw him in Isreal working with some highly compromised folks. They had been working on their agendas in the middle east for some time.

One thing on the surface; quite another below the service. Then a few hours later I heard the name Peter. It kept coming, Peter, Peter, Peter, I didn’t know what that was about. Then it came: “Peter Thiel.” I instantly knew by the spirit that Peter Thiel was

assigned to JD Vance to use him for his own agendas. Get close. Build the relationship. Bring support. Bring cash. Set the trap.

What I saw and what I submit to you today for prayerful discernment is that JD Vance was baited and trapped. He didn't know all that came with Thiel. He did not fully understand the fullness of the set-up. Once locked in, knowing what he knows, it is very difficult to get out of. I saw in the spirit that Peter Thiel was and is a double agent playing both sides, the deep state cartels and those connected into the middle east and Israel.

There were Khazarian Jews involved. I don't even want to talk about the things I saw going on in it all. I saw Peter Thiel had two important notebooks. One was black; the other was red. The red one was full of deep state cabal governmental leaders, corporate leaders and bankers. There was nothing that he did not have access to if he needed it. There were Bank accounts and codes into the UK and London, and if he needed to fund something, it would not be a problem; he could carry out the evil plans, all the while enjoying the profits and power he has amassed. Now this is where it gets much better.

On September 27, 2026, during a time of corporate worship, the Father took me into the spirit again and these are the things I saw. President Trump was on to them, so much so that giving them enough rope and letting it go, it would be certain they will entrap themselves by their own deeds and actions.

I saw Jared Kushner working on projects for Gaza. He had tied into some ungodly alliances there as well, and at the end of the day, the Lord's plans would prevail.

I was taken into the Spirit and the Lord said, ***"The Charlie Kirk event is not what it looks like. It is all going to come out."*** I saw the assassination in the spirit like watching it on TV. The Lord said, ***"This was an inside job facilitated by compromised Secret Service – just as it was in Butler."*** Then I saw Erica Kirk. I will do my very best to explain what I saw. See had been "programed" somewhere along the way.

I saw her in a facility of sorts, where they were working with her. There were glimpses where she was very unstable until they had her locked in. Now, I am going to go out on the limb and share this today for your prayer and discernment. I saw the marking of MK Ultra on her. She was the perfect candidate in all of her beauty to gain the levels of access that they needed for her assignment given by her controllers. My impression was

that she was clearly a deep state asset. They could turn her "on" or "off" at will. I have no understanding at all of how all that works, but nevertheless, that is what I saw and understood in the spirit. She is not what meets the eye. There is much more going on with her.

Now, as if I have not already gone way out there, there was one more thing the Lord gave me a glimpse of, and again I submit it in fear and trembling of the Lord. There was a back door that had been left open and had not been scrubbed, nor will it ever be scrubbed by the grace of God. This back door involved ties into trafficking and included ties into the Khazarian Jews. There were breadcrumbs of evidence everywhere. They tried to get rid of the tracks and the evidence, but they could not! These breadcrumbs will most certainly lead to every root system and player that shall be brought to Justice. I saw the white hats are gathering evidence, and the plan to fully remove those involved and to bring incarceration and justice. Lastly, and perhaps the most important thing to share is something else I was not prepared for when I saw it.

To be clear, I saw a glimpse into something I simply wish I had not seen. I deliberated and have been praying as to whether to even share it right now, knowing the mid-terms are approaching. The Lord woke me through the night and said to me, ***"Barry, I know this is hard, and it is not easy, but I have given this to you to share today to warn My people and call them to pray – for My plans are to expose everything that is not of me and loves kind, that brings harm, death and destruction to My people."***

"Barry, do not share anything today that I have not called you to, but be sure to release all that I have called you to – do not be afraid – I will look after the rest." So, with that being said, here is what the Father gave me: I saw in the Spirit - the larger play at hand. For if the evil, Globalist, Deep State Cabal could remove President Trump, they would have a runway for taking control once again. That plan was to see President Trump taken out and JD Vance sworn in as President of the United States of America.

God's ways are higher and trump any plan that the enemy would have to come against the ultimate plans and purposes of God in this hour! The enemies' plans will not prevail! I was taken again in the spirit where I saw a bright spotlight put on Honorable Secretary of State Marco Rubio. It was literally a spotlight on him as he was brought front and center on a platform with President Trump, as he was then sworn in as Vice President of the United States of America.

Victory awaits! Great days lie ahead! The time is upon us to rebuild ruined cities and Nations for the Glory of God!

Angela Robinson: Move Forward

As I prayed about October and the autumn season, I kept sensing movement—sudden shifts, harvest, and an invitation to open our spiritual eyes to what God is already doing. There are seasons to wait, seasons to prepare, and seasons when God says it's time to move. This month is a call to remember His faithfulness and courageously move forward when He gives direction.

The Shift: Be Ready to Move

"See, I am doing a new thing! Now it springs up; do you not perceive it?" (Isaiah 43:19 NIV)

Do you feel it? I'm not talking about the cooler air—although being able to fling wide open the windows here in Arizona this week has been an amazing blessing. I'm talking about something deeper. As I prayed about October, I kept sensing movement. **The Lord is speaking clearly: "It's time to move."** There are seasons when God asks us to wait, seasons when He asks us to prepare, and seasons when He says, "It's time to move."

For many, the past months or even years have required deep surrender and relentless trust. There has been painful pruning, rebuilding, refining, and preparation that didn't always make sense while walking through it. Some things had to end. Some things had to be released. Some things had to be rebuilt differently because the old structure could not carry what God was preparing next. But the Lord is looking for people who are obedient and ready for the moment when preparation gives way to movement—when something that seemed delayed begins to shift... when the answer arrives differently than expected... when pieces begin connecting that you couldn't have connected yourself... *suddenly*.

Scripture is filled with these moments. Suddenly, the prison doors opened. Suddenly, the sound of Heaven filled the room. Suddenly, what had seemed immovable began to move. **What appears sudden to us may have been forming in the unseen for years.**

I don't believe we get to dictate when or how God fulfills His promises. But I do believe we should live with eyes open enough to recognize His movement when it comes.

Isaiah 43:19 asks, "Do you not perceive it?" Maybe part of this shift is us asking God to open our spiritual eyes. We can become so focused on what we see in the natural—the delay, disappointment, circumstances, and noise around us—that we miss what He is doing in the unseen. May our bold prayer in this season be "Lord, give us eyes to see what You are doing and the courage to move when You show us." (*Photo via Unsplash*)

The door can open suddenly. But you still have to walk through it.

Suddenly Doesn't Mean Unprepared

"In their hearts humans plan their course, but the Lord establishes their steps." (Proverbs 16:9 NIV)

Have you ever looked back and realized God was doing things you couldn't see while you were waiting? October marks one year since I became the owner of The Crowning Jewels. Even writing that feels surreal. The opportunity came together

so quickly that it felt like one of the great suddenlies of my life. But looking back, I realize it wasn't sudden at all.

I became a customer of The Crowning Jewels in 2018. I loved the heart and ministry behind the jewelry long before I ever imagined becoming part of its story. Every prophetic card I received was powerful and timely. Then in 2023, I became a prophetic card writer, praying and writing words of encouragement for customers one card at a time.

I didn't know where any of it was leading. I was simply saying yes to what God had placed in front of me and using my prophetic voice through writing. Looking back, I realize He was teaching me something much bigger: **Our gifts can be used in extraordinary ways when we focus less on the gift itself and more on the One who gave it to us.**

We don't always need to understand where the gift is leading. We simply need to faithfully use what He has placed within us. And then, in 2025, the door suddenly opened for me to become the owner. **What felt like "a suddenly" had actually been seven years in preparation.**

Looking back, I can recognize threads God was weaving that I couldn't see while I was living them. He was connecting relationships, developing gifts, deepening my faith, and preparing me to carry something I didn't even know He would someday place in my hands. There is something incredibly humbling about realizing God was preparing you for an assignment before you even knew it existed.

We see individual chapters. God sees the whole story.

Joseph had a dream long before he stepped into the palace. David was anointed long before he wore the crown. There were years between the promise and its fulfillment, and yet none of those years were wasted. Even for the Israelites, the forty years in the wilderness were not meaningless. There was divine discipline and generations learning what it meant to live in freedom. *(Photo via Pexels)*

Maybe what feels like waiting in your life isn't empty space. Maybe God is preparing you. What if your suddenly is simply the moment you finally get to see what God has quietly been building in and through you all along?

Restoration May Not Look Like Returning

"I will repay you for the years the locusts have eaten..." (Joel 2:25 NIV)

Sometimes we ask God for restoration while secretly expecting Him to return everything to exactly the way it was. But what if restoration isn't always a return? What if restoration requires something new?

He walked me through this lesson over the summer. Overnight, I watched portions of our home literally be torn down to the studs. What initially looked like destruction became an opportunity to rebuild differently. There were decisions I never planned to make, things I never intended to replace, and changes I certainly wouldn't have chosen in the chaos they arrived in. And yet, standing on the other side of it, I can see so much goodness emerging from places that only looked like loss.

God is a Restorer, but He is also a Creator.

He restores what was lost. He replaces what was broken. He brings provision we could never have manufactured. And sometimes He leads us into something entirely unexpected and new.

The lesson? Don't become so committed to the old version that you cannot recognize restoration when it arrives wearing new clothes. Through every shift, remember who remains above it all. The Lord is sovereign. He is still in control. He still does miracles.

Rejoice and Take the Next Step

"Whether you turn to the right or to the left, your ears will hear a voice behind you, saying, 'This is the way; walk in it.'" (Isaiah 30:21 NIV)

Kim Potter: Your Tipping Point Is Coming - Look Up!

Our Tipping Point

This word was originally released on September 22, 2026:

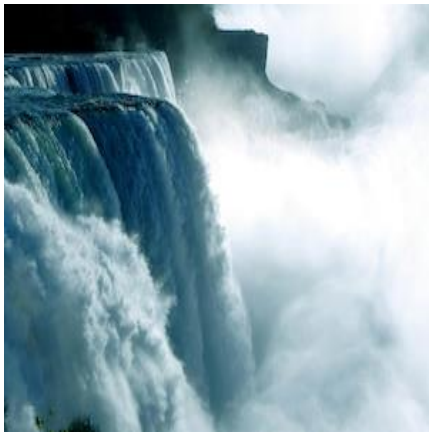

There is a phrase that has been coming to mind repeatedly the past few days. That phrase is "a tipping point." This isn't the first time God has spoken to me about a tipping point. Yet here I am hearing those words again. Not only hearing the phrase, but several messages I have tuned into online are talking about tipping points. It seems many people are hearing, "We have reached our tipping point!"

As I have meditated on this phrase recently, a thought rose up in my spirit: **We have reached our tipping point.** My mind went back to a few years ago when God had me studying tipping points. I knew I had to find my notes from that time, and thank God, I did find them.

My study of tipping points began with something God once spoke to me. I had been praying for one of our partners. God instructed me to sow a seed for this partner. I sowed that seed. Later, I was thinking about the seed I had sown because it was a sacrificial seed for me at that time. I said to the Lord, "Okay, Lord, I have sown another seed." Expecting no response, I was surprised when He spoke back to me. He said, "There *will be* a tipping point."

He had emphasized the words "will be"; therefore, I knew without question, I would reach a tipping point in my giving. When that occurred, my harvest would come rushing in.

A tipping point is defined as "the point at which a series of small changes or incidents becomes significant enough to cause a larger, more important change" (Oxford English Dictionary). Malcolm Gladwell wrote a book entitled *The Tipping Point*. He said that breakthroughs come as a result of repeated behaviors that build up an accumulative effect to a critical mass. He said when the tipping point is reached, a breakthrough occurs, much like the collapse of a dam when a small constant trickle turns into a flood.

This makes me think of **1 Chronicles 14:11:**
"So they went up to Baal Perazim, and David defeated them there. Then David said, 'God has broken through my enemies by my hand like a breakthrough of water.' Therefore they called the name of that place Baal Perazim" (NKJV). (Photo via Pexels)

The Amplified Bible says it like this: **"So [Israel] came up to Baal-perazim, and David smote [the Philistines] there. Then David said, God has broken my enemies by my hand, like the bursting forth of waters. Therefore they called the name of that place Baal-perazim [Lord of breaking through]"** (AMPC).

Our God is the Lord who breaks through.

Our prayers are being heard. Our giving is being seen. There will be a tipping point. Don't quit. Don't give up. Keep pressing forward. The Bible tells us we will reap in due season if we refuse to give up.

I once read an article about businesses that relates to this concept. The article said most businesses do not fail because they are unable to become successful. Most businesses fail because someone gives up before they reach their tipping point—their time to reap the reward from the work they have invested in their business.

If God is saying, ***"There will be a tipping point,"*** that is good enough for me. Every prayer we pray, every offering we give is being seen. The tipping point is coming. That tipping point may be today, or tomorrow, or next month.

Perhaps you are seeing a trickle of answered prayers—a trickle of healing, a trickle of relief from debt. If so, don't quit. **That trickle will turn into a flood as the Lord of the Breakthrough comes on the scene.** Breakthrough is imminent. The tipping point will come. Perhaps it already has.

Look Up!

This word was originally released on September 25, 2026:

Just like the phrase "tipping point" has been going through my mind lately, another phrase has also been going through my mind. I have heard it in movies, in sermons, and even in articles I've come across in the past week. The phrase is "look up!"

One elderly man taught his grandson this: "Whenever you come across a problem you can't fix, look up." The grandson used this insight to help him through several challenging journeys.

However, when I think of the words "look up," I think about what the Word of God says about this truth:

"I will lift up my eyes to the hills—from whence comes my help? My help comes from the LORD, who made Heaven and earth." (Psalm 121:1–2 NKJV)

"Unto You I lift up my eyes, O You who dwell in the heavens. Behold, as the eyes of servants look to the hand of their masters, as the eyes of a maid to the hand of her mistress, so our eyes look to the Lord our God, until He has mercy on us." (Psalm 123:1–2 NKJV) (Photo via Pexels)

When we face things that we simply do not have the answers for, the Bible teaches us to look up to God. He alone has the answers we need in the moment. **Hebrews 12:1–2 says, "Therefore we also, since we are surrounded by so great a cloud of witnesses, let us lay aside every weight, and the sin which so easily ensnares us, and let us run with endurance the race that is set before us, looking unto Jesus, the author and finisher of our faith, who for the joy that was set before Him endured the cross, despising the shame, and has sat down at the right hand of the throne of God." (NKJV)**

When we look up, we are looking unto Jesus, who is the Author and Finisher of our faith. He is our Master, our Lord, and as we look to Him, He will lead us and guide us in the way we should go—every time—if we continue to look to Him.

"Why are you cast down, O my soul? And why are you disquieted within me? Hope in God, for I shall yet praise Him for the help of His countenance." (Psalm 42:5 NKJV)

I love what David says here. He doesn't allow his heart to remain cast down or to look downward even in times of trouble. And, when his soul is cast down, he knows exactly what to do.

"O my God, my life is cast down upon me [and I find the burden more than I can bear]; therefore will I [earnestly] remember You from the land of the Jordan [River] and the [summits of Mount] Hermon, from the little mountain Mizar." (Psalm 42:6 AMPC)

When he becomes discouraged, he simply remembers what God has already done for him. Sometimes I must do the same thing! I must remind myself how faithful God has been in the past and how He has come through for me in previous seasons.

My friend, I don't know what you are going through today, but refuse to look down. Remind yourself to *look up*. Look unto Jesus! Look up to the Lord who made everything you can see around you. Look to your Master and your God. He will move mountains for you. He will perfect all that concerns you as you continue to look up unto Him. We have His word on it.

NATE & CHRISTY

PROPHETIC WORD – AFTER THE STORM COMES THE WAVE OF GLORY,

I am hearing, "**CHECKMATE!** *This is a checkmate season against the kingdom of darkness.*"

The enemy may have played his hand against your family, your destiny, and your purpose for a long time now, but I'm hearing, "**CHECKMATE.**" Something is coming that he can't hold back.

The enemy has been like the prince of Persia, trying to delay the breakthrough, trying to make you barren and birth stillborns, but I'm hearing "**CHECKMATE,**" because God has an answer. God has His reinforcements, and this is the season where God is about to roll out His **RECOVERY** plan.

Maybe you've been stuck in the warfare mindset for so long you can't see beyond this particular attack that's come against you. Prophecy this with me: *Checkmate! God has a move up His sleeve. He's about to show up in **GLORY!***

A few months ago, I shared about the wave of God's **JUSTICE**, then the wave of **RECKONING**. I saw this wave many months ago, but the Lord didn't release me to share the rest of it until now.

Then the other night, I saw a wave of His **GLORY** crashing over the body of Christ. It was not a nice little wave. It was **TSUNAMI LEVEL**, and I could feel the winds of it, the four winds of the valley of dry bones, the four winds of the Spirit of God blowing.

God's about to **FLIP THE SCRIPT**. He's about to turn the tide on every bit of opposition that has been against you.

"For I've seen the murderous spirit that's come against you," says the Lord. "The moment I placed that seed, that vision in your spirit, the moment I branded you, the moment I anointed you, the enemy came against you with the murderous spirit, not just to delay you, distract you, but to TAKE YOU OUT.

"He thought he could take you out with that which was familiar to you— old temptations, old escapisms. He thought he could take you out by leading you astray, but you held close to Me. So, he tried to take you out with other things that were familiar, people, words of slander, accusation from the body of Christ, from family, from friends.

"He sent saboteurs. He sent sickness, affliction, infirmity, the bad report against you, which today is BREAKING. He came against you with poverty, with lack, slowly poking holes in your provision, in your confidence, until you felt like you weren't anointed anymore, like I had abandoned you. It came to take your life, because of what I planted within you. But now I'm TURNING THE TIDE," says the Lord. "There is a flood coming into your life. I'm about to FLIP THE SCRIPT."

That's why the assignment has been against you. It's because of what you're **CARRYING**. You don't even see the fullness of it. All you know is that you're majorly contested.

But it's a paradox. How? The Lord said to me, ***"What looks like the place of affliction is actually the BIRTHING PLACE. It's actually their LAUNCH PAD."***

"Shout for joy, O barren woman, who bears no children; break forth in song and cry aloud, you who have never travailed, Enlarge the site of your tent, stretch out the curtains of your dwellings, do not hold back. Lengthen your ropes and drive your stakes in deep." —Isaiah 54:1-2

It's where it doesn't make sense, because you say, *"I'm barren. I haven't got my song. And You're going to ENLARGE me? I'm BARREN, yet I'm told to SING. I'm AFFLICTED, yet I'm told to ENLARGE?"*

"O afflicted city, lashed by storms, without solace, surely I will set your stones in antimony and lay your foundations with sapphires." — Isaiah 54:11

"Lashed by storms" is the word "so'arah." A tempest. A whirlwind. The enemy brought a storm to interrupt and disrupt what God is doing in your life. But he doesn't realize he's playing into God's plan, because Isaiah 54 is the blueprint: when you come into opposition, it's actually the place God is **BIRTHING** you.

Isaiah 54:17 says, **"No weapon formed against you shall prosper, and you will refute every tongue that accuses you. This is the heritage of the servants of the LORD."**

The enemy thinks he has won because of all he has done against you. But this is where God brings **VINDICATION**.

Let me break down three things about this wave,

1- THE BREAKING POINT IS THE BIRTH CANAL

Why is the war so intense against your life? Because you're about to **BIRTH**. You're about to step into next level influence, a new anointing, a mantle. You've been asking God for nations, for regions, for your family, for your marriage, for that next level anointing. The enemy saw the seed being planted and said, "That's the target I'm going to take out." He sees the next level you that is emerging, and it absolutely sends chills down his spine.

What you've been walking through is the birth canal of the greater glory. It's felt like death, but it's the beginning of **DELIVERY**. And it's been a test,

A test on your voice– **"Will you keep speaking what I've given you?"** says the Lord.

A test on your faith– Will you step out even when you don't have the provision?

A test of vision– Will you walk the path when it doesn't make sense?

A test of your heart– Will you love even when people betray you?

A test of your pursuit– Will you seek Me when you're having to defend yourself?

This has been a hidden process for so many. Behind closed doors, crushed beyond crushed, persecuted, abandoned. But the Lord says, ***"I'm about to move powerfully on your behalf and RESURRECT you in public and EXONERATE you in public."***

2- WHEN THE ENEMY COMES IN LIKE A FLOOD

"So shall they fear the name of the LORD from the west, and his glory from the rising of the sun. When the enemy shall come in like a flood, the Spirit of the LORD shall lift up a standard against him." – Isaiah 59:19

The enemy has been coming like a storm, like a flood. But what's greater than a flood? **A TSUNAMI. A TIDAL WAVE OF HIS GLORY**, and that is what is coming!

You might be thinking, *"No one's protecting me. No one's looking after me."* You feel uncovered, vulnerable, like the enemy has just been wreaking havoc on your life. But God is **BROODING** over you. He's hovering over your life and raising up a **BANNER** over you right now.

"I consider that our present sufferings are not worth comparing with the glory that will be revealed in us." – Romans 8:18

God is pouring out His glory in a season of affliction, in a season of persecution. He's about to raise you up as a **VOICE TO THE NATIONS** in the midst of your most tumultuous season.

3- THE GLORY COMES AFTER THE BATTLE

"Once more, in a little while, I will shake the heavens and the earth, the sea and the dry land. I will shake all the nations, and they will come with all their treasures, and I will fill this house with glory, The silver is Mine, and the gold is Mine, The latter glory of this house will be greater than the former, and in this place I will provide peace." – Haggai 2:6-9

The shaking always comes before the glory. The battle always comes before the glory.

What He planted in you long ago were **SEEDS OF GLORY**. The seeds of a mighty outpouring of His Spirit. And the opposition **WEAPONIZES** you. God's like, *"Devil, you tried to take them out, but look, they're STILL STANDING. It did not work. They're still worshipping Me."*

The refinery process is painful, and many people abdicate from the process. But those who have **STAYED** in the place of refinery, in the purging of heart through the difficult, painful years, they're the ones the glory comes to.

So right now, I break that hope deferred mindset. I break that abandonment mentality. I break that feeling of being afflicted and storm-tossed, like a dog under the table.

NOW WATCH WHAT THE GLORY DOES,

Many of you have been through extreme loss. In fact, your whole track record, the last three to four years has been loss, loss, loss. But **GET READY FOR THE GLORY OF GOD**. It's about to crash into your life because this is who He is, He's the **KING OF GLORY!**

Lift up your heads again, because this is the playbook of heaven against the playbook of the enemy. The glory always comes after suffering. Let God vindicate you. **LET HIS GLORY VINDICATE YOU.**

The glory **SHIFTS THE TIDE.** Fruit just breaks out everywhere around you. You don't even need to try. **DEMONS RUN.** It comes with **AUTHORITY.** The things you prophesy happen. When you pray for people, they get healed. They get set free. Things that have been against you in the natural begin to turn, and an unusual favor comes over you. You're about to see signs, wonders, healings, miracles, an outpouring of God's Spirit over your family, your marriage, every area of your life.

And people are about to see the fruit of your "yes" through the hard and difficult years. The ones who were talking about you are going to say, *"Maybe I saw wrong."* They're going to repent before the Lord, because they threw stones at you when you needed a brother to lift up your arms.

I heard the Lord say this over you—

"Thank you for being faithful to steward the new wine. Thank you for being faithful to steward what is unpopular. For now, the wave of My glory is coming to establish My kingdom through those I can trust with My glory, and what I've been pouring out in secret, because I entrust My glory to My friends."

Put your hands out right now and prophesy with me:

I PROPHECY THE WAVE OF GLORY IS COMING OVER ME.

I PROPHECY THAT THIS BREAKING POINT IS MY LAUNCHING PAD.

I PROPHECY THE TIDE IS TURNING IN MY LIFE.

I PROPHECY GOD IS FLIPPING THE SCRIPT ON EVERY ASSIGNMENT AGAINST ME.

I PROPHECY THAT EVEN THROUGH THIS SUFFERING, THE GLORY OF THE LORD IS COMING INTO MY LIFE AND I WON'T EVEN BE ABLE TO CONTAIN IT.

I PROPHECY EVERY TONGUE THAT CAME AGAINST ME IS BROKEN AND REFUTED IN THE NAME OF JESUS.

God, I will birth what You gave me long ago. You will rebuild me. And like Job, who was restored with double, this will be a season of DOUBLE

RECOMPENSE for all the years of affliction that came against my life, for You are flipping the script right now.

Now one last time, let me prophesy: **CHECKMATE. CHECKMATE. CHECKMATE!** Now get ready for the glory of the Lord, in Jesus' mighty name.

By My Power, I Will Turn Things Around

Lana Vawser recently prophesied,

Recently I heard the Lord say, ***'The lies of defeat have come against many so strongly because you are postured to see the greatest demonstration of My restoration you have ever seen.'***

As the Lord spoke these words, I could hear the lies of defeat swirling around many. I could hear the taunts of the enemy coming against many minds right now, looking for agreement with defeat. I then began to see the enemy bringing before many situations and circumstances and things from the past and shouting, 'Defeat, defeat, defeat.' As I could hear these taunts of the enemy shouting loudly 'defeat,' he then began taunting, 'retreat.' **We are more than conquerors and gain a surpassing victory through Him Who loved us.' Romans 8:37 (AMPC)**

I then heard the Lord say:

'Where the enemy is attempting to lure many into agreement with lies of defeat and defeated mindsets, new avenues now await as the greatest demonstrations of My restoration that they have ever seen come forth.'

'My people, stand firm with great resolve against the bait from the enemy to agree with the lies of defeat. I say unto you, look not at what has been. Look not at the past. Look not at the natural. Look to Me. For these are the days of the greatest restoration that you have ever seen. The enemy is attempting to lure many of you into places of agreement with mindsets of defeat as I am leading you into greater places of victory. I am bringing you into a new day of overcoming. I am bringing you forth into new days of vision, clarity and expansion to see the landscape that I have before you.

'I have new things that await you; and I say unto you, that the enemy is attempting to cause you to give your attention to defeat, your attention to what has been broken, your attention to what has been lost. I say unto you, continue to stand with great resolve against the lies of defeat that attempt to contain you. For I say unto you, that as you stand in faith against what the enemy is speaking, not only shall you see a mighty demonstration of restoration in these days that far outweighs what you have ever seen before, you shall see a greater awakening that shall take place in your midst of the reality that you are seated in the heavenly places with Me. (Ephesians 2:6)

'I say unto you that I am restoring what has been broken, lost and stolen and it is suddenly coming forth in this hour; and there is a mighty birthing of My Spirit that is bringing forth all and more than ever before. I say unto you, that you must get My Word in your mouth in greater ways against the lies of defeat that the enemy is attempting to lure you into. There are some of you that need to arise and stand and rebuke the devourer (Mal 3:11) and his schemes and his plans against you. I say unto you, do not tolerate the schemes of the enemy because of weariness. I say unto you, that you must arise with a no-toleration for the schemes of the enemy that are attempting to cause you to agree with defeat and lure you into retreat.

'For I say unto you, mark these days. Mark these days in your mind and heart for these are the days that you will look back on and rejoice at the unprecedented demonstration of My mighty power to restore and to reset. My mighty power to position and accelerate and to cause you to move forth in power by My Spirit into all that I have for you. For these days will be days of great testimony where you will look back rejoicing in My faithfulness. See, My people, the enemy is attempting to lure you into visions of defeat, hopelessness and lack of vision, because these are the days where I am increasing your vision.

'I am calling you up higher. I am bringing you into a deeper place of conviction of the power of My Word and My power to bring to life to that which was dead. To restore that which was lost and to heal that which was broken. The enemy is attempting to lure many of you into conversations of defeat. Meditations of defeat, where the truth is these are the days of the greatest demonstrations of MY VICTORY in your midst. You must come up higher. You must fight the enemy against your vision.

'I say unto you, watch the WAYS that I am going to restore. WATCH the ways that I am going to supernaturally add back to you with increase. Watch the WAYS that I am going to cause the enemy to repay for the delay. Watch the ways that My mighty hand will bring restoration. For in the mighty demonstrations of My restoration upon you, not only shall you see My power in ways you have never seen, but I say unto you that there shall be a greater COMING FORTH for you in this hour into new avenues and new assignments that I have for you.

'My people, the enemy is attempting to cause you to retreat in defeat, because I have NEW assignments, NEW pathways and NEW avenues that I am going to open up before you. That as you follow Me in obedience, you shall come into places of co-laboring with Me, where you shall see My Glory in ways you have never seen before. The battle is not just about the restoration that I am bringing forth in your life, the battle has been over your comeback. The battle has been over you stepping into that which I have for you. The battle has been over you moving with Me in the days of unprecedented manifestations of My victory in your midst, and you awakening to your authority in ways you never have before.

'The enemy has lost ground. The enemy is losing ground. And the enemy knows he is going to lose ground as you continue to come before Me in surrender, repentance, humility and faith. For in all that the enemy has attempted for evil, I am turning for your good (Gen 50:20, Rom 8:28). I say unto you, that the enemy is terrified of you arising in Me – living fully alive and fully awake – and I am bringing you to life again.

'I am causing you to awaken in this hour with a conviction of My Spirit of where you are seated and move in greater ways to ENFORCE the victory that I have given you. The days of you walking in defeated mindsets and places of victim mentalities and limited thinking are over. I am shining My light upon these places and calling you deeper into repentance; and as you do, I am

causing you to arise by My Spirit in greater fullness into what I have called you to do, who I have called you to be and to reign with Me and walk in your authority.

'Where the enemy has been and is screaming, 'DEFEAT, RETREAT, DEFEAT, RETREAT,' I say unto you, that now is the time for the apprehending of your inheritance in Me in greater ways.' Now is the time where I am bringing even greater freedom to you and to your feet – to move into all that I have for you. There is a mighty coming forth that is taking place in your midst. You will occupy. You will apprehend. And you will be established in what I have for you as you seek Me and obey Me. Do not entertain lies of defeat, do not retreat; for I am bringing you into full-circle restorations, divine comebacks and a whole new territory of co-laboring with Me.

"In but a moment – by My power – I will turn things around"

Bernice Scheidler: Prophetic word OCTOBER 2026:

GOD IS MOVING YOU THROUGH THE DOOR OF IMPOSSIBILITY!

In the early hours of Monday morning, September 28th, just after 2 A.M., I woke up and shifted right into a vision, almost as though I were dreaming, except I was awake.

I saw a large door in front of me with a small keyhole.

Then I saw someone going through the door, but not the way you would expect. They moved through the door by passing through the keyhole, as effortlessly as if the door were standing wide open.

I remember thinking, That's impossible! The keyhole is far too small. But the person moved through it in spirit form, almost like vapor or a cloud, and passed through with ease.

Immediately, while still in the vision, I thought of Jesus' words about a camel passing through the eye of a needle.

Then I came out of the vision.

I want to share with you what I believe the Lord is speaking through what He showed me in this vision:

WHAT HAS BEEN IMPOSSIBLE FOR YOU, GOD WILL NOW MAKE POSSIBLE!

In Matthew 19:20-26 NKJV, Jesus is speaking to the rich young ruler.

Jesus told him to let go of his possessions and follow Him, but the man walked away sorrowful because he could not let go of his great wealth. Jesus then told His disciples that it was easier for a camel to pass through the eye of a needle than for a rich man to enter the kingdom of God.

The disciples asked, "Who then can be saved?"

Jesus answered: "With men this is impossible, but with God all things are possible." — Matthew 19:26

I believe the Lord was showing me that; WHAT HAS BEEN IMPOSSIBLE FOR YOU WILL NOW BE POSSIBLE WITH HIM.

You cannot go through the door He has set before you by your own human ability.

It will not be by your strength, your resources, your effort, or your connections.

THE KEY WILL BE TO MOVE BY HIS SPIRIT, NOT IN THE FLESH.

Zechariah 4:6, "Not by might nor by power, but by My Spirit," says the LORD of hosts.

PAY ATTENTION TO THE 4! The 4 is the OPEN Door. It is Revelation 4, 'Behold a door standing open.' It is Zechariah 4, 'Not by might nor by power, but by My Spirit.' It is James 4, "Humble yourselves in the sight of the Lord, and He will lift you up."

It is the 4th QUARTER of 2026

I believe that this 4th quarter of the year beginning OCTOBER we are entering a significant time of moving through the door and into the new.

WE MUST MOVE BY HIS SPIRIT, NOT BY OUR OWN MIGHT OR POWER!

I have been teaching on the life of Joseph at The Altar School. While Joseph was in prison, there came a moment when he tried to use the opportunity in front of him to get himself out. After interpreting the cupbearer's dream, Joseph said, **"Remember me when it is well with you, and make mention of me to Pharaoh, and get me out of this house."** — **Genesis 40:14**

But the cupbearer forgot Joseph, and that door remained closed for two more years. Joseph could not open it for himself.

BUT THEN CAME A "SUDDENLY" MOMENT.

God orchestrated a divine moment. Joseph woke up that morning a prisoner, but before the day was over, Pharaoh had placed his signet ring on his hand, clothed him in fine linen, and set him over the land of Egypt. God didn't simply bring Joseph out of the prison; He brought him into the palace and into the promise.

Where God is taking you is bigger than you can comprehend. It is beyond your own strength, beyond your own ability, and beyond anything you could ever accomplish on your own.

I decree and declare over you today:

God is taking you through the door of IMPOSSIBILITY!

- From the prison to the palace
- From waiting to suddenly.
- From promises to fulfillment.

YOU ARE GOING THROUGH THE DOOR.

- NOT BY MIGHT.
- NOT BY POWER.
- BUT BY HIS SPIRIT.

GET READY FOR THE 4, GET READY TO MOVE THROUGH THE DOOR!
THIS IS YOUR SUDDENLY MOMENT!

Terry Frisen: Advancing Glory of God, from Jan 5, 2022

In Fall of 2021, I awoke and entered a 3rd Heaven encounter. I saw the Father sitting on His throne with His elbow on his knee and hand under His chin. He was in the thinker pose as He pondered something. Around His throne I saw His generals, and they were engaged in a discussion. I didn't sense any distress, but the weight of the decision that was before them.

The Father asked the question, "***How shall we reveal the new wave of My Glory on the earth?***" The question appeared rhetorical as no one answered it. I felt as though the Father was just delighted to have His generals seated with Him to share this moment. It was decided that the Father would pour out His glory on those that were ready for it.

Dec 25th early A.M.– I awoke to the Holy Spirit handing out new gifts - anointings designed to interact with the Father's glory. He chose this day to honor the gift of His son.

Holy Spirit was handing out 4 distinct giftings/anointings:

- Receive His glory
- Carry His glory
- Release His glory
- Steward His glory

Receive – this divine enablement would enable the anointed to draw in or receive the glory of God for their personal lives, their circumstances, and into their areas of influence.

Carry – this divine enablement would enable the anointed to walk in the glory of God 24/7. They would be a vessel that was filled and had the ability to carry the glory wherever they went. This reflected the habitation of His glory.

Release – this divine enablement would enable the anointed to release the glory of God into various areas, services, organizations, and situations.

Steward – this divine enablement would enable the anointed to steward or govern the glory of God over a home, family, organization, region, and beyond. They would have the ability to supersede the authority in the land with the authority of God.

Regarding the stewardship – I had one encounter whereby I felt the full weight of evil emanating from ground that had been given over to the enemy. In the face of this demonic onslaught, the Lord, through this enablement, was able to hold the enemy's influence at bay and simultaneously release the glory of God until the Glory overwhelmed the evil effluent. The net result in this encounter was a complete displacement of Kingdoms.

Dec 26th early A.M. – I awoke in the spirit over California. Holy Spirit instructed me to send the Host to identify those who were ready to walk in and carry the 4 anointings related to the glory. I sent the host. Next, I released the anointings to those that had been identified.

I was then instructed to apply the blood of Christ to act as a barrier to cleanse the land from the old to the new. After this, I saw the hands of the Father knit His glory into the fabric of California. He flashed an image of when He knits His life into the womb of a mother at the point of conception. He did the same for the state of California with His glory.

I was then taken to Wisconsin, Michigan, and Pennsylvania to walk through the very same process. In my mind I assumed others were tasked to do the same for the other states, but I don't know for sure.

Dec 27th early A.M. – I awoke in the spirit over certain peoples who I recognized and was instructed to anoint them with one or more of the 4 giftings related to the glory.

After some time, I was taken in the spirit over what would be considered an enemy high place. It was a location wrought with ritual abuse, sacrifice, and satanic covenant type meetings and events. I was instructed to apply the blood – in previous years I have been instructed to tear down every demonic stronghold but was not permitted to pull out the roots. As I applied the blood, the ground was now cleansed, and I was instructed to release the glory into this location.

Holy Spirit flashed an image of the east coast of the US where this location had great influence in the halls of power and finance. As the glory was released, it would now transform these channels intended for evil and transform them into channels for the glory. The tables were turned, and what was meant for evil instantly became a conduit for God's kingdom.

Jan 1, 2022 early A.M. – I awoke with anticipation. The last several years, the 1st thing the Lord speaks on Jan 1 becomes the dominant theme for me in the coming year. Holy Spirit took me to several places and into several different circumstances.

First, I was in the spirit over the poorest of the poor in a brick-making community in Mexico. The brick makers are displaced from central America, and having lost all hope they settled on making bricks by hand with mud and manure. We served them a meal on a mission trip – they are the poorest of the poor with no hope or dignity in sight. Everything had been stripped from them.

Holy Spirit said release the Glory of the Father – I did. In a place without hope, the glory of God can not only bring hope, but it can also bring transformation and physical change. I was then taken into town where we ministered, and I released the glory over an area I had previously marked in the spirit for the Kingdom of God.

Holy Spirit then took me to several situations and people, each one more complex than the next. Rather than spend hours in prayer dissecting strongholds and root systems, Holy Spirit simply said release the Father's glory. As the glory of God went forth, it began to untangle the web of the enemy's lies, bondage, and all human disfunction. Nothing could stop the transformation. Everything that was wrong would begin to untangle, and everything that was right would begin to take shape.

2022 [and beyond] will be the advancing Glory of God. As the Ecclesia, we will learn to receive, carry, release, and steward the glory. It will be the Father's secret weapon that confuses the enemy and transforms systems and people. Wherever the glory goes, it administrates the spiritual environment to reflect the reality of Heaven which will intern manifest in the natural.

"Jubilee Update — Waves of Glory"

The LORD warns, ***"The Winds of Adversity are amassing, even as the North Wind of My Glory is about to explode in the earth!"***

On September 27, 2026, Pastor Tim Sheets saw a seraph in the service who has been there, but he was told that there were twenty-one waves coming of God's Glory. An

interesting number, 21 = exceeding sinfulness of sin. So, Waves of Glory to destroy the sinfulness of sin in The Church and in The Nations.

Jubilee, March 28, 2021. ***"The Winds of Adversity are amassing, even as the North Wind of My Glory is about to explode in the earth!"*** Surely, heaven is celebrating the birth of the sons and daughters of God into the realm of His Glory and majesty upon the earth. The earth is already experiencing birth pangs as men try to destroy it, led by demonic and earthly wisdom that is futile and foolish. ***"Rich and selfish overlords of injustice think they are in control because they do NOT bow to ME. They are filled with deception and delusion of grandeur, led by spirits of lust, violence and rebellion. Most of them have been confronted with the Truth, but unwilling to give up their lust for MORE of this earthly realm. Nowhere in the world has there been more exposure to Truth than in America. This is why they want to extinguish America - to wipe out all traces of Christianity."***

"Who is there among you who is wise and intelligent? Then let him by his noble living show forth his [good] works with the [unobtrusive] humility [which is the proper attribute] of true wisdom. But if you have bitter jealousy (envy) and contention (rivalry, selfish ambition) in your hearts, do not pride yourselves on it and thus be in defiance of and false to the Truth. This [superficial] wisdom is not such as comes down from above, but is earthly, unspiritual (animal), even devilish (demoniacal) For wherever there is jealousy (envy) and contention (rivalry and selfish ambition), there will also be confusion (unrest, disharmony, rebellion) and all sorts of evil and vile practices. But the wisdom from above is first of all pure (undefiled); then it is peace-loving, courteous (considerate, gentle). [It is willing to] yield to reason, full of compassion and good fruits; it is wholehearted and straightforward, impartial and unfeigned (free from doubts, wavering, and insincerity). And the harvest of righteousness (of conformity to God's will in thought and deed) is [the fruit of the seed] sown in peace by those who work for and make peace." (James 3:13-18 AMPC)

"I adjure you, My Sons and Daughters, to not be like them, holding on to the things of this earth. Do not allow the things of this world to have a hold on you. Think about what you would take with you if you had to leave in a rush. What is most important to you? Adjust your life to living simply as much as possible, for judgments are ensuing and you must be WISE in MY Ways, ready to move at a moment's notice. Faith needs to arise in your hearts also for all you need for provision to come from ME. My KINGDOM is not

impoverished, and there is NOTHING that I cannot do for you. You only have to believe and obey.

"I AM bringing a jubilee of sorts - a jubilee from oppressing forces, from hopelessness, from lack of love and kindness, from heartbreak and poverty of soul. I AM pouring out My Manifest Love in waves and waves like a tsunami, it will come and overtake you, just like a tsunami in the natural does. Suddenly, it will come as unusual winds and waves come upon the earth, so will My Waves of Love and justice overtake you. But this Glory is not for your sensual pleasure. It is for pouring out Love to the lost and broken, that they too may receive the freedom I AM bestowing on you. Curtains of darkness will be removed, and walls of hindrance. Do not be afraid of My Power. Do not be afraid of the veil that will be rent off the world that allows you to see 2nd and 3rd heavens! I will remove all the fear, so that you will be able to handle the manifest love and glory that I AM pouring out. My Voice will be more clear. Revelation will be more clear. Discernment will be more sharp and pinpoint that you can rout the enemy's forces. I will shore you up like pitch on the Ark, that nothing of the enemy's muddy waters can enter. Your lives will never be the same. Every chain that has held you back will be broken and disintegrate before you.

"I AM arising with healing in My Tallit, and you will go forth as stall-fed lambs to the corners of your neighborhoods, to the corners of your states, nations and the world. You will rip mesmerizing veils off the lost and disillusioned. You will see into their lives and hearts, in ways you've not seen before, and with exactness and precision like a skilled surgeon because I, the divine surgeon will increase My Spirit in you to the degree you will feel My presence in continual communion. You cannot imagine how excited I AM to pour out My Love on you, My beloved Sons and Daughters.

"My heart has ached to see all the destruction and deception going on. My arm is still outreaching that many will be saved before the final holocaust and judgments are enacted. Do not faint beloveds; all is at hand! Dance and sing, worship in the beauty of holiness! Offer up a sacrifice of praise. Dance on injustice, dance on nations, lift up the shofar and sound the alarm on my holy mountain. Bend low in humility before My presence, for too many have become combative and proud, not seeing clearly because their hearts are so burdened and dismayed. But nothing is too hard for Me. Nothing is too far gone for Me to intervene. You can see trickles now of the change that is coming, as I restore and transform."

(This week I've suffered with a sciatic nerve pain due to a strike in my low back last Sunday when I was caring for my granddaughter. But after a time, The LORD showed me that there was an object lesson in this. The only way I could walk pain-free was to bow over like a hunchback with my upper body almost at a 45-degree angle. If I didn't, excruciating pain would go over my right back hip bone, down into my leg. The LORD showed me the body of Christ in America needs to bow lower to be able to walk in his glory - that there is too much, pride, strife, and competition, jealousy.)

"More violence and chaos are planned, but I will have a harvest unlike any other. I will fulfill My Promises to you beloveds, and empower the youth and children as never before! None is left out! The elder are needed for Wisdom. Though the young will have great gifting, they will need more of your Wisdom, learned through years of struggle and pain. I will fill you with energy from My Power to be able to do all I want you to accomplish, so do not be discouraged any longer or give in to despair or defeatism.

"In a moment, you will be changed! Come into the inner room of quietness and rest with Me. Let Me hold you in My Arms and tenderly minister to you as you minister to Me in Worship and Praise. I will loose My Words in you to save peoples and nations. Just come and be still awhile in the midst of the Worship and Communion with Me, so I can direct your heart and voice to be one with Mine! I AM waiting in the stillness. I Love you without limits. Come up here where you are seated in heavenly places!

"The Angels of Courage are loosed! Ask and you will receive! All the fear of man will be put to death! I AM calling forth My Bravehearts in this hour! Just as William Wallace was brave to confront evil and compromising royalty in his time, so you will also stand before rulers, kings, and leaders in your own nations, and I will put the words in your mouth, even as I have promised and spoken! Pray a hedge of fire around your families, especially the children! Teach them the ways of Warfare, for they will be powerful in My Kingdom! The assault on them has been fierce, and thus will I make them fierce warriors for My Kingdom! Many have been exposed already to too much violence and wickedness. They must be made to understand the Truth. Feed them My Word! Include them in your prayer times and worship that they learn to war and experience My Presence. Stop treating them like they are not able. Did I not make Josiah a king? Did not My Son go to the Temple and teach grown men when only a young man? Do not underestimate anyone!

"The Church is so vain and for years only wanted the sophisticated in the pulpits, the handsome or beautiful ones in their eyes. But I don't see as man

sees. I will use whom I will use! Pray for revelation on the children and youth! Inexorable power is upon you beloveds. Nothing will stop it! Nothing will stop Me or My Plans! Come away with Me!" Inexorable: adj. Impossible to stop, alter, or resist; inevitable.

"To everything there is a season, and a time to every purpose under the heaven: a time to be born, and a time to die; a time to plant, and a time to pluck up that which is planted; a time to kill, and a time to heal; a time to break down, and a time to build up; a time to weep, and a time to laugh; a time to mourn, and a time to dance; a time to cast away stones, and a time to gather stones together; a time to embrace, and a time to refrain from embracing; a time to get, and a time to lose; a time to keep, and a time to cast away; a time to rend, and a time to sew; a time to keep silence, and a time to speak; a time to love, and a time to hate; a time of war, and a time of peace. What profit hath he that worketh in that wherein he laboreth?

I have seen the travail, which God hath given to the sons of men to be exercised in it. He hath made everything beautiful in his time: also, he hath set the world in their heart, so that no man can find out the work that God maketh from the beginning to the end. I know that there is no good in them, but for a man to rejoice, and to do good in his life. And also, that every man should eat and drink, and enjoy the good of all his labor, it is the gift of God. I know that whatsoever God doeth, it shall be forever: nothing can be put to it, nor anything taken from it: and God doeth it, that men should fear before him. That which hath been is now; and that which is to be hath already been; and God requireth that which is past. And moreover, I saw under the sun the place of judgment, that wickedness was there; and the place of righteousness, that iniquity was there. I said in mine heart, God shall judge the righteous and the wicked: for there is a time there for every purpose and for every work. I said in mine heart concerning the estate of the sons of men, that God might manifest them, and that they might see that they themselves are beasts." (Ecclesiastes 3:1-18)

Isaiah 22:22

"I will place on his shoulder the key to the house of David; what he opens no one can shut, and what he shuts no one can open."

Matthew 16:19

"I will give you the keys of the kingdom of heaven; whatever you bind on earth will be bound in heaven, and whatever you loose on earth will be loosed in heaven."

GOD IS RAISING UP APOSTOLIC AND PROPHETIC HOUSES AND WAR-ROOM ROUNDTABLES FOR THE DAYS AHEAD.

Today, I heard the Spirit say, ***"IT'S TIME TO BUILD APOSTOLIC AND PROPHETIC HOUSES AND ESTABLISH WAR-ROOM ROUNDTABLES FOR THE DAYS AHEAD"***.

I see God Reforming, Restructuring, and Transforming Nations through Apostolic and Prophetic Houses and War Room Roundtables. These Houses and War Room Roundtables will understand the Transforming power of Prayer and recognize that nothing can be accomplished without it. I believe Apostolic and Prophetic Houses and War-Room Round Tables will play a more crucial role in the days ahead. These Houses and War-Room Round Tables will be established under the guidance of Humble Apostles and Pure Prophets who are Anointed and Appointed by God to lead and direct His people in this critical hour on the Earth.

They will truly understand the importance of prayer and Prophetic intercession, and they will be equipped with the Spiritual gifts and End-Time Apostolic and Prophetic Mantles necessary to see Mighty Breakthroughs and Extraordinary Miracles happen. Through God-fearing and Christlike Leadership, they will usher in Supernatural transformation in the spiritual realm, which will manifest powerfully in the natural!

By building and establishing War Rooms and coming together as War Room Roundtables, the Remnant will be rightly aligned and positioned with the heart of God where they will receive divine revelation and strategy for their Nations, I see that these strategic Gatherings of Prophetic Intercessors, Prophets, and Apostles is essential for

breaking through spiritual strongholds over territories and releasing God's power and Authority over the Nations.

I submit, One of the main objectives of a War Room Roundtable can be found in Daniel 2:22, where God reveals deep and mysterious things and knows what lies hidden in darkness. Similarly, Jeremiah 33:3 reminds us to Call upon the Lord, and He will answer us by revealing marvelous and wondrous things that we could never figure out on our own! The Ecclesia have been given all the Authority to Govern and legislate, and we have been given the responsibility to Wage War for the Destiny of the Nations, and to Decree life and Declare Victory into our Nations.

In this Time of Radical Shifts and Greater Shakings, we must continue to seek God's face and press into His Presence, and we will see the fulfillment of His promises and the manifestation of His Kingdom Government established on the earth. So, let us not grow weary in doing good, but let us continue to stand strong in faith and unity, knowing that God is actively working through us His Rising, Shining Remnant to Reform, Restructure, and transform Nations for His glory.

In Closing

Let's heed the Clarion call to come together in prayer and seek God's guidance in all that we do. It's time to be intentional in our pursuit of God's Will and purpose being established in our Nations.

Together, we can be Agents of Change for Kingdom Transformation, and become Instrumental in bringing about a Revival and Restoration that will impact Generations to come!

Mariel Villarreal: Your Sword-in-the-Stone Moment

Do you sense this exciting season of change? We're entering a new prophetic time. That's why I want to share prophetic and biblical insights with you as we continue into the new Hebrew year, 5787.

Let's talk about how this new year can represent a sword and the power of God's word, and how this new season can hold your sword-in-the-stone moment...

God's Mysterious Prophetic Puzzles

"Now our knowledge is partial and incomplete, and even the gift of prophecy reveals only part of the whole picture!" (1 Corinthians 13:9 NLT)

I love how God speaks to His Body, His sons and daughters, about what is on His heart. And I often like to think of prophetic insight like a giant, mysterious puzzle. God may give one puzzle piece to one person and another piece to another person.

Some prophetic words are like puzzle pieces that look similar—like when many blue puzzle pieces together form a sky. It is beautiful to me when this happens; it confirms that the Body of Christ is hearing God's voice. At other times, the prophetic is like unique puzzle pieces that fit to complete the bigger picture.

We need the "company" of prophetic voices—His sons and daughters—leaning in to seek God and listen for His voice, bringing their own piece to His mysterious, prophetic puzzle to confirm His word and help form the bigger picture, so the larger Body of Christ can be encouraged, comforted, and built up by what God is saying and doing in this hour.

So, what does God have in store for us as we enter a new prophetic season?

The Year of the Zayin: It's Time to Wield Your Sword

With Rosh Hashanah, we are now in the Hebrew year 5787, the seventh year of the 5780s decade. Hebrew uses a system called "gematria," in which Hebraic letters have numerical values. In Jewish tradition, letters can also carry symbolic and interpretive significance.

Zayin is the seventh letter in the Hebrew alphabet and carries the numerical value of seven. It means "crown," "weapon," and "sustain" (see Chabad.org).

The zayin resembles a sword, with the top of the character looking like a hilt and the base, a blade. Its design can also be interpreted as a crown and a scepter. Thus, the zayin can hold several symbolic interpretations, including power, authority, protection, and warfare. Additionally, throughout Scripture, the number seven is frequently associated with completion, fullness, and rest, particularly in the pattern of creation and the Sabbath.

I believe that God speaks through the numbers He created. So, with this knowledge in mind, what is the Lord speaking over this new year 5787?

As the *zayin* often symbolizes a weapon or a sword, I want to highlight how this year is a call to wield your double-edged sword.

In Scripture, a sword often represents God's Word. We see examples of this here:

"Take the helmet of salvation and the sword of the Spirit, which is the word of God." (Ephesians 6:17 NIV)

"For the word of God is alive and active. Sharper than any double-edged sword, it penetrates even to dividing soul and spirit, joints and marrow; it judges the thoughts and attitudes of the heart." (Hebrews 4:12 NIV)

In Revelation, we also find this powerful description of Jesus, our King of Kings:

"In His right hand He held seven stars, and coming out of His mouth was a sharp, double-edged sword. His face was like the sun shining in all its brilliance." (Revelation 1:16 NIV)

Twice, we see this imagery of a "double-edged sword" relating to God's Word. This speaks of an offensive and defensive weapon, and symbolically brings discernment, judgment, and justice. (I also love that you can find "word" within the word "sword"!)

The Word of God is our weapon. We must declare it, meditate on it, share it, pray it, and prophesy it.

The Power of Sound

During a class in ministry school, one of my professors shared a presentation about sound waves and the power of the spoken Word of God, prayer, and worship. Because sound waves are invisible, scientists sometimes use materials such as sand to make their effects visible.

In an experiment known as a "Chladni plate demonstration," different sound frequencies cause sand to form different patterns on a vibrating surface. It gives us a compelling picture of an invisible force producing a visible effect. During our class, we watched examples of the intricate patterns in the sand that spoken Hebrew words created.

I'm reminded of this concept when I think about the Hebrew *zayin*—a character that looks like a weapon, sword, crown, and scepter. **As we speak, pray, and declare the Word of God, we can never underestimate the very real impact of our invisible words.**

Psalm 91: The Word as a Weapon

"For He will command His angels concerning you to guard you in all your ways; they will lift you up in their hands, so that you will not strike your foot against a stone. You will tread on the lion and the cobra; you will trample the great lion and the serpent." (Psalm 91:11–13 NIV)

Psalm 91 is a passage of Scripture known as a powerful declaration of God's supernatural intervention and divine protection. In my own life, this Psalm has been a lifeline. In the middle of an unexpected, intense spiritual battle, I witnessed a man heavily oppressed by a demon. Without any ministry experience at the time, I simply asked the Holy Spirit what to do to help him. Immediately, I saw a vision of big, bold letters: "PSALM 91." And I knew exactly what to do—declare the Word of God out loud like a weapon against the enemy. As I spoke the Word of God with authority, tangible peace flooded a difficult situation, and demons fled.

While the zayin does not appear in Psalm 91 in the original Hebrew text, there is something unique about it. Each letter in Psalm 91 is crowned with little crownlet-shaped characters—mini zayins, little weapons. It is a powerful picture of how our words, when aligned with the Word of God and empowered by the Holy Spirit, become weapons that tear down strongholds. *(Photo via Unsplash)*

**"The weapons we fight with are not the weapons of the world. On the contrary, they have divine power to demolish strongholds."
(2 Corinthians 10:4 NIV)**

As we step into this new year, do you hear the call to pick up and wield the sword of the Spirit, to pray boldly with authority, to declare the Word of God with faith, to renew your mind with the truth of the written Word, and to prophesy life, truth, and hope to see the power of God break through?

However, many people have felt a war on their voices. Many are tired and weary from the raging spiritual battles of this decade of the 2020s, this decade of the 5780s. Maybe you will resonate with one of these three enemies that have come against our voices.

Exposing 3 Enemies That Have Come Against Our Voices

1. Weariness: The Enemy of Watchmen

Weariness and despair have kicked in, as many people (even seasoned leaders, prophetic voices, and intercessors) have grown tired and weary in the place of expectant prayer. Many of you have wondered, "What's the point? Why would I continue to wage war, watch, and pray? There has been delay after delay, and I am still waiting on a fulfillment, waiting on a breakthrough that seems impossible."

To you, I give this sword: **"But those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary; they will walk and not be faint" (Isaiah 40:31 NIV)**. God will renew your strength, not just to "push through" but to soar. He will give you a second fresh wind. He will help you to come up higher, above the swirl of despair, to see as He sees... and to pray from a place of victory and rest again.

2. Intimidation: Jezebel's Strategy

Those called to prophesy have found themselves hiding in caves, just like Elijah, when he fled from Jezebel. Many have felt intimidated into silence, backed into a cave by the enemy's onslaught. The enemy would love to convince you that your voice is too insignificant to matter or too costly to release. But the very fact you've been attacked in this way should be proof that you are a threat to darkness.

To you, I give this sword: **"For God has not given us a spirit of fear, but of power and of love and of a sound mind" (2 Timothy 1:7 NKJV)**. You don't have to allow fear to silence what God has called you to speak. Your voice belongs to Him.

3. Comparison: The Thief of Joy

Others have been tempted by the enemy to compare their lives, calling, and impact to those around them and to believe their voice doesn't matter. They wonder if there's a place for them at the table. They see others doing similar things and think, "Why even bother? Someone else is already doing it." But God has given you a unique calling for such a time as this, and your part matters.

To you, I give this sword: **"For You created my inmost being; You knit me together in my mother's womb. I praise You because I am fearfully and wonderfully made" (Psalm 139:13–14 NIV)**. God planned assignments for you to fulfill before you were born. He made you to be an original, and no one can fill your shoes. Whatever God calls you to do will carry your unique expression. Lock your eyes on Jesus and see Him cheering you on.

Your Sword-in-the-Stone Moments

There is a famous legend about King Arthur and the Sword in the Stone. Growing up, my sister and I would play on repeat the VHS of the cartoon that's based on this story. According to the legend, a magical sword called Excalibur was placed in a stone with a prophecy: whoever could remove the sword would be proven the rightful king of England.

Many noble knights tried and failed, but the sword remained unmoved... until young Arthur came along. He was only a boy, yet he pulled the sword from the stone with great ease, and became heir to the throne.

While this is a legendary myth, not a biblical story, I have often found inspiration in it and sensed God highlighting it to me.

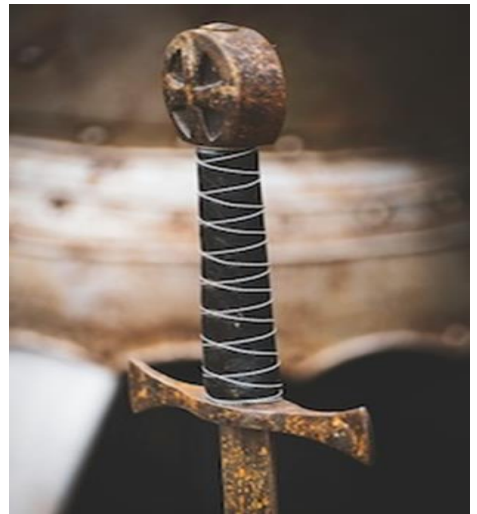

In 5787, I believe God is saying, "It's time for your sword-in-the-stone moment." He has assignments, callings, and purposes uniquely designed for your life that only you can pick up. You have a unique destiny only YOU can fulfill. No one else can pull your sword from the stone, and you can't take anyone else's.

"For we are God's masterpiece. He has created us anew in Christ Jesus, so we can do the good things He planned for us long ago." (Ephesians 2:10 NLT)

God's plan for you cannot be replicated. The fingerprints He has given you are uniquely yours. And remember, the God who calls you qualifies you. Young Arthur may have seemed like the least likely person to draw the sword from the stone, much like young David, who seemed like the least likely to be chosen for king among his brothers. God may call you before you are fully "ready." He will help you. He will equip you. He will prepare you along the way. You simply have to be willing to step forward and pick up the sword He has placed before you.

Excalibur: The Hard Cleft of the Rock

I felt the Holy Spirit prompt me to look into the meaning of the name "Excalibur," the sword from the Sword in the Stone. It means "hard cleft." It immediately reminded me of the Biblical phrase "cleft of the rock." In Scripture, the cleft of the rock symbolizes a hiding place in God's presence, a safe refuge, and divine protection. The phrase is most famously found in Exodus 33:22, where God places Moses in the cleft of the rock as His glory passes by.

The sword of the Lord, the Word of God, is both a weapon and a place of refuge in His presence. **Perhaps, as you seek God in the hidden place—in the cleft of the rock of His presence—you will discover your "sword in the stone," the unique assignment He has placed before you.** *(Photo via Pexels)*

He Is Breaking Despair in Prayer

As I prayed about all of these connections, I felt God speak the following to me as I wrote: ***"Let Me hear your voice. Let Me hear your voice, for your voice is a sweet sound to Me. When you speak to Me, I lean in to listen. I want***

to hear your voice lifted in prayer. I am on the edge of My seat, waiting to hear from you, ready to respond, ready to answer you."

"My dove in the clefts of the rock, in the hiding places on the mountainside, show me your face, let me hear your voice; for your voice is sweet, and your face is lovely." (Song of Solomon 2:14 NIV)

As I heard and wrote this, I felt the Lord saying that He is breaking *despair* in *prayer*. For those who once prayed with passion but have now grown weary, God is breaking the despair of what seemed to be unanswered prayer. He hears you. He is drawing you to the cleft of the rock, the hiding place of intimacy with Him again. He is bringing peace for the questions in your heart that have not yet been answered.

His voice will break through the noise, so position your heart in expectation for the Lord to answer you in unexpected ways. Look for His confirming words and reminders of what He has already said *to* you (His promises) and *about* you (your identity in Him).

Prepare for sweet signs and wonders this September into October... gifts from the Father to His children seeking Him with all of their hearts.

Draw Your Sword from the Rock

"The Lord is my rock, my fortress and my deliverer; my God is my rock, in whom I take refuge." (Psalm 18:2 NIV)

I hear the Lord say, ***"Draw your sword from ME, the True Stone, the Solid Rock, My sons and daughters."***

For those who have lacked vision and purpose, for those who do not know what to do next, for those who have tried everything in their own strength and it hasn't worked, it's time to draw near to God and draw your sword from Him.

I hear the Lord say, ***"I have set you apart, and not set you aside. Where the enemy has lied and said you have no purpose and the best days are behind you, I say that the best is yet to come. For the places of deepest pain, I will create a path of purpose that will both heal you and help many others."***

"You haven't missed My timing, for I am about to redeem the time and the years the locusts have stolen... In the year of the zayin, I am bringing a completion. Cycles of warfare are expiring even now. My

grace is lifting off of old cycles of assignments so the new wine of a new season of purpose can begin to flow. I am bringing you into more of the reason you were born.

"Trust Me in the change, for a lot can happen in just a few months' time. Although it seems like a long delay to step into the new, I use the delay to help you desire the new wine—the new thing I am doing—more than the old.

"So, stay with Me in the refuge of My presence, in the cleft of the rock. I will be the unshakable rock of your life and changing times. I am placing My sharpened sword in your mouth. Ask Me what I am saying over your life this season, and begin to declare it out loud. Prophesy it. Pray it with boldness. As you declare the truth of My words over yourself and your situation, new strength and faith will fill you. Your mouth will be like a sharpened sword as you declare MY words. As you speak to your mountains, expect Me to move.

"So it's time, sons and daughters, to draw your sword from the Stone."

**"He made My mouth like a sharp sword; He hid Me in the shadow of His hand. He made Me like a polished arrow; He hid Me in His quiver."
(Isaiah 49:2 BSB)**

"'Is not My word like fire,' declares the Lord, 'and like a hammer that breaks a rock in pieces?'" (Jeremiah 23:29 NIV)

"Therefore, this is what the Sovereign Lord says, 'Look! I am placing a foundation stone in Jerusalem, a firm and tested stone. It is a precious cornerstone that is safe to build on. Whoever believes need never be shaken.'" (Isaiah 28:16 NLT)

Children's Toy Swords

I will leave you with this final thought. I was falling asleep when I saw a vision of children's toy swords on a store shelf, as if they had gone viral and were almost sold out.

May God's Word go viral in 5787. May all of His children, of every age and every nation, pick up their sword and walk in the power and authority Jesus has paid for.

"May the praise of God be in their mouths and a double-edged sword in their hands..." (Psalm 149:6 NIV; see also vv. 7–9)

I pray this word encourages you today! I pray blessings on this new season for you.

WHY DOES WARFARE FOLLOW PROPHETIC PEOPLE?

Why does it feel like prophetic people experience so much warfare? It is because prophets frequently operate at the intersection between what Heaven is declaring and what darkness is attempting to contest.

Think about Elijah on Mount Carmel. This wasn't merely about fire falling from Heaven. It was a confrontation over worship. Who does Israel belong to? Who is actually God? Yahweh or Baal? That is spiritual warfare. And sometimes the greatest warfare isn't just rebuking demons. It is the battle over truth versus deception, worship versus idolatry, obedience versus compromise, covenant versus rebellion. The prophetic voice steps into that tension and declares: "Choose this day whom you will serve." That's why prophets cannot afford to be silent or spiritually undiscerning. Destinies often hang in the balance of our obligation to be the voice of the Lord in contested territory. Your voice may be the weapon required to win the battle. If this witnesses with your spirit, you are in the right place.

And please do me a favor: like and share this so another prophet out there knows they aren't alone; there are many of us left who have not bowed the knee to Baal.

WATCHMEN, PRAY!

I SAW a demonic strategy targeting the life of Prime Minister Netanyahu, but this assignment was NOT hastily conceived. I saw it as a LONG-TERM PLAN years in the making; it had many moving parts. I saw many hands and many agendas suddenly coming together, then I saw the word: "**CONVERGENCE**" of the enemy's plans. I saw every piece moving toward an alignment and every thread being carefully drawn together until I suddenly saw the enemy's plan at the very moment of its COMPLETION!

Yes, we know that the media is very loud concerning his UN speech, but the Spirit is saying, "**WE MUST LOOK BEYOND THE HEADLINES.**"

This is a Kairos hour - a WATCH that must be kept at "**EVERY LEVEL:**" the Gates, the Governmental places, and always in the unseen realm.

WATCH and PRAY!

"For they Take counsel together, but it will come to nothing; Speak the word, and it will not stand, For God is with us!" Let's Pray **Every** hidden plot EXPOSED, **Every** counsel of darkness DECOMMISSIONED, **Every** portal of assignment SHUT. "Hide me from the secret plots of the wicked." The enemy has a set timetable, but "HEAVEN will have the FINAL WORD!" Now is the hour for the Governmental Company of God to Rise to INTERCEDE and to STAND IN THE GAP.

Let us take up the Watchmen Mantle and GUARD THE WATCH!!!

"Behold, He who keeps Israel shall neither slumber nor sleep." I Decree, "What the enemy has been planning and carefully assembling, NOW there is a divine ***DISASSEMBLING AND DISMANTLING***.

What was built in secret will NOW be EXPOSED in the light, and the weapon formed against Netanyahu WILL NOT PROSPER!

Lana Vawser: I HEARD THE LORD SPEAKING TO MANY, 'WATCH FOR MY SUDDEN INSTRUCTION.'

Recently, I heard the Lord speaking to many, ***'Watch, for My sudden instruction.'***

As the Lord spoke these words, I leaned into the Lord's heart and listened and I heard:

'My people, watch for My sudden instruction. For I say unto you, that there are many in the wings of waiting. There are many that are feeling the winds of change increasing all around you. You have been hearing, feeling and seeing My Spirit leading you into places of rest and quiet to listen to My voice and to remain and be still.

'I say unto you, there are sudden instructions that I am releasing upon you in this hour which are going to shift your trajectory, and they are going to shift your season further into the new day that I am leading you into.

'For I say unto you, do not be entangled in busyness and caught in the fast pace of "doing, doing, doing;" as I am calling you deeper into the place, like Mary, of sitting at My feet and listening to My voice. For I say unto you, that I am calling you deeper into the place of stillness and surrender - to lay aside what you have known, what you currently know, and lay down all your expectations of what is about to come forth and what it is going to look like, but to align with Me and My heart in surrender to the wondrous works of My mighty hand that are about to be seen in your midst.

'I say unto you, that you have been in the wings of waiting, you have been in the throes of transition for so long; and I have been teaching you, training you, refreshing you, strengthening you and rebuilding you in these places. Nothing has been wasted, and I have been increasing and deepening your dependence upon Me. For I say unto you, that in this hour it is imperative you have your ear to My chest, and you are not allowing your ears to be filled with other voices and man's wisdom before My voice. I say unto you, that My voice is coming to you and coming with clarity.

'I say unto you, that My voice is coming to you with insight. I say unto you, that My voice is coming to you with great increase. I say unto you, that My voice of wisdom will increase within your ears as you are still before Me and quiet the noise to listen to My voice. For I say unto you, that there are many of you who have been feeling the deeper drawing away and wooing by My Spirit. There are many of you who have been feeling a divine selah moment – where I am calling you deeper to pause and reflect upon what I have done in the seasons gone by and My mighty works, and to pause and ponder My beauty and behold Me. For I say unto you, despise not the places of selah that you find yourselves in, for they are but places of preparation for what is to come.

'I say unto you, My people, that if you get caught up in busyness in this time, if you allow your hearts to be preoccupied with building as things have been, and if you do not come to a place of stillness to hear My voice, I say unto you, that you will find yourselves in places of delay. You will find yourselves in places of missing My voice and the sudden instructions that I am bringing forth before you.

'I say unto you, that as My sudden instructions come to you in this hour, be not in a hurry to run ahead. I say unto you, because many of the instructions I am releasing to you in this hour are instructions that are different to what you have walked in before, continue to seek Me and depend upon Me to give

you the understanding and the wisdom to see where I am leading. I say unto you, that the temptation will be to interpret My instructions through the lenses of what you have known and what you have walked before. But I say unto you, coming before Me with a heart of humility and dependence – to allow Me to teach you to walk out the instructions and the blueprints that I am giving you – will equip you for the days ahead.

'I say unto you, you have not been this way before. I say unto you that this is uncharted territory. And I say unto you that you are moving into such an unprecedented season of seeing My Spirit move in you and through you like you have not seen before.

'I say unto you, be sure to obey My sudden instructions completely. I say unto you, as I teach you to walk out these instructions and strategies, that I am releasing to you. Do not allow the fear of man, fear or voices of the past hinder you from stepping forward in bold faith in what I am calling you to do.

'For I say unto you, watch and see how your obedience to My sudden instructions will bring forth great increase. Watch and see as you walk in obedience to My wisdom wholeheartedly – you shall see a mighty move of My Spirit that shall bring forth expansion, increase and fruitfulness in your lands in ways that you have not yet seen. Do not allow the voices of yesterday lure you into compromising obedience to My voice and instruction in your lives today. I say unto you, that where I am leading you in My sudden instructions, there shall be an increase of My grace – My empowerment for you to walk in all that I am calling you to walk in. There is great grace and provision for My way.

'I say unto you, I am bringing you into deeper places of hearing the secrets of My heart and the wisdom that I have for you in this hour as you come before Me in humility and reverence. I say unto you that these are not only the days where I am restoring all and more, these are the days where I am bringing you into days that you haven't even comprehended the plans that I have for you (Jer 29:11) in Me.

'I say unto you, oh, the depths of joy that you shall find in obedience to My sudden instructions. Let not the giants of fear and the giants at the thresholds of the new things that I have for you cause you to shy away in fear and intimidation. I say unto you, I am giving you strategy. I am giving you insight. I am giving you discernment to know My will and My ways as

you seek Me and remain tender hearted towards Me and deep within My Word.

'I say unto you, that in these coming days, months, and this new day you are entering into, no longer will you be feeling the intensity of disorientation, but you shall know that you know that you know that I, the Lord thy God, have spoken to you in these sudden instructions, and I am leading you in My will and My ways. I say unto you, I am bringing you into days of clarity and conviction of My ways and My voice in your lives that will fortify you for the days ahead.

'Oh, My precious people, come to Me. Come deeper into My heart. Come deeper into the secret place and stillness to hear My voice. As these sudden instructions come forth you shall be even more aware of the voices that have been speaking to you things which are opposite to My instruction. You shall be even more aware of the areas where the enemy has attempted to keep you from the places of increase that My sudden instructions are leading you into. In the secret place, as My sudden instructions come forth, you will be delivered of false voices that have contained you, false accusations that have come against you, and you shall be delivered of false expectations and pressures which you have carried as you have given your ear to voices that have been opposing that which I am saying.

'I am drawing you deeper into My heart, deeper into discernment, and teaching you in greater ways how to hear My voice as you remain close to Me and are deeply rooted and grounded in My Word. As you continue to come before Me in surrender and allow the work of My Spirit within your hearts to plant and uproot, oh, watch and see the greater joy that shall fill your hearts in the sudden instructions that come forth. There is change, change, change all around, My people. The magnitude of the changes in this new day you have not yet seen. Draw near. Draw deep. Draw close. For these sudden instructions that I am releasing to you will shift many trajectories in this season, and the new day that you are being led into by MY Spirit and MY hand, you have not even imagined.'

Dan McCollam: The War Against the Supernatural

Does your life lack the fingerprints of the miraculous? Do you believe in God but don't see much happen? Well, you're not alone. There is a battle raging to keep the supernatural lifestyle quenched. Have you felt it, heard it, seen it? I certainly have.

The Battle Against Spiritual Powers

Ephesians 6:12 unveils to us the battle against "spiritual powers." That sounds pretty mystical and elusive. But very practically, these battles with spiritual powers often come as a war over thoughts. When we embrace wrong ideas, they become anchored in our minds like fortresses or strongholds. If enough people believe these lies, then they become generational culture shapers.

What do we do? Second Corinthians 10:5 tells us that we have the divine power to take those thoughts captive and make them obedient to Christ, which basically means **it's our responsibility to make our thinking and behavior conform to the life and teaching of Jesus Christ**. God has given you grace and equipped you to win this battle.

The Lie of Cessationism

Recently, I've preached a few messages on overcoming personal causationism. Cessationism is one of the lies that has infected modern culture. It's the idea that

supernatural miracles and God encounters don't happen today. **The real danger to the supernatural is not just in a conscious agreement with causationism, but in the agreements we may unknowingly make.**

Thinking That Must Be Taken Captive to Win the Supernatural War

Here are three subtle ways of thinking that start you down the road toward a stronghold of unbelief:

1. You think something is possible, not probable. Most people believe miraculous or unexplainable things *can* happen but that they just *don't* happen very often. Many churches and Christians believe in miracles, encounters, and the supernatural, but it isn't a real and active part of their daily life or church structure. *(Photo via Max Pixel)*

How do we combat this lie? Faith. Faith is not just our belief system; it is the code of beliefs we choose to live and die by. It's what we are willing to take action on and responsibility for.

Personal cessationism creeps in when we quit taking risks and fail to be intentional about demonstrating our faith. That's why Paul wrote to Timothy to "stir up the gift of God which is in you" (2 Timothy 1:6 NKJV). We win the battle for the supernatural when we quit waiting to be stirred and intentionally stir up gifts with our faith.

2. You value education over experience. I'm from a family line of teachers. I have a huge value for study and education. But God calls us to have a living and active relationship with truth. (Hebrews 4:12; John 8:31–32)

Biblical truth is an invitation to encounter. Scripture tells us that "'knowledge' puffs up, but love builds up" (1 Corinthians 8:1 ESV). As Christians, we can get all puffed up by what we think we know about God. But if we don't act on our beliefs, then they never find their intended expression in love.

Love requires positive action toward another human. The power of the Holy Spirit is attracted to faith and love. We win the war for the supernatural when we stir our beliefs into actionable demonstrations of faith and love.

3. You value organization without leading.

Organization is a great thing. Many believe it is even connected to a spiritual gift. There isn't a problem with organization unless it squeezes the life and breath out of God's leading. We can all be guilty of "having a form of godliness but denying its power" (2 Timothy 3:5). Some churches are so zealous that "everything be done decently and in order" (1 Corinthians

14:40), they never get around to doing the "everything." *(Photo via Unsplash)*

God has given the Church a "go and do" commission. We can't wait around for the supernatural to happen to us. **To win the supernatural war, we must actively pursue greater gifts and power that express the love of God effectively.**

Return to Childlike Faith

In addition to taking captive the lies that dull belief, there are other battles for the supernatural lifestyle. Sometimes it's the busyness of life that chokes out spiritual fruit. Personal pain or disappointment can often stall our active faith. We can also dull our spiritual edge of faith and love when God doesn't show up the way we expect Him to. If you don't adjust your thinking and deal honestly with your disappointment, then you paralyze future risks of faith.

It's good to be honest about these things. Give them to God. Talk to Him about them. Repent of wrong ideas and expectations, and **return to the childlike simplicity of faith expressing itself through love.**

I have a friend who says, "We owe the world an encounter with God." It's true. Culture is being shaped by what we believe and demonstrate. There is a supernatural war attempting to limit the presence and power of God shining through Believers. Let's fight to win.

Veronika West (part one)

2027 AND BEYOND, AI vs DI, Artificial Intelligence vs Divine Intelligence

A NOW WORD TO THE CHURCH! In recent weeks, I have spent extensive time in prayer, being specifically led by The Holy Spirit to pray concerning the Battle of Ai in the Book of Joshua, and as I have remained before The LORD concerning this Battle, the Spirit of Revelation began to speak to me concerning a powerful Prophetic parallel between what took place at Ai, and what I believe is Now beginning to unfold within the Church and across the Nations. As I continued to pray, I began to see that the Battle of Ai carries a profound Prophetic Warning for this hour, a Warning concerning that which is hidden within the Camp, and concerning what must first be Exposed and dealt with among God's people before we can truly Arise, and Go Up Again unto Victory!

And it was while praying into these things that I heard The Spirit say,

"WATCH, FOR 2027 IS WHEN EVERYTHING SHIFTS AGAIN, AND RADICALLY CHANGES!"

And as I heard those Words, I was suddenly taken into a powerful Vision, where I saw a Great and Mighty Tower Rising over the Nations, a Tower that seemed to be surrounded by what I can only describe as Portals, Gates, and Access Points. As I looked at the Rising Tower, I could see that the Walls of the Tower were made up of an intricate Web of wires and connection points, like a highly sophisticated Web of Communication and Intelligence. As I continued to look as the Spirit gave me sight, it was as if the Tower itself was Alive, and Moving, like a Living Breathing Tower that possessed great Power. I watched in the vision as it continued to grow and increase in size.

As I watched, I saw an intricate Web of thousands upon thousands of wires running throughout the Tower that looked like veins and arteries within a living body, when suddenly, I was taken within the Tower itself, and I saw throughout this vast structure more Gates, Portals, and strategic Access Points that opened and closed, and what looked like Rivers of Light moving rapidly through the vein and artery-like structures of this Living Tower. Then suddenly, I saw within the Tower dark and high-ranking demonic entities moving throughout the structure, and by the Spirit of Revelation, I knew that these dark and demonic entities had come from the Kingdom of Darkness

through the Portals that were strategically positioned within this growing and Living Tower.

But then, I began to hear strange Sounds - Sound frequencies that are difficult for me to describe, and as I listened and watched, I saw these strange and Counterfeit Sound frequencies moving throughout the entire network of the Tower, and the frequencies were producing a strange Counterfeit Light. As I looked at this strange Light, I saw what appeared to be six-dimensional Rays of Light. Again, by the Spirit, I knew that what I was seeing and hearing stood in direct Spiritual opposition to the Seven Rays of the Rainbow, to the True Light of the Kingdom of Light and the True Sound of the Seven Spirits of God. As I looked again, I saw these strange Sound frequencies and the Six-dimensional Rays of Counterfeit Light moving like the very lifeblood of the Tower, moving through what looked like veins and arteries, through this intricate Web of Communication and Intelligence, and through the Gates, Portals and Access Points within this vast Living structure. But then, I saw by the Spirit, that the strange Sound and Counterfeit Light was not only moving throughout the Tower, but it was emanating through and from the Tower itself, and I could see and feel that it had a powerful influence upon the Atmosphere and across the Airwaves.

I saw in the (micro), vast numbers of Homes, Families, Communities and Regions that were coming under the direct influence of these strange Sound frequencies and Counterfeit Light Rays, and then suddenly, my vision went higher, and I saw the Nations being deeply impacted and influenced by what was emanating from the Rising Tower, and I heard the strange Sound and saw so clearly the six-dimensional Rays of Counterfeit Light moving through the Atmosphere, from Homes, into Communities and across Regions and then across the Nations. I knew by the Spirit that this vast Demonic Network of Communication and Intelligence was not only transmitting Information, but that it was carrying a Sound and a Light that had the power to directly influence and shape the Atmosphere and even the Identity and Destiny of Nations.

And as I continued to watch, I could see just how highly sophisticated this demonic network of Communication and Intelligence was - the Counterfeit Sound and Light had the ability to Copy and imitate, and to contend with what was Real and what belonged to the Kingdom of Light. Again, I saw the six-dimensional Rays of Counterfeit Light, and immediately, the Seven Rays of the Rainbow were brought before me, the Power of Gods Covenant.

I knew by the Spirit, I was being shown a powerful Battle beginning to unfold in an unprecedented way; a Battle that would begin to intensify between the Counterfeit Sound and Light, and the True Sound and True Light of the Seven Spirits of God! And yet, the more I looked within this Vision, the more I understood by the Spirit of Revelation that what I was being shown went far beyond any form of technology or a system of Communication.

And suddenly, I knew that I was standing within a 10-year Prophetic timeline, and what I was witnessing was the Rising of a Global One World Governmental Order, an Antichrist Order Ruled by the Beast System, a System that controlled the Global Economy and the Religions of the World. Then again, by the Spirit, I knew that I was standing within the Rising Beast System itself. I was standing within an End-Time Tower of Babel that consisted of many levels and dimensions of the Beast System, a vast structure that was being governed through Gates, Portals, and strategic Access Points, and that every level and dimension of this Beast System possessed great Authority and an increasing Power as it rose higher and higher to rule over the Destiny of Nations.

But the Vision shifted, and then I saw that while the structure was that of a Tower, the Entire Structure was also a Throne, and within this End-Time Tower of Babel I could see there were many Thrones. In this Vision, I was looking at a Tower consisting of many levels and dimensions, and yet a Throne consisting of many Thrones. Suddenly, I came out of the Vision.

Listen, Warrior Watchmen, I believe and submit 2027 marks a significant Time of Transition and a Crossing over into a New Era of War in the Heavenlies. 2027 is a Prophetic Threshold in the Spirit realm, and as we cross over into this new place, both in the Chronos and the Kiaros, the Battle will move into new levels of greater Warfare concerning a War of Information and a War on True Revelation, Artificial Intelligence versus Divine Intelligence, and True Intimacy with God vs. an Artificial and counterfeit Intimacy that will offer instant access to what will be deemed as higher and greater knowledge, without ever requiring the costly place of the Secret Place. I believe we are already seeing the signs of what is coming, but 2027 will bring a greater Acceleration and Intensification of this Battle and War in the Heavenlies. The Governing Ecclesia must prepare NOW, for this will be a Battle concerning SOURCE, ROOTS, and FOUNDATIONS.

A War is unfolding in greater intensity concerning what we Hear, what we See, what we Receive, what we Believe, and Ultimately, what we Build our lives upon! And I believe

we must look at the Battle of Ai through a Prophetic lens. The Battle of AI, I see as a Prophetic signpost speaking directly into this hour, and into the greater levels of Warfare that lie ahead of us as we advance into the Years ahead, Watch, there is a Battle emerging over the very SOURCE from which the Ecclesia receives and builds, Artificial Intelligence vs Divine Intelligence, Information vs Revelation, Artificial Intimacy vs True Intimacy, and the Altar of the Tower of Babel versus the Altar of the God of Abraham, Issac and Israel. I believe the Battle of Ai carries a profound Prophetic Warning for the Church.

The Nation of Israel had gathered intelligence concerning the territory before them, the spies had assessed Ai, they had calculated the Strength of the Opposition and determined in their own hearts what they believed would be required to overcome in Victory. Yet, all their Information concerning what stood before them could not reveal what was hidden and concealed within the Camp. It took Divine Intelligence to Reveal and Expose what human intelligence could not see! It was Only the Spirit of God that could uncover the hidden thing; only the Spirit of Revelation that could reveal the True Source of their vulnerability, and it was only when Joshua came before The LORD and sought His face, that what had remained hidden and concealed was brought into the Light. Achan had taken what God had forbidden, and while Joshua and the people were looking outward towards the enemy before them, God was looking inward at the condition of His people.

It is this moment of Exposure through Divine Intel that reveals something deeply significant that speaks to the Church Now. Israel's problem at Ai was not a lack of Information, for they had gathered intelligence concerning the territory, and they had assessed what was before them and even carefully measured the power of opposition, but they did not possess the Divine Intelligence and Revelation of God necessary to accurately discern what was hidden and operating within their own Camp. And so Israel went up against Ai, but Israel was defeated. I believe the Holy Spirit is giving a Prophetic Warning for the Church as we cross the Threshold into 2027. We may be in the process of possessing even greater and greater levels of Information and human intelligence than any Generation before us ever had, yet without Divine Intelligence we will remain blind and worse still, become deceived to the deeper workings and strategies of the enemy, especially where the Sin of Compromise, Lies, Falsehoods, and corruption has gained Entry and full Access within the Camp.

I submit, this is where the hidden aspect of Achan's Sin becomes so important. The issue is not the Artificial Intelligence itself, nor is technology itself the enemy, but

rather, it is **WHAT WE ALREADY HAVE ALLOWED AND WHAT WE WILL CONTINUE TO ALLOW AND GIVE PERMISSION TO REPLACE!**

Veronika West (part two)

2027 AND BEYOND, AI vs DI, Artificial Intelligence vs Divine Intelligence,

We are now living in a Generation where information is available instantly, and all forms of knowledge can be searched, gathered, processed and even generated within seconds. On the positive side, we now have access to Scripture, teachings, commentaries, historical records, Hebrew and Greek root meanings etc, and almost endless amounts of knowledge at the touch of a button. But Information is NOT Revelation, and this is now one of the greatest dangers facing the Church in this hour: True Revelation cannot be manufactured by human intellect, nor can it be artificially generated. It cannot be accessed because we possess the right technology or know where to search. True Revelation ONLY comes by the Spirit of Revelation and can ONLY be Received and Birthed through deep Intercourse and true Intimacy and communion with God in the Secret Place, where we WAIT upon Him, LISTEN to His Voice, and where we Wrestle and Surrender, and where the Holy Spirit communes with our Spirit until that which is hidden in the Heart of God is made known, with Supernatural Understanding, Wisdom, Counsel, Knowledge and in the Spirit of the Fear of the Lord. **"But God has revealed them to us through His Spirit For the Spirit searches all things, yes, the deep things of God"** (1 Corinthians 2:10)!

I believe the Spirit of the Fear of The LORD is NOW Exposing where we as the Church have begun to exchange this costly place of True Intimacy for a cheap and counterfeit Intimacy. The Lord is putting His finger on where instant access to information has begun to Replace the discipline, burden, and even greater Reward of Waiting upon God. He is pulling back the veil of deception where the need for and a greater appetite for accumulating knowledge has begun to take the place of Truly Knowing Him Intimately by His Word and through Experiential Encounters in His Presence. Listen! We can know Scriptures even quote them, and yet utterly fail to recognize the Sound of His Voice. And yes, we can even possess vast amounts of biblical knowledge and yet have never learned to linger long enough in His Presence for the Spirit of Revelation to fully uncover the Secrets and deeper mysteries of His Heart.

Yes, we can also speak words that sound spiritual, even Prophetic, and all the while those words have never been conceived in the Upper Room of the womb of deep Intimacy with God. I believe this is part of the hidden compromise within the Camp that God is NOW putting His Finger upon. As I looked towards 2027, I saw an intensifying War over Revelation; a Battle over what is True and what is Counterfeit. Like never before, a Battle is unfolding on the High places, where what has been Breathed upon by the Spirit of the Lord vs. what has been Artificially Generated through human intellect and understanding. I believe the Church is going to require greater levels of the Spirit of Discernment concerning what we hear and receive, and particularly concerning what we dare to call Revelation. I believe there is coming such an Acceleration of Information that the abundance of knowledge itself will become part of the Warfare, and while Information will become increasingly easy to obtain, True God-breathed Revelation will demand that we go deeper and higher still.

The greater the Acceleration of information, the greater the demand will be upon the Church to Return to the Secret Place, and to the Altar as a Living Sacrifice. I believe this is where the Battle over True Intimacy will become even more fierce, as the enemy will seek to offer the Church a Counterfeit and cheap Intimacy, something that's immediate and easy accessible, (like a Prostitute that has given up her Sensual Gateways for Silver), an Intimacy that gives us the feeling of having searched deeply, when in reality, we have never waited upon God - a fake and shallow Intimacy that can answer some biting questions without actually requiring us to Remain steadfast in His Presence - a Fleshly Intimacy that gives us knowledge without Divine Communion, and a Spiritual language without the Supernatural Encounter that brings true Transformation and Change. This is why I see an Altar confronting an Altar in this hour - the Altar of True Intimacy with God standing in direct opposition to the Altar of the Tower of Babel.

For at the Altar of True Intimacy, there is surrender, there is obedience, there is the laying down of self, and there is a dependency upon the Breath, the Voice, and the Power of The Spirit of God. But at the Altar of the Tower Babel, human and demonically inspired knowledge, intellect, ingenuity, and the Empire-building Spirit seek to accomplish through Counterfeit Light, Sound, and Power, what can only ever truly be conceived, birthed, and brought forth by the Spirit of the Living God! I hear these Words: "Watch! Altar confronting Altar, Sound vs Sound, Light vs Light, and Power confronting Power." We will See the Counterfeit standing in opposition to the Authentic, that which had been manufactured by the hands of men and of demons against that which is Spirit-breathed; a Rising Beast Structure raised by the hands and Minds of men against the Altar built unto The LORD of Hosts! And I heard these Words, "Come, let us build ourselves a city, and a tower whose top is in the heavens. Let us make a Name

for ourselves" (Genesis 11:4). $1+1+4 = 6$, the Number of Man. Here again, I see the Tower of Babel.

There is something deeply revealing in the spirit operating at Babel, for man determined for himself that he would build, that he would ascend, and that he would make a Name for himself. Watch and Pray, for I believe as we move into 2027, we are going to see the Babel Spirit Advance and greatly Accelerate, an acceleration in man's ability to Build, Create, to Copy and Imitate, to produce through human and demonically-inspired knowledge and intelligence, and this will present the Church with a profound test concerning Source, Identity, and True Sonship!

The question I submit will not be whether we can Build, but rather, has the Father Spoken it through True Revelation? Nor will it be about whether we possess the ability to Make and Produce something, but rather, whether what we are Producing has first been conceived in the Secret Place of Divine Encounter. I hear a Sound of Awakening going forth; the Church must Wake Up and be careful that our Platforms and Pulpits do not become Rising Towers of the Babble of Artificial Intelligence and Wisdom, and that our Ministries do not become Empires to make for ourselves a Name. The Ecclesia must Wake up and ensure that our pursuit of knowledge does not become a demonic Idol that subtly and slowly replaces our full Dependency upon the leading of the Holy Spirit. The coming Days will demand that we can discern the difference between that which carries Information and that which carries the weight of true Revelation.

We must Know how to accurately distinguish between something that has been intelligently constructed and that which has been deposited and conceived in the Womb of Intimacy and carries the Breath of Heaven, the Weight of His Glory, the Anointing of the Lord, and the Authority of the King and His Throne. The Revelation of True Sonship will become critical in the coming days. And Jesus said, **"The Son can do nothing of Himself, but what He sees the Father do."** (John 5:19)

True Sonship does not operate independently of the Father; a True Son does not Build because he possesses the ability to build, nor does he ascend because he has discovered a way upward. He moves and has his being rooted in Deep Intimacy, from Faith and Obedience, out of Divine Revelation, having the ability to Know and See what the Father is doing and hearing ONLY what the Father is Saying. The Battle of Ai and Babel stand in stark Prophetic contrast to True Sonship. At Babel, man determined that he would ascend through his own ability and make a name for himself, but at Ai, after the hidden sin within the Camp had been Exposed, after Repentance had come, and after Divine Order and Right Covenant Alignment had been restored, it was God Himself

Who spoke to Joshua, ***"Do not be afraid, nor be dismayed, take all the people of war with you, and arise, go up to Ai. (Joshua 8:1)"***

And I hear these Words,

"IT'S TIME TO ARISE, AND GO UP AGAIN!" And I believe there is something profoundly Prophetic in those Words for the REMNANT RIGHT NOW, as we move towards 2027 and beyond. Babel and the Beast System speak of a Rising Counterfeit ascension born out of human ambition and independence. Joshua's Ascension came only after the hidden thing had been Exposed, and when True Repentance, Consecration, and Divine Order had been restored within the Camp. We see that at Babel man said, "Let us build, let us ascend, let us make a Name," but at the Battle of Ai, Joshua did not go up again until God Himself said, "Arise, Go up!" In this Hour, God is calling His Church BACK to the Altar before He Calls us to Go up again. There must be True Repentance for where we have exchanged True Intimacy for cheap intimacy, and where we have made substitutes of Information for the weight of True Revelation. We must Repent for where we have come to depend and cling upon the arm of human or artificial intelligence, rather than relying on Divine Knowledge and Supernatural Intelligence. Let us Rend our hearts and not our garments in Repentance for where we have partnered with the Empire-building Spirit which has caused us to build Towers of Babel when God was instead Calling us to Rebuild and Restore the Broken-down Altars.

Finally, I submit 2027 and beyond will not only mark an intensification of Warfare on new levels, but I believe it will release a Clarion Call to True Sonship, to greater Ascension and Authority, the Call to Walk in Divine Revelation and Understanding, and having the Supernatural Ability to Know what to do!

Cheryl Amabile with Lou Engle: Daniel Deployment

Introduction from Cheryl Amabile:

Beginning on Yom Kippur, **September 21**, and continuing through **October 11**, Lou Engle is calling for a **21-day fast** for President Trump, the Middle East, and the upcoming elections. Although this fast is patterned after Daniel's 21 days of fasting, we invite you to participate in whatever way you feel able. Some will abstain from all food and drink only water. Others will fast with liquids or follow a traditional "Daniel fast" of vegetables and whole grains. Still others may choose to fast one meal each day or abstain from meat and sweets.

If you are unable to begin on September 21, consider starting at a later date and continuing for 21 days. Israel's elections will be held on October 27, followed by the U.S. midterm elections on November 3. Today's Briefing introduces our primary prayer targets for the fast. In the days ahead, we will share additional Briefings detailing strategic revelation and direction for prayer.

Let us make the most of this pivotal opportunity to shape history together through prayer and fasting.

Cheryl Amabile

The Briefing via The Call

Daniel Deployment

The prophet Daniel lived in the sixth century BC. He was likely a young teenager when he was taken captive during King Nebuchadnezzar's first invasion of Jerusalem. In Babylon, Daniel was an exile with no political power of his own. However, God gave him extraordinary influence over kings, governments, and even the spiritual understanding of future generations.

Daniel presided over the seventy years of Judah's captivity and prevailed in prayer to bring forth Jeremiah's prophecy concerning his people's promised return to the land. Because of his extraordinary life of intercession and impact, some might consider Daniel an anomaly among men. However, we believe he was not merely an anomaly, but rather, a prototype for these end-time generations as we prepare the way for the Lord's return. Lou has often taught from the book of Daniel for this very reason.

Earlier this year, however, God directed our attention back to Daniel in a heightened way.

One night near the beginning of the war with Iran, Lou was praying about his own Daniel calling when he privately asked God to give Chris Berglund a dream.

The next day, Chris shared that he had dreamed of Daniel standing on the bank of the Tigris River. In the dream, Chris was told that we were to be "the keepers of Daniel's dreams" in our day. Chris understood that this was not only about stewarding the revelation Daniel recorded in Scripture, but also about faithfully stewarding the fresh revelation God gives us as we contend in prayer for the fulfillment of His promises. *(Photo: Lou Engle)*

If you're thinking Daniel's shoes are too large for you to fill, think again. The secret behind Daniel's success was none other than the power and presence of God. When Daniel first appeared before King Nebuchadnezzar in chapter 2, he was quick to acknowledge that he possessed in himself no wisdom or ability greater than that of the king's other wise men or magicians. Rather, "there is a God in Heaven who reveals mysteries." (Daniel 2:28)

However, Daniel was "greatly beloved" by the Most High God for the way that he chose to live his life before Him and before these pagan kings. Lou has been so gripped by Daniel's example that he prepared a new masterclass on the subject, entitled "The Daniel Code." Lou had no idea that the timing of The Daniel Code would coincide with the release of a major motion picture called *Daniel and the Fiery Furnace*, which arrived in theaters this very week. **We don't believe this is a mere coincidence, but rather, a divine convergence as God prepares His people for a mass "Daniel Deployment!"**

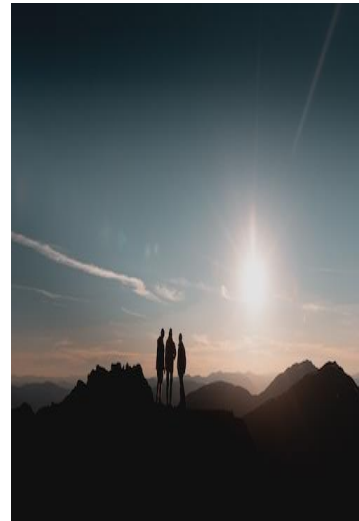

We are living in a time and culture not unlike Daniel's. Once again, God is looking for consecrated men and women, both young and old, through whom He can shift history by prayer and fasting. If you have not lived a particularly devoted life like

Daniel's, Lou's encouragement to all of us is simple: "Forget the past." The apostle Paul began as a persecutor of innocent Believers. He too had to forget what lies behind and choose to press on toward the goal of his calling in Christ Jesus (Philippians 3:13–14).

The need for modern-day Daniels is an ongoing reality. Yet a specific and urgent moment is now upon us as we approach what many consider to be the most consequential elections in modern history. Daniel and his companions understood high stakes as well. When confronted with a fiery furnace or a den of hungry lions, victory is not optional. Likewise, the battle over Congress and the war in the Middle East are not merely scrimmages. As far as God's purposes are concerned, it is game on! **History demands another Daniel Deployment.**

Therefore, we urge you to join in the upcoming fast. Many other leaders are also calling for periods of focused prayer and fasting in this season. Lou recently posted on social media: "Everyone should be involved in some way, offering their bodies as a sacrifice and lifting up incense-prayer to God, who alone rules over kings and shifts the times and seasons."

As the book of Daniel opens, we find the young exiles voluntarily eating only vegetables and water so that they would not defile themselves with the delicacies of the king's table. The very next thing we read is that God granted them supernatural knowledge and understanding (Daniel 1:17). Our company has repeatedly experienced a similar exchange when we have set aside the desires of the flesh to seek God through fasting and intercession. These are often the times when we receive our most significant prophetic dreams that not only direct our prayers but also unite us in shared faith. *(Photo via Pexels)*

So, to begin this fast on the same page, we encourage you to read the following four passages of Scripture and consider reviewing the corresponding Briefings. God has faithfully entrusted us with a measure of understanding concerning His emerging purposes. Yet the powers of darkness are also aware and have arrayed themselves against the fulfillment of God's plans. Therefore, it is critical that we prevail in intercession until His prophetic promises are fully realized.

How You Can Pray

1. President Trump (Isaiah 45). Pray for the president to complete his Cyrus mandate and fulfill the will of God. The Briefing 137—Pray for the President.

2. The Elections (Daniel 9:1–19). Repent on behalf of our states and nation and pray for righteous rulers who are aligned with God's purposes. The Briefing 148—Rededicate 250.

3. The War with Iran (Jeremiah 49:34–39). Engage in prayer for victory over the current regime and freedom for the people of Iran. The Briefing 145—Break the Bow of Elam.

4. The Times of Israel (Psalm 102:13–17). Agree with God's timing and intent to pour out His favor upon Israel. The Briefing 151—The Appointed Time.

As we enter these 21 days, may we answer the call to become a company of modern-day Daniels—consecrated in our private lives, steadfast in prayer, courageous before earthly powers, and faithful stewards of the mysteries of God. Let us take our place together in fasting and intercession, believing that the God who ruled over kings and shifted times and seasons in Daniel's day still rules over the affairs of nations today. This is our moment. Let the Daniel Deployment begin!

**"I AM THE GOD WHO OPENS A WAY WHERE THERE IS NO WAY"
CHARLIE SHAMP, MORAVIAN FALLS, NC.**

I heard the Spirit of the Lord say, *"The season of your hiddenness was not season of abandonment. It was a season of roots and deep drinking, where I was knitting together the bones of your destiny before you are brought forth. Many have looked at your silence and called it failure; many have looked at your waiting and called it rejection. But I have looked upon your hidden place and called it sanctuary.*

"Now I am about to turn your famine into a feast and your wilderness into a garden. The very place where you cried out in hunger shall become the place where others come to be fed. I am the God who makes a door in the wall, who opens a way where there is no way, who caused the walls of Jericho to

fall at a shout and the Red Sea to part at the stretching out of a hand. The wall you have seen is not your prison; it is your platform. For when I bring you through it, the world will know that I am the Lord.

"Do not exhaust yourself trying to climb what I have come to tear down; do not weary yourself trying to dig under what I have come to lift up. Stand still, and see the salvation of your God. The door is already opening; you have not yet seen it because your eyes are fixed on the wall. But I tell you, turn your eyes to Me, and you will see the door."

Veronika West: AN URGENT DREAM:

"The Eagles must RISE and the Owls must SEE what is on the Horizon. SOUND the Trumpet concerning chaos and planned destruction. Watch the Gates and the Keys!"

In the early hours of this morning, September 22nd, I had a powerful and deeply sobering Prophetic Dream concerning America. And after spending time praying over what I was shown, I felt to release it today as an urgent and time-sensitive Prophetic Warning.

In the Dream, I found myself looking towards what appeared to be a large Gate open over the USA. Suddenly, I saw a great Battle beginning to unfold. And I saw what looked like a dark cloud rising, and suddenly, I saw hordes of the enemy rising and gathering and advancing towards the Gate.

And I heard these Words: "Watch the Gateways; Terror attacks unfolding at the Gate!" As I looked again at the Gate, I saw New York City, Washington D.C., Florida, Texas, and then California come up before me in the dream, and I heard, ***"I Say Gates and Keys."*** By Revelation in the Dream, I knew that I was being shown a Prophetic Warning concerning Gates and Gateways across America; strategic Key States and Cities that carry great Influence and Authority; a Warning that a fierce Battle would begin to unfold again concerning Access and Authority at the Gates.

And then I heard, ***"WATCH FOR THE BACKLASH OF THE ALTAR OF BAAL."***

But then the Dream shifts, and my eyes were drawn to beautiful Wild Horses galloping with great Power across the landscape of the Nations, and as I watched the Horses moving across the Land.

Suddenly, I saw Owls come into the Dream.

I watched as the Owls landed upon the trees, and I watched as the Owls took their positions upon the branches of the trees. I saw that their eyes were fixed upon what was rising on the Horizon. The Eyes of the Owls could See through the deep darkness, and they could see with great clarity what was coming from a distance.

And I heard the Spirit say, "***The Eagles must Rise, and the Owls must See what is on the Horizon to Sound the Trumpet concerning chaos and planned destruction!***"

And as I heard those Words, I saw the Mighty Eagles beginning to Rise higher, and immediately I saw a powerful Prophetic dimension unfolding in the dream.

I heard a Clarion Call to God's Faithful Prophetic Voices being called to go higher in this hour, to Rise to a greater Spiritual Altitude and to go to a deeper dimension of Prophetic Sight with an Understanding of what is unfolding. I knew by the Spirit that the Owls spoke of an Apostolic and Prophetic Watchman dimension - eyes to See through the darkness and to Sound the Trumpet concerning what was now arising on the Horizon. But then suddenly, the dream shifts again, and I saw large Black Snakes moving below the Rising Eagles and below the Watching Owls.

Large Snakes slithering and moving covertly, and as I looked again, I could see what looked like demonic Moles scurrying and burrowing themselves beneath the ground. And I heard, "I say, Watch what hides beneath. Watch the Subways and Underground Systems!" Immediately, in the Dream, I felt an urgency rise within me, an Urgency to Pray over the Subways and Underground Systems beneath the Cities. But then suddenly, I saw that the Owls could See what was moving below. and I watched as the Owls began to swoop down from the branches of the Trees upon the large Black Snakes and the Moles, and they began to devour them.

And I hear The Spirit say, ***"Again I Say Watch! What has been hidden in darkness will be exposed. What has been operating beneath the surface will be uncovered. Look! For I am sharpening the Eyes of My Watchmen in this hour, and they shall See what the enemy has sought to conceal."***

Prophetic Note: The Mole. As I continued to wait on The Lord concerning the Moles that I saw scurrying and burrowing beneath the ground, the Spirit began to highlight another Prophetic dimension worth noting, and I heard, "These are not only creatures of the Underground Systems, these are Moles of Infiltration!" Now a "Mole" can speak of a long-term Agent who has been strategically planted within, one who remains hidden and undetected, working covertly from within a structure or organization.

I submit, as I have prayed concerning this aspect of the Dream, I saw an Assignment of potential espionage and infiltration - agents of darkness strategically positioned within structures of Influence within places of Governmental Authority, and even within Government Agencies. But I see yet another Prophetic dimension concerning the Mole, and that is an Assignment of the Enemy that seeks to distort Prophetic Vision, to hinder clear Sight and Understanding, and to sabotage from beneath. Specifically, as I prayed, I was shown an Assignment concerning the Agenda of the President in this Mid-term Season, hidden efforts seeking to erode trust, to undermine what appears solid upon the surface, and to destabilize from within.

These Moles do not work through open confrontation but through quiet and persistent tunnelling beneath the surface, seeking to weaken and collapse Foundations while everything above still appears secure. But again, I was reminded of the Owls in the Dream. The Owls could see what was moving beneath. And I hear The Spirit say, ***"The Owls MUST SEE what moves below. What has been hidden will be exposed, the Eyes of My Watchmen are being sharpened, and the Moles shall***

not remain covered. "Then the Dream shifted yet again, and a great Urgency came upon me concerning "Travel and Transportation."

President Trump came strongly before me in the dream, and his movement in the Air and upon the Land, and specifically Air Force One was heavy on my heart. Watchmen, as I write this Dream out, I hear the Spirit saying, ***"Watch for Signs, see what unfolds in the Air, in the Skies above, the Moon, the Stars, even Space. I Say, watch what moves on the Land below, and what Seeks Access to the Gates!"*** I believe this Dream is also speaking here to an Urgent call to Prayer concerning all of the President's Routes of Travel and Transportation in the days ahead, both in the Air and upon the Land.

Back to the Dream: But then, something very strange happened in the Dream. I could hear the Words of a song playing. "There is a RAT in the Kitchen, don't know what I'm gonna do, there is a RAT in the Kitchen." Now in the dream, both the "Rat and the Kitchen" were being highlighted to me, as those were the Words that struck me in the dream. I submit, as I have prayed over this dream, I believe "The Rat" speaks powerfully of "Disease/ Dis-EASE, Plague/Sickness and Contamination. And I am shown as I prayed, a powerful Demonic Agenda that will rise and that would seek yet again to exploit Disease and Contagion to bring Nations again under Fear and Control. (I know many Voices have prophesied this. Hence, I believe this Song in the dream is further Confirmation and a Prophetic Warning).

Prophetic Note: The Rat. Now as I prayed into any further Prophetic significance of the Rat in the Kitchen, 1 Samuel 5–6 was quickened to me, where in the days of the Philistines the Hand of The Lord came heavily upon them, and we see "Tumors and Rats" associated with the Judgment that came upon the Land.

But then I heard the Word, ***"BETRAYAL."***

A "Rat" can also speak of one who turns a Turncoat, a Judas, a Secret Informant, or a Betrayer, one who sells out from within. I submit that the Rat in the Kitchen therefore carries a powerful Prophetic Alert concerning Betrayal in Close Proximity. Someone permitted near the table, near the food, near the place of trust, yet operating as an informant from within.

And I hear:

"Watch the one who smiles at the table, yet Reports in the secret of the shadows. Watch for the Rats that have already gained Access!"

Furthermore, I submit there is also a Prophetic significance of the “Kitchen” that carries weight...and I hear these Words: *“Close Proximity. Hand to hand combat!”*

Now President Trump came before me again as I prayed, and my attention was immediately drawn to those who have Close Access – Administration, Staff, Food and Drink, catering facilities, kitchens, service areas, and back entrances. (Now I have prophesied Warning of this before now, even a few months ago.)

There was something deeply significant in the Dream concerning “ACCESS and a potential BREACH,” something operating within close range of the President and his Family.

“WE WATCH AND PRAY OVER WHO HAS CLOSE ACCESS.”

Watchmen, we must Pray and Discern, for the Rat of Betrayal and the Mole of Infiltration are being exposed in this hour. And I hear The Spirit say, ***“The Moles shall not remain covered, and the Rats shall no longer be concealed at the table, or that which has operated from within and beneath shall be SEEN AND KNOWN!”*** Then suddenly, another strange dimension in the Dream: I heard the Song/Sound of a familiar nursery rhyme that came into the Dream, “Hickory Dickory Dock, the Mouse ran up the Clock, the Clock struck One, the Mouse ran down. Hickory Dickory Dock.”

As the rhyme played out in the Dream, I saw the Clock and the Mouse, and the Hands strike the 12 and the 1, and immediately, by Revelation, I heard, “Chronos and Kairos Collide!”

“Natural Time and God’s Appointed Time Colliding”

I knew also by Revelation that this Dream was an extremely “Time-sensitive Prophetic Warning.” But as I continued to pray into this deeper, I saw another dimension concerning the Clock and the Timing. Satan would seek to alter the Times, to bring something forth prematurely in the Natural that would seek to move the Nation out of alignment with God’s Kairos Timing, the Appointed Time.

I saw an attempt to force through the Gates of Chronos what had not yet reached its appointed Kairos - to accelerate events, alter timing, and bring the Nation into a

premature moment. But then my attention was drawn to the little Mouse, and it was that it was "something small," "something easily overlooked," yet able to gain Access through the smallest of openings. Again, it was impressed upon me, "EVERY small detail matters!" Hence, Access and Timing Matter and are vital to Cover.

The Mouse and the Clock. Something small and easily overlooked gaining Access. and a specific "Window of Time." Prophetic Note: As I waited on the Lord concerning this particular aspect of the Dream, I was led to look more closely at the history surrounding the rhyme, "Hickory Dickory Dock," and I discovered something that immediately caught my attention.

Google says, "The earliest known printed version of the rhyme dates back to 1744, and there is a long-standing historical association with the great Astronomical Clock at Exeter Cathedral. Historical records concerning the Cathedral also tell of a small hole cut into a door beneath the Clock that allowed a Bishop's Cat to gain Access to the Clock mechanism to catch the mice and rats."

Wow!!! And I heard the Spirit say "CONVERGENCE"

And suddenly, there is a "Religious dimension" within the Dream that comes sharply to the fore as I pray. "Rome and the Vatican" come to me as noteworthy. I see "Religious Spirits" and Demonic Power at Play; Powerful Global Influence taking place through the Vatican, and its reach and Governmental Access and its ability to Influence Global and Economic Affairs.

I am being shown powerful Religious Systems reaching far beyond the walls of Religion, and their reach extending into the corridors of Power, where strategic Relationships are formed in secret and positions of trust are being exploited to shape Global decisions and advance Global agendas that carry the potential for great destruction. This Nursery Rhyme is highlighting the Religious Dimension (be it highly Demonic in Nature) and a Prophetic Significance of the Underworld of the Vatican within the context of this Dream. The Timing and the Clock. The Mouse able to gain entry through the Door and have Access, all brought the Religious and Ecclesiastical dimension powerfully to the fore, and as I prayed deeper into what I had been shown, Rome and the Vatican were specifically highlighted.

And I hear The Spirit say. ***"Watch Rome. Watch what begins to come to the fore with the Vatican. Watch the connections between Religious Power, Global Influence and the Governmental Gates. For I say, look again, for there are***

hidden connections and demonic networks operating within close proximity to places of Governmental Power and Authority that will come to the fore and be fully exposed!

"Listen and pay close attention to the small details. Watch the Gates and the Key States, and as the Pieces on the Global Chess board Move and Shift, for what has been concealed even in plain sight will suddenly be brought into the Light. Watch! For I am sharpening the Eyes of My Watchmen on the Walls in this hour. I am causing My Eagles to Rise higher and My Owls to See what rises upon the Horizon, and the Sound of the Trumpet shall be heard.

"Look! For that which has moved beneath the surface will surely be uncovered, and that which has operated in the shadows of darkness and behind closed doors will be exposed, and that which the enemy planned and plotted by the hands of those even in trusted positions both in the Government, Finance, and even in the Church shall not remain hidden, but shall be fully revealed for all Eyes of the Nations to See!"

**Lorilei Cooley: You Have Drunk from the Cup of Suffering.
Now Receive Your Reward**

Drinking from the Bitter Cup

There is deep closure happening to the years of loss, pain, grief, and suffering that many have endured. The Lord highlighted specifically the suffering that you have experienced throughout the many years and, for some of you, what has felt like all your lives. There have been non-stop trials, hardships, setbacks, delays, and great hindrances to the point where there have been moments in your life when you've felt like you cannot even remember when things were actually good and joy abounded all around.

It has felt empty and isolated at times, but the Lord has been with you. The Lord showed me that, for many, you have been drinking from the bitter cup of suffering (Matthew 20:22–23).

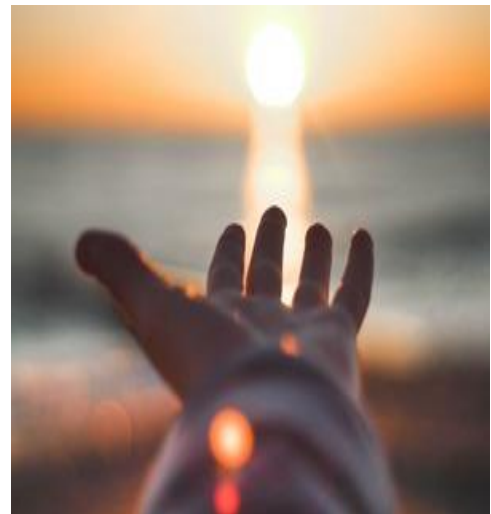

Receive Your Reward

I heard the Lord say, ***"You have drunk from the cup of suffering, and now you shall receive your reward. I will use all things that you have endured for the good, for My mighty hand of restoration is moving swiftly upon you, accelerating the times and shifting the seasons.***

"I am changing the landscape around you from barrenness to fruitfulness. It will no longer remain as it has been, for what I have spoken over you, promised you, and have repeated to you over and over is coming forth by My mighty hand right now. I will bring all things into alignment and into divine order in but a moment...

"As fulfillment begins to unfold over and through your life, you will know it was only by My hand that this could have been accomplished, by the breath of My word over you, causing those things that I have spoken to suddenly come forth. For I hold all the times and seasons in My hand, and I know when it is the perfect timing to bring about what I have spoken to pass over you.

An Overhaul of Restoration

"I am causing an overhaul of restoration and a return of fortunes for all that has been lost and stolen in such a way that there will be a divine

exchange of sorrow for joy in the manifestation of the restoration. You will not know this place of continued loss and pain no more; it will no longer be your story or your future. I am changing the storyline with the fulfillment of My word and promises, that I am right on time and I am about to display My power in unprecedented ways."

The Hope of Glory: His Appointed Time Is Upon You

He is the hope of glory (Colossians 1:27), and He is moving and doing only what He can do for His appointed time is upon you, and you are slipping into the "right place at the right time" moments that are happening right now.

"To them God has chosen to make known among the Gentiles the glorious riches of this mystery, which is Christ in you, the hope of glory." (Colossians 1:27 NIV)

I have repeatedly heard this verse in (Isaiah 60:22) for the past few weeks, and sensed His perfect timing is imminent!

"The least of you will become a thousand, the smallest a mighty nation. I am the LORD; in its time I will do this swiftly." (Isaiah 60:22 NIV)

NATE & CHRISTY

WATCH FOR THESE SIGNS OF SABOTAGE RIGHT NOW!

In a time of rebuilding the walls, and even for those in a season of building what God has called you to build, I felt it was important to remind you of the warfare that almost certainly comes when you are in a time of growth and expansion– the Sanballats, and Tobiahs!

Like in the story of **Nehemiah 4**, Sanballats and Tobiahs will always show up to **PROTEST** and **SABOTAGE** what you are building, so don't be surprised when they do. They are often disguised as ones familiar to you.

However, I want you to remember this one key phrase – it will help you through all the distractions and discouragements: **"I am doing a great work, I cannot come down."** (**Nehemiah 6:3**)

Refuse to go down to them, and stay **FOCUSED** on the work that God has called you to do. You **WILL** complete the work set before you. Don't give up.

Have you noticed this in this season of your life?

In a season of growth, expansion or restoration, the Sanballats and Tobiahs will always appear... (**Nehemiah 4:1**). They come to discredit the work, and make you question if you heard from God, (**Nehemiah 4:2**). They come to sow discord and doubt... amongst your fellow builders... (**Nehemiah 4:3**). They mock what God is doing through you... (**Nehemiah 4:1**). When all that doesn't work... they will become enraged against you... (**Nehemiah 4:7**)

Their names mean:

Sanballat: Sin has given life. This is a name of Mesopotamian origin, and speaks of those outside of the Church who will oppose you in the work. The sin that gives life often arises out of envy.

Tobiah: YHWH is good. Tobiah speaks of those who are supposed to be brothers in Christ who should be involved in the work of rebuilding, but instead, turn into enemies from their own insecurities and envy.

Look for these signs:

- Unexplained discord amongst those you are building with... there's a feeling of disconnect and disjointedness that you can't explain.
- A sense of intimidation and hopelessness with what you are building. What once brought you excitement, now feels tiresome.

- The feeling of wanting to give up and throw it all in. This is a huge red flag of witchcraft and false accusations being spread against you.

How to overcome this attack? **KEEP BUILDING!** Refuse to come down from the wall...

"I am doing a great work, so that I cannot come down." (Nehemiah 6:3)

I HEARD THE LORD SAY, 'CHANGE, CHANGE, CHANGE. THINGS ARE NOT REMAINING THE SAME'

As the Lord spoke these words, I could feel the winds of change getting stronger and stronger in the spirit. As I leaned into the Lord and listened to His heart, I heard:

'Change, change, change is in the air! Change is in the air. I say unto you, My people, look and listen. Look and listen to that which I am speaking, for there is great change in the air, and things are not remaining the same. I say unto you, that I am calling you into the new things that I am doing. I am calling you into new frontiers that you have not yet entered into before. I am moving you by My Spirit into a new day where things are not remaining the same. You must look and listen. Look and listen to what My Spirit is saying. And it is imperative in this hour that you are heeding My instruction and not allowing a lack of understanding to hinder your obedience to where I am leading.

'I say unto you, pay attention to where the cloud is moving. Pay attention to where I am leading. Do not remain in what is familiar because it is comfortable; I am calling you into the deep. I am calling you into deeper places of dependence, for I am leading you in a way that you have not been before. I say unto you, pay attention to where My grace is lifting. Pay attention to where My grace is lifting, My people, and do not remain where you have been because of fear to move into the new day that I have for you. 'For I say unto you, that I have gone before you. I have prepared the way. I am leading you into a new day where you shall see My hand lead and guide

you and My provision come in ways that you have not seen before. My provision and My leading will far outweigh the fear that is attempting to keep many of you in what is familiar.

'I say unto you, that I am bringing a divine reset in this hour. I am bringing deeper alignment and My divine order into your lives. I am positioning and posturing you to move with Me and to see greater works of My Spirit through your lives than you have ever seen. I say unto you, that I am calling you to move with Me in humility. I am calling you to move with Me in deep and complete trust to where I am leading you. I say unto you, continue to just take the next step in where I am leading you. There is a temptation to remain in yesterday, when I am leading you into a bright new tomorrow – a new day that is far beyond what you have walked in before where you shall see and hear My voice leading you and My hand guiding you into much of what I have spoken to you and promised you.

'For many of you have been in deep places of preparation in this hour. For I have been speaking to you that I am preparing you for the new day that has dawned upon you, and I am bringing you into places of expansion that you have not seen or experienced before. But I say unto you, be not afraid of the pause. Do not be afraid of the reset and the greater surrender that I am drawing you into. For I am making room in your hearts and in your lives for the new things that I have for you.

'I say unto you, that in these days you must let go of what you have known and follow My voice into the uncharted territories. For I say unto you, that I am leading you into days of GLADNESS of heart in the mighty move of My hand to establish that which I have spoken and that which I have promised you. For I say unto you, that you shall truly taste and see that I am good (Ps 34:8) in ways that you have not experienced before, and you SHALL see My goodness in the land of the living. (Ps 27:13)

'For these are the days of great supernatural return and recovery. There is deeper returning unto Me; letting go of what has taken your attention and affection above Me. There is a great returning in repentance to Me and a great refreshing that is coming forth as you return unto Me with your whole heart. These are the days of supernatural recovery where I am restoring to you that which was stolen and broken. I am causing supernatural turn

around, and what has been against you will be suddenly turned for your good. (Rom 8:28)

'I say unto you that you shall see an even greater recovery of that which was broken, stolen and lost as you move into the new places that I have for you. I say unto you, that there are spoils of the past seasons to gather. And I say unto you, that in the new places, paces, spaces and ways I am leading you in this new day, watch how I shall supernaturally return to you ALL and MORE than ever before. For I have been restoring; I have been returning; I have been bringing recompense. But I say unto you, that you shall see ALL AND MORE than you have ever seen before in the new things that I have for you. 'For I am a God of abundance. I am a God who loves to give good gifts to My children (Matt 7:11). And I say unto you, that you shall not go into these new places, paces and spaces in great lack – I am, and will, restore ALL and MORE to you than ever before. Do not lose hope, my people. Do not give focus to the warfare, but look to Me. Look to Me, for where does your help come from? It comes from Me, the Maker of heaven and earth. (Psalm 121:1-2)

'I say unto you, that as you move with Me into this new day that I have for you, you shall encounter the empowerment of My grace in unprecedented ways. I say unto you, do not be discouraged where you see My grace lifting off of the season you have been in. For there is a greater empowerment of My grace that is coming upon you to walk with Me into the new day and all that I have for you. Do not look to yesterday's grace to carry you into the new. My grace is shifting and moving, and I am calling you to follow. And, oh, the joy that you shall see and receive as you move with Me in obedience to the new things that I have for you.

'I say unto you, this new day will be "MARKED WITH MOMENTOUS MIRACLES" and joy in the display of My miraculous power in your midst like you have not experienced before. I am NOT a man that I should lie (Num 23:19). I am faithful, and what I have planned you have not even imagined or comprehended (Eph 3:20). Follow Me. Follow My footsteps and where I am leading. Do not look to the left or to the right; look to Me and know that My Word is a lamp unto your feet and a light unto your path (Ps 119:105). As you stay close to Me in intimacy and obedience, oh, the fruitful land that I am leading you into that shall fill your heart with joy at the works of My hand in your midst. And it shall leave you in awe and wonder of My goodness and My power.

'Sudden realignment is taking place. Sudden, new divine alignment is taking place. Sudden change is taking place. The shift is swift and the move of My Spirit will be quick in the revelation that the season has changed, and the new day has come. Do not strive, do not be anxious, do not be distracted. But lean in close to My heart; sit at My feet and listen to My leading and My heart, for I am bringing forth a sudden change of the landscape. No longer will you remember the days of mourning. No longer will you remember the days of brokenness, weariness and despair. You shall rejoice and be refreshed by My goodness and the mighty works of My hand.

'I am bringing deep refreshment. Your hearts shall be saturated with My goodness and My love. I am marking this season in greater ways with even greater displays of My goodness that is not dependent upon the natural realm, but upon MY FAITHFULNESS. And, oh, My people, how you shall see MY GOODNESS in the land of the living.'

Excerpts from: We Have Entered a Time of Reckoning

There is intensified warfare for breakthrough right now, because we have entered a time of reckoning. A reckoning is a settlement of accounts.

Breakthrough usually does not appear suddenly without a preceding process. It's a pressure-filled process. It's a process where the warfare ramps up because there is a fight over destiny and position. Scripture repeatedly shows God bringing people through pressure, testing, waiting, obedience, confrontation, and apparent impossibility before the promised outcome becomes visible. There is often a season when the promise exists before the evidence does. This is one of the deepest Biblical patterns that exists throughout Scripture.

God can speak first, while circumstances appear in the natural to contradict what He has said. What God has spoken is the breath of the future that circumstances in the natural must catch up to. The original circumstance may completely contradict what the Lord has said, because there is then an intense process of compelling it into alignment. That is what is happening in this nation. There is a battle over destiny and birthright. **God promised Abraham, "I will make of you a great nation" (Genesis 12:2). But Abraham did not immediately possess the fulfillment. He had a promise but no nation, a destination but no map, a covenant but years of waiting. Eventually, He had a son, but then a command that tested whether Abraham trusted God beyond the gift itself.**

Hebrews 6:15 summarizes the process: "And so, after he had patiently endured, he obtained the promise." The order is significant: promise → waiting → endurance → fulfillment. Not every Biblical breakthrough follows precisely this sequence, but this is a major pattern.

Before breakthroughs, circumstances may become worse rather than better. This is due to the war intensifying around the forward motion. This is one of the most important things to understand. Sometimes, the period immediately preceding deliverance looks like regression or going backwards. This is not a setback; this is a setup. The Lord will utilize the enemy's own weapons against him to clear the way. **When Israel was in Egypt, God sent Moses with a message of deliverance: "Let My people go" (Exodus 5:1). What happened next? Pharaoh increased Israel's workload.**

Where the Spirit of the Lord is, there is freedom. When the enemy knows you are on the verge of getting free, of breaking the threshold of your destiny, of entering that new chapter, and of being delivered from the bondages that have attempted to bind you, he increases the warfare. He brings it from all sides, and he attempts to weary you and make your faith falter. ***Do not fall for it!***

Israel saw that everything was getting worse. Oppression was increasing and sabotage was rising. God said, "Now you will see what I will do." When the enemy bears down is when God arises and lets His enemies be scattered and truly puts on a demonstration. (Photo via StockCake)

The worsening circumstances do not mean God has abandoned the process. The worsening circumstances can be a sign that Almighty God is about to upend the enemies' plans. His strength is made perfect in our weakness. Where we are weak, He is strong.

We must understand that what we see—the mounting pressure and opposition in the nation—is like Pharaoh bearing down on the Jewish people, because God announced, ***"Let My people go."*** That was God announcing the future that He already saw, which His breath was speaking into the present circumstance. He was announcing that deliverance was at hand, but first, Pharaoh bore down even harder on the people.

America's Congress: Breakthrough Is on the Precipice

What is happening in this nation is that opposition is arising and trying to bear down. The administration and those who fear God in Congress need to recognize the hour and why the opposition is rising like this, because the threshold of breakthrough is on the precipice, if they will only commit and surrender humbly to God's plans, His purposes, and His ways.

This is a time when those in Congress and the administration who fear the Lord need to consecrate themselves for battle. This is a battle of birthright. This is a battle of breakthrough. And that is why the opposition is rising and trying to bear down. It is why, in your own lives, you have felt warfare increase so dramatically that it feels like it's bearing down on you like bricks. The enemy is trying to bear down, because he knows that breakthrough is at hand and that Almighty God has already spoken it. The enemy is going to try to raise a stronghold. He's going to try to distract you. He's going to try to weary you. Those should all be signals to you that your breakthrough—breaking the threshold of your next chapter and one of the greatest transitions in your lives—is at hand. He doesn't expend resources to such a degree if there's no threat.

The battle over the birthright is over breakthrough. The enemy wants bondage. Almighty God wants breakthrough. This is a battle over foundations. This is a "Matthew 7" battle which is going to expose the foundation. It's going to expose the foundation in Congress.

Let me tell you something. Mitch McConnell in a wheelchair is a very sad, prophetic picture of the spiritual condition of Congress right now. Mitch in that wheelchair is the prophetic picture of the spiritual crippling that has happened in Congress, because the camp is defiled and the Lord is calling for them.

Get Ready, and Keep Moving Forward!

So, consecrate yourselves. Get yourselves ready. Don't let the enemy distract you. Don't let him weary you. It feels like war now, because it is. But God is with you, and if God is for you, who or what can be against you? Greater is He that is in you than he that is in the world (1 John 4:4). The power that raised Christ from the dead dwells within us (Romans 8:11).

It doesn't matter what the enemy can bear down on you, because what dwells in you is far greater than any weapon he could ever form. Get yourselves ready, because you're about to experience some of the greatest breakthroughs and deliverances in your lives. Don't stop the forward motion. Keep moving forward and persevering in the Lord. Don't let the enemy distract you and turn to the right or to the left. Don't look back at prior seasons. Don't look in the rearview mirror at what you don't have. Look forward right now, because freedom and breakthrough are right at the threshold of your lives, and the enemy knows it. And this day, he has been put on notice: What he tries and what he deploys is going to be dismantled in the name of Jesus Christ, and it will not stop the incredible breakthrough, deliverance, and testimony that God is bringing forth out of your lives.

The enemy can cause chaos all he wants. That's what he does. You don't have to get caught in the whirlwind of it. You may feel it, and you may be going through the storm, but the One who is in the boat in Luke 8 during the storm is the One who dwells within you. That's why it's time to consecrate yourselves and get your foundations right. It is needed in this hour for where we are headed as the Body of Christ and for where this nation is headed.

Bruce Dietler has written two incredible books:

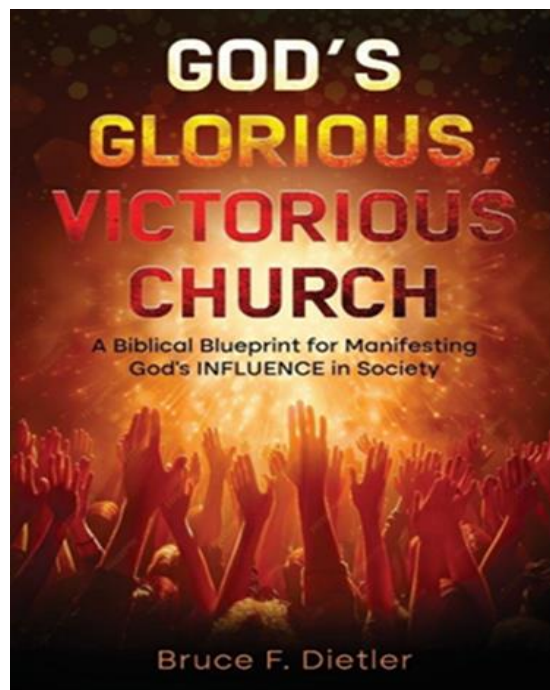

I recommend everyone to get a copy of each book as soon as you can!

When Stars begin to Fall: A Compilation of Prophetic Dreams, Little-known Historical Anecdotes, and Spiritual Insights from the Heart of God.

When the stars begin to fall will be the worst of times or the best of times depending on one's perspective and where we place our trust and confidence. It would appear that everything in our world that can be shaken is either currently being shaken or soon will be. The foundations of security for many will surely crumble in the immediate future; those who have trusted in them and not in the Lord will be desperate for escape. Yet the Lord is calling us, His Ekklesia, to be as the sons of Issachar, understanding the times and seasons and exercising great biblical discernment in every area of life. There is great hope for the future when we view life from God's perspective; when we see how He has intervened in days past and project that into our future. Look up, get excited, and expect great things in the days ahead. Purpose to flow in God's plan, and all will unfold in awe and wonder. **The best is yet to come!**

"I saw Yeshua standing as a man with hair and the face of a lion- His hair waved and flowed as liquid gold, an appeared like God's Glory. In His right hand was a tall gold scepter-Yeshua walked into the world and through the earthly and worldly systems and structures, as if they didn't exist. He thrust His scepter into the ground to stake the land and His Kingdom. The ground in the spirit was leveled and prepared for Kingdom structures to be built. He didn't wrestle with earthly structures; He simply moved through them as if they weren't there. By doing this, He pronounced and carried out judgment on the world..."

Don't forget "The Heart of a Seer"

By Wade Butler, \$19.95 on Amazon.com

The reality of ***"The Heart of a Seer, Ascending to See the King,"*** is for all HIS children. HE offers to everyone the opportunity to "come up here, and I will show you what is to come." Several people I know say, "But I do not have any gifts." The gifts are not the key; your heart is. You may be like my wife, who had never seen HIM or heard HIS voice. Yet, at the same time, she has the spirit of discernment of people and seasons. When she first saw HIM, she could not look past HIS feet or robe. Yet, she knew that HE was holding her hand, and she could hear HIM speaking to her.

Friends have told me that, "I wish I could see like you do." My reply has always been, "Surrender all to HIM." I pulled back for years and missed the fullness of what HE wanted me to see. I was overwhelmed by the gifts and turned HOLY SPIRIT away. When the anointing returned to me, I could not hold HIM back any longer. The story had to be told.
